## OLYMPIC STARS IN MEET TOMORROW

### Buck-Grabbers, Trowel and Square Become National

#### Blue Key Will Appear On Hill For First Time After Tonight

#### Buckgrabbers Granted Nevada Charter By National

Tonight at six o'clock at a banquet in the Monarch Cafe the organization of the Buckgrabbers will cease to be, and in its stead will be born the Nevada Buckgrabbers chapter of Blue Key, the newest national honorary fraternity to take its place on the Hill. The installation will take place tonight following the granting of a charter to the Nevada service group.

Blue Key is not another Campus organization added to the already long list but will take the place of, and continue the type of work begun by the Buckgrabbers. The new fraternity is a national formed for the purpose of furthering the best interests of the college and promoting a more enthusiastic spirit on the Campus. The requirements for membership in Blue Key are practically identical with that of the old Buckgrabbers.

The officers of the new organization will be: Ian Mensinger, '27, president; Spencer Butterfield, '27, vice-president; and Owen Brown, '27, secretary and treasurer. Honorary members will be Governor J. G. Scruggam, Howard Doyle, and Brewster Adams, while alumni members are to include James Scott, '24, Chris Sheerin, '24, and Harold Hughes, '24. The charter membership will be composed of the following men: Bert Spencer, '26, Owen Brown, '27, Ian Mensinger, '27, Thor Smith, '27, George Sears, '26, Lawrence Niswander, '27, Lawrence Chaffee, '27, Spencer Butterfield, '27, Robert Stewart, '27, Walter Reimers, '27, George Cunningham, '26, Bud Stevenson, '28, John Cahlan, '26, Julian Anderson, '27, Laurence Baker, '26, Harrison Gardner, '26, Morey Eva, '26, Lester Walker, '26, Gregory Adams, '28, William Clinch, '26, Ray Fredericks, '26, and Proctor Hug, '26.

#### CAP AND SCROLL ANNOUNCES BIDS

#### Seven Women named to Honor Group When A. W. S. Meets

Seven women were bid to "Cap and Scroll," women's service honor society, at A. W. S. meeting held this morning in the auditorium. Those women who received bids are: Blanche Wyckoff, '26, Thelma Gray, '27, Margaret Hill, '27, Florence Billingshurst, '27, Margaret Browning, '27, Pauline Wren, '27, and Amy Goodman, '27.

The women students went on record as favoring an amendment to the A. W. S. constitution which would place the vice-presidency in the hands of a woman.

A motion was passed in favor of the woman's editor of "The Sagebrush" being a member of the publication board. Pauline Wren, '27, reported on the A. W. S. convention which was held at Los Angeles in the past week.

The chair was turned over to Grace Muran, '27, who was elected president of A. W. S. for the coming year.

#### SAYINGS OF SORORITY SUE

"Caps and Gowns seldom replace Caps and Bells."

#### Campus Masons To Go National In Installation Set for May 8

#### Square and Compass to Start Chapter At University

Saturday, May 8, was the definite date set for their initiation into Square and Compass by Trowel and Square last night. This national Masonic organization which they are to join at that date has 40 chapters, some of which are on the Pacific coast.

For the past three months Trowel and Square, as a local fraternity, has been in probation according to the requirements of the national order. This week a letter was received from the grand secretary saying that the probation period was over, and that the initiation would take place at once. He also stated that the officer in charge of the ceremony would be sent here from the West coast.

**Initiation Divided**  
The men who will take the initiation consist of Trowel and Square men at the present time, and a few of the professors on the Hill. The number will probably reach 20 according to the men who have already signed up or signified their intentions of doing so.

The Trowel and Square was founded at the University many years ago, and is one of the oldest societies on the Hill at the present time. During the last semester new features have been added to the meetings and the work carried on. Among these which will go into effect next semester is a series of lectures by men on the Campus and from other Masonic bodies, a third degree team, for the initiation of University men upon their joining the order. A play may also be presented during the coming year to be the lodges of the country within playing distance from Reno.

The date set for the initiation was decided upon as the last day to permit some senior members to join before leaving school, and at the end of the week so that the entire day could be devoted to the work without interfering with school activities.

#### DANCES FEATURE SPRING PROGRAM

A spring program was given Wednesday night at the Century club by the women's dancing classes of the University of Nevada assisted by a group from the Women's Glee club. Accompanists were Dorothy Anderson, piano; Flora Jones, piano; Margaret Murphy, violin; and Professor C. H. Kent, clarinet.

A novel feature of the evening was a treble and bass interpretation dance of Bach's minuet. Music for this movement was played by the clarinet for one group and the violin at the same time for the other group.

Members of the dancing classes were: Lois Bona, Lucille Baker, Theresa Chambers, Gertrude Coddington, Dorothy Crandall, Renee Duque, Olive Dunn, Martha Huber, Mildred Hughes, Alberta Jones, Isabel Loring, Ethel Lunsford, Kathleen Malloy, Rosabel Meldrum, Theo Olmsted, Sheila Parker, Mary Rand, Ruth Smith, Genevieve Spencer, Frances Wright, Margaret Browning, Silvia Genasci, Muriel Holland, Mildred Leavitt, Elsie Mitchell, Evelyn Nelson and Dorothy Ward.

Women's Glee club members who took part were: Gladys Bowler, Opal Curieux, Mary Guthrie, Golden West, Helen Fowler, Flora Jones, Evelyn Boudette, and Dorothy Jane Larson.

#### COEDS WIND UP BASEBALL MAY 1

Women's baseball games started today and will be played off until the first of May. The first game scheduled today at 3:30 is between the seniors and juniors, and at 4:30 between the sophomores and freshmen.

This week the respective classes will meet the remaining teams for the final games. On May day the last game of the season will take place at 2:00 between the seniors and freshmen.

#### Commencement

#### Ministers Will Deliver Addresses at Annual Graduation Exercises May 9-10

**BACCALAUREATE SERVICES**  
Sunday, May 9, 1926, at 10:30 a. m.  
University Gymnasium

Audience  
Benediction ..... Reverend F. C. Murgotten

#### STATE BOARD OF VISITORS TO SEE CAMPUS MAY 7

#### Members Chosen From Each County In Nevada

The board of visitors of the University of Nevada has just been appointed, and will be invited to visit the campus May 7 and 8 this year. The board is made up for the most part of former students, or parents of present students, one member being chosen from each county. It is appointed every two years by the governor.

The board just named includes: G. L. Lattin, Fallon; S. W. Craner, Las Vegas; Mrs. Clarence Henningson, Gardnerville; Mrs. William Settemayer, Elko; Thomas H. Hayes, Goldfield; C. H. Rand, Palisade; Mrs. Ormonde Bell, Winnemucca; Mrs. E. O. Swackhammer, Battle Mountain; Mrs. Charles A. Thompson, Pioche; Mrs. G. E. Leavitt, Yerington; Sol M. Summerfield, Hawthorne; Mrs. Elizabeth Barndt, Hot Creek; Charles L. Kitmeyer, Carson; George W. Lang, Lovelock; Thos. Sullivan, Sr., Virginia City; Mrs. Elizabeth Saxton, Sparks; and Mrs. Harvey C. Riley, Ely.

#### CHAMBER OF COMMERCE ENTERTAINS GLEE CLUB

Members of the University Glee club were the guests of the Reno chamber of commerce at a banquet given by that body in honor of 116 visiting members of the Oakland chamber of commerce who were in Reno over the week-end. During the course of the dinner the glee club entertained with several of its most popular numbers.

#### POST GRADUATE MAN TO BE SCHOOL PRINCIPAL

L. E. McFadden, who has been taking post-graduate work at the University of Nevada this year, has accepted the position of principal of the Humboldt county high school.

McFadden has been principal of the Winnemucca grammar school, and superintendent of the Fallon public school.

#### BAND WILL PLAY SPRING CONCERT ON TRAM LAWN

#### Evening Program to be Given University April 29

Following some months of practice the University band has announced that it will give an open air concert April 29 on the Tram lawn. This is the first public concert of the year, the band having confined its activities so far this semester to military parades. Under the direction of Prof. C. H. Kent the organization this semester has grown to approximately thirty members.

