THIRTY MEN TO CONSTITUTE U. N. GLEE CLUB FOR TRIPS THIS YEAR

**Varsity Songsters To
Travel All Over
State On Tour**
**PLAYS CONSIDERED
Solos To Be Featured
As Special Event
For New Men**

As a result of the try-outs for the University Glee Club, thirty men were chosen for membership. This number will be kept with the club all year, and, if financially possible, all will take the various trips to different points in the state. If this is not possible, the names of those who may go will be announced later.

The thirty that have been chosen by Professor Haseman are:

First Tenors—Hoyt Martin, '29; John Agrusa, '27; Arthur Ocheltree, '29; Walter Cunningham, '28; Francis Taylor, '28; Edward Cupit, '30.

Second Tenors—Julius Molina, '29; Charles Carter, '28; Kenneth St. Clair, '29; Cruz Venstrom, '27, manager; Clifford Hitchings, '24, accompanist; Dan Senseney, '30; Ray Misner, '27; Jack Gregory, '29; George Petticrew.

Baritone—Clair Harper, '28; Alden Copeland, '29; Don Budge, '30; Neil Lamb, '30; Alden Chase, '28; Robert Anand, '29; Alden Alken, '29.

Second Bass—Loren Pease, '28; Warren Monroe, '28; Don Bernstein, '29; Frank Kappier, '27; Herbert Bunker, '29; Guy Harbin, '30; Herbert Faulker, '28; and Claire Lehmkuhl, '28.

The Glee Club will tour the state again this year, showing the public what the University is able to do in this field. Several plays will be worked in with the company of the new members as are accustomed to solo work.

BACK THE PACK WILL BE SLOGAN FOR NEVADA'S GREATEST YEAR

**Six Whole Minutes Of
Riotous Yelling
Is Feature**
**HASEMAN SPEAKS
Tradition Offenders
Give Stunt As
Punishment**

"Back the Pack" will be the slogan of the Student Body in making this the greatest of all Nevada years. Delivered by Prof. "Charlie Haseman" the announcement of the slogan was greeted by a roar of applause from the five hundred men that packed the Auditorium this morning following the Associated Students meeting.

To revive the Nevada Spirit which has been experiencing a considerable lag, Harold Hughes, '24, pointed out the effect that school spirit had on the varsity of 1923-24, calling upon the men of the student body to repeat with even greater cooperation this year in "backing the pack."

Led by the yell leaders for six full minutes the men of Nevada filled the auditorium with a din of cheering in showing but a small portion of the force that they will throw behind the Wolf Pack for the remainder of the season.

Coch "Buck" Shaw pointed out that defeat often means harder work on the part of the team than victory. He stressed the fact that applause for the Pack should be forthcoming every bit as strong following defeat as after victory in order to counterbalance the sink in spirit that is bound to come with an adverse score.

In the student body meeting which preceded the men's mass meeting, freshmen women offenders of Nevada's traditions were forced to present a stunt for the entertainment of the student body. Walter Cox, '27, reported for the Homecoming Day committee that plans were going ahead successfully. He requested that Hill fraternities and fraternities should enter floats in the Homecoming Parade in order to have a 100 per cent representation of Campus organizations.

FROST, fleet Wolf halfback, ripping off twenty yards around end during the Varsity's first march down the field against the "gray fog."

PACK TO MEET POWERFUL PACIFIC TIGERS IN GAME HERE TOMORROW

**Both Teams Have One Game to Good. Pacific
Line Averages Over 200 to Wolves' 180**

Having met and defeated their initial opponents in the 1926-27 football season, Nevada Varsity is scheduled to lock horns with the strong College of the Pacific eleven on Mackay Field tomorrow.

The Pacific Tigers will travel to Reno with a vastly superior team from that which represented them on the gridiron a year ago. According to advance predictions, their line, heretofore an uncertain cog in the Bengal machine, will be the heaviest and most powerful forward wall ever developed at their institution. Built around Captain Ted Baun, center, most of the boys in the first row will register two hundred or more. Ted Mossman, one of last year's guards will be back in his favorite position with a host of other big boys from which to select the other successful aspirant.

