

Students who wish to work on the Wolves Frolic staff this fall may see Dr. Asher Wilson, assistant professor of speech and drama, for details.

Prof. Wilson will be in his office, 22T, from 11 a.m. to 12 a.m. Tuesday and Thursday mornings.

Students who have not yet picked up their student body cards may do so in the afternoon at the ASUN building. Students must have their receipts in order to obtain cards.

'Juniors Go Bavarian' for First Activity of year

"Juniors Go Bavarian", is the theme of the junior class get-together to be held next Thursday,

October 3. Junior Class President MacFry announced that the affair will begin at 3 p.m. at Virginia Lake.

A twenty-five cents cover charge is being collected from each junior for food and refreshments. Volley ball games and other recreation has been planned by the Junior Class Committee. Guests will be Dr. and Mrs. Willard Day.

Post cards have been sent out to all juniors to publicize the event. Anyone who has not been notified may contact MacFry, Nedra Norton, or Wuanita Combs for tickets.

This is the first year an extra activity such as this has been planned by the junior class. Fry stated he hoped for a large turnout so that it may be continued as a tradition.

Junior Class Committee members are Wuanita Combs, secretary, Gamma Phi Beta; Bruce Rossman, SAE; Joe Ortiz, Sigma Nu; Deanne Munk, Pi Beta Phi; Nedra Norton, Delta Delta; Roger Bremner, ATO; Cathy Zimmerman, Kappa Alpha Theta; Cynthia Pollard, Artemesia-Manzanita; Bob Scott, Theta Chi; and Ed Piper, Phi Sigma Kappa. Representatives from the Independent men and Lambda Chi Alpha have not been chosen as yet.

Another activity contemplated by the junior class, in addition to the annual Junior Prom in the spring, is a junior-senior breakfast, honoring graduating students.

Regents to Begin Study McHenry Report Progress

A detailed study concerning what action has been taken on carrying out recommendations of the McHenry report at the University of Nevada will begin next month.

The study will begin with the chapters of the report concerning the Mackay School of Mines with the dean of the school being asked to report on progress in carrying out recommendations.

University Regents Roy Hardy and Dr. Fred Anderson were named to a special committee for the study. Other committees composed of regents will be named as the study progresses.

After the Mackay School of Mines study, the regents will continue their probe college by college.

The McHenry investigation was ordered by the 1955 Nevada State Legislature, which appropriated \$25,000 for the work.

The report was delivered to the 1957 legislature by Dr. Dean E. McHenry of UCLA, who headed the investigation team composed of prominent western educators.

University Set To Battle Any Flu Epidemic

Dr. Ruth Russell, chairman of the University health service, has announced that the University officials are preparing emergency health plans to be put into effect in the event of an epidemic of flu on the campus.

Vaccine of two types has been ordered in quantity for the inoculation of all students and faculty.

One type is to combat Asiatic flu and the other is for common flu. The vaccine is not scheduled to arrive until late in October because of the national demands and priorities.

Dr. Russell stated that the shots will be free to all who have paid their health service fees unless the cost of the vaccine to the University exceeds fifty cents per shot.

The vaccine has proved to be seventy per cent effective. Dr. Russell estimates that if an epidemic breaks out prior to the arrival of the vaccine that twenty per cent of the University personnel will be victims.

Largest Homecoming Schedule is Set; 11 Committies at Work

Eleven homecoming chairmen were recently named by Dick Bryan, chairman of the biggest social event of the fall semester.

The 1957 homecoming will begin with open houses on October 23 and end with the dance October 26.

Bruce Rossman will be co-ordinator and Karen Gaffney will act as homecoming secretary.

The parade which includes fraternity and sorority floats will be headed by Keith Kellison. John Roberts will supervise floats and Carl Schaff is making plans for the pajama rally.

Half time activities for the game between West Colorado State and Nevada are the job of George Al-

lison.

Publicity will be handled by Bill Brown, and trophies for the fraternity and sorority with best floats and largest dance attendance will be ordered by John Madriaga.

Planning the cross country event will be Dave Harris.

The dance which concludes the busy days of homecoming is taken care of by Theresa Gibson.

Open Houses

All sororities and Manzanita hall will be open at 8:30 p.m. Wednesday, October 23. The open houses will include dancing all evening and refreshments.

The assembly the following morning which is sponsored by the ASUN Assembly committee will provide entertainment from the student body.

The ASUN Rally committee will sponsor the rally Thursday, October 24. The rally begins in the stadium and there will be a snake dance to the downtown area. The State building steps are the destination of the parade where there is to be singing and the cheerleaders will lead the students in yells.

Wolves' Frolic gives every liv-

Candidates for Homecoming Queen Chosen

Candidates for 1957 Homecoming Queen were chosen by each of the women's living groups this week.

Representing Delta Delta Delta is Alex Anastassatos, Reno; Kappa Alpha Theta, Dyanne Hayes, Reno Gamma Phi Beta, Eleanor Bonnefant, Reno; Pi Beta Phi, Gail Fuhrman, Reno; and Artemesia-Manzanita Association, Karen Decker, Kings Beach, California.

The queen will be voted for by all men students on Friday, October 25, and crowned during intermission at the Wolves Frolic that night.

INK SPOTS TO PERFORM AT FIRST SCHOOL RALLY TONITE

Recording artists, the "Ink Spots," are scheduled to appear at the first rally of the year tonight at 7 o'clock.

To be held in Mackay stadium the rally will feature Coach Jake Lawlor, who will speak in the behalf of Coach Gordon McEachron who is presently out of town. Cocaptains of the week, Clay Darrow and O'Neil Sanders, will also be on hand to speak.

Rounding out the program will be the Pep Band, cheer leaders, and song leaders.

Under the chairmanship of Carl Shaff, the rally committee is considering several new ways to promote school spirit. A new innovation for the first game tomor-

row night will be an all men's rooting section, in agreement with Interfraternity Council and the Independent men. A revival of card tricks may possibly be made during the Homecoming game.

Rally committee is also working on a trip by Greyhound bus to the last football game of the season against Arizona State. The game is to be played in Las Vegas, and tentative plans reveal Nevada Southern is in favor of serving as hosts to university students attending the game.

STARTING LINEUP — The University of Nevada Wolf Pack tomorrow night take on Idaho State at Mackay Stadium in their first home football game. Left to right are Chuck Walker, Dave Adams, Bob Brulotte, O'Neill Sanders, Clay Darrow, Phinnie Marsh and Jim Lyons. Starting backs, from left, are Bill Bowser, Mike Lomori, Ken Fujii and Gary Lundergreen.

1st Home Football Game Tomorrow--See Sports

University Now Holds Stock In US Steel Co.

The University of Nevada has become owner of \$14,700 in capital stock of the United States Steel Co.

The school was awarded the stock during the summer by Dist. Judge A. J. Maestretti. Maestretti took action on the estate of Thomas M. Abraham, who died in Montana on Jan. 1.

