### Senate Discusses Revisions

Constitutional revisions, scholarships, and the student news service were the main points of discussion at the bi-monthly meeting of the ASUN senate Wednesday evening.

"The main revisions in the ASUN constitution deal with finance," said Ken Robbins, Arts and Science senator and chairman of the revision committee.

If the revised constitution is accepted by the students in the general election this Spring, the membership of the Finance Control and Publications boards will be increased from five to seven members. At present three members of the board are students and one, the chairman, is the faculty advisor and one non-voting member is the Graduate Manager. The revised edition will place a student in the chairmanship and allow the AWS president a place on the committee. Two members will serve for two years for continuity.

"The crucial thing is changing the chairmanship," commented Dr. Don Driggs, the senate's faculty advisor. "It will put the responsibility where it belongs." Chuck Coyle, ASUN president said, "in other constitutions, the students handle their own funds."

Another revision will send proceeds from the ASUN Bookstore to the general fund rather than to the Student Union. The Graduate Manager's duties will also be enumerated in connection with the students.

The Student News Service has been accepted by President Stout except for the method in choosing the "student editor." The President would like the head of the University News Service, Bob Laxalt, under whom the student would work, and the journalism professors to name the student editor. Coyle told Senator-at-Large Bob Faiss to ask the President if the ASUN Nominating committee could participate in the choosing of the editor.

Dr. Loring Williams told students that "per capita," Nevada has more scholarships available than any other school. He said that less than \$500 per year is given to students with a 2.75 grade point average or less.

Coyle said that at the next Senate meeting the new Social Code will be presented to the students. "It's good" Coyle commented. "The Deans were very cooperative."

### Engineers Display Skills April 13

Civil, electrical and mechanical engineers will band together to display their inventiveness and skill to the public in campus "open house" April 13. Engineer's Day, an annual event, will be combined with High School Visitation Day this year, which is expected to bring five hundred or more Nevada seniors to the campus.

Co-chairmen this year for Engineer's Day activities are Gerald Samstad and Eric Lappohn.

Dean Stanley G. Palmer has announced that the speaker for the engineer's banquet will be Gilbert H. Kneiss, assistant to the president of the Western Pacific railroad company.

Kneiss is a graduate of the University of Nevada, class of 1923 and is currently connected with Western Pacific's public relations department in San Francisco. He will speak on the "Building of the Western Pacific railroad." The banquet will be held on the evening of April 13.

Engineer's Day is the one day of the year that the University engineering students display their inventions, gadgets and exhibits to the public. Contests and guided tours are also a part of the occasion.

High School Visitation Day enables Nevada high school seniors

#### NOTICE

All students having deferred fees must make payment to the Comptroller on the date due. Failure to pay fees will result in exclusion from classes.

Sam M. Basta  
Student Counselor.

#### STUDENTS REMINDED TO CALL FOR MONEY

The fifty-one students who receive scholarship money should contact the comptroller's office immediately.

These checks are from a wide variety of donors, but do not include the Harold Smith scholarships that will be ready on April 1.

#### PROFESSOR, STUDENT WIN HANDBALL TOURNAMENT

A professor and his student swept the handball doubles tournament at the Reno YMCA recently.

The prof. was Dr. Art Broten, director of health, physical education, and athletics, and his partner was Claude Mabry, senior physical education major at the university.

to visit the University and explore the campus. Part of their stay will be spent at the engineering exhibits.

### Stranger in Paradise Chosen Prom Theme

A "Stranger in Paradise" theme has been chosen for the Junior Prom, Bill Thornton, junior class president, announced this week.

This year the prom will be held Friday, April 5, in the Fable Room of the Mapes hotel. Paul Jones and his orchestra from Lake Tahoe will provide the music.

Although the theme has definitely been set, the exact decoration motif has not been decided upon, Thornton stated. The decoration committee is considering decorations centered around a man loose in Ft. Knox, or possibly featuring the typical college male with a master key to Manzanita hall.

Selection of candidates for the "king" and "queen" of the Prom have also been completed. The queen will be chosen from four candidates, one representing each of the campus sororities. The king will be picked from seven candidates, including one candidate from each of the fraternities and a can-

didate sponsored by the Independents.

Election of the "king" and "queen" will be held Friday, April 5, in the basement of Stewart hall. Voting will be open to all students. Winners will be announced at the dance.

Candidates for "queen" are: Suzie Kuypers, Pi Beta Phi; Suzanne Swartz, Gamma Phi Beta; Shelly Branch, Kappa Alpha Theta; Mary Carol (Mac) Jackson, Delta Delta Delta.

"King" candidates include: Gene Kiliany, Theta Chi; Bob Lewis, Alpha Tau Omega; Steve Dollinger, Sigma Alpha Epsilon; Bill Eddleman, Sigma Nu; Pat Levin, Phi Sigma Kappa; Dale Clark, Lambda Chi Alpha; and Bill Tyson, Independent.

Last year's "king" and "queen" were Gene Belli and Joanne Ortiz.

The Prom will be semi-formal with no corsages. Starting time is 9:00 p.m.

### Cast of 41 Players In First Big Musical

Twelve-hundred dollars in ASUN funds, two-hundred from the Campus Players, the combined efforts of the drama, music, and art departments, and two months preparation by more than sixty persons, will go on stage this evening in the form of "Kiss Me Kate." Presented by the Univer-

sity Singers and Campus Players, the musical comedy opens for a two-night run at 8:15 this evening in the State building.

Tickets have been on sale for the past two weeks at the ASUN bookstore and Southworth's Cigar Store, at \$1.25 for students, and \$2.00 for adults. They will be sold at the door both nights.

Sagens, women's upperclass service organization, will usher at the performance.

