Murphy, Allison, Nelson, Potter, Win In Frosh Primaries

By Stel Carley

Ed Allison and Jim Murphy were the winning candidates in Wednesday's primaries in the freshmen class manager's election.

These two were to oppose each other in today's finals.

The other candidates for the office were George Smith, Bill Welsh and Harry Liparelli.

Allison, representing Sigma Alpha Epsilon in the race, is from Carson City. Allison, who is a pre-med student was on the Carson High School student council for four years and on the student board of control. Allison's platform is to broaden the scope of freshmen activities.

Jim Murphy, Sigma Nu's candidate for the office is from Reno. He is a civil engineering student who likes to play football. His plan for the freshman class is to "represent it as it should be represented."

Pat Potter and Marilyn Nelson were the winning candidates in the Associated Women Students freshmen representative election and are to oppose each other in the finals today. The other candidates for the office were Nancy Samuals and Joyce

Stephens.

The office, newly created, was established by the new constitution for the University of Nevada student government, adopted April 2, 1957, and effective this year.

Pat Potter, Pi Beta Phi, is from Piedmont, Calif. She was active on the staff of her high school paper while at Piedmont High. Pat's platform for election is "to try to help all the freshmen women with their problems and meet with different organizations to keep them informed."

Marlyn Nelson is from Tonopah and was active in student government in her high school. She served her class as an officer three times. Marilyn, a pledge of Kappa Alpha Theta, states her platform, "I know that the job done by the person receiving the office this year will reflect upon and set an example for the years to come. If I should be elected, I would endeavor to uphold the freshmen women on an equal basis."

The finals for both of these offices are to be held today in the snack bar located in the basement of Stewart Hall. Only freshmen students with ASUN student body cards and AWS (women) cards are eligible to vote.

Stout Letter Action

Due November 2

The University of Nevada Board of Regents will meet Nov. 2 to formally act on a letter of resignation submitted to them last Saturday by University President Dr. Minard W. Stout.

Stout sent the regents the following letter:

"Board of Regents, Gentlemen:

"I wish to be relieved of the duties of the president of the University of Nevada as of July 1, 1958.

(Signed)

"Minard W. Stout."

Two regents, in statements, took opposite stands concerning the letter of resignation.

Regent Grant Sawyer said he felt that Stout had "lost the confidence and support of the regents, faculty, students, legislature and alumni."

Regent Roy Hardy took the other stand, saying he felt the resignation of Stout was "most regrettable," and that the University would "suffer a great loss with the resignation of Stout."

Stout has been president of the University of Nevada for five years, during which time his administration was a center of controversy, especially concerning faculty relations.

Deleissegues Voted Senator-At-Large

Dick Deleissegues was elected men's senator-at-large Wednesday at a special meeting.

The office was vacated by the failure of Bob Faiss to return to the Reno branch of the University of Nevada. Faiss is now attending Nevada Southern at Las Vegas.

Deleissegues is a junior and president of his fraternity, Lambda Chi Alpha, and has served on the Senate once.

The only other business brought before the special senate meeting was the approving of several names to fill committee vacancies.

The committees and their appointees were:

1. Orientation and Guidance: Don Rasmussen and Braden Stauts.
2. University Health Service: Deanne Munk.
3. University Traffic Service: Dick Deleissegues.

To Establish Alumni IFC For Promotion of Frat Understanding

An Alumni Inter-Fraternity Council is going to set up under the direction of the Dean of Student Affairs, Samuel M. Basta.

Dean Basta and the Alumni IFC will meet in order to promote better understanding of the fraternities on campus and their relationships to the University of Nevada.

The Alumni IFC will be able to shed light on such fraternity

actions as social activities, study habits, pledging, and general behavior. The Alumni IFC will be an effective middle-man in solving some of the problems that arise concerning the fraternities and the University of Nevada campus.

The Alumni IFC will have its first meeting soon and will thereafter have meetings every month with the dean of student affairs.

