VOLUME XLIII, No. 7 RENO, NEVADA Friday, February 4, 1966

## 'Sierra Scene '66' Scheduled

"Sierra Scene '66," the theme name for this year's Winter Carnival, will kick off this Sunday with the traditional torchlight parade at Slide Mountain.

A week filled with pretty girls, entertainment, open house, living-group decorations judging, and skiing events greets students following the Sunday parade.

The annual flaming parade, which officially opens the carnival, features skiers with flaming torches weaving their way down the mountain's slopes to form a flaming "N".

### SMALL START

Winter Carnival began as a small ski meet to decide the Southern Division Pacific Coast Intercollegiate Ski Union championship in 1939.

Since then, it has become one of the biggest intercollegiate ski meets in the United States.

Skiers representing Cal Poly, Chico State, Arizona State, College of the Siskiyous in Oregon, the U. S. Air Force Academy, Oregon State, Sierra College, University of Oregon, Utah State, Brigham Young University, Southern Oregon, Stanford, San Jose State, Mills College, University of California at Berkeley, Lewis and Clark and Washington State will vie for the skiing honors along with the University of Nevada.

### SKIING EVENTS

Events will include cross-country skiing, downhill, giant slalom, jumping and a powder puff race for the women's ski teams. Races

will be held at Sky Tavern and Reno Ski Bowl at Slide Mountain Feb. 11-13.

Winter wear will be modeled by 32 coeds representing all sororities, living groups and the off-campus independents on Feb. 9.

Social events will be a big part of the week, too.

Sororities will hold open house on Feb. 10 and a concert performance of Jack Bedient and the Chessmen, will be given Feb. 11.

A skiers banquet and a semi-formal dance will be staged on Saturday, Feb. 12.

Eight coeds are vying for the crown of Winter Carnival Queen. Women representing the dormitories, off-campus independents, and sororities are in the running.

### QUEEN CANDIDATES

Candidates are all freshman students; the queen will be selected by campus men.

Sherry Wood, representing Gamma Phi Beta sorority, is a native San Franciscan and a history major. She hopes to teach after graduation.

Barbara Olsen has been chosen by the women of Juniper Hall as their queen-hopeful. Miss Olsen is from Henderson, Nev., and also wants to teach.

Susan Kees is the candidate of Delta Delta Delta sorority. She is majoring in business administration and is from Reno.

Representing Manzanita Hall is Lynn Moschetti from Elko. An elementary education major, she hopes to teach first grade.

Karen Itza is the choice from Artemisia Hall. Miss Itza is from Lovelock and another candidate with an eye on a teaching career.

Carolyn Hall, representing Pi Beta Phi sorority, is from Reno and plans to teach third grade at the completion of her college career.

Karen Marion is representing the off-campus independents and is also from Reno. She has an interest in fashion but also wants to teach.

Kappa Alpha Theta sorority has chosen Pam Quilici as its candidate for queen. She was born in Bremerton, Wash., and is majoring in elementary education.

## Long Lines Earmark Registration As 2800 Expected To Enter University

Long lines, a packed gymnasium and frustrated students earmarked Wednesday's registration day at the University.

Students converged upon the gym to enroll for this Spring Semester.

Some 2800 persons, according to Admissions Director, Dr. Jack Shirley, were expected to register as either matriculated or part-time students.

Dr. Shirley said spring enrollment is usually down some 300 to 400 students from fall admission figures. Over 4200 students registered last semester.

Dr. Shirley did not know if

heightened draft activity had affected enrollment.

Normally, as many students found out, it takes from five to ten minutes to register in the gym providing no conflicts arise in schedules. Other students discovered that it can be a full day's chore to enroll if it is required to change a planned schedule.

One frustrated student said there was no end to the amount of signatures required to change a class of his.

One professor said, however, that a pre-registration and advance counseling, nowadays makes registration easier for both students and faculty.

## Plans To Annex Stead Base Meet California Competition

A proposed education program was presented to a government officials meeting Wednesday, which would make Stead Air Force Base a part of the University. The officials are concerned with the Stead Base phaseout.

Represented at the meeting were the Department of Health, Education and Welfare, the General Administration and the Department of Defense.

A representative of California Western University of San Diego also expressed interest in the Stead base.

### PROPOSED USE

Dean James Anderson of the Nevada College of Engineering outlined these uses in his presentation:

—Technical institute with a two-year associate degree in what Dean Anderson called "a rapidly growing area."

—Vocational education with high school courses.

—A year-around continuing education program to accommodate 25,000 persons.

—Airman dormitory utilization.

—Swimming pool, gymnasium, tennis courts, and bowling alley facilities. Dr. Anderson noted the university presently transports students to commercial facilities in these areas.