Walt Anderson and Gaye Lane head the cast of 41 as Fred Graham and Lilli Vanessi, a divorced couple who are reunited to play in William Shakespeare's "Taming of the Shrew." The action revolves around the "play within the play," a partial production of the Shakespearian drama, and Fred and Lilli's quarrels.

Jan Chiatovich and John Madariaga play two converted nightclub entertainers, also part of the "Shrew" cast. As Lois and Bill, they are involved in a love affair interrupted by disloyalty on the part of Lois.

Under the co-directorship of Asher Wilson and Dr. Keith Macy, the play features Dr. Charlton Laird, English department, and Dr. Willard Day, psychology department, in principal roles. Dr. Laird is cast as Kate's father in "Shrew." Dr. Day is Washington Senator Harrison Howell, who, in the words of the play, "has his own park bench."

Jim Santini and Dan Hulse are cast as the "gunmen" who threaten Lilli's life. Other major parts belong to Carl Shaff, Jay Evans, and Sharon McIlrath.

Some of the well-known songs in the play include "Wonderbar," "So In Love," "I'm Always True to You Darling in My Fashion," "It's Too Darn Hot," "I Hate Men," "Brush Up Your Shakespeare," and "Tom, Dick and Harry."

Other members of the acting cast include Roger Joseph Jr., Bilbo Helms, Dean Kapasalas, Judell Samon, Bob Morrill, Bill Brown, Diana Ince, Sharon White, Buzz Foster, and Packy Morris.

Dancers are Marlyn Ferrari, Joanne Ortiz, Barbara Heward, Marlon Davidson, Mickey McBride, William Doan, Biff O'Malia, and Al Creel.

Members of the chorus are Roger Mills, Joe Ellison, Adam Hish, Art Vaughn, Gene Pieretti, Buzz Alan, Janet Balmain, Bev Ricketts, Janie Kottinger, Caroline Braswell, Carol Stever, and Mrs. Gerty Berg.

The scenery is composed of several sections and has been painted under the direction of Prof. Edward Yates of the art department. There will be nine changes in setting in the three-act production.

Students in charge of different aspects of the production are Betty Lougaris, production dance director; Marilyn Ferrari, specialty dance director; Mrs. Clydie Clayson, costumes; Sharon White, props; Packy Morris, lighting, and Trudy Caddell, co-ordinator.

### "Kate" Orchestra Has 21 Pieces

A twenty-one piece orchestra for the production of "Kiss Me Kate" was announced by Dr. Keith Macy, director of the University of Nevada Community symphony, which goes on the boards tonight.

Curtain time for the University's first production of a Broadway show will be at 8 p.m. at the State building in downtown Reno. The show runs through tomorrow night. The "Kiss Me Kate" orchestra consists of University of Nevada students, local musicians and members of the American Federation of Musicians union.

Playing the string instruments are: violins, Rodney Mercado, Robert Mentzer, Ruby Tellaisha, Jack Beck, Grace Ramsey and Hanna Aoyama; viola, Richard Tuttle; cello, Mrs. Peter Rowe; and bass, Bill Clark.

The woodwind section consists of alto saxophone, Burney Powers and Mary Gibson; tenor saxophones, Carol Elhridge and Harvey Gordon, and oboe, Robert Frost.

Members of the brass section are trumpets, Tom Murie, Jack Reimers and Tony Bastanchury; trombone, Bonnie Foard; and French horn, Felton Hickman.

Dr. William Bryan is playing the drums and Earl Hultberg is at the piano.

#### NURSES WILL CONVENE FOR STATE INSTITUTE

Registered nurses throughout the state will convene at the University of Nevada on March 27, 28, and 29 for a special institute sponsored by the school of nursing.

Dean Doris Yingling has announced that the speakers for the meeting will be Miss Marie E. Tener, director of the school of nursing at the University of Iowa hospital, and Dr. Robert Weems Jr., dean of the University of Nevada's College of Business Administration.

The general topic will be "Methods of Supervision." The program will include interviews and reports on local nursing problems.

#### FTA TO VISIT INDIAN SCHOOL

An all-day inspection tour of Stewart Indian school, will be made by the Nevada chapter of Future Teachers of America. President Jeanne Condrey stated that fifteen or twenty students will make the trip on April 11.

Dr. Burton Newbry, club advisor, will act as chaperone.

### PROBLEM OF THE WEEK

Each of the following persons made one true and one false statement:

A said, "I was first, B is second."

B said, "I was third, A was last."

C said, "I was second, D was fourth."

D said, "I was fourth, E was first."

E said, "I was third, C was second."

What is the true order?

SOLUTIONS MAY BE MAILED OR TURNED INTO THE MATHEMATICS DEPT.

#### ANSWER TO LAST WEEK'S PROBLEM

The quantity of wine in the

water is exactly equal to the quantity of water in the wine by the following reasoning:

Let  $t$  represent the volume of one teaspoon and  $V$  represent the volume of one-half glass. At the start we have  $V$  wine and  $V$  water. We remove  $t$  wine and mix it with the  $V$  water. The total volume (or so we shall assume) in the water glass is now  $V$  plus  $t$  and so the fraction of water in the mixture is  $V/V$  plus  $t$  and the fraction of wine is  $t/V$  plus  $t$ . Since the second transfer removes  $t$  of mixture and adds it to the  $V$  plus  $t$  wine we again have equal volumes. However, we have removed  $(t)$   $(t/V$  plus  $t)$  wine from  $t$  wine in the water leaving  $Vt/V$  plus  $t$  wine in the water. Similarly we have added  $(t)$   $(V-V$  plus  $t)$  water to the wine and this is precisely  $Vt-V$  plus  $t$  as was to be shown.