Following is a list of selections to be played:

1. March—Repez Band ..... Sweely
2. Selection—Sullivan's Operatic Gems ..... Sullivan
3. Romance—Cornet Duet ..... Losey
4. Selection—Bohemian Girl ..... Balje
5. Serenade—A Night In June ..... King
6. Novelty—Slim Trombone ..... Fillmore
7. Intermezzo—After Sunset ..... Pryor
8. Waltz—Song of Love ..... Schubert
9. Selection—Pinafore ..... Sullivan
10. March—Arizona ..... Cadman
11. Star Spangled Banner ..... Key

#### STUDENTS HURT WHEN CARS HIT

Returning home along the Purdy road early Sunday morning, a car, driven by Marvin Little, '28, collided head-on with a coupe, driven by Charles Renwick, '28. Both cars were badly damaged. Little and his companions were hurled through the windshield by the impact and were cut and bruised.

#### AWES CONVENTION DELEGATE HOME

Pauline Wren, '27, has returned from a ten-days' stay in Los Angeles where she attended the western convention of associated women students. Miss Wren represented the associated women students of the University of Nevada. About 10 universities were represented at the convention.

#### Veterinarians Harbor Black Spider for Pet

Did you ever hear of anyone having a spider for a pet? The veterinary department of the Hatch station has one.

It is a large black insect, and it lives, apparently, in a hole in the wall. Everytime it comes out of this hole, members of the veterinary department pamper their pet by feeding it sugar.

When it has had its fill of sweets, it retreats into its wall dwelling, and the members of the department return to their work.

#### DERBY WEEK IS CELEBRATED BY CLASS OF 1928

#### Dance Tomorrow Night Ends Sophomore's Activities

Today at 11:25 the sophomore class will stage a serpentine around the campus to impress the student body with the existence of Derby Week.

Derby Week has been established by the class of '28 as a means of reminding the freshmen of the existence of traditions, and the methods of enforcing them. Since the present freshmen class will assume the sophomore responsibilities in August, they will have the chance of learning sophomore methods at first hand. Every day this week there has been a larking at one o'clock and the sophomores have been after the first year men in full force.

Tomorrow night the week will be ended with the Derby dance in the Gym. The admission will be 50 cents, to cover expenses, and a good entertainment and free refreshments will be passed out.

The outstanding feature of Derby Week has been the garb of the sophomores. Derbies, white vests and canes have been symbols of 28 supremacy over '27 and '29 in the underclass meets of the past two years.

The last class to win the privilege of wearing this paraphernalia was the class of '24, which also won the cane rush in their first and second years.

#### DIVERS BRING UP GLEE CLUB RAFT

The Glee club raft came to light last Saturday after a year's submergence at the bottom of Manzanita Lake. Members of the organization, clad in bathing suits, dived to the bottom of the pond in spite of the cold water and removed the rocks from the raft. They found that it was in good condition, and after a few minor repairs will be ready for the concert on May 1.

The concert will be featured in the moonlight, and will be presented by the men's glee club, according to the precedent set last year. Flood light from the tram, small lights on the raft and a full moon will give a setting appropriate to the last appearance of the Glee club this semester.

#### SALT LAKE MAN TO VISIT BUREAU

R. E. Head, assistant superintendent and microscopist of the Salt Lake station of the bureau of mines will visit the Nevada station next week.

Head is coming to inspect and test out several new methods of identifying opaque minerals that have been devised by E. E. Fairbanks, junior chemist of the Nevada station.

He will be on this campus for a week, and will study various other problems while he is here.

#### GIBSON HONORED BY HALL WOMEN

Charlotte Gibson, '26, president of Manzanita hall association, was presented with a handbag Friday evening by Elinor Curieux, '27, the president-elect, as a token of appreciation on behalf of the hall women. It was given to Miss Gibson just before she left for Milwaukee as a delegate to the Y. W. C. A. conference.

#### JONES TALKS ON OIL

J. Claude Jones, professor of geology, gave a talk at the Lion's club of Reno Thursday. His subject was the "Origin of Oil."

#### WORLD RECORD HOLDERS TO COMPETE TOMORROW

#### Greatest Group Of Individual Stars Ever To Compete At Nevada To Perform

A real test will be in store for the Wolves when they run against the powerful Olympic club tracksters tomorrow afternoon on Mackay field. The Californians number among their ranks three world record holders besides four performers in the Olympic games in 1924. The team that will face the Wolves tomorrow will without a doubt be the strongest track team to ever appear at the university and a pleasant afternoon is in store for all concerned.

**Robison Pressed**  
Among the sprinters making the trip are three men that are capable of ten flat or better. Newhoff, the club ace has run the century in 9.9 and the furlong under 22 seconds. Together with his two ten flat companions, Kenney and Pyne, he should make things extremely interesting for Robison, the wolves flash. However, due to the fact that Robison beat all three last year on the coast he ought to win in very fast time in the hundred but might get nosed out in the longer race.

#### OLD WEST LIVED AGAIN AT GENOA BY 1926 WOMEN

#### Residents Add To Day With Pageant Of Pioneer Times

The senior women of the University, as guests of the American Association of Women, motored to Genoa, Nevada's first town, last Saturday, April 17 and enjoyed a picnic luncheon, served under the trees at the James Campbell ranch.

As a surprise to the visitors, residents of the town, men, women and children, dressed in costumes of the days of '65 or earlier, greeted the visitors when they arrived at the Campbell ranch.

A covered wagon was one of the features and a collection of antique articles made the scene of pioneer days a very realistic one.

A program consisting of old fashioned dances, stories of pioneer days, and old-time songs was presented by the women of Genoa. The dancing of the Virginia reel by all present ended the program.

The site of the old stockade, which was burned several years ago, was pointed out to the visitors by D. C. Hawkins, Nevada philosopher and poet, who is in his eighties.

Tuesday evening, April 19 the senior women enjoyed an Italian dinner at Ajax Inn.

#### ELEVEN GET PHI KAPPA INITIATION

Phi Kappa Phi initiation was held yesterday in the home economics rooms in the Agricultural building. The retiring president, Professor R. C. Thompson, will deliver an address and the election of new officers will be held.

In the shot and discuss the visitors should score two more clean sweeps. The outstanding man on the team is "Tiny" Hartrant, late of Stanford. The giant weight man has come within a fraction of an inch of the worlds record in the shot and held the discuss mark until this year when it was beaten by "Bud" Houser of U. S. C. In addition to him the Winged O has McGum who took the event last year at over 45 feet. The clubs weight men will taper off with Merchant who held the worlds record in the hammer throw.

Only one pole vaulter will go against the Nevada men but he looks good enough to take first place as he has gone over 12 feet this year. Crew has made twelve feet but not for some time so unless something unexpected happens Reilly will walk away with the honors.

Myrra in Javelin  
Last but not least in the javelin throw the fans will have an opportunity to see Jonni Myrra, holder of the worlds record at the javelin, at work. Myrra recently boosted his own record up around 220 feet, which is about fifty feet farther than Weimer of the Wolves has gone.

The meet, while probably proving uninteresting from a competitive standpoint, will give the spectators an opportunity to see some real stars in action, so that a large crowd should witness the meet.

#### FOUR LAMBS IS RECORD OF EWE

Two sets of twin lambs within twenty-four days is the record set by Mrs. Shropshire No. 1228, at the University farm. The first pair of lambs were born on March 5, but one died. The second pair were born on March 29 and are as strong and healthy as any of the 305 lambs born during this lambing season.

#### MINING GRADS ACCEPT COMSTOCK MERGER JOB

Muri R. Schrock, '26, and Pierce R. Preston, '26, have arranged to accept positions with the Comstock Merger Mines company. They will report for duty on May 1.

NEVADA'S first sophomore week will end tomorrow night with the derby dance, last campus "skud" this YEAR

#### FARM BUREAU TO HEAR TALK ON SNOW SURVEY

This evening at Bower's Mansion Dr. J. E. Church will speak to the Nevada farm bureau on snow surveying and this season's prospects.