BIG AUSTRALIAN DEBATE WILL BE HELD ON DEC. 1

**Adoption Of Cabinet
Form of Britain
Is Subject**

Resolved: "That it is for the best interest of the United States that we adopt the British form of cabinet government" is the question which the Men's Varsity debating team will debate with the Australian team on December 1, here in Reno.

The Nevada men will take the negative side. It will be a formal debate with important state and government officials as presiding officers and judges. There will also be an audience decision. During the judges conference, open floor will be held during which the audience may ask questions of the speakers.

The Australian team is touring the United States, and is debating with thirty of the most important colleges.

W. A. A. GRANTED PART OF BUDGET

From a seven hundred dollar budget submitted to Finance Control by W. A. A. the organization was granted three hundred dollars as running expenses for this semester. The amount to be granted for the second semester was not agreed upon, but will be as much as can possibly be spared.

BLUE KEY ACTS TO SUPPLEMENT SHOW ON FRIDAY

**McIlwaine and Hughes
Promise Good Acts
At Granada**

Tonight is University night at the Granada. The Blue Key fraternity is supplementing the regular show with four good college acts, coupled with plenty of University yelling.

Ralph McIlwaine will present a jig, accompanied by Walter Reemer's at the piano, and Harold Hughes on the banjo, for one of the acts. Lew Eastland is billed for a dialogue, which is to be an impersonation. Ralph McIlwaine is also working on a quartet.

There is to be a big football rally first, the show will begin at 7:30. There will be only one performance. The picture features Fred Thompson in "The Two-Gun Man."

WOMEN DEBATE WITH CAL TEAM

The Women's debating team will debate on Tuesday night, October 26, with the California women's team on the question, Resolved, "That it is right to break unpopular laws." The debate will be held in the Nevada State building with both a judges decision and an audience decision.

The California team will uphold the negative team versus the affirmative team which the Nevada women will uphold. At the same time in Berkeley a negative team represented by Nevada will debate a Californian affirmative team.

Prof. Duerr announces that Arletta Miller, '30, has been changed from the Freshman debating team to the women's Varsity debating squad.

SENIOR BENCH RECEIVES FIRST YEARLY WASHING

The Senior Bench received its first washing of the year last Friday afternoon. The Women's Upperclass committee inflicted this punishment upon Doris Lloyd, '30, for sitting on the bench, which act is permissible to seniors only.

PLAYERS CHANGE PLANS FOR NEXT PLAY OFFERING

**Production Postponed
Until Month Of
November**

It is possible that some other play than "Her Husband's Wife" will be staged by Campus Players as their next production. This decision was reached at the last meeting of the Hill dramatic society held Wednesday evening at the Pi Beta Phi house. Four or five other productions are being considered by the players and a decision will be reached within the next week or two. It is probable that the play will not be staged until some time in November.

Plays to be used in tryouts for Campus Players have been ordered although casting of these will not take place until late in the semester. A float representing the group in the Homecoming Day parade was taken under consideration by a committee. It was decided that hereafter only every alternate meeting be a social one, the other meeting being limited strictly to business.

GRID-GRAPHS TO INFORM RENO OF PIGSKIN GAMES

**Initial Games Will Be
Shown In U. of N.
Gymnasium**

The football game between the Fresno State College and Nevada to be played at Fresno will be shown play by play on an electric football grid-graph in the gymnasium on the afternoon of October 9. Bleachers will be arranged in the gym so that the audience can sit during the game. The admission will be twenty-five cents.

The first two or three games will be shown in the gymnasium, and thereafter, if the interest evidenced is sufficient, the games will be shown in the Nevada State building downtown.

All of Nevada's games away from home will be shown and also the most important of the coast games, after the season is over.

The play-by-play reports will be telegraphed directly from the press box by a Nevada man who will go with the team for this express purpose.

The condition of the weather, the number of people at the game, the yells to be given and all general information will be announced before the game begins.

CAUCUS FAVORS DEBATE COUNCIL

A resolution in favor of the proposed debate council was passed at a meeting of the Caucus debating society held Wednesday night. This council now needs but the approval of Clonida to go into effect. It will consist of the presidents of the two clubs, the high school debate manager, the varsity debate manager, and the debating coach.

