

University of Nevada Sagebrush

VOLUME XLII, No. 25

RENO, NEVADA 5

Friday, December 17, 1965

FRESHMAN TODD RUSSELL is queried by Red Cross volunteer, Sally Atkinson, just previous to donating his pint. Gentleman at right awaits his turn.

Nevada Sets National Record For Donations In Blood Drive

The students, faculty, and administration of the University of Nevada have broken a national record for participation in a collegiate blood drive.

The University of Nevada is the thirtieth college in the nation to sponsor a blood drive for servicemen in Viet Nam and has drawn more pints of blood than any other college or university in the United States, according to an American Red Cross spokesman.

Nevada broke the national record late Wednesday afternoon when a total of 219 pints of blood had been drawn. The previous record had been 200 pints which had been achieved by several universities.

"Our university has shown more interest in donating blood to servicemen in Viet Nam per capita, and in total numbers than Universities with student bodies

five times the size of the University of Nevada," said blood drive chairman Mike Smithwick, "this is an example of unified student body spirit and sympathy that every participant can be proud of."

Sig Rogich, Sagebrush editor said, "The news of our university's drive will be sent to many other schools across the nation so that it will set a goal for collegiate blood drives in the future."

The blood drive will continue until the early afternoon of today at the card lounge in the student union building.

Female students at the university have donated approximately half of the total quantity of blood.

All students, faculty, and administrative members of the university who wish to donate blood should do so before 1 p.m. today. All persons donating blood will

first be interviewed by nurses to check past medical histories. After the pint of blood has been donated, the person may have refreshments at the Red Cross canteen service table.

Those who donate blood are requested to have light breakfasts on the day they wish to donate. The Red Cross has also requested that donors refrain from eating greasy food or dairy products before donating blood.

Students and faculty who have not signed-up for the blood drive will be eligible to donate blood. Sign up sheets will be at the reception table in the student union, and anyone wishing to donate blood may do so by signing the slip before donating a pint of blood.

The total blood drawing process, including administration, will take approximately 15 minutes.

Students Approve Union Fee Raise By Wide Majority

A 71.8 per cent majority of students voted in favor of a \$2.50 fee increase for the Jot Travis Student Union last Wednesday. 411 students voted for the increase and 161 students voted against it. The fee increase will begin with the Fall registration, 1966. It will increase the union fees paid by

students to \$7.50 each semester. The increase will add about \$10,000 to the union funds each semester if the present enrollment remains the same.

The University of Nevada Board of Regents will also have to approve the increase before it goes into effect.

The fee increase was mainly to pay for the added expenses of the union operation.

Tony Oxborrow, TUB President stated, "The rather obvious majority as elected by responsible students concerned with extending their education through the lectures, music, art, and other programs provided by the student union reflects the importance of the union's role presently as well as in the future."

Oxborrow made several suggestions for future union activities including re-establishment of a strong lecture program, an increase in the capital improvement fund for future union expansion and more cultural programs.

According to Oxborrow, the financial considerations which were to be considered when voting were the following:

1. Cost of heat, light and power, which was once paid for by the University, but now costs the Student Union Board \$6,000.
2. Payment to the Capital Reserve Fund, which is \$3,600.
3. Cost of supplies, which was once paid for by the University, is now \$1,500.
- Total for the above is \$11,100, which represents annual costs that now cut into the program.
4. Union additions, the snack bar, bookstore and health service, necessitated more custodial service which costs approximately \$2,000.00 per year.
5. In order to keep furnishings and equipment in good order, the Union must budget about \$2,000 per year.
6. Replacement of furnishings and equipment costs \$1,000 per year.

The total for items 4, 5, and 6 (Continued on Page 8)

Students Speak About University Sponsored Drive

A little apprehension laced with an air of fulfillment set the mood for the Card Lounge of the Student Union building this week as students donated a pint of possible life for some U.S. trooper.

"It was easy, didn't hurt a bit," said Freddy Williams, a senior business major after donating a pint of his blood.

Donors' reactions to the ASUN Blood Drive have been mixed with a sense of accomplishment and nervousness. Many students have never donated blood before.

Some have fainted, and yet many have breezed through as if filling a pint container with blood was an everyday happening.

"I'm in advanced ROTC, and I would expect the same consideration if I am ever in Viet Nam," said donor Craig Russell, a junior business major, concerning his donation.

Reactions were varied. "I'm chicken," said one girl who was too nervous to donate.

"What worried me was the nurse telling me my bottle was almost full and then leaving me lying there," said one male.

Others were proud. ASUN First Vice-President Bill Chaffin said he "felt a sense of accomplishment," after donating. Harry Parsons, a junior accounting major, said he was happy he could give blood for troops.

Mike Walers, a senior accounting major, said "I've never felt better—wish we could give a quart."

Larry Furrow, a senior English major, said he overheard one of the Blood Bank personnel say it made him feel good to see people

(Continued on Page 8)

Senate Cancelled; Lack Of Quorum

Lack of a quorum forced a cancellation of Wednesday night's Senate meeting this week.

According to Senate President Nick Moschetti, only 16 out of 36 Senators showed up. Twenty-seven are needed for a quorum.

Moschetti attributed the poor showing to the ATO and Sigma Nu dinners which were held that same night.

"Senate meets on the first and third Wednesdays of each month, and there's bound to be occasional conflicts," Moschetti said.

This was the first Senate meeting this year to be cancelled due to lack of a quorum.

'Messiah' Will Be Presented December 19 In Gymnasium

The 31st annual rendition of Handel's "Messiah" will be presented in the University Gymnasium this Sunday, December 19 at 8 p.m.

Featuring the University Community Symphony and Symphonic Choir, the yearly program is directed by Dr. W. Keith Macy of the music department.