### ADAM'S SUMMER TRIP IS PLANNED

Professor Maxwell Adams, dean of the college of Arts and Science, will leave Reno May 10 after the commencement address, on his annual tour to Nevada high schools. Adams will visit between eight and ten high schools, stopping at Lehman Caves, Cathedral Gorge, and Caliente among other places. The trip will last until May 26 at which date he is scheduled to visit Fallon.

Sittings by Appointment—Sundays and Holidays—Phone 126

### The Paffrath Studio

### MINERS SEE NEW MINE MACHINERY

A film showing electric coal mining machinery was the chief feature at a meeting of the Crucible Club which was held Tuesday night. The film was sent by the Goodman Manufacturing Company. Contrary to their usual custom it was decided that election of new officers would be made at the beginning of the fall semester.

### NEW CHEM INSTRUCTOR HIRED FOR NEXT YEAR

The resignation of Miss Ruth Billingshurst as instructor in chemistry has been accepted, and Roger W. Truesdall has been appointed to take her place. Miss Billingshurst expects to take a trip to Europe during the coming year. Truesdall received a fellowship while at the University of Oregon, but graduated at the University of Washington. Last year he taught at the University of Redlands.

**PROFESSORS VISIT ORCHARDS**  
J. Claude Jones, professor of geology, and L. W. Hartman, professor of physics, spent the week-end visiting their olive orchards which are located near Oroville, Calif.

### PLANS FOR LAST WEEK COMPLETED

### Picnic, Dinners, Dances Will Keep Seniors Busy

Plans for Senior Week have been practically completed by the Senior Week committee headed by Harold Coffin, '26. Continuation of many customs inaugurated by other senior classes will be assured according to the committee, and several new features will be instituted. The program as at present outlined is as follows: April 29, President and Mrs. Clark's Senior supper; May 1, senior ball; May 3 faculty senior baseball game; May 4 senior ramble to Lake Tahoe; May 5 breakfast at Carson City following the ramble; Miss Mack's dinner to senior women; Senior Stag Dinner; May 6 Pilgrimage and dedication of Senior memorial; May 7 moonlight picnic to Block N; May 9 Baccalaureate service, followed in the evening by Vesper service on Manzanita Lake shore; May 10 Commencement and Alumni luncheon.

### 1926 ARTEMISIA DRAWS FLOOD OF COMMENDATION FROM STATES CITIZENS

Following the distribution of the 1926 Artemisia commendations have been pouring into the Artemisia staff from the Board of visitors and high schools throughout the state. Art work and technical execution in particular have been lauded by citizens and high school principals.

"I have spent a very pleasant hour this evening looking over the Artemisia. It is very beautiful and a credit to the University. I particularly enjoyed the campus paintings," commends one member of the board of visitors.

Says a high school principal, "Our students literally devour anything that comes from the University and my one regret is that the copies on file of your excellent annual are becoming chumb-worm and dim with use. Could anything be a finer tribute to the general interest inspired among students by this yearly resume of the activities of our great little University?"

**NOTICE**  
A regular meeting of W. A. A. will be held in the Agriculture building, Tuesday, May 4.

### ACCOUNTANT TO LECTURE BEFORE HILL WEDNESDAY

### American Institute Sends Member To Tell of Work

A member of the council of the American Institute of Accountants, John R. Ruckstall, will address the students of the University on the subject, "Accountancy as a Vocation," April 23. This is the first lecture on such a field to be given the University for some time and comes as a feather from the Institute to find the attitude of Nevada students toward accounting work, according to a communication received by President Clark.

This was the announcement made at the Commerce club meeting, last Tuesday in the Education building. An election of officers for the coming semester named Tom Fitzgerald, '27, president; Tillie Evansen, '27, vice-

### TESTS COMPLETED FOR CYANIDING OF TAILING

Donald Cameron, '12, has completed a series of tests on a tailing dump which he has been running for some time past at the Mackay school of mines.

Cameron has now leased the dump which is located near Manhattan, Nevada. It contains some 150,000 tons of ore which he will cyanide.

president, and Dixie Randall, '27, secretary and treasurer. The final commerce club bulletin to graduates will be sent out before the last meeting of the year, May 4.

**The Time-Honored Gift Every Graduate Hopes For**  
Time has wisely approved the giving of a watch at graduation. Nothing so well sums up the solid attainment and golden promise of the day. And the graduate himself really expects the gift which he has seen his older friends receive on their graduation.  
But you will want no ordinary watch, of course. You will want to commemorate that day of days with a timepiece as beautiful as it is accurate, as unique in shape and design as it is permanent in service. Which is only another way of saying that you will want a Gruen.  
We are sure that from our complete showing of Gruen Watches you will be able to choose one delightfully suited for your graduate. Or, if some other article would be more appropriate, let us join our experience to your own good judgment in making a suitable selection.

# SOCIAL ACTIVITIES

**Banquet And Initiation**  
Dorlon Peckham, Merle Frehner, Bennett Polhemus, Adrian Alken, and Edward Haymond were formally initiated into Beta Kappa fraternity last Friday.  
A banquet in honor of the new members was given Saturday evening.

**Theta Tea Friday**  
Kappa Alpha Theta entertained the Campus Friday afternoon with a formal tea at the chapter house on Stevenson street between the hours of three and five.  
Bruce Connelly, Bernard White and Ping Friedenbach furnished music for dancing during the afternoon while Mrs. M. Ede, Mrs. Frank Humphrey, Mrs. A. E. Hill, Mrs. R. M. Price and Miss Effie Mack poured for the guests.

**Pi Phi Has Informal Tea**  
Pi Beta Phi Fraternity entertained with an informal tea at the home of Mrs. Vinton Muller on Newland Heights last Tuesday afternoon.  
Mrs. McPherson is the District Vice-President of Kappa Province of Pi Beta Phi.

**S. A. E. Formal Last Friday**  
Members and pledges of Sigma Alpha Epsilon gave their annual formal dance last Friday evening at the Arcadia on Sierra street.  
During the grand march the women were given silver crested bracelets. Later in the evening two negro comedians entertained with some new versions of the Charleston and a solo selection.  
Chaperons for the evening were: Messrs. and Mesdames J. E. Martie, Lawrence Shaw and J. H. Gray; Mrs. G. W. Quinn and Misses Margaret E. Mack and Louise M. Sissa.

**Buffet Supper For Delegate**  
In honor of the national visiting delegate, Mrs. Margaret Meany Younger, Gamma Phi Beta sorority held a buffet supper for Miss Margaret Mack, Miss Frances Grey, and members and pledges at the chapter house last Thursday evening.  
During the evening a program was presented by various members of the group.

**Formal At Century Club**  
Spring blossoms formed a background in the Century Club for Beta Delta's formal dance of the semester given last Saturday.  
Professor and Mrs. E. C. Murgotten and Mr. and Mrs. S. G. Palmer were chaperons for the evening.

**Tinsman-Heisch Marriage**  
Carol Tinsman became the bride of Philip M. Heisch last Friday at the Federated church parsonage, Reverend W. M. Case officiating.  
Gwendolyn McLeod and Lester Walker witnessed the ceremony.  
Mrs. Heisch is a member of Beta Delta sorority and of the class of '28. Heisch is a member of Sigma Phi Sigma fraternity.  
After finishing the college term this year the couple plan to make their home in Berkeley, Calif.

**Delta Sigs Have Dance**  
Japanese lanterns formed the decorations at the Century Club Friday evening for the formal dance given by Delta Sigma Lambda fraternity. A huge lighted pin was hung at one end of the hall.  
Punch and wafers were served

throughout the evening to Professors and Mesdames S. G. Palmer, R. H. Leach, Mr. and Mrs. S. C. Dinsmore, invited fraternity representatives and fraternity members.  
Lincoln Hall members were the guests of Delta Delta Delta at open house Sunday afternoon from four to six at the chapter house on Sierra street.