Abraham left an estate valued at \$152,486, most of which is to be distributed to heirs in the Middle West and Scandinavia. However, Abraham left 200 shares of the stock to the University with the understanding that income from the stock is to be used for purchase of publication for library purposes.

78 Students Placed On Spring Honor Roll

Seventy-eight University of Nevada students from the Reno campus and Nevada Southern of La Vegas have been placed on the scholastic honor roll for the spring semester.

The top five percent of the undergraduate student body who completed at least 15 credit hours during the semester were placed on the honor roll.

11 Compile 4.0

Eleven students—all from the Reno campus—compiled perfect 4.0 averages. Top position on the honor roll list went to Donna Hol-

stine, who compiled a 4.0 average for 19 credit hours.

Sophomores juniors this year took top honors by placing 23 persons on the roll; there were 20 juniors, 17 each in the senior and freshman classes, and one unclassified student.

There were 41 men compared to 37 women on the honor roll, and by colleges, arts and science contributed 26, education 21, engineering 16, business administration 10, agriculture three and mining two.

The entire honor roll:

SIX NEW SONGLEADERS WILL PERFORM TOMORROW NIGHT

The six new University of Nevada songleaders, who were chosen recently, will perform at the Nevada-Idaho State football game tomorrow night at Mackay Field.

Head songleader this year will be Mary Eickbush of Reno. Other songleaders are Margaret Eddelman of Reno, Jane Franklin of Hawthorne, Diane Hayes of Seattle, Lyn Walsh of Sparks, and

Sue White of Reno.

The tryouts were held at Mackay Stadium and 45 women competed for the honors.

Judges were 1956-57 songleaders, this year's cheerleaders, and Sam Basta, dean of student affairs.

The girls were rated on poise, personality and pep by a five-point system.

PLAY REVIEW

STUDENT'S FACULTY, ALUMNI STAR IN THE 'CHALK GARDEN'

By BARNEY MERGEN

Campus Players recent production of "The Chalk Garden" can best be described, I think, by adapting the lines of one of its main characters, Mrs. St. Maugham, who likens the arrival of her daughter by plane to "a cricket that leaps from nowhere and lands suddenly at your feet," which is exactly the manner in which the humor of the play flashes suddenly and unexpectedly.

The play, with its wonderfully mixed metaphors and subtle puns was a difficult but rewarding selection for the mixed cast of students, faculty, and alumna.

Dorothy Caffrey and Marcia Wilson, who appeared together last year in the memorable production of "Anastasia" at the Reno Little Theater, turn this time to comedy in the characters of Mrs. St. Maugham, a wealthy eccentric who is "raising" her granddaughter in her "chalk garden," and Miss Madrigal, a slightly mysterious applicant for the

position of governess, with performances just a short of perfection.

As the granddaughter Laurel, the role Betsy von Furstenberg created on Broadway two years ago, Ann Warren rounded out the leading characters with rare charm. Appearing in his first Campus Players production Tom Davis made the character of Maitland, the butler, one of confused intensity and hilarious naivete.

The supporting roles were capably handled by Gwen Gwynn as the second applicant for the governess, Kay Campbell as the third applicant, Alberta Langhans as the nurse, Allura Nason as Olivia the misunderstood daughter, and Charlton Laird as the pompous old judge.

The set constructed by Russ Byloff, of the Little Theater, and Mickey McBride was excellent. Bill Bond managed the properties, and Asher Wilson directed.

Regents Schedule Meetings With Students, Faculty

Five members of the University of Nevada's Board of Regents have been named to a committee to meet regularly throughout the school year with University faculty and students. President Minard Stout has announced.

Established at a regents' meeting last August, the committee will hear and consider student and faculty recommendations regarding University policy and affairs. These recommendations will in turn be submitted to the entire board of regents.

Board Chairman Archie C. Grant has appointed Cyril Bastian, Dr. Louis Lombardi, Grant Sawyer, Bruce Thompson, and Roy Hardy, who will act as chairman, to the new committee.

The group will meet in the conference room, Morrill Hall on the Reno campus on the Thursday preceding the first Friday of each month upon the request of any student or faculty member.

Slate General Tryouts For One-Act Plays

A series of one-act plays are to be produced during the fall semester, Dan Hulse, president of Campus Players, has announced. General tryouts will be held Tuesday, October 1, at 11:00, in the education auditorium.

There are eighteen parts to be cast.

The plays include two comedies, one melodrama, a one-act opera, and a play in the Chinese manner.

Blind date: When you expect to meet a vision and she turns out to be a sight.

Written requests from students or faculty must be submitted to Alice Terry, secretary to the board of regents, at least two weeks prior to a meeting of the committee. The full board of regents meeting would fall on the following day as its sessions are scheduled for the first Friday of each month.

The Taxpayer

Are high taxes reducing your incentive to work harder and earn more?

IF YOU'RE ONE of the more than 65 million Americans who hold down a job, you probably work about 40 hours a week.

But did you ever stop to consider that taxes are so high today you work for yourself only 27 of those 40 hours? The other 13 go to pay your share of the cost of government.

No one expects to live without taxes, obviously. But when they take more than \$110 billion, or about one dollar out of every three earned, something's wrong.

You pay these taxes in more ways than you know, too.

If you lived in California, for instance, made

\$7,500 last year, and listed a wife and two children as dependents, you were taxed these ways to start with: Federal income \$875, Social Security \$95, State income \$25, Property tax \$325, Auto license tax \$40, State and Local sales tax \$75 and Telephone tax \$10.

This adds up to \$1445 and it's only the beginning.

Did you buy a car? Figure another \$175 tax. The tax on the gasoline to run your car was at least \$65. You also paid a 10% tax every time you bought a plane or train ticket or spent a dollar at the movies.

And you're still not through. Because every

company that made anything you bought had to pay taxes on practically everything that went into the product.

These thousands of indirect taxes were eventually passed on to you as part of the cost of your purchases.

The result? At least one-third of what you earned went to pay some form of taxes.

The real danger is obvious: taxes this high may be so discouraging that you have less incentive to work harder, earn more money and produce more.

SALARY MATTERS

A major question currently is facing the University of Nevada student body. At present, the question is not controversial, partially because only a few know of it and partially because many do not care where their ASUN funds go. But mainly because the question is a worthwhile idea which the general consensus seems to favor.

The question is basically, should the Associated Women Students' president receive a salary?

Last year's student senate suggested that the women in this position be paid, and a clause was inserted in the new ASUN constitution passed last spring:

"The AWS president shall receive a salary, to be determined by the Finance Control Committee (at its first regular meeting of each university year)."

The topic was tabled at a meeting of the Finance Control Board last week due to more pressing matters on hand. Another meeting has been scheduled for next week at which time a decision should be reached.

There is, however, one other salary under consideration, that of the ASUN secretary. It is the opinion of some that if the AWS president receives a salary, then certainly the secretary's salary should be raised in accordance, but not necessarily set at the same amount.