The Symphony and Choir will combine with soloists Dana Stafford, soprano; Lynn Eller, contralto; Delmer Graf, tenor; and

Edwin Dunning, a bass for the performance.

Composed by a German, George Frederick Handel, in England, it stands high on the list of most frequently heard English oratorios. Handel wrote it in 1741 as one of a series of oratorios in the Italian style.

According to Dr. Macy, community response to the concert is "gratifying." "The audience usually numbers around two thousand persons," he said.

Admission to the performance is free.

STUDENT UNION Board President Tony Oxborrow industriously counts votes Wednesday on the proposed fee raise. Final tally was 411 to 161 votes to pass the fee raise.

True Christmas Spirit Is Evident In Support From Nevada Students

Christmas vacation, a much needed relaxation period for students and faculty, will begin next Wednesday.

The holiday season will be enjoyed by millions of Americans throughout the United States. Many, however, won't see it this year and some may never see it again.

The sound of the spirited Christmas chimes is a thing of the past to those who support us overseas. Artillery rhythm and the cry of fear are the sounds these men awaken to and sleep with at night.

The cold earth has replaced the clean bed, and the dampness has replaced the fresh, warm clothing.

Yet we at the University of Nevada have shown support for something other than ourselves. We have contributed a part of ourselves, that fluid of life, and our reward is satisfaction.

It is with disgust we view and hear the movements throughout the United States. It is with alarm and yet with some pity that we view this small minority that must be heard.

Yet they are heard, because there are men giving their lives to make possible such freedom of expression.

The ASUN-sponsored blood drive has made the University of Nevada an institution of which to be proud.

Students and faculty have proven that there is love and appreciation for our protectors of a free nation.

In what other nation would people support such a cause? This unique way of life to which we have become so accustomed will never end as long as there are those who sacrifice.

Overlook the political motives; overlook the stubborn cries of liberal or conservative, of pacifist or war monger.

Now is the time to want to give. The need is very much evident. And the rewards are very much tangible. They can be shown, but more important they can be felt. . . .

The Sagebrush staff wishes everyone a happy holiday vacation.

The campus support of the blood drive should indeed be a rewarding experience for all.

Varied Band Program Planned Soon

A varied program is planned for the University Band in the near future, according to John L. Carrico, director of bands.

In addition to concert tours to distant places, the band is scheduled for performances in the local area. The 22-member stage band performed last week at Wooster High School, this week at Manogue High School, and is scheduled to play at Sparks High School.

The high schools were presented a varied program, ranging from classical to modern selec-

tions, said Carrico. Soloist pieces were featured.

A series of half-hour TV programs featuring the concert band, saxophone quartet, brass choir and the stage band is currently being taped by KCRL-TV. The six-program series will be shown soon.

The band is presently engaged in taping background music for campus radio station KUNR. The tapes will be heard on KUNR sports broadcasts, and on a new ski program beginning January 14.

What's New, Pussycat?

BILL SEAMS SEW-SEW: As most know, basketball ace Bill Nicholson's stomach "fell out" and had to be seamed together last Saturday. Since being tailored, Mr. Nicholson can be seen at St. Mary's studying **Sex and the Single Cat**—who's your prof, Bill?

BEAU TIES: Among the newly engaged are Katie Donnelly and Kenny Robins, KAT Sue Sonderegger and alumnus Jon Key, Pi Phi Leslie Downs and Larry Whitton, KAT Vicki Bates and SN Dale McKenzie, Pi Phi Carol Wagner and Lambda Chi Bill Maupin, Pi Phi Sam King and Mike Davis, and KAT Janet DuBois and ATO Phil Hanifan who will marry the 21st of this month. Also announced, unannounced, announced is the pinning of Lambda Chi Jeff Lewis to Kris Spear

'TIS THE SEASON! Seen recently downtown were Pi Phi Carolyn Spitzer and Phi Sig Rick Banis doing a little "engagement-ring-window-shopping"?!

OOPS' WRONG NUMBER: SN Bernie Anderson's 21st birthday present to Tri-Delt President Cherie Sawyer appeared to be a box of Friskie's dog food but among the canine tidbits clever Bernie had placed a box of Whitman's chocolates. In her excitement to phone her thanks Cherie dialed the SAE house which didn't go over—Bernie obviously resides at the SN house

FEAST OR FAMINE: Saturday night Sig Rogich instead of going to Katy Gardner's house party, which was a smashing success by the way, with one female, ended up with four females in a house—you're really camp, good ole Mr. Rogich!!

KLU KLUX CLAN is stalking the Greeks. All X-Mas wreathes given by the Sigma Nus to the sororities have been stolen from the doors. . . .

As read from the Gamecock: At the University of Carolina a journalism professor told his students to write a three-word headline that would shock the world. "Krushchev Denounces Communism" wrote one. "Castro

Abandons Cuba" said another. One student sadly shook his head and said, "I can't think of one with three words, but I know of one with two." "Alright, what is it?" "Pope Elopes"

CHARLIE BROWN OF THE WEEK: While soliciting for the blood drive at the various sorority houses Monday night SB President Mike Ingersoll addressed the Tri-Delts and their Mothers Club, who were in the midst of eating refreshments, with "We hate to talk about blood while you're eating" Somehow no one was too hungry after that

A LITTLE LATE IN THE SEASON PERHAPS: however, at two ayem one recent morn in the course of celebrating SN Steve Brown's birthday several Snakes were playing football in the middle of the street—smashingly (pun intended)

NEVER UNDERESTIMATE A WOMAN: I guess Tri Delt pledge Sue Kess has been taking her wheatgerm oil—as when last spied upon she was heaving a baby grand piano above her head while her friends rolled up the rug beneath it for a party—looks are deceiving. . . .