**Beta Kappa Picnic**  
Verdi Glen was chosen for the spring picnic of the Beta Kappa fraternity last Sunday.  
Volleyball, dancing, and fishing were the chief amusements during the day, although several parties made side trips to Donner Lake and other points of interest.

**A. T. O. Motor To Tahoe**  
Alpha Tau Omega members, pledges and their guests motored to Glenbrook on Lake Tahoe last Sunday.  
Before returning to Reno in the evening the party roasted venison over the bonfire and sang college and fraternity songs.

**Delta Delta Delta members held their annual Tri Delt Jazzerino last Saturday night at the Arcadia dance hall on Sierra street.**

**Senior Women Dine Tuesday**  
Twenty-one senior women motored to the home of Mr. and Mrs. Ajax on South Virginia road Tuesday evening for a French dinner.  
During the meal the women discussed campus problems and composed songs for senior week.

**YWCA HOME MADE CANDY SALE PROVES SUCCESS**  
Buzzing with the voices of co-eds and men, the Y. W. C. A. candy booth in Stewart Hall was the scene of a lively home made candy sale for a few hours, Tuesday morning.  
Members of the Y. W. C. A. Cabinet made and donated the sweets. Judging from its rapid disappearance, the cooks have proved themselves very efficient.  
Funds derived from the sale, which amounted to approximately ten dollars, will be used to help pay the expenses of delegates who will attend the Asilomar Conference which begins June 16 and last for 10 days.

# CAMPUS BRIEFS

**Leonora Gardiner**, '29 a first year normal student has received an appointment in the grade school at Ely.  
**Gladys Bowler**, '29, a normal student, has obtained a position in the Walsh school district near Austin.  
**Thelma Porter**, ex-'27, left Sunday evening for San Francisco after spending last week-end in Reno.  
**Mrs. G. W. Quinn** of San Francisco spent last week end as the guest of her son, Mike Quinn, '28.  
**Helen Clancy**, '29, returned Sunday from San Francisco, where she spent Friday and Saturday.  
**Eva Adams**, '28, **Elsie Mitchell**, '27, **Theo Olmsted**, '28, and **Margaret Browning**, '27, returned to the campus Tuesday after attending the western sectional conference of the American College Women at Washington State College, Pullman, Washington, the past week.

**Mrs. James Leonard** spent Monday in Reno as the guest of her daughter **Jessie Leonard**, '29.  
**Wilma Pruett**, '28, spent the week-end in Auburn, Calif., with her parents.  
**Ira Herbert**, '25, was a visitor at Lincoln Hall from Virginia City last week-end.  
**Charles (Bud) Wood**, '27, returned Monday from a short visit to his home in Placerville.  
**Mrs. W. H. Fraser** of Berkeley is the guest this week of her daughter, **Helen Fraser**, '28, at the Gamma Phi Beta house.

**MILITARY 52 CLASS TO USE FRENCH MORTAR GUN**  
The Military 52 class, consisting of juniors, for the last two Saturday mornings has been firing the Browning machine gun. Next Saturday they will fire the French 37mm. mortar which is owned by the department.

# PICTURES ILLUSTRATE ELECTRICAL PROGRESS

A new set of pictures showing a 50,000 kilowatt turbine assembled in the Schenectady works of the General Electric company has been received and can be seen in the hallway of the Electrical building.  
Similar pictures, showing new developments or pieces of equipment are received at two week intervals. Some of those received during the past semester show electrical railway development, special power plant apparatus, high voltage equipment, single copper lens, fused quartz and pilot lights for airplanes.

**BOY'S WEEK FEATURED BY LECTURE ON TAHOE**  
Dr. J. E. Church left yesterday morning for Lovelock, where he gave an illustrated lecture before the parent-teachers association in the evening. The program was arranged by the association in honor of boy's week. Dr. Church spoke on the subject of "Lake Tahoe and Beyond."

**CIVIL ENGINEERS ELECT POPPE NEXT PRESIDENT**  
Charles R. Poppe, '27, was elected as next years president of the Associated Civil Engineers at their last regular meeting. Others elected were Victor Pimentel, '27, vice-president; and Lester Spinney, '28, secretary-treasurer.

## QUADDOLOGY by Casper

WHY not have a section of the colyum devoted to "Bright Sayings Of Dull Babies," or "My Baby Said." We could start things off with a few of the bright ones that the Chairman of the Constitution Committee pulled at the last student body meeting.

Such as:  
"The woman vice-president, HE"  
"The women became irritated at the treatment they had received at the hands of some of the men."

And now for a little campaign. (The "h" following the "e" is silent.)  
B B B  
MOTHERS!

DO YOU WANT YOUR DAUGHTERS TO GO OUT WITH BOYS WHO SMOKE CIGARETTES? Let us stop this evil. Do you know why college lads are referred to as "flaming youths?" Because almost 25 per cent of them smoke! Call at my office personally or write to the board of health. SEND NO STAMPS.

Make all checks payable to CASPER'S CIGARETTE FUND. We promise you that every cent received will be used for that purpose.  
B B B  
A cigarette a day keeps the roommate buying cigarettes.

INFAMOUS LAST LINES  
"May I borrow five cents, Professor Feemster? I want to play the slot machine."  
B B B  
INTIMATE LETTERS OF A FORMER CABINET MEMBER

Casper—  
Now that the Desert Wolf with its Boals Rolls has come and gone, and Bobby Skinner has told stories out of school about ladies and college women, may I inquire why the "yellow-sheet" cut off the girls limbs on the front cover?  
Ed Bilding  
B B B  
Ed Bilding—  
The girl's limbs were not cut off on the front cover, as you suggested, but at the knees.

UNCLE CASPER  
Willie Pant was hot as a torch. He kissed his girl on the front porch.  
B B B  
WHERE HAVE YOU KISSED YOUR GIRL?  
B B B  
This week's most appropriate song hit, dedicated to the way they kiss their girls, is entitled:  
"ALL WAYS."

Kiddie Pastimes  
Scratching the dog with grandpappy's false teeth.  
B B B  
THAT'S NOT THE BLUSH OF INNOCENCE—THAT'S SUNBURN.  
B B B  
GOOD CLEAN FUN  
Losing your fraternity pin in the wash.

THAT'S NOT A FRATERNITY PIN THAT'S AN EGG STAIN!  
B B B  
The Campus Beautiful.  
Go get the smelling salts, Oswald, and we'll go up on the campus and see how nice and green they're making the grass.

It may be all right to thank Him for the buggy ride—But you had better also make sure that the horse isn't one of these Educated animals Which knows how to Talk!  
B B B  
Hi si, Cas, ole top—  
When Egg-berth waddled into the office to-day she wanted to know the whywherefore you gotta a nuncle attached to your name—I give up says I, and so I'm asking you?