—University research area. Dr. Anderson said the university is getting into big research contracts with technical-vocational-research tie-ins.

—The airport is of interest to the university, which owns an airplane and is interested in meteorology.

—A mentally retarded center for clinic and study.

—University warehousing and archive area.

—Dean Anderson noted the present vehicle maintenance area could be used to maintain streets.

### DEFENSE REQUIREMENTS

Col. George Kelly of the Department of Defense indicated government requirements for airport utilization noted university needs should be combined with income-producing activity.

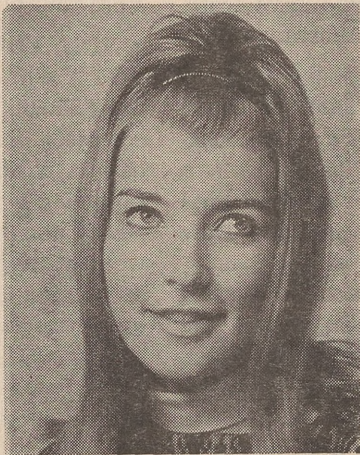

Stead Study Committee chairman Roy Bankofer suggested the City of Reno control the airport, saying the city is already in the airport business and has an airport manager.

Bankofer said the committee had required information on the possibility of a glider base and further mentioned the possibility of air races at the Stead site.

The University of Nevada would operate all facets of its proposal —except the vocational school, —except the vocational school, (Continued on Page 5)

## Males To Vote

Men will vote for Winter Carnival Queen on Friday, February 11 from 9 a.m. to 3 p.m. downstairs in the Student Union.

All matriculated male students may vote for one of the eight contenders.

Queen candidates are: Carolyn Hall of Pi Beta Phi; Lynn Moschetti of Manzanita Hall; Pam Quilici of Kappa Alpha Theta; Karen Marion, an Independent; Karen Itza of Artemisia Hall; Sherry Wood, a Gamma Phi; Susan Kees, a Tri-Kelt; and Barbara Olsen of Juniper Hall.

## Editorial

Success is a relative thing. Those who are a failure in some facet of their lives can be a complete success in other areas.

A large number of students did not do well academically last semester. Many flunked out of school. More went on probation.

These students are unhappy with themselves for giving a poor academic showing.

These students should beware. Discouragement and "quitting" becomes too easy when self-pity and anger control the emotions. Laziness brought these students into this situation, and only diligence and hard work can bring the student out.

Negative grade points do not mean the end of the world. There are many cases of persons who, through a little hard work, have pulled themselves out of the hole. The Sagebrush last year printed the letter of a student who had been down 50 grade points at one time in his college career.

He wrote in to encourage discouraged students to toe mark. He did, and he was up several grade points when his letter was published.

The Sagebrush strongly recommends a good talk with an advisor, a little less partying and a new, industrious attitude for discouraged students. There is hope.

HAMPTON YOUNG, Assistant Editor

## CAMPUS CALENDAR

- Friday, February 4:**  
 —Wrestling, Chico State vs. University of Nevada, Gymnasium, 8 p.m.  
 —Basketball, away, California State at Hayward.
- Saturday, February 5:**  
 —Wrestling, Cal Aggies vs. University of Nevada, Gymnasium, 8 p.m.  
 —Basketball, away, San Francisco State.
- Sunday, February 6:**  
 —Torchlight Parade, Slide Mountain, 6 p.m.  
 —Nursing Convocation, Travis Lounge, 2 p.m.  
 —New Atmospherium program—"Stars, Gods and Demons" (through Feb. 27)
- Tuesday, February 8:**  
 —Sigma Xi, Room 207, Mackay School of Mines.  
 —Basketball, here, Nevada Southern vs. U. of N., Gymnasium.  
 —Film Classic, "Woman in the Dunes," University Theater.

## CAREER CALENDAR

- Mon-Feb. 7—Downey Unified School District (Elem/Sec. with Chem; Math; Ind. Arts; Spec. Educ; Shop (metal-mech))  
 Mon-Feb. 7—State of Hawaii, Dept. of Educ (Elem; Sec)  
 Tue-Feb. 8—Humble Oil Company (EE; ME; Geol. Engr; Min. Engr)  
 Tue-Feb. 8—Sierra Pacific Power Co (Acctg)  
 Tue-Feb. 8—U.S. Naval Air Reserve Training Unit (All Majors)  
 Wed-Feb. 9—U.S. Naval Air Reserve Training Unit (All Majors)  
 Wed-Feb. 9—FEDERAL CAREER DAY  
 Thur-Feb. 10—U.S. Naval Air Reserve Training Unit (All Majors)  
 Thur-Feb. 10—Lockheed Missiles & Space Co. (Math; Phys; EE; ME; Aerol. Engr.)