Offer Beauty Contest For Campus Coeds

Coeds from sororities and dormitories from coast to coast will soon vie with one another to be represented in a nationwide college beauty contest.

Invitations to compete for local and national honors are already in the mail to sororities and dormitories here on the University of Nevada campus.

From the resultant entries, one "queen" will be selected by each student body. The Nevada "queen" will then contest her charms against queens of rival colleges in the area for the selection of a regional college beauty queen.

The winning queen will then be featured next year in national advertising in such magazines as Glamour, Charm, and Mademoiselle, at which time the public, in addition to the students, will be invited to vote for their favorite.

The national winner will receive an all-expense paid ten-day trip to one of the world's luxury vacation spots, compliments of Campana, makers of Solitaire Make-up. Beautiful Hawaii is the destination of this year's College Beauty Queen" winner.

Trucks Answer Manzanita Hall False Fire Call

The blast of a fire alarm horn aroused 66 women at 8 a.m. last Saturday morning.

The women, in various attire, sleepily staggered out to the front lawn of Manzanita Hall as two fire trucks arrived.

An overheated room on the second floor had set the newly installed fire alarm system off for the first time.

The system is connected with the fire department and automatically rings a bell in the fire station.

SHARON ADLER ELECTED THETA PLEDGE PREXY

Kappa Alpha Theta pledges recently elected officers and discussed projects for the fall pledge program.

Sharon Adler was chosen as president for the pledge group, and Carol Crowder will act as vice president. The secretaries are: Dorthiann Cook, corresponding; and Paula Kingston, recording.

Chairman of entertainment is Janis Beeghly. Nanci Mead is scholarship chairman, and Brynne Bailey was elected song leader.

ROTC Regiment Commander Still Not Selected

Future graduates of the University of Nevada, who have completed the advanced ROTC course, may apply for a delay in reporting to active duty so that they may do post-graduate work. This announcement recently came from the Department of the Army in Washington, D. C.

Students receiving their degrees on or after May 1, 1958, who have completed the advanced ROTC second lieutenant in the Army of course and are to be commissioned the U. S. Army Reserve, may apply for a delay of commission.

This was originally restricted to graduate students taking studies in technical research and scientific activity, but now allows any ROTC graduate a reasonable chance of acceptance for post-graduate training. The only qualification is that the studies be in a recognized field at a degree-granting institutions.

It is possible that the Army may not be able to use all of the "delayed" officers in their chosen field of post graduate study.

John Sibbald Named To Top Position of ROTC Cadet Colonel

After three weeks of competition among senior cadets, the organization for the Corps of Cadets for the fall semester has been announced.

The office of Lt. Col. Charles E. Ronan, professor of military science and tactics, reported that the top assignment of cadet colonel was awarded to John R. Sibbald of Reno.

Sibbald, a pre-legal student at the university, is the son of Mrs. Garth Sibbald.

He will have as his staff: Cadet Maj. John S. North of Reno as adjutant; David W. Lowe of Las Vegas as intelligence officer; Martin W. Johnson of Minden as operations and training officer; George W. Corfield of Yucaipa, California as supply officer. Cadet Captains William M. Schroeder, McGill as assistant adjutant; and Phillip L. Hatch of Susanville as assistant operations and training officer.

Commanders of the three battalions will be Cadet Lt. Col. Ken H. Fujji of Reno; Bobby J. Lewis of Ely and Dale S. Mosher of Anaheim, California.

The staff of Cadet Lt. Col. Fu-

ji consists of Cadet Maj. John H. Flynn, executive officer; Capt. John W. Hawkins, adjutant; Dale L. Fraser, intelligence; Robert G. Ferrari, operations and training; and Richard Bortolin, supply officer.

Cadet Colonel Lewis will have to assist him: Cadet Maj. James P. Fast, executive officer; Cadet Capt. Stephen Dollinger, adjutant; George A. Mross, intelligence; Gilbert B. Ballinger, operations and training; and James Hussey, supply officer.