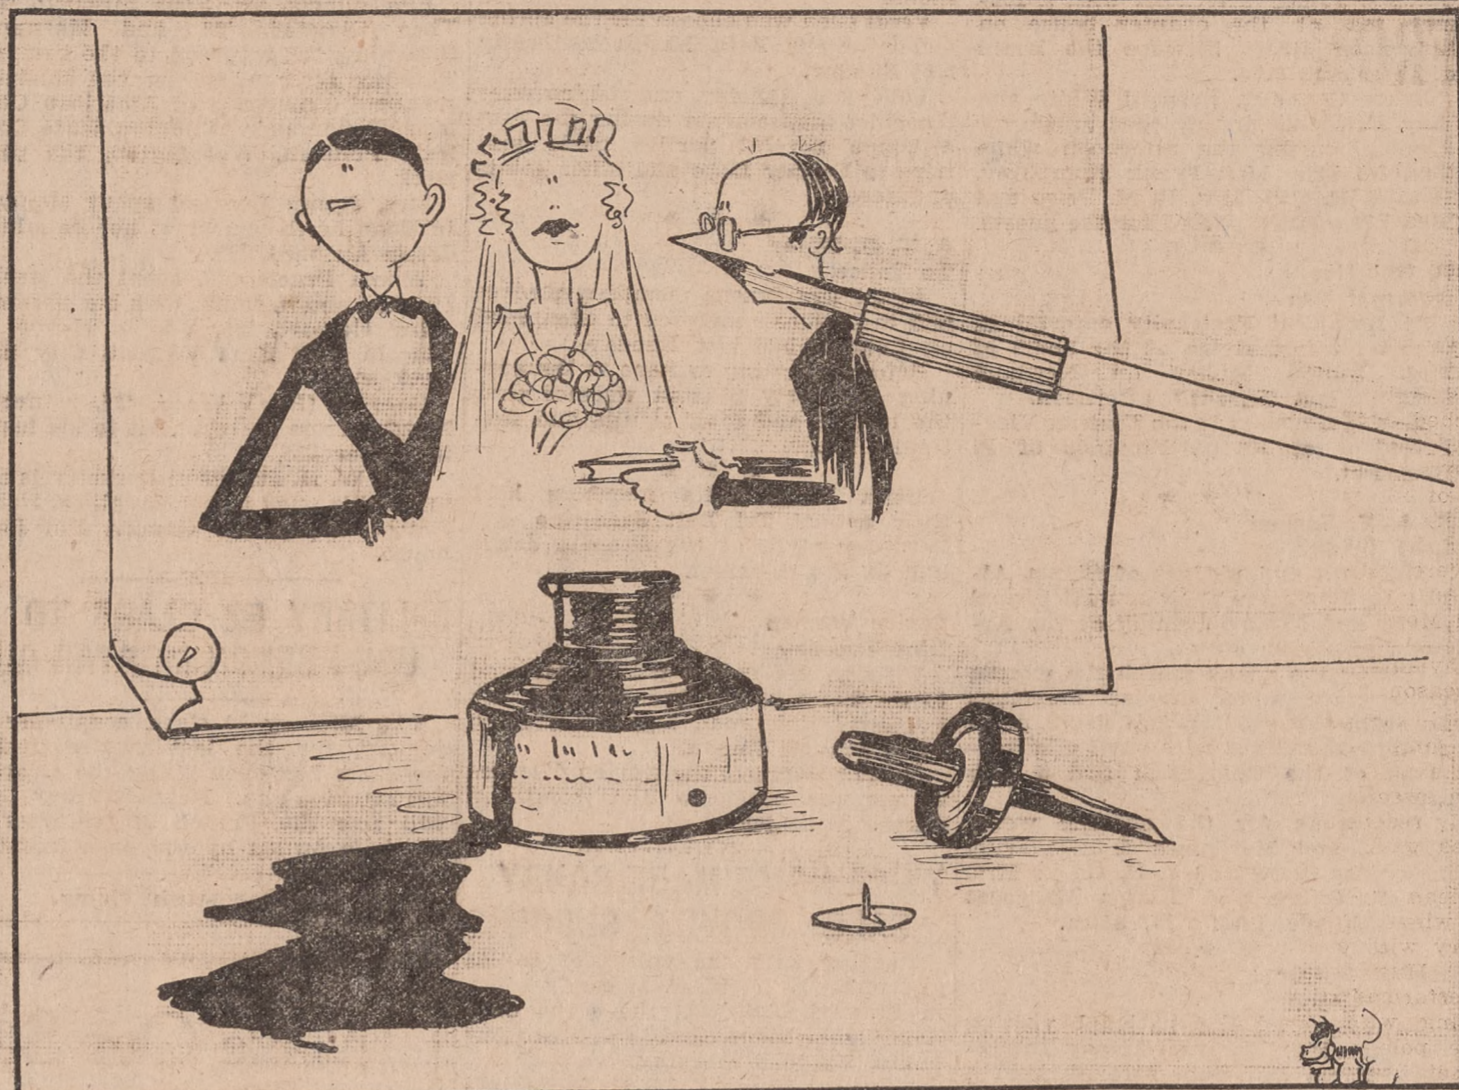

Aeolus, Eggbert, and other over-curious ones—  
The "Uncle" part of it is put there in honor of my nephews I may or may not have. Don't call me uncle—call me UNK  
B B B  
CASPER

I just got a letter from some of the Trouba Doras in which they insinuated that nobody reads my colyum: Quadology.  
The Trouba Doras are all rogues, horse-thieves, and other things too numerous and varied to mention.  
Now if their allegation that nobody reads my colyum is true, they cannot feel bad about said statements and there is no libel in calling them horse-thieves—for alas there is no one to read it.

Cheer up Frosh! Those little blue Bonnets may not make you look like Rudolph Valentino BUT you don't have to wear derbies at Any rate.  
B B B  
"Three quarts of axle grease and a pound of dirt, please. There's a masquerade ball and I'm going to be Rudolph Valentino."  
NEV—  
SIGNS

An applicant for a job in a big industrial plant asked the doorman the location of the manager's office.  
"Well," replied the doorman, "just or along that hall to the door marked 'No Admittance.' Go through the door and up the stairs until you come to a corridor with the sign 'Keep Out.' Follow the sign until you come to a sign 'Silence' and then holler for him. He's up around there somewhere."

## FINALS

## The Book Mart.

Percival Galahad was the name that fond parents saddled on the boy. And the fact that the last name was Brazanose hardly added to the pleasure of the occasion. But although the name became shortened to "Peggy," young Brazanose went on through college and into his father's business with only a flare for doing things which were unintentionally spectacular. His father at last gave an ultimatum to the effect that the next thing he did to go into the headlines would be fatal to his allowance.

It was at this point that Piggy got deeply involved, of his own free will, in the attempt of a daughter of one of his father's business rivals to free her sister from the clutches of their father who was trying to bend the girl to his will. All sorts of complications from treed rivals to disowned sons and daughters and happy ever after endings, make up the rest of the plot of Margaret Cameron's latest novel "A Sporting Chance."

"This money shall spread itself like a foul cobweb over you and your family of whom you are so proud," prophesied the daughter of the man Israel, first Baron Honornton, legally caused to hang for the killing of his profligate son. And so money became "The Golden Beast" which overshadows E. Philip Oppenheim's latest mystery novel of English-Lewish life.

Thirty years pass from that time until the thread of the story is again renewed. And in less than two years three members of the Honornton family disappear from the ken of their family and the prophesy bids fair to be fulfilled. The connection between this and the men who have been spirited away develops into a rather uncanny romance with a tiny thread of unexplained science which leaves the reader groping for light. An attempt to write a rather heavier style of tale than his usual one, and to couple it with that mystery Oppenheim likes so well has produced a novel not even to be compared with the run of serious novels, and not up to his own peculiar type of story. Little Brown and Co., Reno Stationery.

## Last Laughs

MUST HAND IT TO HIM  
"And here," said the guide to what was once bad man's country, "is where Hiram Spillster captured five men single-handed."  
"Well, land's sakes alive!" ejaculated an old lady. "That was a right powerful stunt for a one-armed man!"

A TOTAL FAILURE  
"Don't cry, little one," soothed the great criminal lawyer. "Everything will be all right."  
"Snf, snf!" sobbed the fair murderess. "It's been two hours since I killed my husband, and not a single tabloid paper has sent around yet for my diary."

He Must Be Just Lovely Now  
(Ad in Buffalo Evening News)  
BEAUTIFUL large permanent wave, \$15, by man expert we permanent waved since 1916.

## The Play's The Thing

With an excellent cast and a gripping story upon which to mold the picture, Harry Pollard has produced "The Cohens and Kellys" as a masterpiece of the year. This film adaptation of Aaron Hoffman's famous stage play, "Two Blocks Away" will be seen at the Wigwam April 25, for four days.

None of the delectable humor of the original play has been lost in the film version of the romance of two young people enmeshed in the tangles of a sudden inheritance of \$1,000,000 by the Jewish family, the plot having been preserved and the choicest lines of the play incorporated into the screen in the form of sub-titles.

Pollard has surpassed himself in this production and has turned out what is undoubtedly one of the big hits of the year.