### SENATE GIVES ATTENTION TO REGENT BILL

The Nevada legislature should pick the new Regents without student interference, ASUN president Chuck Coyle said at the senate meeting Wednesday evening after the legislature had passed Assembly Bill 243 increasing the five man Regent Board by four men.

"The (ASUN) Executive committee did a great job," said Coyle. The president's advisory board gave the legislators the student's views on "why we need more Regents" the week before the final vote was taken.

Coyle stated that representation from the smaller counties would probably increase interest and enrollment at the University.

### University Singers to Travel State To Give 1957 Spring Concerts

"University Singers" will travel more than 1,370 miles through the state to give their 1957 spring concerts. The group will tour from April 8 to 12.

"University Singers" will be in Lovelock and Winnemucca on April 8th. April 9th they will be in Battle Mountain, Carlin and Elko. April 10th the group will appear in Wells and Ely; April 11th in Panaca and Boulder. They will complete their tour and return to Reno after an appearance in Las Vegas April 12th. The performances will be given in high school auditoriums and civic buildings.

Some of the towns will offer the vocal group overnight lodgings and breakfast in homes. At

most of the night concerts a small charge will be set to help defray costs of the tour. The "Singers" will travel by chartered bus.

#### Do Re Mi

William Keith Macy, associate professor of music, is director of the "University Singers." Norma Dyer will give the piano accompaniment.

#### Fa

The program will be in three parts. In addition there will be excerpts from the forthcoming campus production "Kiss Me Kate," by Cole Porter. "Kiss Me Kate," a joint university production of "University Singers" and "Campus Players," will be presented in the State Building auditorium March 22 and 23 in Reno.

Part I of the "University Singers" program for their spring tour consists of the numbers: "O Lamb of God," by Kalinnikof; "O Sing Unto the Lord," by Hasler; "In Solemn Silence," by Wilhousky, and "Sing We All Noel" by York.

#### So?

Part II will have "Turn Ye To Me," arrangement by Cole; "My Bonnie Lass" by German; "Vale of Tuoni" by Sibelius; and "Ica's Castle," arranged by Harley.

In Part III these numbers are listed: "Younger Generation," by Gershwin-Copland; "Summer Time," by Gershwin; "Hop Up, My Ladies," by Howorth, and "Moonlight on the Campus," by Whiting.

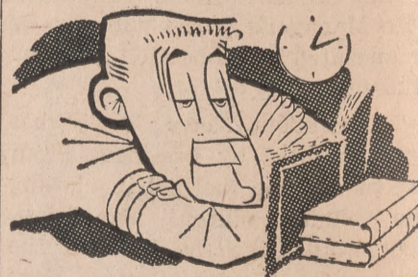

The goul could eat no blood, The bat no fat nor lean, And so between the two of them They licked the body clean.

## 128 New Students Enter University

Even though 128 new students have been officially registered in the University, the total enrollment decreased, as it always does in the second semester of each school year, from 2,907 to 2,787. This total includes regular day students, evening students, and students enrolled in correspondence courses and at the Nevada Southern in Las Vegas. The number of regular daytime students at the University of Nevada in Reno shifted from 1,696 to 1,599. Of the new enrollees, 36 are women and 90 are men.

They are: new students on campus, Berneice Lynda Abraham, Edith Akers, Peter Starkey Aldrich, Bernard Louis Allen, John Angelides, Robert Earl Armstrong.

William Nelson Bain, Theodore T. Beckett Jr., Robert Lee Benedict, Helen Berardi, Stephen Walter Bernotski, Lynn Royal Bingham, Jean Marie Blaser, Joe Bliss, Melvin Harris Bloom, Brenda Plant Bourne, Barbara Jean Brainerd, Charles Nevada Brantingham, Robert Lee Brown, Eugene Dale Brubaker, Harry Willis Buccon and Marian Pauline Burleyson.

Ralph Herbert Carleton, Trudy Ann Carter, Dat Kim Coy, Cassius Clifton Clay, and Raymond Phillip Corradetti.

Priscilla Carol Daniels, Stephen Anthony Derrivan, Daniel Lee Drew, Thomas John Duffy, Dale Milton Edwards, and Wililam Walton Eisele.

Robert Harry Fabri, Sherrill Ann Felesina, Robert Lynn Fish-

er, Sally Lorraine Foskett, Karl Michael Franz, David Louis Fuhrman, Ralph Garcia, Jack Eugene Gilbert, Robert August Goelzer Jr., John Milton Gomes and Harold Edwin Gough.

Milan Frank Haban, Edward Leslie Hancock, Sally Jo Holmes, Gordon Horsley, Donald Billy Hudson, Paul Henry Huffey, Barbara Gayle Humes, Ellis Alton Jack, Donald Eugene Jung, Norman Keith Kellison, Lyle Bennett Killpack, Daniel Robert Kinkel, Charles Henry Knight, Charles Bernard Koehler and Richard Jensen.

Dixie Kathryn Lamb, Robert LeRoy Lindblad, Donald Kent Long, Martha Ann Love, Edwin Robert Lukens, James Edward McDonald, Mary Boylan McGahan, David Roy McLaughlin, Angus Wayne McLeod, Doris Eleln McMurray, Robert Anthony Madsen, Mrs. Jayne Tooley Mallory, Donald Dukes Marshall, Edward Worden Martinez, Doris Mastroianni, Russell Leroy Melquist, Eugene M. Menke, Frank Louis Middleton II, Pauline Hilary Morris, Carol Ann Normandy Mueller, and Monte Ray Norman.

Marjorie S. Thieme, Carol Eileen Thix, Arloa Rae Timmons, Jo Ann Kay Todd, Thomas Oscar Towle Jr., Gary Russell Truex, William Ty Tyson and Owen Theodore Vaught.