Prof. C. H. Hicks addressed the meeting, using the advantage of public speaking ability and knowledge as his subject. Plans were also made for the part which Caucus will take in the Aggie Day celebration. A committee was appointed to take charge of the entertainment for the next meeting, and the meeting adjourned with the announcement that the Caucus would, in the future, come together on the second and fourth Wednesdays of the month instead of on the first and third.

DUCK SEASON OPENS WITH SWAN MISSING

Duck season opens and one swan is missing from the placid surface of Manzanita Lake!!! Such is the latest astounding discovery made on the campus.

The missing swan had no known motives for suicide and confided no plan of travel to its fellow swan; the case therefore develops itself into one of abduction or outright murder. A careful search of the garbage from the "gow house" has revealed no suspicious or convicting bones or other evidence, and a similar search in the vicinity of Lincoln Hall after the festivities of Monday night has revealed that, though "bones" may have taken a part in the affair, such "bones" were not swan bones. A thorough investigation of the fraternity and sorority houses has not yet been made.

The only remaining solution is that some small—or large—would-be gamester, hitting upon such a simple and untiring method of getting a bird, kidnapped or feebly murdered half the pride of Manzanita Lake.

HEATING SYSTEM NOW INSTALLED IS IMPROVEMENT

**Possible Future Sites
Provided For By
Extra Mains**

The new heating system which has been installed on the campus is the most up to date of its kind in Reno. Its four boilers, the large capacity circulation pump and the intricate system of mains make up the separate units of the plant which has over twice the heating capacity of the one which has just been taken out.

Provision for the heating of a number of new buildings has been made. This was accomplished by installing extra large mains and by placing them so that they pass close by all the possible sites of any buildings that might be built in the future.

One of the boilers is serving only as an extra with the present number of buildings, so it is to be seen that quite a number of new buildings can be added before the plant will be running to capacity.

The main advantage of the new system over the old one is that now one man can take care of the heating of all the buildings on the campus.

This is possible because there has been installed in each building, a thermostat which automatically controls its temperature, leaving the man on duty to watch nothing more than the boilers.

'MILITARY BALL' WILL BE DEC. 4

Nevada's Reserve Officer club will be host at a Military Ball to be given in the University gymnasium, the evening of December 4. Russell Coleman, '27, as general chairman, has working with him Harney Archias, '28, Julius Molina, '27, Keith Scott, '27, and Maxwell Ball, '27.

"We are trying to establish the Military Ball as an annual event," says Coleman. "The R. O. T. C. in every other University sponsors a ball that is the biggest event on the university social calendar. I see no reason why such a situation could not exist here at Nevada."

Bids for the Military Ball are selling at one dollar apiece. All surplus finances will go to aid in the founding of a local "Seabard and Blade" chapter. Steps have already been taken toward the establishment of such a chapter.

A chair of love and marriage has been established at the Boston college for women. It is honored by college officials that matrimony and love will be placed on a more scientific basis from now on.

FROLIC ACTS TO BE "BEST EVER"

**Intensive Canvas For
Advance Sales
Planned**

According to Prof. "Charlie" Haseman, chairman of the Wolves Frolic committee, this year's show will be the best ever presented. The acts have all been chosen, and the program will consist of twelve distinct numbers, including vocal and instrumental solos, a glee club act, impersonations, comedy skits, eccentric dancing, a jazz orchestra, and the band.

There are more acts of a higher quality this year, due to the fact that there seems to be more talent on the Hill than ever before, and the committee has been successful in securing the best of this talent for the frolic.

Originally established to furnish funds for increased athletic expenses, the Wolves' Frolic has become one of Nevada's best-loved traditions. It is promoted and managed by the Blue Key, formerly the Buck Grabbers, who will turn the entire proceeds over to the student body fund. The Blue Key members are planning an intensive canvass of Reno to sell advance tickets to the show, which will take place on Friday night, October 22.

SILVER CUPS TO BE AWARDED IN "SHOE" CONTEST

**Entry List Will Stay
Open Until 5 p. m.
On Oct. 13**

According to the committee in charge interest is already running high in this year's Horseshoe Pitching Contest. Several entries have already been received, and with the time limit for entries set at October 13 the contest promises to be a lively one. Drawing for brackets will be done on October 14 at the office of the secretary of Agriculture.