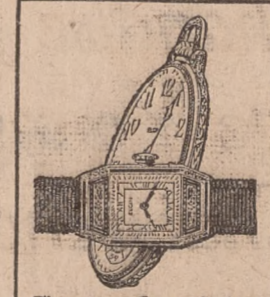

## Settling The World's Affairs

COMMEMORATE THE BIG DAY WITH A GIFT AS ENDURING AS THE LOVE THAT GOES WITH IT

THERE is only one answer to any gift-question:—Choose the gift that speaks the heart of the giver and adequately honors the occasion of the gift.

There are short-lived tokens which say: "Good work, my lad!" or "Well done, my lady!" But no such trivial message is adequate to convey the pride and affection of father and mother to son or daughter who has conquered a four-year curriculum and qualified for a coveted sheep-skin.

There is no finer gift than an Elgin Watch. Featured in a wide style variety and sold at prices ranging from \$15 to \$1700.

For this Big Moment, only one kind of gift-eloquence will translate the parental heart. And that is the kind most readily found at the jeweler's, whose gifts, like love itself, are everlasting.

But the selection at the jeweler's need not be expensive. At modest cost, there are exquisite pendants, signet rings or toilette sets for daughter, and gold or silver pocket knives, cuff-links or scarf pins for son. Or there's an Elgin watch for each!

For, of course, Graduation Time is Elgin Time. It is more than a coincidence that for over half a century the favored graduation gift of fond mothers and fathers has been the Elgin Watch.

## Troubadors of the Tram

"FRIENDS"  
You say you're in trouble—Say mister I'm sorry to see you that way. I know what it means to have worries and cares. Although I seem happy and gay.

I've wondered if life is worth living If the effort that's spent 's worth the gain  
And I've looked for a word to encourage and help  
And waited for that word in vain.

We all make mistakes and pull "boners"  
That we'd give all the world to undo, But there's one consolation in doing things wrong—  
It reveals to us friends who are true.

You speak to a person and call him your friend,  
But you never know if you can trust him to help you along.  
Cause when things all go wrong He may trample you into the dust.

We all have our friends in fair weather,  
They're ready to help us feel right, But when we are down and our name's in disgrace  
They don't seem to act as they might.

You say you're in trouble—say mister, You ought not to reckon the cost, Cause if it will show you a friend who is true,  
You've gained far more than you've lost.

NEV—  
A Load Off Their Minds  
It was on their honeymoon. "Have all your bachelor friends congratulated you?" asked the bride, as she cuddled closer.

"Some," assented Newlywed. "And some of them thanked me."

## A. W. S. AND IMAGINATION

NEXT FRIDAY the Student Body will be asked to vote on several proposed amendments to the A. S. U. N. constitution. Among these amendments is one which, if passed, will provide a woman vice-president.

For the past several years women have been reaching forward more and more, seeking the much discussed "single standard." Not only is this also true in state and national politics but it even creeps into the political turmoil of the nation's universities.

We have yet to see a woman who has made a success of any similar job—is it reasonable to suppose that as vice-president of the A. S. U. N. a woman would be any different from other women in like positions.

First of all why is it necessary to change things into such a mess that it will take years to straighten out. The women say that they haven't any representation on the Campus. What is A. W. S. for? It has national affiliations which, if lost through abolishment of the local organization, would do more harm than a woman vice-president could do good. If the women on the Hill would only bring their shy selves from out the shroud of resignation which they imagine themselves tangled up in, they would have all the chances in the world to be heard, accepted—and honored, and they do not need a woman vice-president to remove that shroud—they need to cut down on the imagination.

## THE SONG—A MOCKERY

JUST a mockery. A sacred, meaning, fine thing to those who first sang it—now, a grotesque, mocking ghost. Somehow it doesn't mean much anymore. It has lost the vitality that was there four years ago.

More and more, each time it is "sung," the words have become hollow sounds, dragging, jangling sounds, uttered by "blind mouths," by men and women, frosh, sophomore, junior—and senior; all open and close their mouths over each word as though it were sulphur and molasses, and not a beautiful inspiring thing.

What would they who first sang,  
"In a day that will be by and by,  
"We'll often dream of a bygone day,  
"And sing again that old sweet song  
"Of U. of N. So Gay."

feel if they should suddenly listen in on the present student body's response to the song?  
Just one more student body, just one more chance for the present senior class to feel the urge, the beauty of the song.  
Yes—or No? —F. H.

## PACIFISM POPPYCOCK

PERENIALLY since the passing of the bill which created the R. O. T. C. protests have been made against that force on the grounds that it was undemocratic, and especially out of place in an institution devoted to higher learning where the spirit of international peace should find a resting place when all other doors were closed to it.

Recently a considerable outburst of this anti-military sentiment has arisen in the colleges and universities in the east. Protests ranging from mere grumblings to student strikes have been registered.

Much can be said in favor of those who argue that our country should take the lead in doing away with armaments; should be the first one to throw down the sword for good and all. The military history of the United States should be a convincing argument for preparedness—and according to military authorities the R. O. T. C. is almost the only reserve of which the country is possessed—and is hence our main weapon of preparedness.

A man's good breeding is the best security against other people's ill manners.

The average mortal lets few temptations escape him, even though he may resist.

# 'brush N sports

## NEVADA SWAMPS MODESTO 90-30 IN TENSE MEET

### Cinder Artists Display Much Unexpected Strength TWO RECORDS GO Customary wind blows, Prevents Good Times

By WALDEN KLINE  
Opening the season with a bang the 1926 track varsity ran roughshod over the Modesto Junior College last Saturday for a 90-30 victory. Most of the Wolf stars lived up to their reputations and romped in ahead of the field. As predicted, the visitors captured only two first places but they made up for things in these events when they made fifteen points in shot and discus.

The wolves started the procession by making six points in the hundred yard dash. Ken Robison had staged a great battle with Doe, of Modesto, for first honors. The Modesto man came to the meet with the reputation of being one of the best sprinters on the Coast but the Nevada ace finally won out after having run the century in the phenomenal time of 9.8 seconds.

This is within a fit of a second of the world's record and considering the condition of the track it is remarkable. This is considerably under the University record but due to the fact that a slight wind blew up later in the afternoon, the record was not allowed.

### 220 Easy Race

In the 220 Robison repeated by winning by a large margin in the good time of 22.2 seconds. He would have probably run it much faster had he been pressed but due to the fact that he won by 20 yards he was not forced to extend himself.

The 440 yard dash proved to be one of the most exciting races of the day, when Raycraft and Ferguson of the Wolves and Mussano of the visitors raced practically even around the whole distance. Ferguson finally won out but was disqualified for crowding on the corner so that Raycraft was given first and Mussano second.

The half mile was another walkaway for the Wolves as they scored a clean sweep. Duplicating his feat of the inter-fraternity meet, "Les" Clover beat out Hartung for first point honors while Worden in one of the biggest surprises of the meet, passed the lone Modesto man and took third.

### Clover Wins Mile

In the mile Clover again came through with a spectacular win after trailing Novo of Modesto for the majority of the race. Clover led for the first lap but was passed on the second and stayed behind the leader for two and a half laps more but in the last hundred yards uncorked a sprint that won the race for him by a good twenty yards. The time of 4:50 was good and as he came in fresh as a daisy ought to be able to run it much faster with a little competition.

In the hurdle races "Red" Towle was the favorite and finished ahead in both events but was disqualified in the high. Brockbank ran a fine race in the high sticks and was given first place with Johnson of Modesto taking second. In the low hurdle Towle romped in ahead of the field in 27 seconds flat while Bristol, another Wolf, took second place.

### Allen Nosed Out

In the shot, White of Modesto nosed out Allen of Nevada with a heave of 41 feet 1 1/2 inches. The visitor was obviously off form as he is capable of putting the ball much farther. The visitors scored a clean sweep in the discus by placing one, two, three. White won this event with a toss of 120 feet while Johnson and Mitchell trailed.