Eunice Gayle Walters, Murl W. West, Fred Williams, Don B. Wilson, Roy Alfred Wilson, Helen G. Wittenberg, and Kenneth Louis Zunino.

It is better never to try, and dream, than to try and fail, for then even the dream is gone.

Mabel: Don't kill yourself until I get there. I want to watch.  
Yours affectionately, George.

## DOCTOR JOHN IN TV SERIAL

By Maizie Harris Jesse

In a bar in Truckee, California, several men sit every Monday afternoon at 5 o'clock, drink beer, and learn Spanish. This rather unusual, if not unique, occurrence is the result of a new venture into TV by Professor John R. Gottardi of the foreign language department of the University of Nevada.

Teaching Spanish, via television, is a new experience, both for Reno and its vicinity, and for Prof. Gottardi.

It is the offspring of similar ventures into "teaching by TV" by other universities. The University of North Carolina and Pennsylvania State university both have TV courses for credit, while Purdue university has reported great response to its non-credit courses.

Television Spanish, as it is called, is available to anyone with a television set and 15 minutes of time on Monday afternoons.

People from Lovelock, Fallon, Yerington, and even Leevining, California, have written to KOLO-TV and the Evening Division of the University to thank them for the opportunity to learn Spanish.

Prof. Gottardi has found that although this is an interesting and novel experience, it is not without its problems. He must think of Spanish in terms of the beginner's ability, and also anticipate any questions the viewer might have pertaining to the day's lesson.

Students of TV Spanish, or those who wish to become students, may use a book of lessons prepared especially for the television course by the University's evening division. It may be obtained by sending 50c and name and address to J. Patrick Kelly, Evening Division, Morrill hall, University of Nevada.

These lessons have been going on for four weeks and will continue for nine more. And so—*hasta la vista, amigos!*

See Kiss Me Kate.

## Band Featured In Sunday Show

Thirty members of the University of Nevada band will be featured at the March 24 "Sunday at Four" program.

Under the direction of Felton Hickman, the band will present a concert of standard, special, and popular musical pieces.

"I sincerely hope the students of the university will support the band at this concert as a token of their appreciation for the band's participation in athletic and other student events this year," Professor Hickman said.

The one-hour program will begin at 4:00 p.m. in the old gymnasium. It is open to the public.

## THIRTY-EIGHT RECEIVE MID-YEAR DIPLOMAS

The University of Nevada board of regents has approved degrees for 38 mid-year candidates for graduation. Of the 38, four are receiving advanced degrees and the remaining 34 will be awarded bachelor degrees.

The College of Arts and Sciences will graduate the most students, twelve; College of Education, eight; Mackay School of Mines, five; College of Education, College of Engineering and College of Business Administration three each. Advanced degrees will be awarded, two each, by the College of Education and College of Engineering.

The College of Arts and Sciences will award bachelor of science degrees in business administration to: Brenton R. Aiken, Merlyn H. Hoyt, Charles A. Perkins and Ernest A. Soumbeniotis; degrees in bachelor of arts with a major in psychology to Patrick D. Culver, Francine G. Luwe, and Joseph M. Patridge; a degree as a bachelor of arts with a major in music to Warren E. Hultberg; bachelor of arts in English to Gladys L. Linville; bachelor of arts in journalism to Walter E. MacKenzie; bachelor of science in chemical technology to Keith R. Stever, and a bachelor of arts in physical education to Joseph A. Viani.

The College of Education will award degrees to Jeneane A. Boddell and Edward L. Hansen as bachelors of art in education with majors in business administration; Robert J. Jones and Rosy Strachwitz as bachelors of arts in education with majors in physical education; Dyann V. Koch, bachelor of arts in education with a major in social studies; Kathleen B. Waite, bachelor of science with a major in elementary education; and Lois D. Waite, bachelor of science with a major in elementary education.

The College of Business Administration will award degrees as bachelors of science to Theodore P. Hunnewell, Patrick F. Mahoney and Robert R. Peek.

Due for degrees from the College of Engineering as bachelors of science are Robert D. Harlow, in civil engineering; Duane N. Hodgkinson in mechanical engineering, and Peter B. Mohr in mechanical engineering.

Mackay School of Mines will award degrees as bachelors of science to Leon L. Larche Jr., and Joseph J. Mendive in mining engineering; David G. Robbins in geological engineering, and Richard Symonds and Gerald H. Waite in metallurgical engineering.

Candidates for degrees as bachelors of science from the College of Agriculture are: Oakley G. Parker and Harry B. Summerfield Jr., in agriculture; and Elaine M. Zunino in home economics.

Candidates for advanced degrees are: Earle Dempsey and Henry P. Ehrlinger III, master of science in metallurgical engineering; Marvin R. Roth, and Robert F. Crase, master of education in secondary education.

## Service separates the boys from the Minute Men

I'M ONE OF THE 4500 dealers who represent the Union Oil Company of California.

Minute Men, we call ourselves, because we feature service that's the last word for speed with thoroughness.

Regular customers take it for granted. But we nearly always get a comment from the new ones. Last week, for example, a man I'd never seen pulled up at my station here in Cedar Hills, Oregon.

In 4½ minutes we filled his tank with gasoline, checked his oil and tires, added clean water to his radiator and battery, washed his windows, brushed out his car, emptied the ash-trays and gave him his receipt.

"I've been in a lot of gas stations," he said, "but nothing like this ever happened."

I bragged a little: "Service is what separates the boys from us Minute Men."

"Aren't you ever tempted to take short cuts?" he asked.

I allowed as how we sometimes were. But there were two big reasons we didn't.

First, Union Oil. They spend thousands of dollars perfecting new service techniques, then teach them to us for nothing. We've learned it pays to keep our service up to the quality of Union Oil products. And they're the finest!