We would like to point out a few facts and figures.

The AWS president's office hours this year (and last) are ten hours per week. That is the **minimum**. This figure does not include the hour, or hours, spent at the meetings of the Finance Control Board, Publications Board, Student Senate, AWS Council, Executive Committee, and the Student Union Board, which meet bi-monthly. Nor does it include the one hour conference with the Dean of Women once a week, and the possible thirty or more hours spent each month on extra duties.

The secretary also keeps ten office hours a week, in addition to taking minutes at Finance Control Board, Publications Board, Senate, and Executive Committee meetings. Add several hours of work done on Saturdays, evenings, and during other free time, and you have quite a few hours. For this, she is paid \$35 a month.

Don't misunderstand. Neither officer expects an hourly wage, but three facts remain.

The ASUN president receives \$65 per month, although no one could begin to count the many, many hours which that job consumes.

The heads of the student publications receive a salary, determined by profit.

On most campus, the president of the women receives some kind of salary.

AWS Council has gone on the record as approving the salary, whatever it may be, but the solution is entirely up to the Finance Control Board.

There will be no strain placed on ASUN funds if a salary is given to the AWS President. The facts would seem to infer she is deserving of one.

Sagebrush Again Will Be Mailed

Many students are not on the mailing list of the Sagebrush this year. The situation arose because students do not always fill in their entire railroad tickets at registration time.

Any student who does not receive a Sagebrush in the mail and who wants one, may contact Jim DePriest or Dick Dorworth. Students who live in dormitories, sororities, or fraternities are excluded.

They will get their issues of the paper delivered at their individual living quarters. Additional copies may be found in the snack bar each week.

NEW BOOK CHECKING SYSTEM AT LIBRARY

A change of policy concerning checking books from the University Library has recently been put into effect. The new check-out period is fourteen days. The book may be re-newed for another fourteen days if it has not been requested by someone else. A fine of two cents per day will be charged for over-due books.

The closed stack system is also a new addition to the operation of the library. Students will be required to have in their possession a stack permit endorsed by their instructor in order to use the stacks. Coser supervision of the stacks will enable the library staff to provide better service to the students and faculty.

GUEST COLUMN

(Editor's note—Guest columnist this week is Carl Shaff, chairman of the 1957-58 University of Nevada Rally committee).

By CARL SHAFF

The season's first home football game rally will be held tonight, seven o'clock in Mackay stadium.

With the industrious rally committee working up rally agendas, it will make it almost imperative that you, the reader, attend.

This year's rallies will consist of introductions of coaches, intros of team players, and the addition of top show headliners in the downtown area.

Highlighting tonight's rally will be the Ink Spots, popular recording artists, a short speech by Jake Lawlor, who is subbing for head football coach, Gordy McEachron; and the introduction of the Nevada-Idaho State game captains, O'Neil Sanders and Clay Darrow.

Webster's Collegiate Dictionary defines the word "RALLY" as this: "To arise action; to revive, to recover unity by a re-assembling of scattered forces." This is the main object of this year's rally committee.

As you probably know, Nevada's athletic program is a small one. There is no scholarship or financial assistance given any player who turns out for a team.

An athlete playing under these circumstances needs the support of the student body for an excellent showing on the field.

In the past, support of school teams has been small. This is a new year and a new and better student body.

Let's show the team that we are behind them one hundred percent, and a good start would be a large turnout at our first rally tonight.

Part Time Work Still Available

Several positions for part-time work are still available for students, James C. Hayes, newly appointed counselor for men has announced. There are still about fifteen openings.

The office of student affairs averages about one new job a day, and sometimes has as many as five or six employers call for part-time help.

As an example of the kind of work available, the Washoe Medical Center recently called for a repairman and messenger at \$275 per month. Mr. Hayes also has openings at the bus depot, filling stations, and local private homes.

The new counselor thinks Christmas jobs will begin coming in about Thanksgiving, but said that students should apply early.

ATO HOUSE REMODELED

Alpha Tau Omega Fraternity has been one of several fraternities and sororities on campus which has been remodeled during the summer.

The interior of the ATO house has taken on a \$26,000 new look with the addition of a new kitchen, enlarged dining area, new showers and an upstairs lounge.

BROWN KNOWS

By BILL BROWN

It looks as if John Mackay received his annual fall coat. This coat which is usually in the form of three gallons of red enamel was applied this year a little later than usual, but none the less it was applied.

This M's formed tradition of giving old John a new look has been going on for many years and for an equal number of years the University has been hiring union painters to come and spruce John up again. However this last time was too much for the administration to take and the official word seems to be "Let John face Virginia City with a red nose."

This might well be the final answer but when it is considered that over the years the statue of John Mackay has become a sym-

bol of this institution even more well known than the Nevada Wolf perhaps the students responsible for John's red coat could reach some understanding with the administration concerning means for removing it.

The first assembly of the year was held last week in the old gym and the turnout was fantastic. This could be considered in light with the turnout at the Fall Roundup to show that school spirit on the hill is on the upswing or that the ROTC students simply did not know what to do with their free hour.

I sincerely hope that it was the former and not the latter for the Assembly committee needs all the support that they can get and considering the job that they accomplish this is very little to ask.

It was interesting to note the signs on campus this week which consisted of well known letters that imply non-affiliation. For years many people have stated that the Greeks were running everything in sight and what was needed to control their power was a strong independent organization but of course this organization never seemed to reach more than the talking stage. I do not know how far this particular attempt will go but it shows that someone is doing something more than talking.

The students of this University were given a wonderful opportunity recently to air their gripes to the Regents by the setting up of a Committee of regents to meet with students and try to solve the problems arising during the school year.

I understand that permission must be obtained from the President's office before you may air your views to the Regents but this is a small thing considering the inaccessibility of the Regents prior to this. For further information I suggest that students contact Miss Terry at the President's office.

A plaudit to the Phi Sigma Kappa who, like the Phoenix, arose out of the flames, to continue growin.

NEVADA WILL DOUBLE IN TEN YEARS

The University of Nevada can expect to more than double its enrollment in the next ten years, Ernest V. Hollis, Chief of College Administration of the U. S. Office of Education said in a talk to the faculty forum last week.