The javelin saw the only record of the day fall when Weimer of Nevada broke the mark for the third time this year with a toss of 166 feet. If he keeps on at his present rate of breaking his own records he will hang it

## KAPPA LAMBDA WIN FROM TAUS

Providing the biggest upset of the league Alpha Tau Omega was forced to bow in defeat to Kappa Lambda last Monday afternoon. Bud Woods was in perfect form for the winners, allowing but few hits and retiring 14 men via the strike out route. This is the season's record, and is a good mark for any hurler to chuck at in seven innings.

Towle pitched his usual consistent game, but did not receive good support. The boys from University avenue got a lot of bad breaks, but Woods was unbeatable and the score was 10 to 1.

Batteries were: Alpha Tau Omega—Towle and Guterson. Kappa Lambda—Woods and Morrison.

### High Jump Poor

The high jump turned out to be another walk away for Nevada as they made a clean sweep. Watson was off form and only reached 5 feet 9 inches where he tied with Melendy for first place.

Another clean sweep came in the broad jump when "Bunny" Hug hopped to victory with a leap of 20 feet 10 1/2 inches. Hug also turned in a creditable performance for the afternoon by tying with Crew for first place in the pole vault. Both men topped 10 feet 11 1/2 inches and tried for the school record at 11 feet 6 inches but failed.

Nevada won the relay by over a hundred yards in the fair time of 3:41.2. As no opposition was offered the milers did not have to exert themselves to win.

The complete summary of events was as follows:  
100-yard dash—Robison (N) first; Doe (M) second; Kellogg (N) third. Time 9.8 seconds.  
220-yard dash—Robison (N) first; Kellogg (N) second; Thiel (M) third. Time 22.2 seconds.

440-yard dash—Raycraft (N) first; Mussano (M) second; Axton (N) third. Time 53.3 seconds.  
880-yard dash—Clover (N) first; Hartung (M) second; Worden (N) third. Time 2:06.1 seconds.

Mile Run—Clover (N) first; Novo (M) second; Ede (N) third. Time 4:50.1.  
Low Hurdles—Towle (N) first; Bristol (N) second; Nuson (M) third. Time 27 flat.

High Hurdles—Brockbank (N) first; Johnson (M) second (two men disqualified). Time 16.4.  
Shot Put—White (M) first; Allen (N) second; Johnson (M) third. Distance 41 feet 1 1/2 inches.

Discus Throw—White (M) first; Johnson (M) second; Mitchell (M) third. Distance 120 feet.

Javelin Throw—Weimer (N) first; Stockton (N) second; Mitchell (M) third. Distance 166 feet (new record).

High Jump—Watson (N) tied Melendy (N) first; Bailey (N) third. Height 5 feet 9 inches.

Broad Jump—Hug (N) first; Bristol (N) second; Kellogg (N) third. Distance 20 feet 10 1/2 inches.

Pole Vault—Crew (N) tied Hug (N) first; Leavitt (N) tied Rogers (M) third. Height 10 feet 11 1/2 inches.

Mile Relay—Won by Nevada (Raycraft, Axton, Kellogg, Ferguson). Time 3:41.2.

## COEDS TO MEET FACULTY MEN IN HEADLINER MAY DAY BALL GAME

### Festival Will Include Dances, Archery Contests

### LEACH IS CAPTAIN Women Will Play Off Interclass Games

Faculty men will have a chance to show their baseball skill against the coeds when they meet a picked W. A. A. team at the May Day festival to be held on the afternoon of Saturday, May 1, on Mackay Field. Besides the feature game there will be dances, archery contests, the final interclass baseball game, and refreshments.

Dean R. H. Leach is captain of the faculty sluggers, and has promised to get together an aggregation of stars that will make it hot for the challengers. He refuses to divulge the names of any of his pinch hitters so that the coeds are training absolutely in the dark. President W. E. Clark has been asked to umpire the game, which will probably run for five innings.

A quiver, approximately decorated, has been offered as a prize to the one making the highest score in archery. This sport has been in progress for nearly a month, and the final contests promise to be exhibitions of skill.

### Colorful Dances

Maypole dances, with several other seasonal folk dances will be given by the dancing classes of the women's physical education department, especially those working for W. A. A. points.

Seniors vs. freshmen in the final game of the interclass women's baseball series will add a hot contest to the afternoon's events, and to cool off the fans, punch and cookies will be served continuously.

Invitations have been extended to the faculty and their wives, as well as to the Student Body as a whole, to attend the festival.

Members of the class in coaching, with the help of the Women's Athletic Association, are in charge of arrangements.

## "HEAP" RACE WILL OPEN AUTO SEASON

HEAP RACE DWILL ...-18 ...  
"Oh, can we enter?" begged a coed.  
"Heck, I just sold my 'heap' for twenty-five dollars—but perhaps I can borrow one!" Grated one student.  
"What are the qualifications for this 'heap race'?"  
"Well—we're going to charge only twenty-five cents entrance fee, this money to go to the winner of the race. Besides there's to be a silver cup given to the winner. A committee is to be appointed to judge whether the entrant's so-called 'heap' is a real heap or not. Negotiations are now under way to obtain a race track—we're planning on holding it the morning of the big auto race, that is Sunday, May 2, at about 10 o'clock.

"Yes, all who can present a heap," declared one of the students promoting the "college heap race."

## SIGMA NU'S SHUT OUT S. A. E.'S 10-0

Displaying a good brand of baseball, the Sigma Nus took the S. A. E.'s 10 to 0, Tuesday afternoon. "Inch" Clinch allowed but three singles and his support was all that he desired. There were no long hits on either side as the fielders were alert and robbed several would be "Ruths." This game leaves the Sigma Nus as the only undefeated team.

The batteries were: Sigma Nu—Clinch and Agrusa. S. A. E.—Quinn, Barnum and Cahlan.  
NEV  
SHOE PITCHING CLUB IS ORGANIZED BY FACULTY  
The faculty of the University of Nevada has organized a faculty horseshoe pitching club. The members have installed regulation horseshoe pitching courts east of the barracks.

## FRAT BASEBALL SEASON BETTERS WITH NEW FIELD

### Sigma Nu Holds Lead In Struggle For Championship

With the advent of good weather and the completion of the new University ball park, the "national" pastime at Nevada has taken on a brighter outlook. Last week's games were well attended and the boys played better ball than they did earlier in the season.

There has been some difficulty with the ground rules, particularly in right field. There are two ditches that run through the outfield and together with some natural hazards make the old lot look like a golf course. However, the infield is in fair shape and should become better the more it is performed on.

Sigma Nu, by virtue of their wins over A. T. O., Kappa Lambda and S. A. E. are in top position of the league. How long they will maintain this position is a problem, as their first two games were won by a single tally in each case. They have been known to blow up, and in the past three years have lost to teams that they had

## PHI SIGS BEATEN BY BETA KAPPAS

Beta Kappa inaugurated the new University diamond last Thursday afternoon with a 5 to 3 win over Phi Sigma Kappa. Both sides played bang-up ball, and it was anybody's

beaten earlier in the season. Whether they will do this at the end of the present season remains to be seen.

S. A. E.—K. L. Tied  
S. A. E. and Kappa Lambda are tied for second place each having dropped a contest to the leaders of the league. They will play this off some time next week. Alpha Tau Omega have been very strong contenders, but were seriously defeated by Kappa Lambda last Monday evening. They have lost two games.

Delta Sigma Lambda by losing to Lincoln Hall last Sunday was automatically eliminated. Other teams are due to go out this week, and the fight will be narrowed down until the finals to be played during the last week of school.

## DELTA SIGS TIE WITH HALL MEN

Deadlocked in an 8 to 8 tie when the game was scalled on account of darkness, Lincoln Hall and Delta Sigma Lambda were obliged to cease hostilities. It was a nip and tuck affair and was fiercely contested throughout.

The tie was played off Sunday morning and resulted in a 15 to 5 win for the Hall men. The same batteries worked out in both contests. They were: Lincoln Hall—Burge and Orly. Delta Sigma Lambda—Archias and Faulkner.

contest until the final innings. Fred Siebert starred for the losers, pitching a good game. The ball was kicked around some during the last part of the game and thus the Lake street boys were defeated.