FELICITATIONS to Gamma Phi Patsy Murray who was hailed Dream Girl of Theta Chi at the Theta Chi Xmas formal, and Tri-Delt Pam Andrews who was chosen Crescent Girl of Lambda Chi Alpha. . . .

RAT'S FLAT: Conveniently enough, SAE Marc Ratner's tire went flat at the drive-in. Inconveniently enough, he couldn't change it when the movie was over—it was a bumpy ride back to the Tri-Delt house. . . .

THE FLU OR THE TAUS? The big flu epidemic at the ATO house turned out to be tomaine poisoning—wonder if it happened at the KAT-ATO sneak last Friday. . . .

QUESTION OF THE WEEK: Where do the elusive males go after they get buried by the exclusive females, George-baby????? Pussycat. . . .

Campus Inter-Club Council Passes New By-Laws

The by-laws of the Inter-Club Council were passed at a meeting of campus club representatives last Tuesday. Senate failed to have a quorum Wednesday night and could not approve the by-laws and give official ASUN recognition to the council.

The ICC was presented to the students of the university by John Ossee and Joe Bell. The University of Nevada was one of the few campuses in the United States that did not have a council.

The purpose of ICC is, "to coordinate activities of campus clubs." It will also serve as a liaison between the clubs on campus and Senate.

Each club on campus shall have the opportunity to become a member of the council when it gets ASUN recognition, but it will not be necessary to be a member of ICC in order to be an ASUN recognized club.

Bell along with ASUN Second Vice President Michon Maupin reviewed ICC constitutions from other campuses before the Nevada ICC was formed. Bell was appointed to head the council until elections are held at the next meeting of the council.

Twenty clubs were present to vote on the by-laws. They also

voted to publish a brochure to be handed out at registration. It will contain information on ASUN clubs. ICC will sponsor an activities parade in the second semester.

The next ICC meeting will be January 6 at 7:30 p.m. in the Travis Lounge. All ASUN recognized clubs are requested to elect a representative to ICC and have him attend. ICC officers will be elected at this meeting.

"We are extremely happy that the clubs decided to coordinate their activities by accepting our plan for an Inter-Club Council," stated Bell.

CAMPUS CALENDAR

Friday, December 17:

- BLOOD DRIVE, Card Lounge, 9 a.m. to 4 p.m.
- BASKETBALL, away, So. Illinois University.
- DDD Christmas Formal.
- KAT Christmas Formal.
- Play Production—"A Christmas Carol," Fine Arts Theater, 8 p.m.

Saturday, December 18:

- International Club Progressive Dinner, Main Lounge, 5 p.m.
- SAE Christmas Formal.
- Sigma Nu Christmas Formal.
- Play Production—"A Christmas Carol," Fine Arts Theater, 1:15, 3, and 8 p.m.

Sunday, December 19:

- University Singers—Handel's "Messiah," Gym, 8 p.m.
- Play Production—"A Christmas Carol," Fine Arts Theater, 1:15 and 3 p.m.

Monday, December 20:

- AWS—Spurs Christmas Party.

Tuesday, December 21:

- Nothing Scheduled.

Wednesday, December 22-January 4:

- CHRISTMAS RECESS.

'Macbeth' Needs Thirty For Parts In Campus Play

A cast of more than 30 persons is needed for the upcoming play production, "Macbeth." Tryouts for the Shakespearean play will be held Jan. 10, 11 and 12.

Further, a stage crew of about 20 is needed, according to Robert Ericson, director of the University Theater.

Interested students should inquire at room 8 of the Church Fine Arts building.

Ericson sad that no experience is necessary. He said he would like to see some fresh new talent.

Scripts for the play are available in room 146 of the Fine Arts building.

HELPING THE University of Nevada set a national record in recent blood drives is Dean Barnes, assistant dean of women.

'Yuletide Worldwide' Theme Of Home Ec Holiday Social

"Yuletide Worldwide" was the theme of the holiday social given yesterday by the meal management class of the Sarah Hamilton Fleischmann School of Home Economics. The social featured foods from thirteen countries.

"Quick" breads, yeast breads, candies, cookies, and cakes were served to approximately 350 faculty members attending the Thursday social. Food recipes came from Sweden, Norway, Denmark, Russia, Italy, Germany, Egypt, Greece, Mexico, France, England, Israel, and the United States.

Decorations also featured foods. Popcorn men and tortilla animals were two of the main decorations. Popcorn balls accompanied invitations to the event.

Supervising the social was Miss Alice Ann Bauer, assistant professor of foods and nutrition. Mrs. Jack Stevenson, extension specialist and instructor in foods and nutrition, assisted with invitations.

Women making the foods for the social were Bonnie Cody, Janice Miller, Judy Saden, Carolyn Miller, Nancy Bruce, and Dawna Daniels.

Individual Program Stressed For New Home Economists

"Home economists and home extension agents will have to learn to work on an individual basis in assisting poverty stricken people." That is the conclusion drawn by Mrs. Catherine Loughlin, associate professor of family

life, after a recent meeting. The meeting included extension home economists from all over Nevada and the teaching staff of the Sarah Hamilton Fleischmann School of Home Economists.

In the past home economists have worked with groups such as ladies homemaking clubs. Now the emphasis will be on individuals. Professor Loughlin notes that this will mean less satisfaction for the worker, although the results may be better.

Because of the meeting, home economists in Nevada will soon begin programs of work with low-income families. Methods used in the new program were suggested by staff residents at the meeting.

Clerical Party Held In Union December 14

The Annual Clerical Christmas Party was held in the Jot Travis Lounge on December 14. Entertaining the 130 persons attending the luncheon was a singing quartet, the "Fearsome Four" and saxophone quartet and musical trio under Orville Fleming, lecturer in music.

An event for the last 14 years, the Christmas Party was started by Miss Alice Terry, retired secretary to the president and the board of regents, who was presented with a poinsettia plant at the luncheon.