The staff to assist Cadet Lt. Col. Mosher is composed of Cadet Maj. Frederick D. Bartlett, executive officer; Cadet Capt. Sidney R. Muck, adjutant; George F. Murphy, intelligence; Richard G. Deleissegues, operation and training; and Grant B. Hudlow, supply officer.

The Corps of Cadets will have six company commanders who are as follows: Cadet Capt. Charles W. Fulkerson, Company A; Ralph J. Rubenstein, Company B; Charles W. Fulkerson, Company C; Mark A. Nicklanovich, Company D; Harry J. Mangrum, Company E; and Thomas A. See, Company F.

SPORTS

McEachron Lauds Play of Wolf Pack Against Chico State

"We're not bleeding, and we're not crying." So states Coach Gordy McEachron, whose Nevada Wolf Pack dropped a close 20-19 decision to the Chico State Wildcats.

"I've never seen the kids block and tackle as well as they did Saturday night," he went on.

The game seemed to bear out McEachron's statements. Although they were defeated, Nevada outplayed Chico through most of the game, only to fall short by one point on a missed conversion late in the fourth quarter.

Nevada's opponent tomorrow night is another power of the Far West Conference, the California Aggies of Davis, California. The team should be at full

strength, with the exception of Ty Tyson, who is out for the season. Chuck Walker is about recovered from a bout with the flu. Several others are nursing small injuries but will be ready.

Nevada Rifle Team Twelfth In Competition

The University of Nevada's rifle team placed twelfth in the National Rifle association small bore winter league. The information was released by Lt. Col. Charles E. Ronan, professor of military science and tactics at the University of Nevada.

Representing the state of Nevada, the University rifle team achieved a score of 155x1600 possible points. National champion Frazier-Simplex of Pittsburgh, Pennsylvania scored 1574x1600 possible points.

The Nevada team members are Gene Espin, Terry Katzer, Max Botz and Charles Taylor.

The league is made up of NRA accredited teams consisting of civilian, collegiate and military organizations.

Nevada's team earned the honor of competing by winning the Nevada Sagebrush League. They did this by defeating the local Air National Guard team by a 13 point margin after six days of competitive firing at the University range.

The most one-sided football score in history was set in 1900 when Dickinson College (Pa.) slipped by the Havorford Gr. School (Pa.) 227-00.

Wolf Pack Journies To Davis Tomorrow

A new and improved Wolf Pack will be on the road this weekend, travelling to Davis, California where it will meet the Cal Aggies tomorrow afternoon at 2:00 p.m.

The Pack will be out to avenge a 27-19 defeat handed them by the Mustangs in last year's meeting. In the past years the Wolf Pack has met the Davis team 26 times, winning 15 of the games.

The Cal Aggies dropped a game to Long Beach State last week 12-6. They opened their current season with a 13-13 tie with Willamette, and defeated the California Ramblers 21-0 two weeks ago.

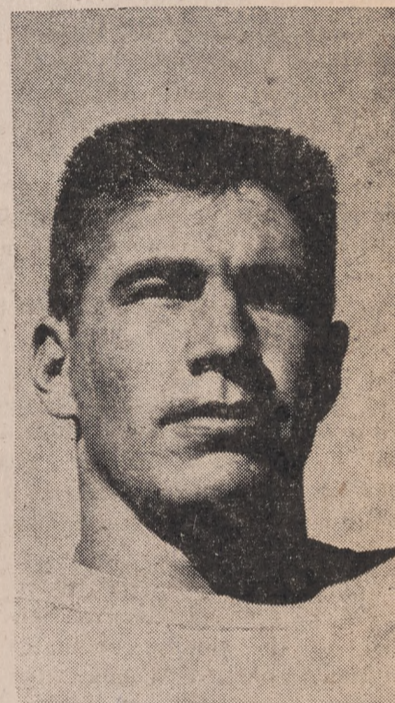

The Mustangs of Davis are coached by Willard S. Lotter, who has a record of nine wins, ten losses, and one tie up to the present time.