MORLEY BARNARD: "YOU WORK HARDER WHEN YOU'RE IN BUSINESS FOR YOURSELF."

Second, ourselves. Every Union Oil dealer owns or leases his own station. This gives you the incentive to make every customer a satisfied one.

You know, I think he liked my answer almost as much as the service. Just the other day he stopped in for a credit card. "Go ahead," he said with a smile as we started our Minute Man routine. "Spoil me!"

\* \* \* \* \*

A UNION OIL STATION, customers tell us, is the one place where the service is certain to be as good as the gasoline.

This is high praise of our dealers, because their gasoline is new Royal 76, the West's most powerful premium.

As long as our economy furnishes both the dealers and Union Oil the incentive to constantly do better the things we do well, this happy situation is likely to continue.

YOUR COMMENTS ARE INVITED. Write: The Chairman of the Board, Union Oil Company, Union Oil Building, 617 West 7th Street, Los Angeles 17, California.

# Nev. Rifle Team Wins Sagebrush League

University of Nevada's rifle team, winner of two large inter-sectional tournament trophies, tucked another title under its cartridge belt last week by winning the local Sagebrush small-bore rifle league crown.

University riflemen scored a new league record, 7,648 out of a possible 8,000 points. This is an average of 1529.6 out of a possible 1,600 points for each shooter. Last year's average was 1,526.50.

Nevada riflemen beat second-place Nevada Air National guard by only 13 points for the crown.

Teams in the Sagebrush league who were defeated included Stead Air Force base with 7,401 points; Churchill rifle club, 7,393; Reno High school, 7,215; Reno rifle club number two, 7,153; and Reno rifle club number one, 7,029; and the Nevada Air guard, 7,635 points.

### Season Shooters

Riflemen of the Nevada Wolf-pack firing during the season included Bill Rusk, Terry Katzer, Gene Espin, Richard Mills, Larry Gedney, John Middlebrook, Charles Taylor and Max Botz.

Bill Rusk, who recently left for active military duty with the U. S. Marine corps fired a high 395 out of a possible 400, with a 98 out of 100 in the standing position, during a league contest. This is two points higher than the national record, but can not be recognized as a new record because there was not an official from the National Rifle association present during the unregistered match.

Nevada's next scheduled shoot comes in Reno on April 6, when it will try to uphold its first place title in the National Intercolle-record score of 1,443 out of 1,500 over all other intercollegiate teams in the United States.

### LE CERCLE FRANCAIS SEES SLIDES

Slides of Austria, France, and Italy were shown by Mr. and Mrs. Karl Mueller, both former Nevada students, at a meeting of "Le Cercle Francais" last week.

Mr. and Mrs. Mueller recently returned from a two year stay in Austria where Mrs. Mueller, the former Carol Ann Nordandy, studied under a Fulbright scholarship. During the two years, the couple took several trips to neighboring European countries.

### LAMBDA CHI SLAVE BID OPEN TO ALL COEDS

Need your car washed? Shoes shined? Room cleaned?

Well, if you're a woman student at the university and are willing to bid on a Lambda Chi Alpha slave, you can get all this done and more, said Fred Carlson, chairman of the second annual Lambda Chi "Slave Sale," to take place tomorrow.

Bids should be turned or phoned in at the Lambda Chi house. The minimum bid is \$1.00, and the preferred names of slaves should appear on the bid.

Any woman or group of women on campus can bid on a slave. All active members and pledges of the fraternity are "saleable." The slaves will be the possession of their "owners" from 1 p.m. to 4 p.m. and from 7 to 10 p.m.

There must be special rules in order to keep the slave sale "in hand," said Carlson.

No slave will be required to do anything degrading to himself or his fraternity, or that is illegal or immoral. They are not required to meet any financial obligation.

## LAMBDA CHI TOP EARNERS IN 1957 WUS CARNIVAL

For the second straight year, Lambda Chi Alpha has carted off the WUS Carnival "best concession" trophy for earning the most money. Their "poor man's car wash" netted the top total of \$41, topping Kappa Alpha Theta's sponge-throw by \$35.

The Theta's booth "Bathe a Theta Baby" also placed second in the "best decorated" booth category. Both Lambda Chi Alpha and Kappa Alpha Theta will receive trophies for the "best concessions" in the men's and women's divisions.

The "best decorated booth" trophies went to Sigma Nu for its dart throw, which earned \$39.20, and Delta Delta Delta for its fortune telling booth. Sigma Alpha Epsilon's "rat-race" earned second place as the men's best decorated booth.

"This was the best WUS Carnival ever put on at the University stated Mrs. A. E. Harris, director Harris, director of the Campus of the Campus YWCA, which sponsored the event. "There were some new concessions this year,

and there was a large turnout of University students."

The University of Nevada faculty sold \$19.10 worth of beverages to bring the total collected from the concessions to \$336.29. The entire amount from this year's WUS Carnival will exceed this total when the money from the carnival admissions, the "Penny-Mile," and faculty donations is added up.

For the first time, Blue Key and Sagers sold hot-dogs, the YWCA sold balloons, and the Home Economics booth sold cotton candy.

Pi Beta Phi sorority had a very popular booth, "Dunk a Pi Phi," which earned over \$23, while the ATO's "jello throw" brought in over \$22. Other booths were sponsored by the U. of N. Aggie club which had a nail-driving contest, the Sagers, who had a penny peep-show, and the Newman club's penny toss.

Dollar bills were targets for the Phi Sig dart throw, while cigarettes served the same purpose in the Young Democrats booth. PEM had water guns to shoot out candles.

### TRYOUTS SCHEDULED

Open tryouts for the final dramatic production of the year will be held from 3 to 5 p.m. Thursday and Friday of next week, in the Education Auditorium. The play will be Moliere's "The School for Wives," with parts open for seven men and two women.