 Fri-Feb. 11—U.S. Army 6th Offer. Candidate Team (All Majors)

# What's New Pussycat?

Now that we have held last rites for dead week and final week, and we're shifting into high gear for the new and glorious semester, everyone (who's still around) should feel clean!! clean!! clean! . . . even the dirties . . .

Anyone looking for a good party could find it in the library during finals; food and drink were flowing along with fast conversation. To all participants: your RUDENESS was only exceeded by your LOUDNESS . . . Shakey's is a CLEAN; Sitting next to ATO Roger Means at Shakey's is a DIRTY—better learn to hold your tongue, boy. . .

**PHATMAN AND BOY BLUNDER**—Attention "scholars": be front and center every Wednesday and Thursday at 7:30 for some really "high level" entertainment, **Batman and Robin the Boy Wonder**, alias L.B.J. and McNamara—AWK! BAM! CRUNCH! EE-EEE-YOW! OOOOOF!! . . . . Jim "Hud" Nelson, author of "Star of Wonder" (in January's Forum) is a CLEAN; "hybrid turtles plugging, plodding on their peers . . . eating crow" are a DIRTY—I wonder if a certain senior girl recognizes her turtlish, plugging and plodding self . . . .

**ATTENTION CLOTHES HORSES:** As part of the Winter Carnival festivities Gray-Reid's is sending over some gay weeds to be downed by several campus cuties—various shapes and sizes for all occasions . . . Early registration is a CLEAN; Stop cards are a DIRTY . . . The counterpart of the Viet Cong are the U of N profs who gave tests, etc. during dead week—the mortality rate was high . . . .

**SUGGESTED READING:** In *Cold Blood* by Truman Capote, it's a DIRTY; Also, *Elizabeth Taylor* BY Elizabeth Taylor, it's a CLEAN? It's a candid!!! . . . It all started with the Beatles; Resulting groups: Dow Jones and the Industrialists in the East—must be a big hit on Wall Street, Sir Walter Raleigh and the Coupons in California. As, in his column, Mr. San Francisco asks, "What's next, Peter Pill and the Inconceivables?" Or how about Nevada's own Rotto Rat and the Rodents? . . . The well-fed ducks are a CLEAN; Consequently, Manzanita Lake is a DIRTY . . . **GREEKS REEK OF HELL WEEK** as pledges sweat and toil . . . and smell of garlic . . . "oink" to SAE pledge Jerry Sawyer . . .

**MINK MITTEN BACK RUB** By Handy Bill: The U of N's upcoming answer to James Bond, Bill Nicholson, has skinned the mink and is in the process of having his 007 mitten made—lines form at the right, girls . . . Local wealthy financier Ted Stover has seen the green—turn to red—and is currently viewing the charcoal remains . . . **HAPPY DAYS ARE HERE AGAIN:** Allen Prell has left KCBN—Allen Prell has left Reno—I wonder why . . . Planned Parenthood is CLEAN: "unexpected" marriage is a DIRTY.

**PIGLET'S HARKEN:** What do famous men find sexy in women? **Bob Dylan** says, "I want my woman dirty looking as though I'd just found her in some alley. Dirt is very attractive. It triggers the animal emotion. I want dirty long hair hanging all over the place. I hate shaven legs or arms. I hate cleansing and astringent lotions because those antiseptic smells revolt me. I hate girls who like Rock Hudson." (February issue of *Cosmopolitan*) — have fun wallowing, oinks.

Although he assured us it wasn't his book, when *Building Your Marriage* was found on the front seat of Hampton Young's car one couldn't help but assume . . . . Those who have actually begun to build a marriage: Denise Kuehns and ATO Carl Bossieux, Tri-Delt Meredith Dunning and Carry Swall, Toni Gale and SAE Tom Marshall, and Pi Phi Jody Mueller and ATO Lou Rossi . . . I don't want to squelch your con-action SAE Bob Corkern so I won't tell anyone that you're pinned to San Jose State coed, Hilary Goldwater . . . A **KEE** to a successful Winter Carnival; Vote for the best candidate for queen . . .

**ARE YOU A GIRL, OR ARE YOU A BOY?** While thirty ATOs were terrorizing the \$350,000 Tau house at Berkeley during semester break, four KATs were across the bay in North Beach sightseeing. When approached by young men on the street Frenie Sewell and Joyce Freeman assured them they were waiting for their escorts. Moments later Kristen Cooper and Michon Maupin came out of a nearby shop, and all four girls trotted off. "Those guys gave us the strangest looks," said Joyce. In North Beach, the home of Finnochio's? I can't imagine why . . .

Nonsense news overheard on campus: investigation of the Forum? For furtherness, read "Quorum plus Jones" . . .