The Cal Aggies tied for first place with Humboldt State and San Francisco State last season in the Far Western Conference, with a four-win, one-loss conference record.

Tomorrow's game will be played at Aggie Field which has a seating capacity of 4,500. The enrollment at Davis is slightly larger than that of Nevada, but of the 2,000 registered there last year 1,450 were male students.

Tom Whitaker Named Player of Week

Tom Whitaker, Nevada's handyman end and halfback, was selected as the "player of the week" in

the game against the Chico State Wildcats last Saturday.

Whitaker, a sophomore from Ukiah, Calif., was an invaluable aid to the Pack last week. Time and again he grabbed key passes, 5 in all, to keep Nevada drives going, and caught one for the team's second touchdown.

On defense, Whitaker made many tackles and recovered a Chico fumble.

The 6'1" speedster, who weighs 185 pounds, is a two sport man. He's a standout shortstop on the baseball team.

S. F. State Stops Humboldt 28-14

The Golden Gators of San Francisco State downed the Humboldt State Lumberjacks 28-14 last week in a game played at Cox Stadium in San Francisco.

The Wolf Pack will travel to San Francisco next weekend for a Friday night contest with the Golden Gators, the second in its conference games.

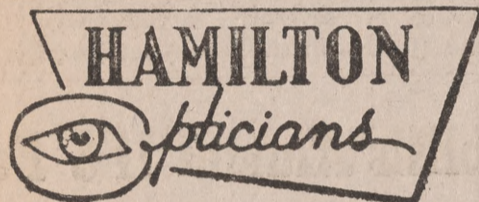

Nine Initiated Into Sigma Nu

Nine men recently became members of Sigma Nu. The new initiates were Bob Autry, Hugh Barnhill, Dick Dorworth, Jim Gardner, Herman Marstens, "Skip" Melquist, Len Marrs, Peter Potter, and Pete Tollidi.

Walker, Whitaker Co-Captains

A pair of underclassmen, Tom Whitaker and Chuck Walker, have been chosen as co-captains for tomorrow afternoon's game against the California Aggies at Davis.

Walker, a sophomore from Sparks in his second season with the team, is 6-4 and weighs 225 pounds. After a bout with the flu Walker is ready to assume his regular position this weekend.

Whitaker, who was last week's player of the week, will start at either end or flanker-back for the Wolf Pack.

The first Rose Bowl game was played on January 1, 1902,

Seven Groups Ready for Beginning Of Intermural Volleyball Oct. 14

Seven groups will vie for the intermural volleyball championships this year. The volleyball season will begin on Oct. 14, and continue until Oct. 30. This sport counts points toward the by playing Kinnear trophy, which is awarded to the outstanding intermural athletic group each year,

Last year's winner of volleyball, Sigma Nu, will start the season by playing the winner of the Kinnear Trophy, Alpha Tau Omega.

The games will be held in the new gym. Spectators are urged to attend and cheer their favorites.

Teams failing to report within 10 minutes after the scheduled time will forfeit the game.

There should be no postponements. If necessary, there should be agreement between the athletic managers and the intermural supervisor.

The schedule is as follows:

October 14	Monday	8:00 p.m.	Sigma Nu vs. A.T.O. Theta Chi vs. Lambda Chi. S.A.E. vs. Independents.
October 16	Wednesday	7:00 p.m.	Civil Eng. vs. Lambda Chi. Sigma Nu vs. Independents. Theta Chi vs. S.A.E.
October 17	Thursday	7:00 p.m.	A.T.O. vs. Independents. Civil Eng. vs. S.A.E. Sigma Nu vs. Theta Chi.
October 21	Monday	8:00 p.m.	Lambda Chi vs. S.A.E. A.T.O. vs. Theta Chi. Civil Eng. vs. Sigma Nu.
October 23	Wednesday	7:00 p.m.	Independents vs. Theta Chi. Lambda Chi vs. Sigma Nu. A.T.O. vs. Civil Eng.
October 28	Monday	8:00 p.m.	S.A.E. vs. Sigma Nu. Independents vs. Civil Eng. Lambda Chi vs. A.T.O.
October 30	Wednesday	7:00 p.m.	Theta Chi vs. Civil Eng. S.A.E. vs. A.T.O. Independents vs. Lambda Chi.