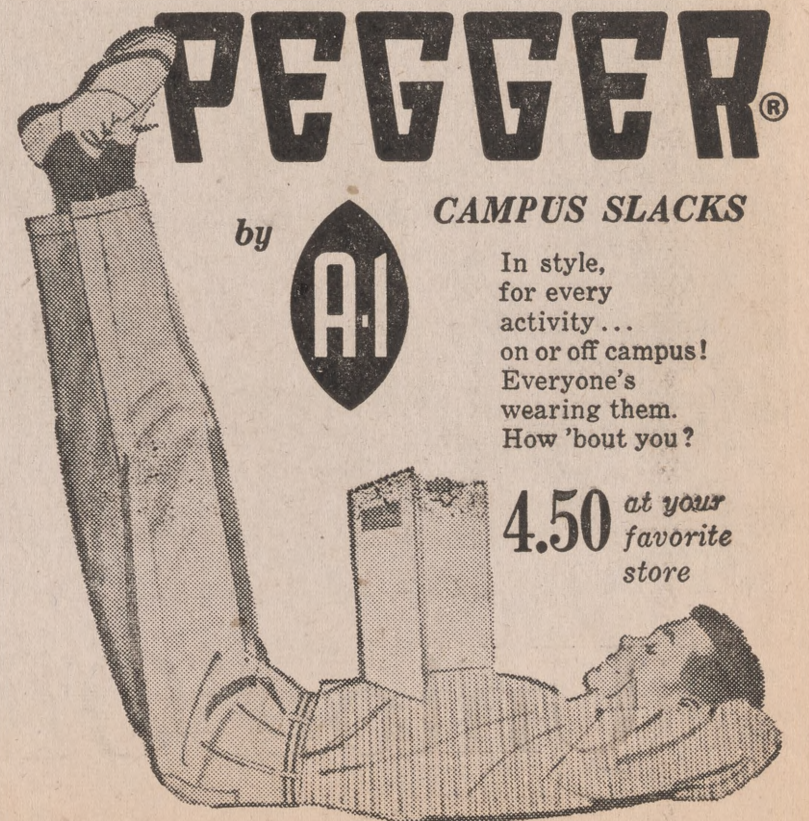

On a stopover in Reno before an address at the University of California, Hollis expressed serious concern about the lack of graduate programs on campuses to attract more qualified teachers.

He pointed out that at the University of Nevada the percentage of teachers having Ph. Ds ran 60 percent, well above the national average of 40 percent.

Nevada could not expect to maintain this ratio due to the great demand of teachers that will be needed to handle the increased enrollment, he said.

The cause of the influx is the increased birth rate, which started with World War II and has not yet subsided.

Red Light: The place you catch up with the motorist who passed you at 60 mph a mile back.

CAMPUS SLACKS

In style, for every activity... on or off campus! Everyone's wearing them. How 'bout you?

Homecoming

(Continued from Page 1)
ing group on campus a chance to present its talent. Every group has a theme and displays skits predominantly musical. The Homecoming queen will be announced at the Wolves' Frolic.

The cross country race begins in Sparks at 9:00 October 26. The fraternities are the participants in the race, which terminates at Mackay Stadium.

Every fraternity and sorority enters a float in the homecoming parade. Nevada officials and the homecoming queen candidates also participate in the parade at 10:00 a.m. October 26.

The dance not only provides an evening of dancing but trophies are awarded for the best fraternity and sorority floats and best dance attendance.

Everyone is encouraged by

Cords Only for Upperclassmen

By Barbara Marcus

Only upperclassmen will be allowed to wear cords on campus from now on. Any freshman or

sophomore caught on campus wearing cords will be promptly thrown into Mananita Lake. The Men's and Women's upperclass committees have announced that the rule, a long-forgotten University of Nevada tradition, is being revived this year.

The committees were formed to enforce campus traditions throughout the year. Headed by Pi Beta Phi's Elaine Zeitleman, ten members make up the Women's Upperclass Committee. These women, together with the Men's Upperclass Committee headed by Bill Adams, SAE, with 14 members, work closely together to make and enforce the rules and regulations.

The regulations and traditions are these:

All freshman women are required to wear ribbons.

All freshman men are required to wear dinks.

The Wolf Tips, a handbook of student traditions and regulations, are to be carried by freshmen until the Homecoming dance Oct. 24 or 25.

These articles are to be carried on campus between the hours of sunrise and sunset on school days.

If these rules are not carried out, the offenses are listed inside the cards by any upperclassman, and the offenders will receive their punishment from the committee.

As usual the committees will be on hand for the Frosh-Soph field day and will be riding around in pick-up trucks to toss offending men freshmen into the lake.

Elaine Zeitleman announced that the Sagens, and Blue Key honor service societies of the university, may help this year, but plans are not yet definite. When their job is done at the end of the semester the Upperclass committees will get together for a party.

Education Club Is Organized

A new organization for students majoring in Education is the Student National Education Association. According to Dr. Burton C. Newby, faculty advisor for the SNEA, anyone interested in the teaching profession can gain many advantages from belonging to the SNEA.

The student gains pre-professional insight to the teaching profession, is orientated to the profession, and is enabled to hear many lectures that are very enlightening to the teaching profession.

Wymona Bronley is president of the organization and serving with her are Rosalind Weyant, Beth Boyd and Gail Wooster.

SOCIAL CALENDAR IN NEXT EDITION

See next week's edition of the Sagebrush for a complete list of dates for all dances and other social functions for the fall semester.

Nev. Southern Has Status of Four-Year School

Nevada Southern University, regional division of the University of Nevada, this summer has received status as a full four-year college, it has been announced

With its status as a four-year school, Nevada Southern also has received its first dean — Dr. William Carlson, former dean of student affairs here on the Reno campus.

Nevada Southern had more than 500 students enrolled last year — about half of whom were fully matriculated students — and an increase in enrollment is expected for this year, according to Carlson.

Last year there were 26 full and part-time faculty members on the Las Vegas campus as compared to 43 faculty members this year.

NAME SIX NEW HEADS

Six new department heads for the University of Nevada have been approved by the Board of Regents. The regents took the action on recommendation of University President Minard W. Stout.

The new department chiefs are: Dr. Loring Williams, chemistry; Dr. Robert M. Gorrell, English, Dr. Russell R. Elliott, history and political science; Lt.-Col. Charles E. Ronan, military science and tactics; Dr. William K. Macy, music; and Prof. John A. Bonell, Jr., civil engineering.