The singles preliminaries will be played at 9:30 a. m., Saturday, October 16, while the doubles preliminaries will be played that afternoon at 2 p. m. The teams will then be cut down to the semi-finalists who will play at 2 p. m., Friday, October 22. Saturday will mark the last day of the tournament when the singles and doubles champions will be determined at 10 a. m.

The winning donbies team is to be presented with a silver cup given by the Reno Sporting Goods company while the singles champion will receive a cup presented by Herz Bros. Jewelry company. The contestant that succeeds in pitching the most ringers in a game will receive a pair of horseshoes donated by the Aggie club.

According to the rules of the contest the preliminary brackets may be played off any time after drawing provided that an official referee can be secured. Eliminations in the preliminaries will be based upon the losing of one fifty point game while in the semi-finals and finals the best two out of three games will decide the winner.

MEETING OF PHI KAPPA PHI HELD

Phi Kappa Phi, honor fraternity, held a meeting Friday to make committee appointments for the following year. Initiation of new members was also discussed, but nothing very definite was decided.

The meeting was the first to be held under the new officers who are: J. Claude Jones, president; Sarah L. Lewis, vice-president; Wm. M. Hoskins, secretary; Katherine Riegelhuth, historian; Colonel J. P. Ryan, treasurer; and Wm. Smyth, marshal.

'CARELESS' STUDENTS WILL BE 'GAMELESS'

**To be admitted to the Nevada-
College of Pacific football game all
college students must present their
student body cards at the gates.**

Special admission tickets will be granted to high school students having their student body cards with them.

The regular \$1.00 tickets are now on sale at down town business houses for people wishing to attend.

'NEVADA SPIRIT' SHOWN AT FIRST FOOTBALL RALLY

**Huge Serpentine, Yells,
Songs Feature Big
Demonstration**

The first football rally of the season, held last Friday evening, showed that the "old Nevada Spirit" still is undiminished. A large crowd of rooters was on hand at Manzanita hall at 7 o'clock prepared to form a gigantic serpentine down North Virginia street. The campus orchestra on a truck led the procession to the business district where traffic was held up for half an hour while yells were given in the light of red flares.

At a quarter to eight all bleacher hats were taken off and the singing of "U. of N. So Gay" ended the first semester's rally.

AGGIE DAY WILL FEATURE AUTOS

Plans for the Auto Show which is to be one of the main features for Homecoming Day, are progressing rapidly. Between fifty and sixty of the latest car models will be on display.

The show will not only benefit local dealers by giving them an opportunity to show off their newest models but will give the community the advantage of seeing the different makes together or comparison. Spaces in the tents are already being sold very rapidly to local dealers.

'NEVADA SPIRIT' SHOWN AT FIRST FOOTBALL RALLY

**Huge Serpentine, Yells,
Songs Feature Big
Demonstration**

The first football rally of the season, held last Friday evening, showed that the "old Nevada Spirit" still is undiminished. A large crowd of rooters was on hand at Manzanita hall at 7 o'clock prepared to form a gigantic serpentine down North Virginia street. The campus orchestra on a truck led the procession to the business district where traffic was held up for half an hour while yells were given in the light of red flares.

At a quarter to eight all bleacher hats were taken off and the singing of "U. of N. So Gay" ended the first semester's rally.

DUERR CREATES 'WRITERS GUILD'

**Prof. Duerr has organized a Writers
Guild with six members which will
meet every two weeks. Each member
is to bring to the meetings his
contributions in literary work—plays,
poems, or stories. The articles will
then be read and criticized without
knowing to whom they belong.**

According to Prof. Duerr, this guild will be of benefit to those who are writing for the Desert Wolf. The purpose of the guild is to create interest in writing so that a literary page for the Sagebrush may be instituted.

WOLF TO HOWL FOR OLD GRADS

The Desert Wolf, campus quarterly, will make its first appearance on the campus, Homecoming Day, October 23. President Clark through its pages sends a message to the graduate students who will be guests of the campus on this day.

Dorlan Peckham, '24, has designed a cover, especially featuring the "Homecomers" welcome. An article on fraternities, peppy stories, jokes and cartoons will make up this issue. Staff appointments will be announced in this copy.

RULE BREAKERS PRESENT STUNTS

Freshmen women tradition breakers entertained on the way to A. S. U. N. meeting today with scrubbing contests, the goal of their efforts being the elimination of the posters left by the poster rush.