Professor Asher Wilson of the Speech and Drama Department will direct the production, which will be presented during the second week in May. Students interested in any phase of the production are invited to come to the tryouts. There will also be one evening tryout Thursday, March 28 from 7 to 9 p.m.

## Senior Interviews

Seniors are still being interviewed by various companies looking for top graduates in June.

Six more groups of interviewers will be on campus from March 25 through April 15 to meet with students.

Monday, March 25, the representative from the San Francisco Naval Shipyard will see engineers in the Electrical Engineering building.

Electrical and mechanical engineers can meet a representative of the Sacramento Air Material Area in the E. E. building.

Tuesday, March 26, in the ASUN building, the business and liberal arts seniors may meet with a representative of the Prudential Insurance Company. In the civil engineering building civil and mechanical engineers may see Chicago Bridge Iron Works representatives Monday, April 1, the U. S. Civil

Aeronautics Administration man will meet interested civil, mechanical and electrical engineers in the ASUN building.

Monday April 15 at Dean Weems office in Morrill hall a representative from the U. S. General Accounting Office will meet seniors in business administration.

Students wishing to meet with the representatives of Prudential Insurance and U. S. Civil Aeronautics may sign for appointments in the office of student affairs.

To sign up for appointments to see San Francisco Shipyard and Sacramento Air Materials representatives, students must contact Dean Palmer's office in the Electrical Engineering building.

U. S. General Accounting interviews will be arranged at Dean Weem's office in Morrill hall.

Security is a small gassy balloon in a world of needles.

## EBASEBALL, TRACK TEAMS BATTLE CHICO SATURDAY

Baseball bats will whack and cinders will crunch Saturday, Mar. 23, when the Wolf Pack baseball and track and field teams battle opponents at Chico State.

The baseball team enters its first competition of the season in a doubleheader with Chico State Saturday afternoon. The track and field team jousts with Chico and Sacramento State in a 15-event

## Eight Wolf Pack Skiers Compete in Giant Slalom

A giant slalom at Sugar Bowl attracted eight University of Nevada skiers Sunday. They competed against a field of 72 racers from the Sierra Nevada region. The race was hosted by the Al-pineer Ski club of San Francisco.

The tricky giant slalom was held on Mount Lincoln down a bumpy, fast course. There were many spills over the bumps during the race.

## Ski Victory Gives SN Kinnear Lead

Battle for the Kinnear Trophy, the symbol of interfraternity sports supremacy, has narrowed to two teams as a result of the skiing competition last week.

The Sigma Nu's took the lead from ATO by a double victory in the downhill and the slalom races, and eliminating six of the other teams from competition.

The Sigma Nu's, led by Richard Ankers in the time of 41.0 seconds, won the first four places in the downhill. A fifth Sigma Nu finished in the 15-man field.

In the slalom, won by Warren Lerude in 57.0 seconds, the Snakes won the first five places. A sixth SN completed the slalom out of the field of 13.

Theta Chi placed four men in the downhill event to take a second place, the SAE's three men won third place and the ATOs three finished for fourth place.

In the slalom, the SAEs placed three men for second spot, the Theta Chis two men for third, and the AOTs two men for last place.

The overall standings for the meet were:

Sigma Nu 200.00 points; Theta

Chi, 163.9; SAE, 141.0; and ATO, 93.0 points.

This brought the standings up to date in the trophy competition for the year with Sigma Nu leading with 330 points, the ATOs with 290, SAEs with 135, Hartman hall with 80, Theta Chis with 72.5, Lambda Chi Alpha with 67.5, Phi Sigs with 10, and the Civil Engineers and Lincoln hall tied for last place with 5 points each.

Results of the ski meet:

Downhill		
Place	Organization	Time
1	Ankers—SN	41.0
2	Lerude—SN	42.5
3	Nightengale—SN	43.0
4	Cronin—SN	43.0
5	Rice—ATO	44.0

13	Killiany—Theta Chi	119.6

See Kiss Me Kate tonight.

## A Campus-to-Career Case History

After securing field data, Mac McLeran lays out plans for new and additional telephone services.

## Figuring on the future

Thurston B. McLeran, called Mac by his friends, is an engineer with Southern Bell Telephone and Telegraph Company at Decatur, Georgia.

Much of his work is concerned with the future—planning for telephone service to meet predicted demands a year, or five years ahead.

"My biggest job to date," Mac says, "has been engineering additional communications facilities for an airbase and adjoining aircraft factory in our district. This means making field studies of the customer's requirements and planning how new telephone facilities can best meet them. Then I translate this in-

formation into working plans for our construction and installation people. It's a big job, and gives me a lot of responsibility. It's challenging work, too, for an engineer."

Figuring on his own future concerns Mac also. He graduated from Georgia Tech in 1952, with a B.S. in Electrical Engineering. He went with the telephone company because of the advancement opportunities it offered. Today, Mac is married and has one child. He looks forward to an interesting career in a growing business where individuals can advance as far as their abilities will take them.

There are many rewarding career opportunities in all Bell Telephone Companies, and at Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your placement officer can give you more information about Bell System Companies.

### Gals, Enter Now For Miss Nevada

Even though the Miss Nevada contest isn't until June, local service organizations must submit their candidates before April 1.

The winner of the Miss Nevada contest will receive a thousand dollar scholarship to any school in the United States. If she goes on to win the Miss America contest, she will be awarded a \$5,000 scholarship and other special awards.

Requirements for application are that one must be single and between the ages of 18 and 26. She must be a high school graduate of good character, personality, and intelligence. Unless the candidate is a University student, she should have six months residence within the state. Of course, those vying for the title must have a certain amount of talent, charm, and beauty.

The Miss Nevada contest is sponsored by the Reno Lions club and is held here in Reno.