HAVE A REAL CIGARETTE—

HAVE A

Camel

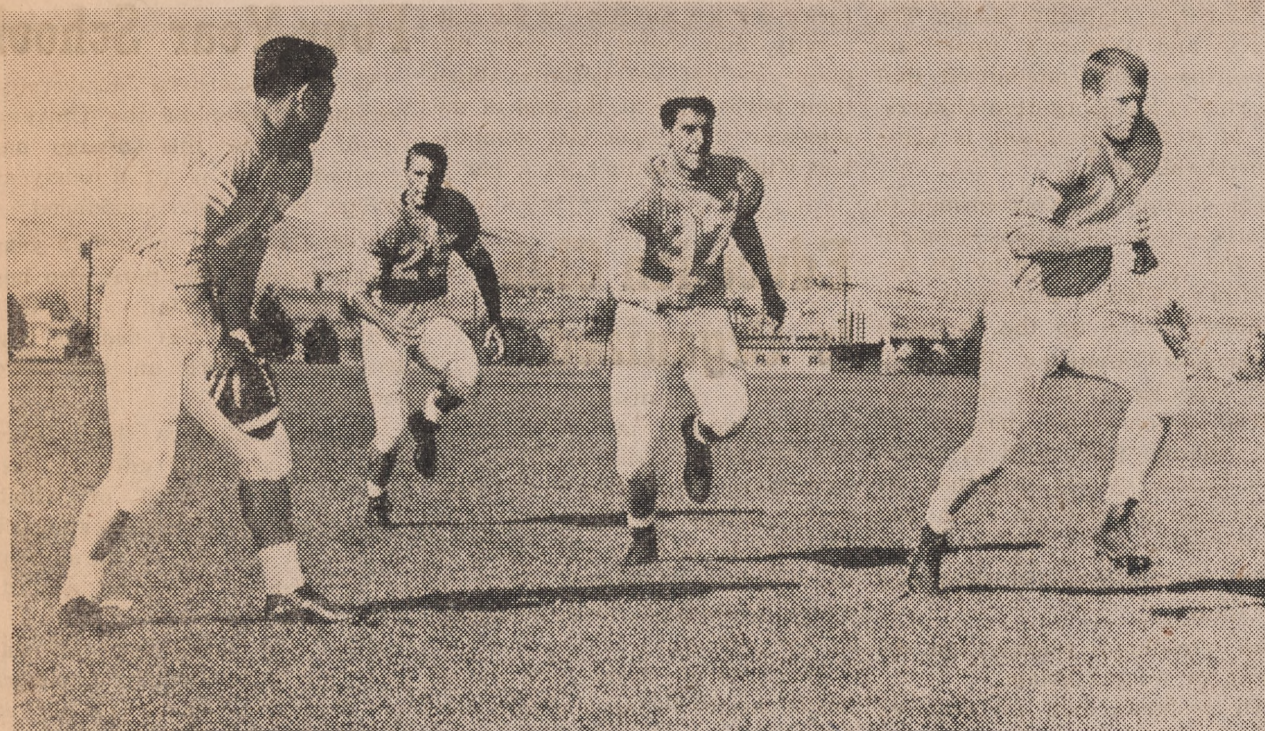

Sure are lots of fads and fancy stuff to smoke these days. Look 'em over — then settle down with Camel, a *real* cigarette. The exclusive Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness. Today, more people smoke Camels than any other cigarette.

**So good and mild...
the finest taste in smoking!**

Pack Meets Idaho State Under Lights

STARTING BACKFIELD—Wolf Pack backfield starters run through a play in final preparation for the University of Nevada-Pepperdine College football opener tonight at Pepperdine. Starters left to right are Ken Fujii, quarterback, Bill Bowser, halfback, Mike Lommori, fullback, and Gary Lundergreen, halfback. (See sport's section, page 7, for complete football preview).

Nevada After First Victory in 2 Years

The Wolf Pack will make its first home appearance of the 1957 grid season when the Black and Orange Bengals of Idaho State invade Mackay Stadium tomorrow night.

The Pack will be trying for its first win in two years. The last Nevada victory in Mackay Stadium was against Los Angeles State in 1955.

Nevada has met Idaho State five times in the past, winning twice. In last year's game played at Pocatello, Idaho, the Bengals downed the Wolf Pack 20-6. Nevada's only score in the game was made by Bill Bowser

when he intercepted an Idaho pass in the second quarter and raced 68 yards to pay dirt.

The Bengals will be under the direction of Coach Babe Caccia tomorrow night. Caccia has an impressive record of 33 wins and 10 losses in five years of coaching. Nevada Coach Gordon McEachron has a record of 2 wins, 12 losses and one tie since he has been guiding the Pack.

State Posts Victory

The Idaho Staters began their 1957 campaign with a 22-0 victory over Hastings, Neb. College last week. The Bengals completely dominated the first quarter of play with Hastings never able to get out of its own territory. The Idaho team received the opening kickoff, and didn't give up the ball until it had pushed over the Hastings' goal line.

Idaho State, located at Pocatello, Idaho, had an enrollment of 2,359 students last year, 1,724 of them men.

Four Records Smashed by '57 Nev. Trackmen

The University of Nevada track team turned in a successful season last spring, setting four new records in the Far Western Conference. The trackmen won four dual meets, one triangular meet and placed second in the conference finals.

Nevada track Coach Dick Dankworth took his team to Chico State where they opened the 1957 track season with a win over Chico and Humboldt State.

Pack Sets Records

It was at Davis, Calif., in the FWC finals that the Wolf Pack displayed its real talent. Dave Harris cleared the bar at 13'7" to set an all time FWC pole vault record. Dean Howes hurled the discus 154' 7/8" for another conference record.

Jim Potts bettered his own record in the high hurdles turning in the time of 14.8. And Jim Lyon is the co-holder of the FWC shot put record, tying with Walt Rilleit of San Francisco State at 49' 2" during the 1957 finals.

Also turning in good performances for Nevada in the FWC finals were distance runners, Bert Cooper, javelin thrower, John Meder, and Bill Bowser, winner of the 220-yard low hurdles event.

Despite their good showing the Nevada men were only able to place second in the conference finals, being edged 5 points by the Chico Staters.

Set Cross Country Race Oct. 26

The annual Sparks-to-Reno cross country race will be run on October 26, at 9:00 in the morning.

An integral part of the Homecoming celebration, the event starts at the Sparks intermediate school and ends in Mackay Stadium, a distance of about 4 1/2 miles.

A list from each fraternity of those who are going to run must be reported to Dave Harris, cross country chairman, or Chet Scranton of the P. E. department by October 7.

Runners are required to work out daily from October 7 until the actual race. Physical examinations are necessary for all competitors except freshmen, who have already had their, and varsity athletes from last spring.

This race counts points for the Kinnear trophy.

Winner of the race last year was Lyle Damon, Sigma Nu, who led his fraternity to the team victory.

Trophies will be given to the individual winner as well as the team winner.

In 1948 the Wolf Pack, in a single game, gained 255 yards by forward passes. This major-league record has never been equaled.

SPORTS

Darrow, Sanders Named Captains

Clay Darrow, senior guard from Reno, and O'Neill Sanders, junior center from Gardnerville, have been chosen as captains for Nevada in tomorrow night's game with the Idaho State Bengals.

Sanders, a converted halfback, is beginning his second season with the Pack. He is a 6'0", 195 pound junior.

A two-year veteran, Darrow has been the Nevada handyman. He has played end and tackle previously, and begins this season at guard. Darrow is a 200 pound senior.

The University of Nevada Wolf Pack of 1929 was the first American grid squad to travel by air to a football game. It took 9 planes to transport the Pack to Los Angeles where it played and lost to U.S.C. 66-0.

37	Lommori, Mike	Fullback	200	6' 0"	Jr.	Yerington

Adams Named Player of Week

Dave Adams, veteran 6-2, 215-pound senior tackle has been selected "player of the week" for his outstanding play in the Uni-

versity of Nevada opening game of the season last week at Pepperdine.