Ruth Smith, Katherine Robison, Katherine Priest, Katherine Mergen, Beth Beemer, Aurora Belmonte, Margaret Sullivan, Margaret Harris, and Margaret Baird, also tradition breakers, entertained with a skit at A. S. U. N. meeting, portraying a family going to the Nevada-California game in a Ford.

NEVADA CHOSEN FOR MEETING OF SCIENCE SOCIETY

Wide Plans Being Made To Assure Success Of Convention

The University of Nevada has been accorded the 1927 annual meeting of the Pacific society for the advancement of science.

This society, one of the largest, if not the largest, scientific societies in America, has a membership of 14,000, with perhaps 50,000 connected in one way or another; its scope includes the United States, Canada, Mexico, Alaska, Hawaii, and the Philippines; its annual meeting therefore is a scientific event of some importance, and being held in Reno during Exposition year a large number should be attracted.

The meeting ended with a stunt given for the new women by a group of A. W. S. members, and the singing of the college hymn.

STUNT FEATURES A. W. S. MEETING

Doris Thompson, '30, and Mary Hancock, '30, were appointed as freshmen representatives to A. W. S. executive board at a regular meeting of the Associated Women Students held last Friday morning.

Juanita Lowe, '28, was appointed chairman of the point system committee, and Elizabeth Johnson, '29, was placed in charge of selling hot dogs at the games for Y. W. C. A. under the same system as was used last year.

The W. A. A. song contest for new sport songs was announced as open to all women whether W. A. A. members or not, as well as announcement of the prizes which are being offered in an effort to stimulate interest in the contest.

The meeting ended with a stunt given for the new women by a group of A. W. S. members, and the singing of the college hymn.

UC TEAM PICKED TO DEBATE HERE

UNIVERSITY OF CALIFORNIA, Sept. 30.—(PIP)—Women debaters were chosen at the tryouts held Monday night to represent California in a dual debate against the University of Nevada, October 26. They are Doris Hoffman, '27, Madeline Lackmann, '27, Miriam Sharp, '27, and Ruth Holliday, '28. Two teams will be chosen from this number.

The subject of the tryouts was "Resolved, That European criticism of America is justified." Tryouts for the women's varsity debate with Stanford will be held in the near future.

With the marriage season nearing, the Straits Settlements have imported \$125,000 in American gold coin. This is melted into ornaments for the brides.

WRIGLEYS New Handy Pack
P.K. Chewing Sweet

WRIGLEYS 3 handy packs 5c

Wrigley's Chewing Sweet helps teeth, mouth, throat and digestion in a delightful and refreshing way. Removes odors of smoking and eating. People of refinement use it.

U. S. C. FRESHMEN LOSE TO SOPHS

U. S. C., Sept. 30.—(PIP)—By valiantly winning the tie-up and the tug-of-war and achieving a tie in the sack race, the sophomores of Southern California justified their claims to superiority over the frosh, emerging victorious from the brawl held yesterday on Bovard field.

STEWART HALL HOME OF SWALLOW COLONY

Under the eaves of Stewart Hall there is a colony of fifty-six mud-swallow nests, built by the birds as carefully as the hall itself was built by men years ago. All the nests are on the south and west sides of the building, evidently to get all the sun possible; and some are crowded so closely together that it is only by the little entrances one can tell one nest from the next.

It is strange that there are no nests on Morrill Hall—probably because of its greater distance from Manzanita Lake, where the birds gather their building materials.

The colony is deserted now, but when spring comes the birds will return and resettle it.

NEW BIBLES FOR FROSH ON HAND

Long overdue Frosh Bibles were distributed to the members of the class of '30 last week. Henceforth all freshmen will be required to show bibles when so requested, and he held responsible for questions on any material covered in the handbook. Failure to meet with these requirements means the usual punishment for all offenders.

The bibles this year are a decided improvement over those of former years, as this edition is handsomely bound in dark blue imitation leather with a silver block "N" on the front cover, and contains much additional information for the benefit of newcomers.

COEDS ORGANIZE TENNIS PRACTICE

Regular tennis practice is being held weekly and competition among the twenty-five players signed up is growing daily. As yet the freshmen have the largest turn out and as they have not yet been tried out their unknown strength is a source of terror to seasoned players.