The "Fearsome Four", also called the "Fearless Four", consisted of Dr. James Davis, associate professor of education; Richard Dankworth, assistant professor of health, physical education, and recreation; Dr. Donald Potter, director of audio-visual communication; and, Dr. Robert Whittemore, director of counseling and testing.

The members of the saxophone quartet were Paul Kandos, Ken Sterns, Don Super, students of music, and Mr. Fleming. Charles Bickhart, flute, Mr. Fleming, flute, and Tammis Campbell, piano, composed the musical trio. Ron Gamba, journalism major, played Santa and Dean Harold Kirkpatrick took motion pictures of the luncheon.

Eleanor Hiibacka of the health, physical education and recreation department was the chairman for the Christmas Party.

Bureau Of Mines Publishes Map, Major Rock Locations

Publication of a map showing the location of Nevada's major intrusive rock formations has been announced by the Nevada Bureau of Mines, University of Nevada.

Intrusive rocks have been important to Nevada's mining history as the source of its major metallic minerals—gold, silver, copper, lead, and tungsten. They are found in every county in the State, but vary greatly in extent, distribution, and age.

The bulk of the intrusive rocks shown on the map lie in the western part of Nevada. A particularly heavy concentration between Reno and Hawthorne is an eastward extension of the Sierra batholith, the great igneous block which forms the backbone of the Sierra Nevada. Other areas rich in intrusive rocks include sections of Humboldt, Pershing, Esmeralda, and Elko Counties.

Formed from molten magma which was solidified beneath the surface, these large rock bodies

were pushed to the surface over the ages through distortions in the earth's crust, or were exposed through millions of years of erosion. Many of Nevada's intrusives are of Mesozoic Age, dating back anywhere from 70 to 160 million years. A number are of later Tertiary Age (1 to 70 million years old), and a few, shown on the map in the Gold Butte and Virgin Mountain areas of Clark County, date from the Precambrian Era, which ended some 600 million years ago.

The new map was prepared by Roland V. Wilson and Richard R. Paul of the Nevada Bureau of Mines cartographic staff. It is No. 30 in the Bureau's one-to-one-million-scale series of maps showing Nevada mineral locations and other information related to the mineral industry.

Entitled "Intrusive Rocks of Nevada," the two-color publication may be obtained from the Nevada Bureau of Mines, University of Nevada, Reno.

Four Aggie Clubs Decorate Trees

One of the remaining traditions on the University of Nevada campus was again observed last week. About 50 students who are members of the four College of Agriculture clubs, Eta Epsilon, Alpha Zeta, Aggie Club and Renewable Natural Resources, decorated trees placed in the two College of Agriculture buildings.

The tree decorating has been done by three of the clubs for the past several years. The Renewable Natural Resources Club was just formed this year and was asked to participate.

Tree decorating was a part of a party that was planned by the Home Economics club, Eta Epsilon. Marilyn Mooney was in charge of refreshments with Eta Epsilon president Mary Solaro and Alpha Zeta president Neil

Christensen, who planned the activity.

Aggie Club president Harvey Barnes and Renewable Natural Resources president Paul Waggoner obtained the trees from the Bureau of Land Management.

Forum Deadline

The deadline for Forum material will be December 28, said Mary White, editor of the campus publication.

Miss White also said a business manager will be needed for the Forum. Any interested person should get in touch with a member of the magazine's staff.

Forum material can be turned into Box 8201, University Station or the Forum office in the Student Union.

'Progressive' Held By Foreign Club Tomorrow Night

A "Progressive" dinner, sponsored by the International Club, will be held tomorrow night all over Reno.

Starting in the main lounge of the Student Union building at 5 p.m., participants will gather and organize. They will then hop by car from house to house of several faculty members to eat the various courses of the dinner.

Following the "progressive" meal, students will dance in the Dining Commons at 9:30 p.m.

Tickets may be purchased at the UNICEF greeting card table in the snack bar or from International Club members for \$1.50.

Nevada's Bob Gilliam

LEADING SCORER for the Wolf Pack this season has been junior college transfer Bob Gilliam.

Replica Of Famed 'Gates Of Paradise' Shown At Getchell

"They are so fine that they might fittingly stand at the Gates of Paradise," said Michaelangelo, referring to the Ghiberti Gates, which were built between 1425 and 1452 and which are still seen by millions in Florence, Italy. The exact replica of those doors may be seen here, on the second floor of Getchell Library.

The replica, cast by Fredinand Barbedienne, was first shown in Paris in 1878 and won wide acclaim. When the Vanderbilt mansion in New York was built in 1879, the Gates were installed

there, and remained there until 1948, when they were given to the University of Nevada by Mrs. Cornelius Vanderbilt.

When the art department was built they were going to be installed as working doors, but it was decided that the doors, which are cast in solid bronze, were too heavy to be practical. So they were stored until 1962, when they were installed in the library.

The original doors, cast by Lorenzo Ghiberti, are the doors to the baptistry in Florence. They have various religious scenes depicted in relief.

Independents Will Sponsor Open House

The three womens dormitories, Manzanita, Juniper and Artemisia Hall, will hold their traditional Open House Sunday, December 19, at various times throughout the day and evening.

Manzanita Hall and Juniper Hall will hold a combined open house from 2 to 6 p.m. The door connecting the two dorms will be open so that visitors can wander freely.

Manzanita Hall will serve refreshments throughout the day and entertainment will be provided by Joe Aimel and Rich Friedman. The officers will be judging doors "for originality and cleverness," awarding a prize to the best door decoration on each floor and the "prettiest" in the entire dormitory.

Juniper Hall will also be serving refreshments. The rooms will be judged during the day for originality by Assistant Dean Roberta J. Barnes, Dean Elaine Mobley and Mrs. Jack Spencer, house-mother. Awards will be given for the "most original" floor lobby, and the "most outstanding" suite.