Adams played football, basketball and baseball at Lone Pine High School in California and in 1953 he played on the national championship football squad at Pasadena City College.

He received a player of the week award once before at Pasadena for his play against Los Angeles City College. In 1954, while still at Pasadena, Adams was named sportsman of the year.

In the fall of 1935 Dave came to the University of Nevada and is majoring in psychology.

Adams, 21, is a member of the Block N and affiliated with Gamma Delta Iota. Adams now resides in Gabbs.

Band Will Play At Games; Still Need Musicians

Although the University of Nevada band will play at all three home games this year, director of the band, Felton Hickman, said that no plans had yet been made for going to games away from home.

There are still openings in the band Hickman said. All students interested in playing should either contact Professor Hickman or turn out for regular band rehearsals at 11 a.m. Tuesday and Thursday, in the band room located in the basement of the new gym.

"This year's band will be one of the best in several years," Hickman said, "the reason being the combining of the regular band and the R.O.T.C. department's band into one unit."

A particular need for woodwind instruments was expressed by Professor Hickman.

The major-college record of 27 touchdown passes in a single-season was set by the Wolf Pack of 1948.

Nevada Falls Victim To Pepperdine 24-12

Nevada's stubborn Wolfpack fell victim to four touchdown passes by Pepperdine's Jay Roelen as they dropped a 24-12 decision to the Waves last week at Pepperdine. Although the Pack was well ahead in all statistical departments, untimely penalties stopped their scoring efforts.

Time after time, Nevada's defense would stop the Pepperdine attack only to see a Roelon pass result in a touchdown. Game Captain Dave Adams roamed the field making tackles, and halfback Garay Lundergreen intercepted three Pepperdine passes and turned one of them into a Nevada touch-

down. Adams defensive play earned him selection as the game's outstanding player.

Nevada's other touchdown came on a four yard pass from Quarterback Ken Fujii to end Chuck Walker. The Wolfpack stayed within range of the winners until Roelon completed his fourth scoring shot of the night to end their hopes of a win in the 1957 season opener.

Few injuries were sustained in the game. Halfback Bill Bowser was the main victim, spraining ligaments in his knee. The injury will sideline him for about 10 days. His right-half spot will be taken over by Chub Quilici.

ERICSON NAMED FIRST NEVADAN TO FIS CAMP

Harry Ericson, 24-year-old University of Nevada skier, recently became the first Nevada man to be named to the FIS cross-country training camp. The camp, designed to train skiers for possible competition in the 1958 world championships, will be held from Dec. 15 to Jan. 15 at an undetermined site.

Ericson was selected by the United States Olympic selection committee after due consideration of his record. The FIS, or world championships, will be held in Austria next winter.

Ericson was chosen because of his outstanding performance in college and far west competition in the 1958 world championships, will be held from Dec. 15 to Jan. 15 at an undetermined site.

Ericson was selected by the United States Olympic selection committee after due consideration of his record. The FIS, or world championships, will be held in Austria next winter.

Ericson was chosen because of his outstanding performance in college and far west competition during the last two years. He also competed in the National collegiates at Snow Basin, Utah last year where he placed twelfth.

A Junior student at Nevada, he has won the Jim Gilbert memor-

ial plaque for the past two years as the most conscientious skier on the University team. He has won or placed second in every far west cross country he has ever entered with the exception of the winter carnival in which he placed sixth.

University of Nevada ski coach, Chelton Leonard stated he was pleased with Ericson's cross country and wished him luck in his bid for the FIS team. Ericson who has already been training daily for several months, was pleased with his improvement and is sure that he is capable of much more. "No one will be trying harder than I," he says.

Ericson is a Sparks High school graduate and a member of Sigma Nu fraternity. He spent two years in the Army, of which eight months were spent at Camp Hale, Colorado. It was at Camp Hale that he became seriously interested in cross country competition.

SET PISTOL PRACTICE

A pistol team will be organized this year for those interested in pistol shooting.

Sergeant Bill McKinnley will be in charge of the team.

Practice sessions will be held in the rifle range from 7:00 till 9:00 every Friday morning.

University Rifle Team Build Around Regulars

University of Nevada rifle team members have started preparation for 1957-58 competition.

This year's team must be rebuilt around a scanty core of reg-

ulars returning from last year's very fine team, the military department announced.

The shooters have been stretching and straining their muscles, getting into and out of the various shooting positions, so that they will have no trouble with them when the season opens; and will be able to squeeze off their shots with accuracy.

The rifle team, which is one of the few athletic teams to bring national recognition to the University of Nevada since the end of the big time football era, must rebuild around a handful of veterans. Returnees include Dan Sobrio, Larry Gedney and Allen Richardson. Terry Katzer and Dick Mills are eligible for only the first match. Lost altogether are Howard Espin and Max Botz via graduation.

WOMAN'S RIFLE TEAM HEADED BY OWSLEY

The women's rifle team will be busy practicing aiming for a good will be under the tutelage of Major Owsley, range officer for the Nevada military department.

Major Owsley announced that practice will be held in the rifle range, on the north end of the old gym, from 7:00 till 9:00 in the evening on the second, fourth, and fifth Mondays of each month.

Comic Rodeo Set For October 27

The annual comic rodeo sponsored by the University of Nevada Aggies is going to be held October 27 this year instead of its usual spring date, according to Barbara Galeppi the club's secretary.

The Rodeo will again consist of competition between the fraternities, sororities and the various independent groups, in all events, as well as the Aggie Queen Contest for the co-ed participants.

HARDESTER NAMED TO YMCA P. E. POSITION

Tom Hardester, a senior student majoring in education has recently been appointed assistant physical director of the Reno YMCA.

Hardester worked at the old downtown 'Y' prior to entering the Army. He is married to the former Donna Butler and is an active member of Sigma Alpha Epsilon Fraternity.

99 Women Pledged by UN Sororities

Rushing Ends With Tri-Delt Pledges

Tri Delts, Taus Pi Phi's Tops in Grade

Delta Delta Delta sorority and Alpha Tau Omega Fraternity have scored clean sweeps in active and pledge scholarship for the spring semester, it has been announced by University officials.

Pi Beta Phi won the Improvement Plaque for showing best scholastic improvement over the last fall semester.

The Tri Delts were awarded the two scholarship cups, presented by Dean of Women Elaine Mobley, at the Associated Women's fashion show held recently. Pi Phi was also presented with the plaque at the show. The trophies are sponsored by the University of Nevada Panhellenic group.

Announcement of the ATO scholarship was made by Sam Basta, dean of student affairs.

Last spring marks the second consecutive semester the societies have won these awards.

Ninety-nine freshman women were pledged into the four sororities on the University of Nevada campus at ceremonies held Friday, Sept. 27.

At 8 p.m. the pledging ceremonies began at each of the houses with a banquet. After the banquet, each of the pledges' "big sisters" took the pledges out.

The women also had slumber parties at the houses, highlights of which were skits by each class.