**QUESTION OF THE WEEK:** Is Pussycat a CLEAN or a DIRTY?

**4 TIMES ONLY WED. - THURS. FEB. 9 - 10**

## Cagers To Defend First Spot In Dual Match This Weekend

This will be one of the most important weekends in the Far Western Conference basketball race. The University of Nevada will play Hayward State tonight and tomorrow will travel to San Francisco to meet the San Francisco State Gators in a contest that will knock one of the teams from first place.

The Wolf Pack will carry a conference record of 4-0 into this evening's game against Hayward.

San Francisco State has a 3-0 record and meets Sacramento State tonight.

A loss this weekend will not end the fight for the championship, however. Saturday is the halfway mark in conference play and each school will play every other one, one more time.

The Gators showed their strength last week. They set a conference scoring record while humbling Humboldt State, 106-80. They also played the University of Pacific which is the second place team in the West Coast Athletic Contest. UOP defeated San Francisco State in overtime, 94-90.

There are some make-up games to be played in the conference. Hayward State must re-play San Francisco State because the game was halted by the tragic death of Hayward player Roosevelt Dunn at halftime. The Hayward-Humboldt game must also be made-up.

## Wrestlers Face Final Matches

The last home wrestling matches of the year will be held tonight and tomorrow night in the gym at 7:30. Chico State will be here this evening and the Cal Aggies will wrestle tomorrow.

Chico is the defending Far Western Conference champions and the Aggies finished second. Both of them defeated the Wolf Pack grapplers in dual meets last season.

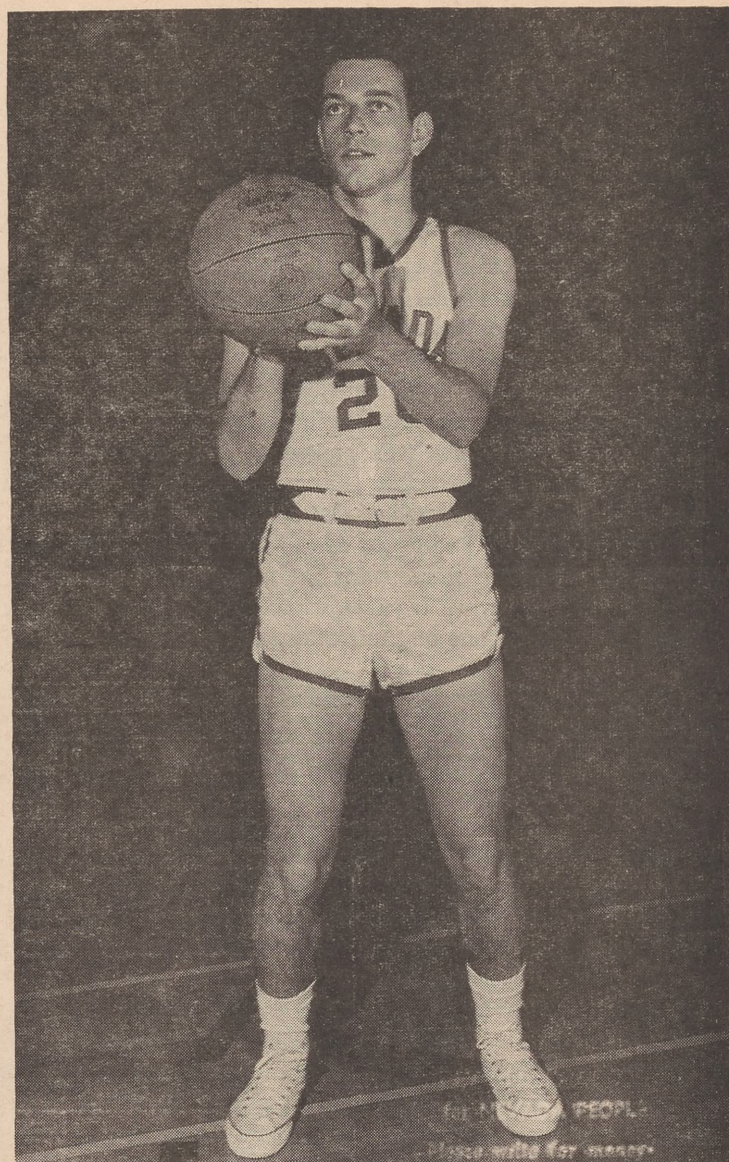

Nevada picked up three new members and did not lose anybody this semester. Duane Quick was out earlier in the season with a broken nose but will wrestle in the 137-pound classification both nights.

Chip Carter is another new member and will wrestle in the 177-pound division. He transferred from Maryland. Coming from Foothill College is Bob Seymore and he will compete in the heavy-weight position. Larry Stiff will move from heavyweight to the 191-pound class.