Artemisia Hall is holding its open house from 6 to 10 p.m. Prizes will be awarded for door decorations according to categories: humorous, seasonal, and religious. The doors will be judged by various faculty members.

The women of Artemisia Hall have "adopted" a Reno family. They collected money and each floor is providing for two children in the family. The food and gifts will be given to the children's parents to put under their Christmas tree.

Activity Deadline

Final date for scheduling any activities on the ASUN activities calendar is December 21.

Clubs and campus organizations may request meeting or social activity dates from Michon Maupin in the ASUN second vice-president's office in the student union building.

Nevada Stage Band Ready For Tour

The Stage Band of the University of Nevada will take a week-long tour of three states, starting Monday, Jan. 24, 1966.

Playing at several high schools and at two colleges, the band will end its tour with a "Battle of the Bands" at South Eugene High School, South Eugene, Oregon. A professional band, composed of musicians from the Eugene Musicians Union, will be the opponents of the Nevada Stage Band. Southwestern Oregon College, at Coos Bay, Oregon, and the Lower Columbia College at Longview, Washington, are the two colleges the Stage Band will visit. The

band has also entered as a "feature" band in the 2nd Annual Milwaukee Stage Band Festival.

Besides presenting regular programs at the various schools they will visit, the band will give demonstrations and clinics for band students at both high school and college levels.

Eugene Isaefff will direct the band, along with Dr. John Carri-co, who organized it in 1960. The trip, covering three states in a week, is the most extended tour ever taken by a group in the music department.

One of the purposes of the trip is to promote interest in the Nevada summer Stage Band camp.

On Campus with Max Shulman

(By the author of "Rally Round the Flag, Boys!", "Dobie Gillis," etc.)

THE BLUEBIRD OF HAPPINESS HAS FLOWN THE COOP

Can education bring happiness?

This is a question that in recent years has caused much lively debate and several hundred stabbings among American college professors. Some contend that if a student's intellect is sufficiently aroused, happiness will automatically follow. Others say that to concentrate on the intellect and ignore the rest of the personality can only lead to misery.

I myself favor the second view, and I offer in evidence the well-known case of Knut Fusco.

Knut, a forestry major, never got anything less than a straight "A," was awarded his B.T. (Bachelor of Trees) in only two years, his M.S.B. (Master of Sap and Bark) in only three, and his D.B.C. (Doctor of Blight and Cutworms) in only four.

Academic glory was his. His intellect was the envy of every intellect fan on campus. But was he happy? The answer, alas, was no. Knut—he knew not why—was miserable; so miserable, in fact, that one day while walking across campus, he was suddenly so overcome with melancholy that he flung himself, weeping, upon the statue of the Founder.

By and by, a liberal arts coed named Nikki Sigafos came by with her Barby doll. She noted Knut's condition. "How come you're so unhappy, hey?" said Nikki.

"Suppose you tell me, you dumb old liberal arts major," replied Knut peevishly.

"All right, I will," said Nikki. "You are unhappy for two reasons. First, because you have been so busy stuffing your intellect that you have gone and starved your psyche.

I've got nothing against learning, mind you, but a person oughtn't to neglect the pleasant, gentle amenities of life—the fun things. Have you, for instance, ever been to a dance?"

Knut shook his head.

"Have you ever watched a sunset? Written a poem? Shaved with a Personna Stainless Steel Blade?"

Knut shook his head.

"Well, we'll fix that right now," said Nikki, and gave him a razor, a Personna Stainless Steel Blade, and a can of Burma Shave.

Knut lathered with the Burma Shave and shaved with the Personna and for the first time in many long years he smiled. He smiled and then he laughed—peal after peal of reverberating joy. "Wow-dow!" he cried. "What a shave! Does Personna come in injector style, too?"

"It does," said Nikki.

"Gloriosky!" cried Knut. "And does Burma Shave come in menthol, too?"

"It does," said Nikki.

"Huzzah!" cried Knut. "Now that I have found Personna and Burma Shave I will never have another unhappy day."

"Hold!" said Nikki. "Personna and Burma Shave alone will not solve your problem—only half of it. Remember I said there were two things making you unhappy?"

"Oh, yeah," said Knut. "What's the other one?"

"How long have you had that bear trap on your foot?" said Nikki.

"I stepped on it during a field trip in my freshman year," said Knut. "I keep meaning to have it taken off."

"Allow me," said Nikki and removed it.

"Land's sakes, what a relief!" said Knut, now totally happy, and took Nikki's hand and led her to a Personna vendor and then to a justice of the peace.

Today Knut is a perfectly fulfilled man, both intellectually and personalitywise. He lives in a charming split-level house with Nikki and their 17 children and he rises steadily in the forestry game. Only last month, in fact, he became Consultant on Sawdust to the American Butchers Guild, he was named an Honorary Sequoia by the park commissioner of Las Vegas, and he published a best-selling book called *I Was a Slippery Elm for the FBI*.

* * *

© 1965, Max Shulman

The makers of Personna® Stainless Steel Blades and Burma Shave® are pleased that Knut is finally out of the woods—and so will you be if your goal is luxury shaving. Just try Personna and Burma Shave.

Cattle Meet Held

A Nevada Livestock Conference was held Wednesday in the Student Union Building.

Lasting from 9:30 in the morning until a little after 3 that afternoon, the conference consisted of a day-long series of lectures.

The conference covered everything from "The Management of Incoming Cattle to Minimize Disease" to "Ideas for Intensive Sheep Management."

Pack Starts Midwest Swing

Highly Touted South. Illinois On Schedule

By Gregg Zive
Sports Editor

Southern Illinois will host the University of Nevada Wolf Pack tonight in Carbondale, Illinois. The Pack played Parsons College last night but results were not available at press time.