The official pledging ended a week of rushing which started last Sunday with the Pan-Hellenic tea.

Delta Delta Delta led the list with 28 women. Kappa Alpha Theta pledged 27, Pi Beta Phi 23, and Gamma Phi Beta pledged 21.

Pledges are:

Gamma Phi Beta

Eleanor Bonnefant, Joyce Casazza, Susan Hale, Dorothy Howell, Lynn Miles, Sigrid Nielsen, Charlese Rupley, and Beverly Staples, all from Reno; Bonnie Cunningham and Jacquelyn Curti, both from Sparks Carolyn Brown, San Francisco; Jacquelyn Curutchet, Winnemucca.

Joyce Forwood, Greenville, South Carolina; Eleanor Harp, Palm Beach, Florida Joanne Maestas, Gerlach; Carolyn Mather Stockton, California; Jane Nevin, Reno Cara Rainy, San Mateo, California; Jean Raker, Paradise Valley; Nancy Samuels, Carson, and Nancilyn Sanders, Hayward, California.

Delta Delta Delta

Alex Anastassatos, Joan Cavellera Margaret Eddelman, Nancy Edwards, Pat Fordham, Ann Jones, Judy Nelson, Louann O'Conner, Susan Peterson, Patricia Plumm, Sue Rauch, Lynn Ross, Charlotte Sheldon, Jill Stratton, and Alberta Umsheid all of Reno; Ann Bengoa, Orvada; Patti Brewer, Las Vegas, Peggy Erickson, Winnemucca; Janice Hinds, Wells; Tricia Hug, Sparks; Diana Isola, Sparks; Patsy Lewis, Ely Judy McNailey, Bishop, California; Linda Mack, Henderson; Joyce Stephens; Sparks; Georgie Weaver, Carson, and Sharon Wendt, Sacramento, California.

Phi Beta Phi

Kay Gadda, Judy Gandee, Tanya Woodford, Sue White, Sonja Carlison, Nancy Vogt, Carol Armstrong, Martha Cleary, Barbara Moncrief, Billie Morris, and Gail Fuhrman, all from Reno; Barbara Sbragia and Joanne Dumble from

Sparks Jane Franklin, Hawthorne.

Martha Emery, Lodi, Calif.; Karen Rietjens, Auburn De Ann McGowan, Yerington Pat Potter, Piedmont, Calif.; Susan Scudder, San Francisco, Calif. Lillian Mason, Winnemucca; Theresa McGuire, Bishop, Calif.; Sally Sherman, Piedmont; and Sharon Wilkerson, Elko.

Kappa Alpha Theta

Sharon Adler, Brynne Bailey, Kathy Bailey, Virginia Berry, Brenda Boscovich, Dorthian Cook, Carrol Crowder, Mary Eickbush, Brenda Higley, Ellen Johnson, and Toni Pimentel, all of Reno; Anna Baldini, Battle Mountain Janice Beeghly, Fallon; Becky Buchanan, Barbara Hampton and Carol Warner, from Las Vegas.

Bonny Fairchild, Paula Kingston, both from Lodi, Calif.; Diane Hayes, Seattle, Wash. Nancy Mead, Gardnerville; Marilyn Nelson, Tonopah; Kathy Oldham, Elko; Margaret Ottini, Carson City; Andrea Sewell, Henderson; Leila Wolf, Tonopah and Susan Youngs Quincy, Calif.

Lambda Chi Alpha On Social Prob.

Lambda Chi Alpha's fraternity will be on social probation this semester from September 25 up to and including the Lambda Chi's Christmas Dance, on December 7.

The decision was made after a conference with members of Lambda Chi Alpha and the Office of the Dean Student Affairs. The continuation of social probation will depend on actions of the Lambda Chi's up to and including the Christmas Dance.

The specific restrictions of social probation include restriction of organized social affairs initiated by the Lambda Chi's as well as the prohibition of competition in Wolve's Frolics and Homecoming float.

Religion, Study and Activities Are Stressed at Theta Retreat

The importance of religion, study at the University, and outside activities, in connection with sorority membership, were stressed to the 27 new pledges of Kappa Alpha Theta at a retreat held last weekend.

Mrs. Kathrine Mayhew, Theta house mother for the sorority, offered the opening prayer, which was followed by the group singing a religious song.

The educational part of the program was handled in group discussions. Homecoming activities talks were given by Jan McDon-

ald and Kress Harris. Karen Knudson, pledge trainer, explained the duties of a pledge. The rules governing the care of the house were announced by Donna Soderstrum.

The highlight of the day was a baseball game. Each new pledge was given a "big sister" to whom they must serve dinner each Monday night. The "little sisters" had a chance to be freed from the traditional service if they could beat their big sisters in baseball. The final score was 19-6 in favor of the big sisters.

Brushfire Will Be Published Late in Spring

Plans for the 1958 *Brushfire*, to be published sometime near the end of the spring semester, have been announced by co-editor Dave Lowe.

George Mross, co-editor, who has contributed to the magazine before, will be in charge of the editing and the selections to be included in the magazine and Lowe will be in charge of publication.

The *Brushfire* is a yearly, independent student enterprise operated on a self-paying basis designed to stimulate creative interest and activity among students of the University of Nevada.

Co-editor Lowe commented that "Most students falsely assume that we only publish work of experienced student officers. We urge all students who enjoy writing to contribute to *Brushfire* '58."

Singing Groups Set Performance

The University of Nevada Symphonic Choir and the University Singers, under the direction of Dr. William Keith Macy, have begun rehearsing for their first performance. They will combine to present the fourth movement of Beethoven's Ninth Choral Symphony on November 3.

Rehearsals have been set for Tuesday evenings from 7:30 to 9:00 in room 109 of the Agriculture Building. All persons interested should contact Dr. Macy, whose office is in the southwest corner of the old gym.

The University Singers is open to students, but the Symphonic Choir is open to all community members.

DRESS RIGHT . . . You can't afford not to!

KELLOGG'S KRISPIES

By Nora Kellogg

Weddings seem to be pretty well dispersed with as of last week's column, so now we will step down to the second and third rungs on the social ladder and take up the subject of engagements and pinnings. Although there are not as many in these categories, these are the people who keep their fraternity and sorority houses well stocked with beer and candy, respectively.

Gi Gi Rump announced her engagement last Monday night to Jerry Kaizer, sharpshooter for the Nevada rifle team. She passed gaisies to her Pi Phi sorority sisters—he loves me, he loves me not, he loves me, ad infinitum.

A. T.O.'s chalked up four pinnings in the past two weeks.—They are Del Driver and Versiellen Eberle, Theta . . . Vern Durkee and Marianne Capurro, Gamma Phi . . . Clyde Sabala and Snaron Stitt, Pi Phi . . . and Sam Beeghley and Mary Cornu. This is the beginning of the Tau's Annual Turn Over.