Supervised practice will take place Monday at 2:15, Tuesday at 2:30 and Wednesday at 10:30, 2:15 and 3:45. An hour of supervised practice plus three sets of tennis weekly are the requirements for this sport.

The interclass tournaments will probably be played off the last week in October, although no definite time has as yet been decided on.

WORK ADVANCES ON NEW LIGHTS

The new lighting system for the grounds of the campus will soon be completed as the standards are set and the cables in. This system is a duplicate of the type that is used in the downtown section of the city.

The campus has been in need of such a system for many years. Up to the present time the only lights on the main walk of the campus were small and inadequate for their purpose. With these new lights that begin at the gates and extend to the hospital corner and to the Virginia street corner, the beauties of the campus may be seen at night as well as in the day time.

D. A. E. FEATURES SPANISH PIRATES

Spanish pirates in a pirate ship, along with old Spanish poetry, piratical stunts and food will be the feature of the next D. A. E. meeting, which is to be held October 7 in the Delta Delta house.

Campus Briefs

PROF. V. P. CIANELLA, former instructor in metallurgy at the University of Nevada and who is now on a leave of absence, is studying at Columbia University. His present address is 50 Morningside Drive, New York City.

LLOYD SEARCY, '29, has withdrawn from the university and will work in an all company in California.

LLOYD ROOT, former mining graduate, and now California State mineralogist, visited the Mackay school of mines last Saturday. Root stopped on his way from Denver, where he attended a meeting of the American Mining congress.

WM. SMYTHE, instructor in metallurgy, spent Sunday at Lake Tahoe, where he closed his summer home.

TILLIE DOTTA, '26, has been appointed deputy county auditor and recorder of Lovelock since her graduation in May.

ARLINE SPRINGMEYER, '30, was visited by her mother Monday afternoon.

BARBARA HORTON, '30, and SARALEE CLARK, '30, spent Sunday at their homes in Virginia City.

RUTH O'NEIL, '29, and CALDA WAITE, '29, visited at their homes in Portola over the week-end.

EDME PETERSON, '30, spent the week-end in Carson.

ADA MOORE, '27, and HARNIE ARCHIAS, '28, accompanied by Mr. Archias's mother, spent Sunday at Lake Tahoe.

JOHN J. MAELOBOL, '24, is spending a few days in Fallon in connection with the Agricultural work of the University.

Mr. and Mrs. Maurice Mack were here from Minden Saturday to see their son, DUANE MACK, '30, and the football game.

HELEN WELLS, '26, spent the week-end as a guest of MARGARET BROWNING, '27, at Manzanita Hall.

MAUDE DUNBAR, '30, spent the week-end at her home in Fallon, Nev.

JUANITA LOWE, '28, spent Saturday and Sunday in Fallon.

HELEN ADAMSON, '27, RUTH WINGFIELD, '27, and NAOMI WINGFIELD, '29, were the week-end guests of JESSIE LEONARD, '29, at her home in Virginia City.

MISS BETTY BELL of Elko is a guest of GENEVIEVE WILLIAMS, '29, at the Tri Delt house.

HORTENSE VALLEAU, ex-'27, left Sunday for New York City where she will remain for several months as the guest of ISABEL HAYES, '25, and other friends.

PROCTOR HUG, ex-'26, was a guest at the Alpha Tau Omega house during the week-end.

BLANCHE WYCKOFF, '26, is motoring in northern California and will spend a few days in Portland, Oregon.

KENNETH ST. CLAIRE, '29, JOHN RICHARDSON, '29, and ARTHUR BREWSTER, '29, drove to Berkeley

last Friday. They visited with friends and relatives during the week-end and returned to Reno Sunday afternoon, making the return trip by automobile in less than eight hours.

OTTO SCHULZ, '28, drove to Carson City after the varsity game Saturday, to visit with relatives. He returned to Reno Sunday night.

PROFESSOR THOMPSON and son, Bruce, accompanied by LEM ALLEN, '28, HOMER RAYCRAFT, '29, and WILLIAM PEDROLLI, '29, went hunting in the vicinity of Gardnerville last Saturday.

CHESTER BREAU, ex-'29, visited with friends in Reno during the week-end.