Women wishing to enter must have a bathing suit and an evening gown, and if they should win the title, the Reno Lions club will award a \$2,000 wardrobe. Miss Nevada will also be sponsored in the Miss America contest in Atlantic City, New Jersey, and will receive \$100 spending money.

A "Miss Congeniality" contest will be held in conjunction with the Nevada pageant. "Miss Congeniality" will be chosen by her own running mates for "Miss Nevada," and she will receive a \$500 scholarship.

If anyone would like to apply for this opportunity, they can send their application to the Sparks Lions club, Post office box 1.

### Nevadans Host Forensic Tourney

The University of Nevada has been chosen to host the regional eliminations of the annual West Point Forensic tournament. The tournament, sponsored by the United States Military academy, will be held on the Reno campus April 5 and 6.

Between twenty and twenty-five entries are expected from this district, said Dr. Robert S. Griffin, Nevada forensics coach and tournament director. District one, which Nevada is to host, is one of the largest in the United States, both geographically and numerically, explained Dr. Griffin. Included are schools in California, Arizona, Utah and Nevada.

Three winners will be chosen

from among the contestants at the district one competition. They will then compete against winners from eleven other districts in the United States in the tournament finals to be held on the campus at the United States Military academy later this spring.

Competition is limited to debate, with each school allowed but one entry. There will be between thirty and thirty-six teams in the final competition at West Point, Dr. Griffin stated.

Dr. Griffin has not yet announced who will be on the team representing the University of Nevada. Deadline for entries is April 1.

### KA Thetas Guests At Lambda Chi

Members of the Lambda Chi Alpha fraternity have invited the Thetas to join them in a "Sweetheart Social" Sunday at 7 p.m. It will be held at the Lambda Chi house at 255 University Terrace.

Entertainment will be presented by Al Creel, Bob Faiss and Ron Moroni. There will also be dancing.

Fred Nye and Dale Clark are in charge of decorations, which they say will represent a "tunnel of love." Dean Kapsalis is refreshment chairman.

# CYRANO AND SYMPATHY

(or) *Dead Pan Alley*

Once there was a sword with a poet attached named Cyrano (the man, not the sword). Cyrano was equally famous for being handy with the cutlery and having a real honker of a nose. This proboscis was a real liability . . . not only to Cyrano, but to the bumpkins who had the misfortune to make fun of it. They always wound up with an *extremely* low body temperature.

In the midst of all this swashbuckling, Cyrano fell for a chick named Roxanne, whose father ran one of the fancier bistros in town. The clinker in the deck was that Roxanne hankered after *another* cat . . . who made the unbelievable (and hitherto fatal) error of telling Cyrano "You, sir, have a rather large nose!"

Well, Cyrano couldn't skewer this chucklehead—Roxanne's old man would cut off his Budweiser credit card. So—heeding that old chestnut "If you can't fight 'em . . . join 'em," Cyrano did a ghost-writing job on some love poems—real mushy stuff—enabling Roxanne's beau to win her. Afterward, mothballing his king-size steak knife, Cyrano turned his poetic talents to the best use he could think of: writing lyrics for "Where There's Life . . . There's Bud."

MORAL: It's not necessary to "nose around" for the best in beer . . . it's waiting for you at your Budweiser dealer's now.

# DEBATERS GO TO TUCSON

Several students from the University of Nevada will participate in the Pacific Forensics conference March 27-29, in Tucson, Arizona.

The University of Arizona will host this year's meet. The conference consists of a program including oratory, extempore speaking, debate, after dinner speaking, and a group discussion sequence.

Only members of the Pacific Forensics League will be participating in the Tucson conference, stated Dr. Robert S. Griffin, forensics coach. He also pointed out that it will differ from most forensics meets due to the fact that the competition will be limited to men only. "Never since its 1925 beginning, has a woman been permitted to take part in the competition," he said.

Dr. Griffin also noted that each participating school is allowed only one entry in each of the categories of competition.

This year Nevada plans to enter contestants in all parts of the program except the group discussion sequence, according to Dr. Griffin.

Representing Nevada will be Earl Hawley in the oratory. Hawley will then team with Jack Diehl for the debating. Diehl will also take part in the after dinner speaking competition. Dr. Griffin also stated that Nevada will enter the extemporaneous speaking competition, but has not yet named the entrant.

Last year Nevada student Chad Combs placed first in the after dinner speaking. Combs then teamed with fellow Nevadan Robert Reeder for a third place in the debating.

Schools who will be participating in the meet are: University of Washington, University of Idaho, Whitman College, Oregon State College, University of Oregon, Stanford University, University of California at Santa Barbara, University of Southern California, University of Arizona, Occidental College, and the University of Nevada.

The difference between many people is this: Some lift a finger to point at a star, and some to make an obscene sign.

# Debris Cleared From Manzanita

Who knows all the treasures held by Manzanita lake?

Buildings and grounds keepers have recently begun the task of clearing the debris from the shallows of Manzanita lake. Armed with a 16-foot pole, workmen are dragging the lake's bottom for leaves and trash accidentally or purposely dropped into the water by students.

Last week workmen fished an almost new girl's bicycle from the lake. It is not known whether the bicycle went through the ice this winter or if it had been stolen and thrown into the lake. Police were notified, and now have the bike at headquarters.

"We have lots of hose out there in the lake," said Buildings and Grounds Superintendent Carl Horn. "Students pick it up from the lawns in the summer and throw it in."

Manzanita Lake is about twenty feet deep near the south end and slopes up to the north shore. Mr. Horn is not curious enough about the treasure that might lie in the deeper areas to go after them with skin divers.