19 SPORTS SET FOR INTERMURAL ATHLETIC RIVALRY

Intermural Kinnear Trophy competition has been launched recently with softball and will continue through the year, ending with baseball in the spring.

There are 19 intermural athletic events of which eight are used to determine the Kinnear Trophy winners. The Kinnear Trophy is awarded annually to the organization scoring the highest number of points during the year's competition.

Sports awarding points toward the trophy are softball, basketball, baseball, and track, all of which award 100 points to the winning group. Skiing, cross-country, volley ball, and bowling award 60 points to the winning group.

Intermural sports which do not count toward the Kinnear Trophy are, handball doubles, tennis

doubles, badminton doubles, handball singles, tennis singles, table tennis singles, horseshoe doubles, horseshoe singles, and badminton singles. These sports are all directed by the P.E. department. Another intermural sport, riflery, is handled by the Military department.

Wolf Pack Foe Defeated 41-13

Western State of Colorado, the football team which is to play the University of Nevada Wolf Pack in the annual Homecoming game at Mackey Stadium Oct. 26, last week lost a 41-13 decision to Idaho State College.

It was the same Idaho State College that defeated the Wolf Pack 40-6 in Mackay Stadium

A Campus-to-Career Case History

Bill Tyer discusses features of a training program for operators with Miss Edith Sanders.

"There's always something different"

"In my job, there's always something different coming along—a new problem, a new challenge. When I got out of college I wanted to make sure I didn't settle down to a job of boredom. There's never been a chance of that at Bell."

That's Charles W. (Bill) Tyer talking. Bill graduated from Texas Christian University in 1953 with a B.S. in Commerce. He went right to work with Southwestern Bell in Fort Worth.

How did he make his choice? Here's what he says: "From what I'd seen it was an interesting business with tremendous room for expansion. And a big feature with me was the opportunity to choose my location. I wanted to work in the Fort Worth area."

"I came in under the Staff Assistant Program for college graduates. I spent several weeks in each of the company's five departments. Then I went back for six months of intensive training in our Traffic Department."

"After training, I was promoted. One of my first jobs was setting up and supervising a customer service improvement program."

"In January, 1956, I was again promoted. My present job is assistant to the District Traffic Superintendent. My responsibilities include instruction of PBX operators, employee and public relations, and scheduling operators to handle calls to and from 185,000 telephones."

"No—there's no chance for boredom!"

Bill Tyer is typical of the many young men who are finding their careers in the Bell System. Other interesting careers exist in the Bell Telephone Companies, Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your placement officer has more information about these companies.

PARKING TO BE IMPROVED

The parking situation on the University of Nevada campus is a real problem. No one can conceivably deny this fact.

With the student body nearly 2000 in number and the faculty some 250, it is easy to see that parking facilities are at a minimum. Most students have experienced the inconveniences of parking several blocks from campus, wading through mud and dust, or returning to find their car hopelessly blocked by three other cars.

Many students feel that their plight is the result of all the favored spots being reserved for faculty and administrators, that they are being "shoved around." Contrary to popular belief, however, the authorities have not forgotten the students. The situation should improve in the near future.

The 1957 Nevada State legislature gave the University authority to issue revenue bonds to pave the area around the new gymnasium and Mackay Stadium. As soon as the present construction projects are completed, work on the lot will begin. Students will probably be charged some nominal fee for parking permits in order to support the bonds. This is the system used at most colleges.

Other student parking space to be available shortly is the area around the Fleischman College of Agriculture, when that structure is completed. In the long range plan of the University, that area will also be paved and landscaped.