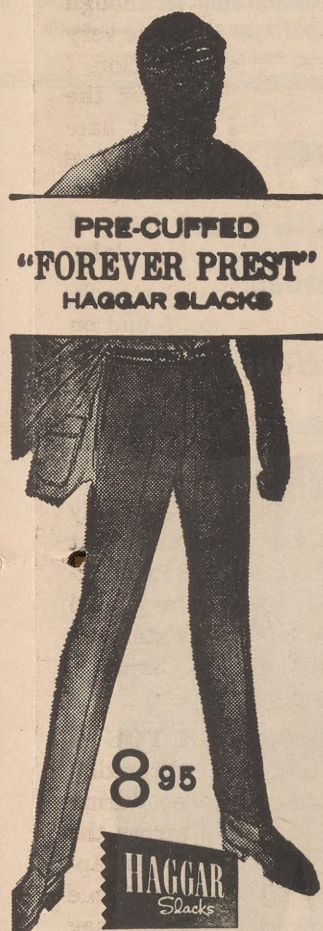

The remainder of the lineup is made of Bill Teglia, 123; Charles Ballard, 145; John Rogers, 152; Earl Wilkins, 160; and Roy Kreizenback, 167.

Coach Lee Newell stated that he will probably have to forfeit the 130-pound match. Ken Gledhill is trying to lose enough weight to compete in that class but it is doubtful if he will make it this week.

## Guard Frank Bruno

SENIOR GUARD FRANK BRUNO scored 46 points in two games last weekend. The 5-10 guard hit 20 field goals in 29 attempts.

No ironing ever needed. Hagggar's Pre-Cuffed "Forever Prest" slacks go into the washer again and again, dry without a wrinkle. Fit so perfectly they need no alterations. Pick up a package—they're pre-cuffed, ready to wear. In Acrilan® acrylic, rayon, acetate. In your size and color favorite.

## Nevada Pugilists To Open Season Against 12th Naval

The University of Nevada boxers will open their 1966 season in Reno Monday against the fighters of the 12th Naval District.

The naval officials have cultivated amateur boxing, under collegiate standards, and can draw boxers from the Mare Island Navy Yard, Treasure Island, Hunters Point Drydock, and other installations in The San Francisco Bay Area.

The Pack will be without the services of heavyweight Dale Landon. Unbeaten last season, the 215-pound conference champion will be sidelined with an old knee injury. He should be ready for the Stanford-Nevada card in Reno, Feb. 12.

Fighting in the heavyweight spot will be Gary Silverman. Silverman won his bout in the novice tournament at Stanford. He has trimmed down from 240 to 207 to fight.

The Nevada lineup will feature such veterans at 147-pound conference champ Bill Georgeson, letterman Rilep Beckett and Tony Schueller, 172 and 165; also David Widmer or David Tessen, 139; possibly Mike Slagle, 147; Mike Schellin and Jim Wright or John Deacon, 156; and Mike Smithwick, 180.

## From the End of the Bench

By GREGG ZIVE

**LAST WEEK** was a good one for the Nevada basketball squad. Last Wednesday the Pack defeated Santa Clara in the Coliseum, 78-72. Santa Clara is a member of the West Coast Athletic Conference and had an 11-5 record. After being defeated by the Pack, Santa Clara beat the University of Southern California.

The game against the Cal Aggies Saturday was the best showing the team has made to date. Coach Jack Spencer lauded his team's performance and said the first half was as good as they have played this year.

**THE BIG GAME** of the weekend is tomorrow's against San Francisco State. However tonight's game is just as important. Hayward State was picked as a dark-horse contender for the championship this year, but the team suffered a sudden tragedy when Roosevelt Dunn died during halftime of the San Francisco State game. That game and the Humboldt State game were both postponed. So it is hard to judge Hayward because of its lack of play and the sorrowful death of one of their teammates.

**FRANK BRUNO** had the kind of games players dream about against Chico and the Cal Aggies. He got 46 points and sank 20 field goals in 29 attempts. It was a great performance by the 5-10 guard.

**NAP MONTGOMERY** scored his 1,000th career point against Santa Clara while hitting for 29 that night. He now has totaled 1,036 in two and a half seasons. He only got six points against the Cal Aggies but he only shot six times.

**THE RESERVES** got a chance to play during the second half of the rout of the Cal Aggies. Guard George Corde hit for ten points on long set shots and played outstanding ball. The entire second squad played well and even though they were, cold being called from the bench, the Aggies did not whittle down the Pack's lead too much.