# LAMBDA CHI CELEBRATES ANNIVERSARY

Epsilon Iota chapter of the Lambda Chi Alpha fraternity celebrated twenty-eight years on the campus of the University yesterday. A "smoker-type" founder's day party for alumni and active members was held at the chapter house.

A lCreel, Bob Faiss and Ron Moroni presented their interpretations of the old-time silent movies.

The Nevada Epsilon Iota chapter was established here in 1929. It was the 77th chapter of the national Lambda Chi Alpha fraternity, which was founded at Boston University in 1909. The chapter now has approximately sixty active members and twenty pledges.

Before 1929, the Lambda Chis

## DELEGATION GOES TO PE CONVENTION

A delegation of students and faculty from the University of Nevada physical education department will attend the southwest district convention of the American Association for Health, Physical Education and Recreation in Long Beach April 13-16.

Two University of Nevada faculty members hold offices this year in the southwest district of the association. Dr. Ruth Russell is president, and Miss Jacqueline Wilson serves as secretary.

The southwest district, one of five in the country, includes Utah, Arizona, New Mexico, California and Nevada.

were known as the Kappa Lambda local fraternity, founded in 1921. Members of the local frat purchased the J. D. Layman house at 255 University Terrace in 1923. This was the home of the Lambda Chis until 1956, when they completed their new house

# Den Basement Open Until 11:00

Ever study until ten o'clock and feel an uncontrollable urge for a "cup" only to find that the gathering place closes at that hour? Philanthropic froshies Bill "Ty" Tyson and Gordon Horsley have done something about it.

The basement of the Wolf Den will remain open until 11 o'clock every evening except possibly Sunday under the management of Tyson-Horsley, Inc.

The walls of the blonde oak panelled basement are decorated on three sides with record covers from Mike Mirabelli's Village Record Center.

Naming of the Wolf Den basement will take place April Fool's Day evening at the basement party. Winner will receive his choice of a regular priced 12-inch LP from the Village Record Center.

## HERE IS THE FINAL TIE BREAKER IN OLD GOLD'S

# TANGLE SCHOOLS PUZZLES

### FOLLOW THESE MAILING INSTRUCTIONS CAREFULLY!

TIE-BREAKING PUZZLE NO. 8

CLUE: This Nebraska coeducational college of liberal arts is affiliated with the Presbyterian Church. It was chartered and opened in 1882.

CLUE: Conducted by the Jesuit Fathers, this midwestern coeducational university was opened in 1877. It bears the name of the city in which it is located.

CLUE: This coeducational university was chartered in 1845 under the Republic of Texas. It is a Baptist school.

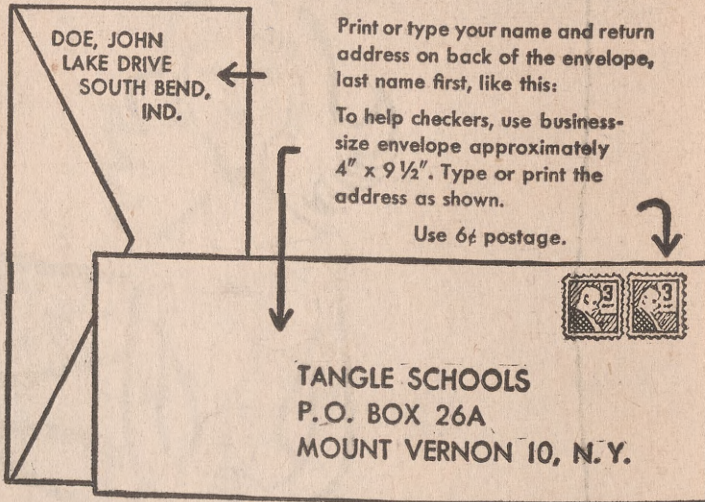

ANSWER 1. \_\_\_\_\_  
ANSWER 2. \_\_\_\_\_  
ANSWER 3. \_\_\_\_\_

Name \_\_\_\_\_  
Address \_\_\_\_\_  
City \_\_\_\_\_ State \_\_\_\_\_  
College \_\_\_\_\_

NOTE THAT THE ABOVE PUZZLE CONTAINS THE NAMES OF THREE SCHOOLS FOR WHICH THREE SEPARATE CLUES ARE GIVEN.

Players may now mail their completed sets of 8 Tie-Breakers. Before mailing your puzzles, keep an accurate record of your answers. The 8 Tie-Breakers must be answered, neatly trimmed, and enclosed in an envelope, flat and not rolled and addressed to: Tangle Schools, P. O. Box 26A, Mount Vernon 10, N. Y., and bearing a postmark not later than April 5, 1957. Do not decorate or embellish the puzzles in any way. Do not include anything in the envelope but the puzzles.

If, after solutions have been submitted to this set of Tie-Breakers, a tie or ties still remain, those tied will be required to solve another tie-breaking puzzle, in accordance with the official Tangle Schools rules. These tie-breaking puzzles, if necessary, will be mailed to each contestant.

- Use business-size envelope 4" x 9 1/2" ... sometimes referred to as a No. 10 envelope.
- Each of the puzzles must be neatly trimmed, separately, and placed in numerical order.
- No decorations please! Address envelope as shown.
- Your name and address MUST be on the BACK of the envelope ACROSS THE END and in the position shown in the illustration. Please print or type in CAPITAL LETTERS—LAST NAME FIRST. If mailed according to instructions, 6¢ postage should be enough.
- In the event of further ties, contestants will be mailed an additional tie-breaking puzzle form.

REMEMBER—ENTRIES MUST BE POSTMARKED NO LATER THAN FRIDAY, APRIL 5, 1957.

FIRST PRIZE—A TOUR OF THE WORLD FOR TWO—OR \$5,000 CASH! EIGHTY-FIVE OTHER VALUABLE PRIZES!

Copr. 1957 Harry H. Hollister
