## Gomes Heads An Investigation Of Coffin And Keys

By HAMPTON YOUNG  
 Political Editor

An interested group of students is seeking to gather information and verify facts pertaining to the recent Coffin and Keys issue on campus.

Steve Gomes, a member of the group, says they will hold an all-University meeting tomorrow night at 7 in the Truckee Room of the Student Union Building.

The purpose of the meeting will be to present reasons why Coffin and Keys should be either banned on campus or why members should choose between their campus leadership or their membership in the secret honorary organization.

Gomes says his group has access to and is in possession of formation that show definite past conflicts of interest in the Coffin and Keys membership.

Mike Lally, another member of the group, circulated a petition Friday stating what he believes to be the facts concerning the Coffin and Keys issue.

Gomes wants to see how many interested people are going to attend tomorrow night's meeting. Twenty are already going to show, says Gomes.

At the meeting the group will state their position publicly for the first time and tell why they are going to do.

He says that the group is in no way affiliated with the debate squad and is merely trying to clear the issue.

## Republicans Table Motion To Ban SNCC From Campus

By JOHN UTT

The Washoe County Republican Central Committee last week tabled a resolution seeking to ban the Student Non-violent Coordinating Committee (SNCC) from the Nevada campus.

The motion to table was based on the premise that the gathering was "not representative" of the whole central committee. Only 50 persons attended the meeting.

Dr. John DeTar, a John Birch Society spokesman who proposed the resolution, charged alleged links between SNCC and Communist front activities and groups.

### NO CONFIDENCE

If SNCC were permitted to become established on the campus it would have expressed a vote of "no confidence" in the Board of Regents and the University administration and faculty.

However, Gordon Nelson, president of the campus Young Republican organization, said a group active on the campus were "friends" of SNCC, and not a constitutionally - organized chapter of it.

He stated that the members were interested primarily in the civil rights movement, and added:

"Most (students) have a lot of confidence in civil rights and very little in the Republican party."

Supporting Dr. DeTar's resolution was Charles Shields, who said he was afraid the organization would take root on the campus unless action were directed against it. He added his guess that students were opposed to SNCC five-to-one.

However, Nelson stressed that student activities on the campus have always been free and open, and would create no problem as long as they were permitted to operate in that fashion.

In commenting on the tabled resolution, ASUN President Mike Ingersoll said,

### BAN FREEDOM

"If this resolution were passed, it would ban freedom of speech. As long as SNCC members do not violate any University regulations or policies as a group, they have every right to exist and be accorded full University recognition."

ASUN First Vice-President Bill Chaffin commented.

"It seems strange that SNCC should not be allowed to exist when both the Young Republicans and Young Democrats are allowed on campus. Someone could allege that they have Communist links to front organizations as Dr. DeTar has done."

## Mackay Queen Crowning Will Highlight 1965 Celebration

One of the highlights of this week's activities will be the crowning of the Mackay Day Queen. Mackay Day chairman Larry Stiff will crown the 1965 winner at the entertainment assembly Thursday night at 8:00 in the gymnasium.

The Queen will then judge the beards contest and award the trophies following her crowning on Thursday night and reign over the final two days of Mackay Day activities Friday and Saturday.

Vying for the crown this year are seven young women who are sponsored by the seven coed groups on and off campus. Jill Black, Independent, was last year's queen.

Representing Delta Delta Delta sorority is Judy Norcott, a 22-year-old elementary education major from Atherton, California. The brown-haired, brown-eyed senior eventually hopes to become a speech therapy teacher. She likes any outside activity, especially late nights and a good time. She has been a Homecoming princess, a member of the Little Sisters of Minerva, the

Moonlight Girl of Phi Sigma Kappa, a cheerleader and a reporter for the Sagebrush.

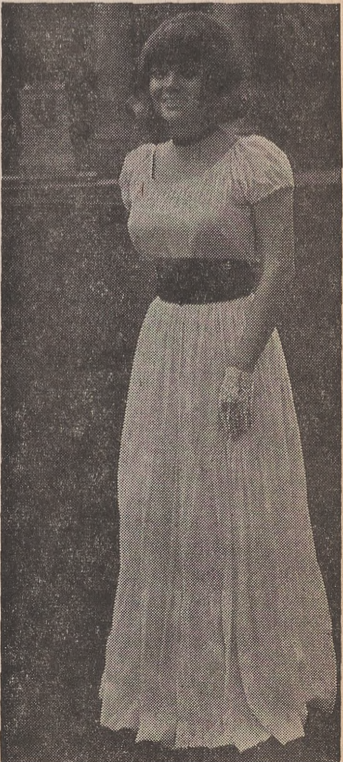

Kappa Alpha Theta's candidate is 21-year-old Carolyn Webster. An English major, she has blue eyes and blonde hair and eventually hopes to join the peace corps. Carolyn hates "ants, spiders, liver and scary movies," but enjoys "The Wal, senior hours, Hondas and chocolate ice cream." Also at the top of her list are skiing, dancing and horseback riding. She has been a song-leader and the chaplain of her sorority.