**COACH JACK SPENCER** was asked by the Sierra Nevada Sportswriters and Broadcasters to rate the toughest teams Nevada has played this year. These are his choices:  
 1—Texas Western (15-0) which is now the sixth ranked major college;  
 2—Southern Illinois (11-3) which ranks first in the national small college polls;  
 3—Creighton; 4—San Jose State; 5—Santa Clara; and 6—Miami.

**SAN FRANCISCO STATE** will host the Wolf Pack tomorrow night. This game will knock one of the teams from first place in the FWC. It will probably be a high scoring game as last week SFS set the conference scoring record while defeating Humboldt, 106-80. The Gators also scored 92 points in an overtime loss to University of the Pacific. Nevada has the number one and two scoring leaders in the conference in Larry Moore and Nap Montgomery. It will be high-scoring, but I believe Nevada will win by about 10 points.

**THE PACK** is riding on the crest of a seven game win streak. They have nine games left to play, and Tuesday's game against Nevada Southern is the only non-conference tilt. Barring injuries they should win all nine and go into the NCAA regionals with a 16 game win streak. The regionals will be extremely tough but there is a good chance Nevada could be going back to the nationals. If each game is played as it comes and the team continues playing like it has, the Pack will make it.

**TONIGHT AND TOMORROW** night will be the last two home matches for the Wrestling squad. College wrestling is the fastest growing college sport so try to see at least one of these exciting matches.

## 17 Schools To Compete In Carnival Action

"This year's Winter Carnival promises to be the biggest and best ever," according to Craig Howard, chairman for the carnival. Some 17 Universities are expected to participate, more than in any previous year.

Following is the schedule of events for the six days of activities and races for "Sierra Scene '66".

- Sunday, Feb. 6th—  
 Torch light parade, 6 p.m.  
 Slide Mountain
- Wednesday, Feb. 9th—  
 Warren Miller, 7:30 p.m.  
 Tahoe Room, TUB  
 Fashion Show 4 p.m.
- Thursday, Feb. 10th—  
 Registration and Housing for visiting ski teams, 9 a.m.-5 p.m.  
 TUB  
 TUB  
 Coaches meeting 7 p.m.  
 Hardy Room, TUB  
 Living groups decoration judging, 6 p.m.  
 Sorority open house, 8-11 p.m.
- Friday, Feb. 11th—  
 Registration, 9 a.m.-5 p.m.  
 Cross Country Race, 1 p.m.  
 Between Slide Mountain and Sky Tavern  
 Spaghetti Feed, 5:30 p.m.

- Stein Hof Brau, Reno  
 "The Chessmen", 7:30 p.m.  
 University gym
- Saturday, Feb. 12th—  
 Downhill race, 10 a.m.  
 Slalom race, 1 p.m.  
 Both at Slide Mountain  
 Skiers Banquet, 7 p.m.  
 Riverside Hotel

- Sno Ball, 9 p.m. til midnight  
 Hidden Valley Country Club
- Sunday, Feb. 13th—  
 Powder Puff race, 10 a.m.  
 Presentation of awards, 4 p.m.  
 All held at Sky Tavern  
 Flag Raising, noon  
 Jumping event, 1 p.m.

## WRA Dessert Slated For Tuesday

Fun, songs and awards will be the agenda for the W.R.A. Dessert to be held on Tuesday evening, 7:30 p.m. in the dining commons. All women students are invited to attend.

Voting for W.R.A. officers will be held all day at the gym and the winners will be announced at

the Dessert that night. Every girl earning 250 points and above will be presented with an appropriate award.

Managers of the various sports will give highlights of their sport and the winners for the past semester as well as a preview of the sports for the next semester.

## Selection Team To Visit

Selection team for Army of candidates will visit the University of Nevada campus Friday, February 11, Lt. Harold Elliott, leader, has announced. Elliott and Sgt. George Miles, both from the U. S. 10th Recruiting District, Presidio of San Diego, California, will interview interested college seniors and graduates at the Student Union officer candidate enrollment program. Capt. Anna of the Women's Army will be available to counsel students interested in the program.

The OCS enlistment qualified college graduates in the Army and are held attendance at one of officer candidate schools completing approximately

16 weeks of basic training.

Officer candidate training is 23 weeks. Schools are located at Forts Benning and Gordon, Ga., Fort Sill, Okla., Fort Knox, Ky., and Fort Belvoir, Va. Qualified women graduates are given direct commissions in the Women's Army Corps and receive training at Fort McClellan, Alabama.

Graduates of OCS are commissioned second lieutenants in the Army. They must agree to serve a minimum of two years as commissioned officers after completing this training.

The Army team visiting the local campus is one of ten touring selected colleges and universities throughout the nation this fall. The recent action of increasing the size of the armed forces has caused a need for a corresponding increase in the Army's officer corps.