Southern Illinois was the number two small college in the nation last year according to the UPI and AP ratings. They lost the national championship to Evansville in overtime last March. This year they have a 3-2 record to date, and are nationally ranked.

Following tonight's contest the Wolf Pack will play in the Rock Island Tournament Tuesday and Wednesday. Also in the tourney are Creighton, Texas Western, and South Dakota.

Texas Western is an independent and the Miners are regarded as one of the best teams in the Southwest. Defense is their specialty as last season they only yielded 56.5 points per game.

Nevada last played Creighton in the 1963-64 season when the Blue Jays trounced the Pack, 92-63. Last season they had a record of 13-10 and have three strong lettermen back this year to improve on that record. South Dakota has already played Creighton once this year and were buried by the Blue Jays, 103-58. They finished last year with a 9-17 mark.

The Wolf Pack will return to Reno December 23. Then on New Year's Day they will meet Cal Poly of San Luis Obispo at home.

The Silver and Blue will open the fight for the Far Western Conference title in Arcata, California when they meet Humboldt State, January 8.

San Jose State Clobbers Nevada Monday 77-58

San Jose State defeated the University of Nevada Wolf Pack Monday night, 77-58. Nevada only shot 37 per cent from the floor which was no match for the Spartans' 46 per cent.

It was the fourth straight victory for the tough San Jose squad which had every player but one score. Nevada had a 3-2 record following the contest.

Nap Montgomery led the shooting for the Pack with 20 points. Gilliam and Moore also shot in double figures for the Silver and Blue with 13 and 12 points respectively.

San Jose pulled out in front early in the game and had a 17-3 lead early in the first half. The Spartans' defense was forcing the Pack into making costly mistakes. The score at halftime was 38-23.

Nevada settled down in the second half and rallied behind the shooting of Moore and Gilliam. Then the Spartans' rebounding and hot shooting took control of the game and put it out of reach for the Nevadans.

S. T. Safford led the Spartans with 14 points but San Jose also had three other players in double figures and a total of 12 players scored for the Californians.

From the End of the Bench

By MIKE SMITHWICK

The Wolf Pack suffered a large jolt Saturday when Bill Nicholson had his appendix taken out. The 6-5 center for Nevada will be lost to the team until the middle of January. It really a shame because last Thursday against Idaho State Nicholson played one of the best games he ever had. Not only did he score well but he grabbed 20 rebounds and played a good defensive game. It was his nine straight points that broke the spirit of the Idaho State team. Also when Moore fouled out and Montgomery had four fouls it was Nicholson who had to do most, if not all, of the hard work around the basket. Everybody was looking forward to seeing how good he would have done against the tough competition the Pack will be playing in the next week.

Jerry Hart replaced Nicholson and Willowby played a fine ball game in the upset victory over Miami last Saturday. He scored 12 points and performed well on defense for the Wolf Pack.

Do not be discouraged if the Nevada cagers have a rough time while on their tour of the Midwest. We do not have the results of the Parsons game but Parsons will be the easiest team the Silver and Blue will meet this week.

Tonight Nevada will meet Southern Illinois University. Last year Southern Illinois was defeated by powerful Evansville in the NCAA National College Division championship game in overtime by one point.

The Rock Island Tourney starts Wednesday and there the Pack will be playing against Texas Western, Creighton, and South Dakota. All of these teams are consistent winners every year.

Nevada will also be hurt by the loss of the tallest man on the team, Bill Nicholson. It will be up to Larry Moore, Nap Montgomery, and Jerry Hart to hit the boards for the Pack.

The San Jose game was the first game where Nevada did not have at least four players in double figures. It has been the team's trademark this season to have four or five scorers over 10 points. It has been this overall shooting by the entire team that has resulted in the victories this year. Except for the San Jose game the Wolf Pack has had a very good percentage from the field. In the first loss of the season it was cold hands from the foul line that cost Nevada the game. In the second encounter of the season with Idaho State the Bengals saw any chance for victory disappear as the Wolf Pack made their free throws.

Our sister campus to the south, Nevada Southern University, has suffered three defeats this season with one victory. They have played hot and cold basketball. Last weekend Baylor edged the Rebels by a single point but the next night Idaho State defeated NSU by 12 points. I would like to see NSU lose only two more games the rest of the season—to us.

SAE, Lincoln Hall Nab Hoop Wins

SAE No. 1 team and Lincoln Hall were winners in the first two opening games of the 1965-66 intramural basketball season last week.

SAE No. 1 opened the season by defeating the Independent No. 2 team 42-25 and Lincoln Hall followed with a victory over Lambda Chi No. 2, 25-18.

In this week's competition Lambda Chi No. 1 team defeated SAE No. 2 in a contest that was decided in a double overtime 33-31.

'Viet Nam Civil Drive Deadline Here,' Says Head

Today will be the final day for students to contribute to the Viet Nam Civic Fund, announced John Osse, Newman Club president.

Osse said that students wishing to give up their dinner meal on Friday must sign up this afternoon in front of the dining commons door.

The drive, sponsored by the Newman Club, began Wednesday afternoon.

"So far the response has been good and the fraternity and sororities are all taking an active part," said Osse.

Persons giving up their meal should do so at the place where they have a contract.

Meals given up to the drive will be collected in the form of capital and the money will be given to C.A.R.E.

Osse said the money will then be sent to Viet Nam for medicine, food and clothing.

Getchell Library Will Offer Two Xerox Machines For Use

The Getchell Library has two Xerox machines for the convenience of the students and faculty of the University. The purpose of the machines is to give the students a quick, convenient, economical service for copying pages from library books and periodicals, says Roger Tissier, assistant librarian. It is available to university departments and the individual staff members. It is not available to the general public unless work is being done on university library materials.