With more and more students enrolling each year, and more and more driving automobiles, it is doubtful that even the proposed solutions will accommodate the student body for many years.

To Leave Removal of Paint On Statue to Student Body

The "New look" on the Mackay Statue may remain for some time. The coat of red paint, in all its grotesqueness, will tentatively stay on the statue, until student action removes it.

The statue was painted by some of the students of the University, and it will have to be removed by the students.

"The removal of the paint on the statue costs more than \$300," Mr. Sam Basta, dean of student affairs said.

The statue, sculpted by one of America's foremost sculptors, Gutzon Borglum, reknown for his work on the Mount Rushmore Memorial, was very expensive to erect, and is quite valuable.

The statue can be cleaned only by taking very tedious measures to prevent marring the finish, and is a slow and cumbersome process. After repeated cleanings, the statue must be taken down and shipped to a firm out of the state to be refinished. All of this costs the university a considerable sum.

Mr. Basta, and a large part of the student body have hopes that the painting will not re-occur. Proposals have already been made by several student organizations to clean the statue, but no definite plans have been made.

One plan is to cover the statue with a silicon coating, which will protect the statue's finish from paint. Such a measure might prevent removal of the statue from the head of the quadrangle, which seems the most likely solution to the problem to date.

Last week, Basta said he would leave punishment for painting statue, if it happens again, to the disgression of the Men's Upperclass Committee, and stated he would back the committee, and stated he would back the committee in its actions.

Basta pointed out that the student respect for campus tradition should prevent such occurrences and said students themselves should act as an enforcement body against the breaking of such long-standing traditions as not painting the statue of a benefactor of the student body of the University of Nevada.

16 Initiated By Sororities

Sixteen campus women have been formally initiated into four campus sororities.

Each prospective member must remain a pledge to a sorority for a semester and have a grade average of 2.2 before she can be initiated.

Delta Delta Delta held initiation on September 27 and 28. Their new actives are Sally Holmes, Brace Antonelli, Carolyn Minnetto, Beth Boyd, and Sharon White.

Jane Taylor, Emmy Hanf, and Connie Phalen were initiated into the Gamma Phi Beta sorority on September 12.

Pi Beta Phi held ceremonies on September 27. Marilyn Ferreira, Kay Hicks, Sally Riley, Theresa Mariani, and Sharon Teglia are

GUEST COLUMN

By Dick Bryan

With the 1957 Homecoming celebration but two weeks away, final plans and preparation are being made to make the 37th annual Homecoming celebration the biggest ever. Advance publicity has been sent out on a statewide basis and local news and pictorial coverage has been excellent.

Opening the four days of festivities will be the sorority houses, Wednesday, October 23 from 8 to 10:30.

The following morning at 11:00 the five Homecoming Queen candidates will be introduced to the student body. Vieing for the honor are Alex Anastassatos, Gail Fuhrman, Dyanne Hayes, Karen Decker and Eleanor Bonnefant.

Thursday evening's rally will feature several novelties including the lighting of the N on Peavine, and the Snake Dance through downtown Reno. Both the coach and the team will be introduced and a downtown celebrity will be on hand to provide entertainment.

Wolves' Frolic director, Asher Wilson predicts Friday night's frolic will be the largest ever staged. From all indications the skits being presented by 11 living groups will be the finest ever witnessed at a Homecoming celebration. During intermission the queen will be announced and Lee De Lauer will be on hand to present the alumni association revolving trophy.

Saturday morning's cross-country from Sparks to Reno will see 140 men competing for individual and team awards.

Mythology has been chosen for this year's theme of the parade, which is scheduled to begin at 10 a.m. To date more than 30 entries have been confirmed, not including outside units who will be making their first appearance in a Homecoming parade.

Nevada's Wolf Pack takes the field Saturday afternoon to host West Colorado State. Governor Charles Russell will crown the 1957 Homecoming Queen at halftime activities.

BROWN KNOWS

By BILL BROWN

The fall book list of Harper and Brothers contains a book of special interest to most members of the University of Nevada. The volume is "Sweet Promised Land," by Robert Laxalt.