Summer engagements and pinnings are soon to follow. The reason they were omitted last week was because of lack of space, not of importance.

Engagements include Darla Aimone, Gamma Pi, and Ron Gifford, Sigma Nu . . . Caroline Cnappelle, KAT, and Dave Necco, Sigma Nu . . . Marilyn Ferreira, Tri-Delt, and Al Tabor . . . Charlyne Reid, Gamma Phi, and Harry Pacini . . . Rosalind Weyant and Joe Crook, Sigma Nu . . . Barbara Humes, Pi Phi, and Tom Friberg, Sigma Nu . . . Joan Gallagher, Pi Phi, and Jim Hart, A. T. O. and Storey county commissioner . . . Carolyn Braswell and Larry Oxborough . . . Janet Matheus and Jim Matthews (only the spelling is different) . . . June Rogers, Gamma Phi, and Paul Falsink . . . Edrie Schwake, Gamma Phi, and Doug Moody . . . Joan Hulbert and Jerry Thran.

Two Gamma PIs are now sporting Sigma Nu pins. Pinnings are those of Olivia Forsythe and Joe Ortiz, and more recently, Emmy Hanf and Larry Damon. Pinnings at the Sleep and Eat house are Mike Mansfield to Pi Phi Nancy Vogt, and Art Vaughn to Pam Derby of C.O.P.

As the saying goes, "the criminal always returns to the scene of the crime," and seen removing bricks and cement which blocked the Tri-Delt doorway were Jim Santini and Mack Fry among several other Taus. Good work!

Who is the someone at last week's assembly that Gay Lane "gets a kick out of"???

Last Saturday's activity parade and Hell on the Hill dance brought out some new campus couples as well as some old standbys. Among the new faces were Steve Dollinger, SAE, and Charlotte Sheldon, Tri-Delt . . . Pete Potter, Sigma Nu, and Susan Youngs, KAT . . . Larry Dawson, Sigma Nu, and Pat Potter, Pi Phi . . . Dan Baldini, Tau, and Marie McDonough, KAT . . . Dave Nyquist, Lambda Chi, and Carol Gardenswartz, DDD . . . Dave Fuhrman, SAE, and Jean Best, Pi Phi . . . Carl Wegren, Tau, and Judy Kautz, DDD . . . Jerry Cobb, Tau, and Pat Lamoireaux, DDD.

Not so new were Jim Santini, A.T.O., and Ned Norton, DDD . . . Leroy Arrascada, Lambda Chi, and Shelley Branch, Theta . . . Bill Witt, Tau, and Theresa Mariani, Pi Phi . . . Dave Harris, Tau, and Kay Kelley . . . Pi Phi . . . Dave Hoy, Tau, and Janie Kottinger, Tri-Delt . . . Bob Hemphill, Phi Sig, and Penny Molineux, DDD . . . Richard Courtney and Kathy Karstens, DDD . . . Jerry Williams, snake, and Lois Rothchild . . . Bill Walbridge, SN, and Cynthia Black . . . Roger Bremmer, ATO, and Diann Coate, Tri Delt . . . Lynn Bingham, Lambda Chi, and Fran Breen, KAT.

Credit for success of the activity parade and dance goes to Ron Moroni, Lambda Chi. It seems that one of his frat brothers, Neil Romero, had a little mishap with the microphone, however.

HELLO-ON-HILL DANCE — Bob Autry and Fran Beer were two of many couples who attended the annual Hello-on-the-Hill Dance last Saturday. Chairmen of the Hello-on-the-Hill celebration was Carol Gardenswartz.

AWS SETS FLEXIBLE RULES CONCERNING WOMEN'S HOURS

A new set of rules and penalties governing women's "lock-out" hours were established at the last AWS council meeting last spring. The new rules went into effect at the beginning of this semester.

Last spring the penalty for coming in late from one to 60 minutes was an automatic "campus" for the following Friday, Saturday, and Sunday nights, but the new rules are more flexible.

The new system is as follows: for being one to five minutes late, the penalty is a campus for the following Friday night; six to ten minutes, the following Friday and Saturday nights 11 to 15 minutes, the following Friday, Saturday and Sunday nights; 16 to 30 minutes, two three-day weekends 31 to 60

minutes, three full weeks.

For being an hour or more late the girl is taken before the Dean of Women and the Judicial Committee. If the offense is very serious the girl must appear before the Associated Women Students Council.

A girl is considered late and is eligible for camping if her date remains after her "sign-in" time.

When a girl is "campused" she must be in her dormitory or sorority house at 8:00 p.m., and she may have no male callers. Many of the living groups have their own rules governing such things as receiving telephone calls and being in certain parts of the building while campused.

Tippy Smith President of Independents

Officers for Artemisia-Manzanita Association have been chosen for the 1957-58 year.

Leading the Independent women are Tippy Smith, president; Evelyn Rubilid, vice-president; Marcia Craig, secretary; Carol McBain, treasurer; Jean Rivkin, publicity director; Lynn Miller, assistant treasurer; Judith Sikora, senator; Peggy Meyer, alternate senator; Patsy Lewis, freshman representative; Marge Hartman, sports director; Delores Chambers, rally chairman; and Pat Turner, AWS representative.

Four Nominated Class President

Freshmen class elections will be held October 9. Nominees for the office of freshmen class manager are: William Welsh, ATO; Jim Murphy, SN; George Smith, Independent; Ed Allison, SAE; and Harry Lipperlie, Lambda Chi.

All nominations for the office of Freshman Class Manager were to be turned in to ASUN President Don Travis by Wednesday, September 25, for consideration by the Executive Committee.

Press Club Sets Events for Year

A Christmas party, picnic at Bowers Mansion, and an awards breakfast to be held in the spring, were recently discussed at a pre-organization meeting of the Press Club, headed by President Karen Knudson.

Composed of journalism majors and students working on the student publications, the several Press club meetings held throughout the year are highlighted by outstanding speakers.

All club functions are under the direction of Buster Sewell, vice-president, and Nedra Norton, secretary, in addition to Miss Knudson.

A regular meeting, including all interested freshmen, is scheduled for sometime in October.

Ferrari Named Block N Prexy

New president of the Block N Athletic Society is Bob Ferrari, a senior. Ferrari has lettered three times in baseball, and twice in basketball. He also played one year of football. Ferrari is a member of Sigma Nu and is an Engineering major.

Other newly elected officers are Don Kitts, vice president, and Gary Lundegreen, secretary.

Block N is open to those who have made a varsity letter in a major sport. Members are given a sweater the first year they letter, a jacket the second year, a blanket the third year, and a trophy the fourth year they make their letter.

Members aid in selling refreshments and programs at school athletic functions.

ATTENTION CLUB PRESIDENTS

The Sagebrush plans to announce all club meetings a week before to encourage attendance. In order to do this, all club presidents must call FA 2-4272 a week ahead of the scheduled time on Monday to inform the staff when and where the meeting is to be held. A brief outline of the program may be submitted.