Although the University does not care what is copied, the government does. It forbids the copying of obligations or securities of the United States government, including Treasury Notes, U.S. Notes, Silver Certificates, or In-

ternal Revenue Service Stamps. It also bans copying drivers licenses and passports.

Because the machines are used so much, Mr. Tissier wishes those who have long jobs to be copied (theses, term papers) would come in ahead of time to have them copied.

The price of copying materials is \$.10 per page in legal or 11 by 14 size.

The hours the machine will be available are from 9 a.m. to 3 p.m. and 7 p.m. to 9 p.m. daily, from 10 a.m. to noon, Saturday, and from 3 p.m. to 5 p.m. Sunday.

Clothes Campaign For Xmas Train

Young Republicans and Young Democrats in Reno are jointly sponsoring a campaign to gather clothes and first aid items for the people of South Viet Nam. Lynn Green, public relations chairman for the University of Nevada Young Republicans, says the project is non-political.

The goods will be loaded on a train passing through major U.S. cities. It left Philadelphia on Dec. 7 and will arrive in Reno sometime this week. The train will carry the items to San Francisco where they will be loaded on ships for Viet Nam.

U.S. soldiers will distribute the goods to the South Vietnamese in time for Christmas.

Anyone wishing to contribute to the campaign may contact Lynn Green in Juniper Hall.

Sen. Cannon Chooses Intern

George L. Clark Jr., a political science student at Nevada Southern University, has been selected to intern for five months in the Washington office of Sen. Howard W. Cannon.

Selection of Clark was announced by the Nevada senator in Las Vegas.

The intern program, first in the history of Nevada, is sponsored by the Political Science Department of the University of Nevada in cooperation with Sen. Cannon.

The program is designed to allow the intern to combine practical experience in government with his academic work. Applications for the program were received from 12 students.

Cannon said Clark will begin his internship in January. He will receive six credits for his work and will enroll in a three-credit

course at one of the universities in Washington.

Cannon has worked for several months with Dr. Eleanore Bushnell, chairman of the University of Nevada Political Science Department, preparing for the new internship program.

Clark will work in Cannon's office on legislation, constituent matters and participate first-hand in the workings of a senator's office. He also will observe the work of various departments and agencies in the Executive Branch.

Lost And Found

The designated office for lost and found articles will be in the Housing Union Office, 104A of the Jot Travis Student Union.

Articles that have been found should be turned in to the office.

Dickens' Classic To Be Portrayed Over Weekend

Charles Dickens' "A Christmas Carol" will be presented over the weekend in the Church Fine Arts Theater by the University Theater.

The classic tale will be shown at 8 p.m. on Friday and Saturday nights with matinees at 1:15 and 3 p.m. on Saturday and Sunday afternoons.

According to Robert Ericson, director of the University Theater, the rehearsals of the play have been going very well. The technical aspects of the very complicated set have been completed, he said.

The set is complicated because of the several changes in scenery which must take place during the performance.

Ericson has adapted the script to the University performers and done all the directing.

Tickets for the play may be purchased at the box office of the University Theater. ASUN students with cards will be admitted free. Other students with cards will be charged 75 cents. Adults will be charged \$1 for the evening performances and 75 cents for the matinee.

Reservations may be made for the evening performances only.

Students' Teacher-Rating System May Be Established

Want to turn the tables a little and grade your prof, instead of him grading you?

The Academic Standards Committee of the ASUN Senate wants to know the student and faculty reaction to a "Student's Teacher-Rating System," according to Carl Fuetsch, chairman of the committee.

The program would allow students to rate the various professors in their respective colleges on an "A" through "F" basis. Students would rate the instructors on registration day.

Fuetsch talked to Chancellor N. Edd Miller yesterday. Dr. Miller said he liked the idea and would like to see something done.

An award would be given to the top professors in each college.

Fuetsch said a rating system has been set up at several other schools and has gone over well.

Dr. Slemmons of the Mackay School of Mines has had students rating their instructors for some time, according to Fuetsch.

Students wishing to express their opinion on the proposed rating-system should contact their respective Senators or write to the Academic Standards Committee care of the ASUN office in the Student Union building.

Members of the Academic

Standards Committee are: Carl Fuetsch, chairman, Lance Sparks, Kathy Baker, Bill Maupin, Bob Basta and Kay Maxwell.

International Club Discusses Confab

Plans for hosting the 1965 Regional Convention of the International Club and the election of a new regional secretary were the main items of business at last Friday's meeting of the International Club.

It was held at 7 in the evening in the Travis Lounge of the Jot Travis Student Union Building.

Also discussed in the meeting was the International Club's "Progressive" Dinner, which will be held tomorrow afternoon at 5 p.m. Students wishing to attend the dinner may pay at the UNICEF card table in the snack bar of the Student Union Building.

Students will eat various courses of a full meal at the houses of several different faculty members. A dance will be held in the Dining Commons afterwards.

An all-school dance was held after the Friday meeting across the street from Juniper Hall in the Neuman Club Hall at 9 p.m.