The batteries were: Phi Sigma Kappa—Siebert and Graves. Beta Kappa—Brown, Martin and Kalin.

### PLAY POSTPONED THIS SEMESTER

The presentation of "The House Next Door," which was intended to be given by Campus Players as their second big play this school year, has been postponed until next semester, when it is thought that the cast will have more time to devote to dramatics.

The serious objection to giving the play now was that it is too near the end of the year and a semester's work has piled up to be madly rushed through the last few weeks. Other difficulties arose when one of the cast had to quit school for a time to recuperate from an illness.

Both the big play and try-outs for Campus Players will be given soon after school opens in the fall. This arrangement will tend to eliminate the rush at the end of the year.

### 14 ARE CHOSEN FOR Y. W. WORK

#### Cabinet Installation Is Held At Manzanita Wednesday

Wednesday afternoon officers of Y. W. C. A. for the coming year were installed. Thelma Pray, '27, was installed as president, Florence Billingshurst, '27, as vice-president and chairman of the music committee, Margaret Ernst, '28, as second vice-president and chairman of the membership committee, Margaret Browning, '27, as secretary, Altha Pierson, '28, as treasurer, and Margaret Hill, '27, as under-graduate representative. Other members of the cabinet that were installed are Isabel Loring, '28, Amy Goodman, '27, Lucile Sanford, '29, Lucile Summerfield, '28, Dorothy Eaton, '29, Mabel Marianni, '28, Theo Olmsted, '28, and Eva Adams, '28.

After installation the cabinet went to Mrs. John Hall's home for a banquet given by the ladies of the Y. W. C. A. advisory board. The banquet carried out the idea of a flower garden. Toasts were given by Esther Summerfield, Thelma Pray, Margaret Hill, Margaret Ernst, and Florence Billingshurst. Songs were sung during the dinner.

After the meal a discussion of Astoria was held.

### Final Test Disguised Under Strange Aliases

Worry and consternation for the student, red ink marks and monotony next three weeks amply. Electric lights will shine till the wee sma' hours, tortoise-shelled glasses will be withdrawn from cobwebby cases, notes will be slapped together, rusty pens, squeaky worn pencils will have their day—just nineteen weeks crammed into three, that's all.

But what lessened worry, physical breakdowns, flunks, electric light bills, breakdowns would be avoided if this faculty recommendation, on final tests, passed several semesters ago, could be shaken from under its heavy coat of dust and brought out for an airing and general spring cleaning.

The ruling reads, "No final tests shall be given." But, final tests assume strange and high-sounding aliases, disguising their real selves under such names as accumulative, or perspective exams, or "little quizzes," or an "hour's written work over the semester's work."

Nevertheless, final tests are final tests.

### SPRING'S SPIRIT DOMINATES LAST CRY OF "WOLF"

#### Final Howl of Year Is Credit To Campus Wit and Art

Masking as Spring, the Desert Wolf crept upon the campus Monday with its last howl of the semester, its blue and yellow cover hiding the best collection of talent it has produced this year. This is quite the common thing to do of the latest of anything, but in this case it is true.

The joyousness of spring seemed to have penetrated most of the contents, thoughts, and contributions from many new sources vie with the old and well known writers and artists for the honors.

The Rover Boys said good-by to college with a rousing cheer for themselves sponsored by Harold Coffin, '26, and a hero named Julian who was an artist with a plumber's soul, or vice-versa, clips his way through a tale of ladies shorn locks and a barber's art to his tragic end as a plumbing salesman. Norman Bell, '27, is responsible for this. He will incidentally guide the future of the Wolf from the editorial chair next year.

### SHEEPSKIN IS TOOL TO START WORK IN WORLD IS OPINION OF SENIORS

"A sheepskin—what does it mean anyway?" one of the senior men was heard to remark the other day.

"A diploma—so called because usually written or printed on parchment prepared from the skin of the sheep" is the answer Webster gives.

"Well—whatever it is, be glad to get it," remarked another senior man, "it shows that you have actually finished something in your life, and even if it can't land you a job, there's a lot of satisfaction in always having it and knowing it was your own work that got it for you."

"A sheepskin?" one of the professors repeated the question. "Well, it means something different probably to every one of you. I heard someone say the other day, 'It means the cessation of all work and worry for me,' but lets hope no college man or woman will graduate with that attitude, I don't think one can after four years of college life—To me, and to most college graduates, the 'sheepskin' really means one kind of a tool with which you start work in the world—Possibly it may not be the exact tool that you need for the job that you select, but the work you have done to acquire it must some time stand you in good stead. If at first you have nothing else—armed with that tool you must have a feeling of power, if only because you know that the world expects you to have it, and 'the feeling of power' will get you there."

"My sheepskin" said a coed, "will be a big satisfaction. I am going to be married, but the 'sheepskin' will always be my backing if I ever have an 'independent feeling!'"

### MERMAIDS BEGIN CLASSES IN LIFE SAVING COURSES

#### Lessons For Beginners And Life Saving Now Given

Swimming for women qualifying for life-saving certificates and beginners started on Monday under the auspices of the American Red Cross.

New schedules have been posted with periods at 10:40, 11:20, 12:00, 2:10, and 2:50 every day. Beginners can sign up for either of the two weeks in which the sport is scheduled, and advanced swimmers may sign up for both weeks, with two successive periods, one for instruction and the other for practice.

Tests Next Week

Tests for senior women's life-saving certificates will be given some time early next week by Dan Renear of the Y. M. C. A. To qualify, women must

**LIMITED ETERNITY**

"Papa," said Little Willie, "this story says: 'They lived happily forever after.' How long is forever?"

"It's different in different sections, my son. Here in Chicago it's about three weeks."

have at least six days of intensive instruction in the rescue work. Beginners are being taught at the rate of about fifteen every hour and they learn to swim a few strokes in an average of about two hours each. The junior high girls seem to be much more adept at learning than the University women, the instructors say, and they expect to teach at least two hundred and fifty in the two weeks.

### U. S. C. DEBATERS GAIN VICTORY ON WAR RESOLUTION

#### Southern Debaters End Tour After Meeting 31 Debate Teams

University of Southern California debaters were unanimously declared the victors over Nevada's team in the debate held Friday night in the auditorium of the Education building. The question debated was "Resolved: that war should be declared by a popular vote of the people, except in cases of invasion or rebellion."

Ernest Brown and Donnell Richards of Nevada had the affirmative, and William Berger and Leland C. Tallman were the debaters for the University of Southern California.

The coast debaters spoke with the fluency that comes from experience and a thorough knowledge of the subject. They have taken part in 31 debates and have been consistently victorious.

### CLONIA ELECTS VENSTRUM HEAD

#### DOCTOR TO SPEAK TO PRE-MED CLUB

Clonia Venstrom, '27, will lead Clonia, University debating society, during the coming year, according to a vote of that organization taken last night in the Education building.

According to the Clonia constitution, which is based upon the English parliamentary system of government, the newly elected president will appoint his staff of officers which consists of a court, treasurer, and secretary. The purpose of this system is to place responsibility directly in the hands of the president. Venstrom's appointments will be made later.

Dr. Henry Albert, director of the State Hygienic Laboratory, will talk before the Pre-Medical club on Wednesday evening, April 28, at 7 p. m., his subject being "Hay Fever in Nevada."

### BRUSH STAFF IS NAMED FOR 1927

#### DOCTOR TO SPEAK TO PRE-MED CLUB

Announcement of the editorial staff of The Sagebrush for the coming year has been made with a few exceptions. The new staff will take charge of the last edition of the paper this semester, all seniors completing their work on the campus publication with this issue.

The new staff will be: Ernest L. Inwood, '27, editor; Amy Goodman, '27, women's editor; Marvin Robinson, '28, managing editor; Eva Adams, '28, news editor; Waldon Kline, '23, sports editor; and Allen Crawford, '28, copy chief. Society, feature, and poetry heads will not be announced until next semester.