Mr. Laxalt, who shows promise as a western literary figure, writes a deeply moving book about a journey he and his father took back to the "old country."

The country in question was the French Pyrenees which is the home of the Basques, about whom very little has been written, but who have added much to the far west.

The Basques here in the west are employed as sheep herders and their lonely life molds them into semi-heroic figures. This book is

a close look into the life of one of these silent men.

It was my very good fortune while a child to come into close contact with the Basques and I grew to know these people and their customs. Most of the Basques who came to Nevada came only to make their stake and return to the Pyrenees as men of wealth and position.

Unfortunately many things held them here—jobs, lack of money—and the confinement of immigration laws. Most died without having returned to see their green hills and pleasant valleys.

The hero of this book can therefore be considered one of the more fortunate in that he was able to make this journey and answer many of the questions that his fellow Basques did not have a chance to have answered.

Mr. Laxalt has written this story with simplicity and a great deal of insight. His father emerges from the story as a man who has clearly lived his life in the best and only style possible from a man of his nature, thus giving the book an overpowering sense of honesty and sincerity.

For those readers who admire a well told story this book will fill all the qualifications; although only one hundred and seventy-five pages long this book does not have a surplus word. Everything is told completely and concisely.

A plaudit to Bob Laxalt who may emerge as the William Saroyan of the Basques.

Small boy explaining why he didn't mind wearing glasses: "They keep the boys from fighting me and the girls from kissing me."

OCTOBER 29 LAST DATE FOR SCHOOL TESTS

Students interested in taking a medical college admission test are requested to apply at the office of the Dean of Student Affairs prior to October 15.

October 29 is the date for the administration of the tests to be held at Morrill hall at 9 a.m. The A of A Medical Colleges announced this is the last date students may be tested.

'Press and Law' Theme of First Meeting of SDX

This year's first meeting of Sigma Delta Chi was held Sunday. The national professional journalistic society combined a dinner and meeting in the Tahoe room of the Holiday hotel.

Both undergraduate members and "the working press" attended.

A panel discussion was held on the subject of press and the law. The panel consisted of State Supreme Court Judge Charles Merrill, Washoe County District Attorney Dyer Jensen, Reno Police Chief T. R. Berrum, and Bryn Armstrong, political reporter, of the Reno Evening Gazette.

Robert Mount, president of the local chapter of Sigma Delta Chi, presided at the meeting.

Social Requirements For Overnights Are Listed by Officials

By Barbara Marucs

A revision in the student social code governing overnight social affairs was discussed at the social calendar meeting September 25.

Deans Elaine Mobley and Sam Basta said the code is on a one year trial basis.

Representatives of the ASUN and office of Student Affairs worked together in developing the code as a guide for the social conduct of students.

Requirements for overnight social affairs this year are:

1. A letter from the manager of the resort hotel where the party is to be held, describing in detail the arrangements for meal service and lodging of guests.

2. A statement from the manager indicating he realizes minors will be present and that the Nevada State liquor law will be enforced.

3. The presence of one or more persons, preferably uniformed officers, to check the right of guests to attend and to check identification cards of all those attending.

4. There shall be adequate provision for soft drinks for those who desire them.

5. A letter shall be sent to the parents of all invited women students advising them of the event, time, place, chaperones and transportation arrangements, requiring that their signed approval be returned to the Dean of Women's office at least a week before the dance.

6. No cocktail parties in private homes or on hotel premises before dinner or after the dance.

7. No driving of automobiles after the dinner starts.

8. One hour leeway after the dance for snacks and coffee in the immediate area.

9. People who must return to Reno because of their employment, obligations must ride back with alumni couples.

10. All women guests must sign in with the chaperones in conjunction with AWS hours.

Social functions of any kind involving both men and women still must be held within one hundred miles of Reno.