## Students Wanted By Uncle Sam For A Career

The finger of Uncle Sam is pointing at University students and college graduates. The caption would read, "I want you" just as it does on the Army Recruiting Poster. However, he wants "you" to consider a civilian career with one of the Federal agencies.

On Wednesday, February 9th, representatives of the Civil Service Commission and several agencies will be at Jot Travis Hall on the campus of the University of Nevada to discuss job opportunities and the Federal Service Entrance Examination. There is a career with the Federal Government to match every college major.

## Sigma Xi Luncheon Series Stresses Current Research

The Sigma Xi Luncheon Series for the spring semester began February 3 with a group of five talks devoted to current research that is being done at the University of Nevada.

The keynote speaker for the research talks was Chancellor Miller who discussed the relationship of research to University Growth and Development.

He will be followed by Dean Bohmont who will speak February 17, 1966, giving a broad view of agriculture research in the State of Nevada. Robert Horton of the Nevada Bureau of Mines will develop the subject of research in the earth sciences. Dean Weems will discuss research that is being done by the Bureau of Business Research and John Chisholm will cover the research done in the Desert Research Institute emphasizing the aspect of cloud physics.

Other speakers for the semester will include Dr. Fritz Went who

will speak on the subject of blue hazes in the atmosphere and Dr. Beesley who will speak on the subject of mathematics of legislative apportionment. The luncheon meetings will be held in the Jot Travis Student Union on Thursdays. The details are announced weekly in the Sagebrush and the Staff Newsletter.

All interested persons are welcome.

## ... Stead Proposal

(Continued from Page 1) which would be operated by the Nevada State Department of Vocational Education.

### RUST INTERESTED

Dr. William Rust outlined the interest of the San Diego University in the Stead site.

"We are not interested in arm-wrestling the University of Nevada for the property, nor are we comparing programs," Dr. Rust said.

"We see the need of a private, independent, non-profit university in the area.

"The site would form the basis for a college or university of 3,000 students," he said.

### HASTE NEEDED

Colonel Kelly noted a balance of \$7 million on 645 housing units at Stead and expressed the need for haste in determining the disposition of the units.

He outlined various plans for transferring the units.

Dean Anderson said he plans to present his complete proposal to University of Nevada regents February 12.

The state application, already submitted, will go to Washington with minor revisions by February 15.

Applications for airport and industrial uses will be presented to the City of Reno at its next council meeting.

### PETE TUCKER

(Bus. Admin.) of the '62 Bethlehem "Loop" Course enjoys selling steel products in our Cleveland District. He's typical of young men on the move at Bethlehem Steel.

Seniors and graduate students in engineering and non-technical curricula will soon be interviewed for the 1966 Bethlehem Loop Course. We offer splendid career opportunities in steel plant operations, research, sales, mining, accounting, and other activities.

For detailed information, pick up a copy of our booklet, "Careers with Bethlehem Steel and the Loop Course," at your Placement Office.

# Eighty-nine Neophytes Eligible For Ravages Of Fraternity 'Hell Week'

Some 89 pledges are eligible for the ravages of fraternity "Hell Week," according to Interfraternity Council records. Some twenty-two pledges are being initiated by Sigma Nu and ATO fraternities, giving them the top pledge classes numerically.

But Sigma Alpha Epsilon pledges took the honors, academically, with a 2.616 grade point average. They were closely followed by a 2.502 gpa recorded by ATO pledges.

Sigma Nu's actives grabbed a 2.572 overall, while the pledge class scored a 2.38 gpa. That netted the snakes an overall 2.38 average.

The ATO pledge gpa of 2.502 caught the actives with a lower 2.324. The overall ATO average was 2.3806.

The SAE's captured the highest overall gpa with a 2.447. Their actives netted 2.342 and their pledges, 2.616 to give them the net figure.

Theta Chi actives scored the highest actives grade point average. Theirs was 2.6767. Their pledges took a 2.0919 gpa to net the fraternity as overall of 2.304.

Phi Sig actives took a 2.626 gpa, and their pledges recorded a 2.1 to net the frat a total average of 2.444.

Lambda Chi Alpha actives grabbed a 2.4179, while their pledge class racked up a 2.3935 to net a total of 2.4056.

The following pledges are eligible for initiation:

Sigma Nu—Pete Harvey, Frank Krause, Robert Meneni, Barrie Mitchell, Chris Murphy, Mac Potter, Jim Reynolds, John Rhodes, Tom Beardsley, Joe Arnell, Keith Baily, Dave Caselli, John Deacon, John Gardiner, Roger Gash, Tony Ricciardi, Dick Sanders, Brice Schricker, Scott Seher, Robert Shane, Pete Test, and Ron Yernon.