Juniper Hall's entry, another young lady of 21, is zoology major Lynn Karshen. Lynn is from Las Vegas and transferred to Nevada from Nevada Southern. She is 5 feet 3 inches tall, has brown hair and green eyes and dislikes people who are always late. Her hobbies include swimming, horseback riding and tennis. Her favorite things are San Francisco, the Beatles and Barbara Streisand. She eventually hopes to become a bacteriologist.

Arne Nossum, 22, from Trondheim, Norway, was crowned "Ugly Man" of 1965 at the annual World University Service carnival and dance held Friday night.

Nossum, veteran skier for the University of Nevada ski team, said he was "thrilled to be the ugliest man on campus."

The representative of Sigma Alpha Epsilon is a junior, and majors in engineering. He came to Nevada in 1963, and is living at the SAE fraternity house.

Crowning ceremonies took place at the WUS dance, as approximately 300 people attended the live band affair. Music was provided by "The Cix."

Suzi Prior, publicity chairman

for the WUS weekend, termed the festivities "very successful and equal to those of last year."

She said the main difference of this year's carnival and last year's was the carnival scheduling immediately after Easter vacation. Miss Prior said she did not have proper amount of time to publicize the event.

Three new events were featured in this year's carnival. A car wash, "penny-a-mile" and cake sale were added.

Proceeds from all events will go to the World University Service, which helps universities and health centers all over the world.

Total receipts will be counted during the week.

# Track Team Keeps Undefeated Mark

The undefeated University of Nevada track team ran up another victory in Mackay Stadium Saturday and the Wolf Pack swamped Humboldt State, 126-19.

Nevada will travel this weekend to Sacramento to meet the defending FWC champion Sacramento State Hornets on Saturday in the most crucial dual meet of the season. The Hornets are the team to beat in the FWC according to Silver and Blue coach Dick Dankworth.

Also competing unofficially in the meet was Sonoma State. The California squad was able to garner only one point during the afternoon, a fourth place finish in the 440-yard dash.

### OVERCAME ABSENCES

The Wolf Pack overcame the disadvantages of a three-week competition lay-off and the loss of stalwarts Otis Burrell and Alex Darnes. Darnes was sick and Burrell went to Des Moines via an invitation to the Drake Relays where he placed second in the high jump. The beautiful weather aided the Silver and Blue track men in winning every event but the triple jump and smashing several records.

Defying a Nevada sweep was Lumberjack thincad Tom Farmer who leaped 46' 10" to win the triple jump and establish a new meet record.

Even though the Wolf Pack was only occasionally pressed by the weaker opposition, Nevada athletes excelled in breaking three school, three stadium and four meet records in wrapping up their one-sided victory.

### RECORD BREAKER

Bettering Doc Williams' school record in the pole vault was Ryan Melton who soared 14' 7 3/4" to top the old mark of 14' 6 1/2". Melton's vault also topped Williams' Mackay Stadium record of 14' 6" and Biffle of Humboldt State's record.

Three Nevada sprinters beat the school record in the 220-yard dash. Leading the group was Dick McCoy who blazed through

# Humboldt Beats Nevada Golfers

While the track team was winning and the tennis team was losing on Saturday afternoon, the Wolf Pack golf team joined the net squad in the losers bracket, being defeated by the Humboldt State golf team 12 1/2 to 8 1/2.

The competition at the Hidden Valley Golf Course left the young Nevada linksmen with a 1-4 FWC mark.

This weekend the Wolf Pack will play host to the Sacramento State Hornets on Friday at Hidden Valley.

The over-all results for Saturday's match are:

Dave McManus (H) 2, Lance Hamson (N) 1; Ernie Maupin (N) 3, Dick Harling (H) 0; Terrn Sesna (H) 2 1/2, Bill Jakad (N) 1/2; Dick Perry (H) 3, Luke Whalen (N) 0; Dick Visser (H) 2, Dennis Jones (N) 1.

# Wolf Pack Splits With Sacramento In FWC Action

Nevada handed Sacramento's baseball team its first Far Western Conference loss of the season by defeating the Hornets, 5-4, in the first game of a double-header. Sacramento won the nightcap 3-0.

In the opener, Nevada won in the last inning. Stan Owens was safe on an error, and a bunt by Owen Toy and a double by Bob Gillham enabled him to score.

Carl Bossieux received the win for Nevada, while Jim "Spider" Thomas received his first conference loss of the season. He had pitched 26 consecutive scoreless innings prior to facing Nevada.

Nevada's nine-hit attack was led by Earl Nursement, who had three hits, and Stan Owens, who had two.

In the second game, Nevada out-hit the Hornets 6-5, but was shutout 3-0. A walk, an error and a double by Jim Thomas gave Sacramento two opening runs. The game developed into a pitching duel between Bob Aaberg of Sacramento and Jim Nelson of Nevada. Nelson hit a double for Nevada, the only extra-base hit of the game.

NEVADA JAVELIN thrower Jim Marxmiller readies for meet with Sacramento State.