MOST POPULAR GAME that ever went to college—that's Sticklers! Just write a simple riddle and a two-word rhyming answer. For example: What's a big cat shot full of holes? (Answer: peppered leopard.) Both words must have the same number of syllables—bleak freak, fluent truant, vinery finery. Send Sticklers, with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N. Y. Don't do drawings! We'll pay \$25 for every Stickler we use in our ads—and for hundreds that never see print. While you're Stickling, light up a light smoke—light up a Lucky. You'll say it's the best-tasting cigarette you ever smoked!

Pledge Presents Held Last Week

The four sororities presented their pledge classes to the men of the University of Nevada Thursday Evening, Oct 3.

The "Pledge Presents" were held at the various sorority houses from 7:30 to 10 p.m.

The men were received at the door of each house by the house-mother and introduced to the pledges in a receiving line.

Dancing was held in the living room of each house for the actives and their guests.

Young GOP's Host Sen. Malone

States' rights, fair tariffs, and solid money were the principle issues discussed by Nevada's Senator George W. Malone in a talk to the Young Republicans last Tuesday night.

His remarks indicated that he believes the federal government is taking over rights that belong to the states, fair tariffs are needed to protect our native industries, and dollars should again be backed by gold.

"Senator Malone received a standing ovation both at the beginning and at the end of his speech, reported Robert Scott, entertainment chairman. The Young

Republicans enjoyed the talk very much. We found it both refreshing and timely, as well as extremely interesting."

**CAMPUS BAPTIST GROUP
BEGINS THIS SUNDAY**

A Baptist college age fellowship is being started on the campus for all interested college students.

The first meeting will be held in the YWCA room located off the Snack bar in Stewart hall, at 7 p.m. his Sunday. The racial problem in the United States will be the topic of a speech given by John Devere, sophomore student.

**Independents Open
Organization Plan**

By Cynthia Black

Independent students may be an organized group again if plans discussed at a recent meeting materialize.

Pete Evezich presided at the meeting, and several committees were formed.

A constitution will be drawn up and voted on by all independents. The heads of the constitutional committee are Diane Guild, and Don O'Donnel. Also working on this committee will be: Carol McBain, Louise Allen, Novella Hargett, Ted

Beckett, Larry Piper, and Bob Whalen.

Dolores Chambers and Chuck York were appointed chairmen for the social committee. The first event was a social on Wednesday evening, October 2, at the YMCA for all independents. Bob Oliver, Jerry Berry, Dick Wright, Jill Hulbert, Deana Merling, and Ruth Ruhl worked on this committee.

Sam Wauchope and Tippy Smith are chairmen of the steering committee, the purpose of which is to obtain an advisor for the group. They will be assisted by Lois Rothschild and Jean Rivkin.

Ransom Richards is in charge of publicity for the organization.

Evezich told those present of a successful organization of the independents in 1949 and 1950 which was known as the "Barbs," short for barbarians. The name originated in Greek history. All those who were not Greek were thought of as barbarians.

The name was thought appropriate for a group whose members are not affiliated with sororities or fraternities on this campus. It was suggested that this name should be used for the group again. Other suggestions for names for the organization will be made and voted on at the next meeting.

There was another meeting scheduled next week to vote on the constitution, to decide on membership pins, and to discuss a Christmas dance to be held on December 6.

Tippy Smith, president of the Artemisia - Manzanita Association urged the independents living in Reno and Sparks, or in the residence halls at the University of Nevada, to attend the meetings and socials.

**New Professional
Club Has Picnic**

A picnic was recently held by the newest professional club on the University of Nevada campus. The club, which is the student branch of the National Education Association, was formerly the Future Teachers of America.

The picnic was under the direction of Evelyn Ruybalid and Rosalind Weyant, who are on the executive committee of the Students National Education and was held at the girls' hockey field. Fifty-seven students and faculty enjoyed the hot dogs and punch served at the picnic.

Dr. Burton C. Newbry introduced the officers for this year, who are Wynoma Bromley, Gail Wooster, Rosalind Weyant, and Beth Boyd.