Phi Sigma Kappa pledges are George Manes, Joe Wadge, and William Waller.

Lambda Chi Alpha—Fred Carpenter, Larry Champagne, Robert Cocanour, Dwight Connely, Greg Corn, Cary Cornwall, Terry Flower, Kent Gardella, Steve Howe, Frank James, Adelard Levesque, William Maupin, Jeff McEachron, William McLaughlin, Dennis O'Brien, Randy Blymell, Bob Trimble, and Lance Van Lydegraf.

Theta Chi pledges include Donald Crawford, Jim Emerson, Dave Guinan, Rick MacAuley, and James Clarke.

Sigma Alpha Epsilon—Art Bayer, John Crowe, Dave Firestone, Leonard Fitzgerald, Alex Hossack, Carl Kolpert, Allen Mobley, Rusty

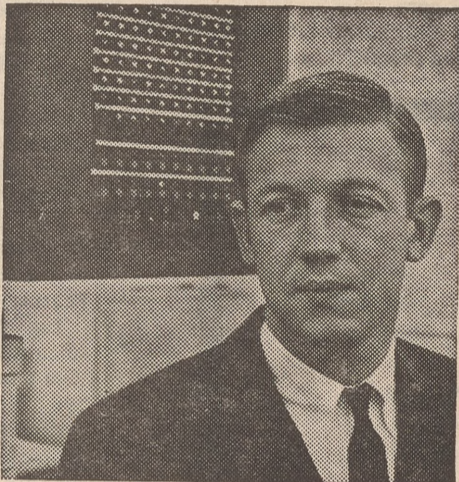

Moye, William Nurre, Richard Oliver, Ronald Regan, Jim Riley, Jeff Rockholm, Todd Russell, Jerry Sawyer, Robert Shephard, Robert Shriver, and Gene Martini.

Alpha Tau Omega—Daniel Anderson, Roger Batt, Daniel Canak, John Cercek, Dave Damon, Patrick Griffin, Chris Hansen, Edward Horgan, William Houk, Mike Koizumi, Charles Leonard, Doug McClure, Fred Oates, Steven Parish, Ken Robison, Joe Scerine, George Standefer, Gary Triguero, Larry Winkler, Robert McQuad, Earl Nursement, and Tom Tripano.

Sigma Nu had 22 eligible pledges as did ATO. The SAE's had 19 eligible; Lambda Chi, 18; Theta Chi, 5; and the Phi Sig's had 3.

## Think of yourself in one of these positions...right after graduation.

(Interested? See our man on campus. He's got a career for you.)

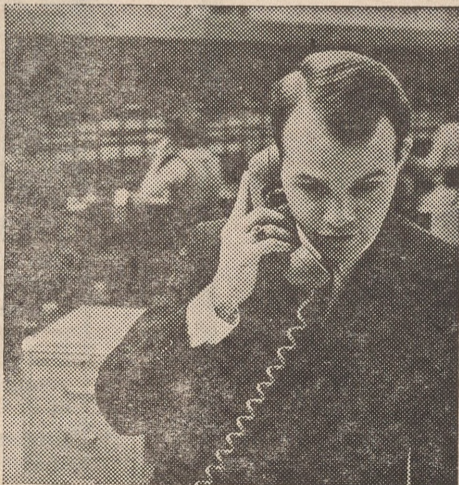

**John Waggoner** B.S. in Industrial Engineering, U. of C. at Berkeley.

John's first assignment was to take over the management of an Information Operator office and its 98 employees. Using his initiative, John saw possibilities for improving operations by rearranging certain equipment and centralizing supervisory personnel. As a result, his office's efficiency greatly increased.

**Bob Goldsmith** B.S. in Electrical Engineering, California State Polytechnic.

Bob has a nine-man plant service crew all his own. Together with his men, he's responsible for seeing that over 2,000 complex customer accounts always have smooth and uninterrupted service. He and his crew are also responsible for the maintenance of vital defense communications systems at two military bases.

**Terry Westbrook** B.S. in Electrical Engineering, Stanford.

After only a few months with the company, Terry was made Traffic Operating Manager of the Marysville Long Distance and Information office. On the job he supervises 120 employees who handle over 18,000 calls a day. In his position as manager, Terry is also responsible for the quality of service, labor relations and administrative activities connected with an annual payroll of more than \$425,000.

**Lloyd Thorsen** B.A. in Philosophy, College of the Pacific.

Lloyd was assigned a particularly knotty problem. How could the procedure for disconnecting telephones be improved? Lloyd made a study on his own and came up with a set of recommendations. They were accepted and put into effect. Performance indexes showed a marked improvement, customers received better service and Lloyd was subsequently promoted.