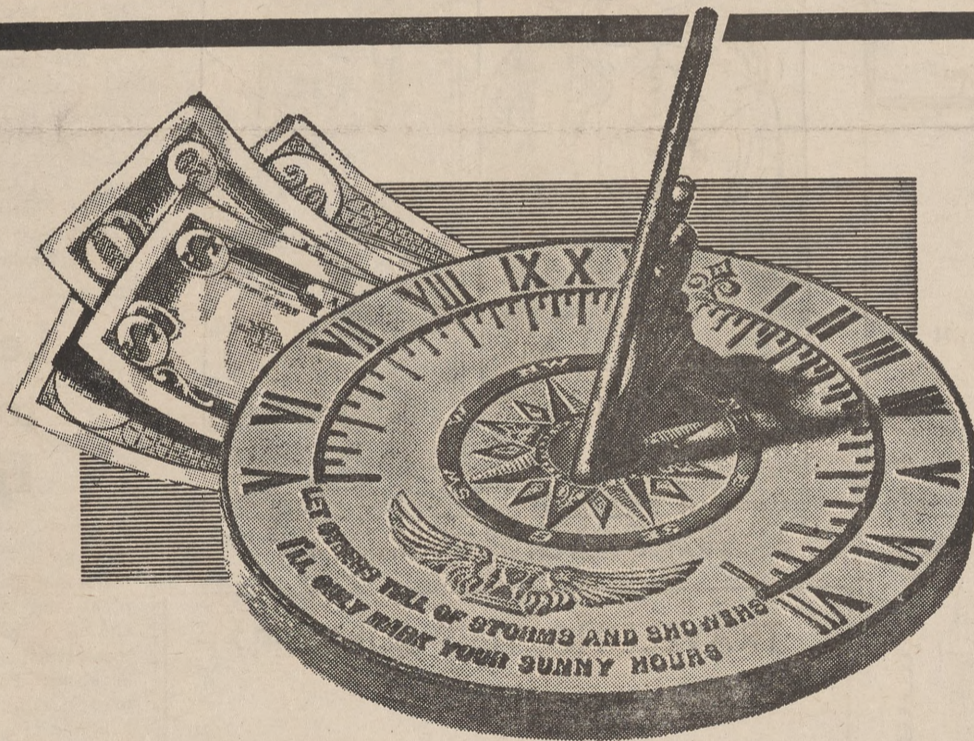

International desserts and entertainment were featured.

Wassail Feature In Home Ec. Bldg.

A wassail will be held today in the Sarah Hamilton Fleischmann room of the Home Economics building. It is being sponsored by the Orvis School of Nursing.

Carols will be sung and wassail will be served. Wassail is a hot drink made with spices. The refreshment and the decorations have been prepared by a senior committee under the chairmanship of Miss Nancy Englehard.

Earlier this week the nursing students and faculty decorated Stewart Hall as part of the Christmas projects. Decorations feature a simulated fireplace and a Christmas tree.

Clothing Is Topic Of Friday Forum

The "Sociological-Psychological Aspects of Clothing" is the topic to be discussed by Dr. Marilyn J. Horn, associate director of the school of home economics, at today's "Friday Forum."

The "Forum" is presented every Friday at noon in the LDS Institute of Religion at 95 West Eleventh St.

It is free to students, and is held to stimulate intellectual and religious thought among students.

Lunches may be brought to the function.

Spring Semester Movies Okayed

The new movie schedule for the Spring Semester has been confirmed,

- Farewell To Arms — Feb. 13, 1966
- Unsinkable Molly Brown—Feb. 20, 1966
- Lust For Life—Feb. 27, 1966
- Summer and Smoke—March 6, 1966
- The Robe—March 13, 1966
- Americanization of Emily — March 20, 1966
- Night of the Iguana—March 27, 1966
- Gigi—April 3, 1966
- Hatari—April 17, 1966
- Vertigo—April 24, 1966
- The Barretts of Wimpole Street —May 8, 1966

... Fee Increase Will Start With Fall Registration, 1966

(Continued from page 1)

is \$5,000. Total for all the above is \$17,000, which represents a considerable sum that must be met before any program money can be budgeted.

Also, to the above must be added approximately \$13,000 in full and part-time salaries that are also mandatory payments prior to program budgeting.

Salary and wage increases have been approved by the legislature totaling 18 per cent in the past five years. These must be taken into account for each budget.

7. Since the building was open-

ed in 1958, approximately \$50,000 was used from past reserves to furnish and equip the Union. If the Union is to expand in the future, similar reserves must be built up to furnish and equip any additions.

8. The heart of any Union is its programs, and sufficient money must be left in the budget to finance those programs which are the concern of the University community. Therefore, any fee increase will directly benefit the program and the student body which participates.

... Reactions Vary In Blood Donors

(Continued from page 1)

give. "It made me feel proud of the University," Furrow said.

Mrs. Gerald E. Bean, a Red Cross volunteer, said, "It's wonderful. I'm amazed with the number of girls coming in. The room is jammed up right now." Mrs.

Perhaps it was all summed up in the reaction from Joyce Freeman, editor of the campus yearbook, Artemisia, when she said, "Sure I was nervous, but those boys in Viet Nam would be a lot more nervous if there was no blood when they needed it."

The ASUN Blood Drive will end today at 4 p.m. Mike Smithwick, assistant chairman of the drive, expects a national record turnout for student participation in blood drives.

"The Southwest Blood Bank, under the direction of Mr. Jack Mulhall, is collecting the blood and will be responsible for shipment of the donations upon the request of the United States Defense Department.

Red Cross volunteers are assisting the Blood Bank.

SAE's Host Xmas Party For Children

The men of Sigma Alpha Epsilon will host a party for needy children this Monday at the fraternity house.

The party will feature entertainment by the SAE song team of Bud Olsen, Rick Shelby, Rob Long and Jeff Reeves. Santa Claus will present gifts

to the children. The Little Sisters of Minerva, SAE women's auxiliary group, will act as hostesses.

The annual affair will also feature a special Christmas party by the women's group for the fraternity men.

Letters to the Editor

Dear Joyce,

I would like to express my appreciation for your thoughtful and carefully written editorial in the December 14th issue of the Sagebrush. I was particularly impressed with the maturity of your handling of a most difficult issue in American Life. It is one thing to feel what you believe; it is another to express that belief in a universal and comprehensive manner.

I felt you had communicated a basic American belief in a very helpful and thoughtful way.

My thanks,
John Dodson