WILLIAM GOODALE, '26, former captain of the Varsity basketball team, intends to visit in Reno during the Homecoming celebration.

EDDY DUCKER, '29, spent the last week-end in Carson, visiting relatives and friends.

WILLIAM CLAWSON, '28, spent Sunday visiting with friends at Lake Tahoe.

JULIA THEIN, '28, and ADA MOORE, '26, spent Sunday afternoon at Lake Tahoe.

LOUYNE ANDERSON, '30, was visited by her sister of Wadsworth.

MR. and MRS. A. BELMONTE of Carson City visited their daughter, MISS AURORA BELMONTE, '30, at Manzanita Hall on Sunday afternoon.

LAURA SCRIBNER of Loyalton, California spent the week-end with her sister EDITH SCRIBNER, '29.

LUCILLE MCKENNEY, '30, and CECIL NEWTON, '30, visited Carson City Sunday.

CHARLIE KITZMEYER, '30, spent the week-end with his parents in Carson City.

JULIA THEIN, '28, spent Sunday motoring with friends around Lake Tahoe.

MISS MURIEL CONWAY, '26, is teaching school at Palisade, Nevada.

DR. W. B. EARL of the State Veterinary control service spent part of the past week in Fallon.

GEORGE SCHWEISS of the State Quarantine office at the University was in Yerington this week taking care of his business there.

B. F. HEADLEY of the University Agriculture Extension department was in Fallon today on business.

DUANE EMERY MACK, '30, spent Sunday with his parents, who motored in from Gardnerville.

BILL GIBSON, '30, was visited by his father from Gardnerville last Saturday.

CHESTER BREAU, ex-'29, spent the week-end in Reno visiting friends.

EDME PETERSON, '30, spent last week-end in Carson City.

JUANITA LOWE, '28, spent the week-end visiting at her home in Fallon.

Dr. T. C. O'Connor and wife, formerly MARGUERITE CROTTY, were visitors on the Campus Sunday.

INITIATION HELD AT HALL FOR 26

Lincoln Hall Association held their initiation last Monday night, stunts being given by the men going in. The stunts included original jokes, dialogues, and recitations; a pie eating contest, a blindfolded boxing match, school yells and college songs.

The following men were initiated: Jack B. Albin, '30, Alden Plumbeley, '29, Wm. Wallace White, '30, James K. Lowers, '30, Theodore Brown, '30, J. E. Prewett, '30, George Jackson, '30, Herbert Rowntree, '30, W. B. Pillsbury, '30, Howard Waymire '30, W. H. Gibson, '30, Geo. F. Turner, '30, Harris J. Coffill, '30, LaMonte R. Brown, '30, Edward Dyer, '29, Leonard Sledge, '30, Alan Odell, '30, A. F. Giebersen, '29, H. J. Colby, '28, S. G. Wilder, '28, H. D. Sanford, '30, Harvey Flint, '30, Derill Angst, '30, Marshal Guisti, '30, Alger J. Jacobs, '30, and James W. Johnson, '30.

SOCIAL FUNCTION DATES ASSIGNED

All Nights Taken By Organizations Up To Dec. 17

The Student Affairs committee, at a meeting September 28, approved and set the following dates, some of which are tentative, for social functions:

October 1—Blue Keys; Kappa Alpha Theta; Beta Delta.

October 2—Sigma Phi Sigma; Century Club Dance.

October 8—Delta Sigma Lambda; Gamma Phi Beta.

October 9—Soph. Hop.

October 22—Wolves Frolic.

October 23—Home Coming Aggie Dance.

October 29—Pi Beta Phi; Kappa Lambda; Lincoln Hall.

November 5—Delta Sigma Lambda; Kappa Alpha Theta; Sigma Phi Sigma.

November 19—Sundowners.

November 20—Junior Prom.

November 24—Alpha Tau Omega; Sigma Alpha Epsilon.

December 3—Phi Sigma Kappa; Kappa Lambda; Sigma Nu.

December 4—Military Ball.

December 10—Delta Sigma Lambda; Sigma Phi Sigma; Lincoln Hall.

December 11—Glee Club.

December 17—Block N.

FROSH WONDERS WHY THE CROWD

From somewhere came a piercing cry, a loud shout, a hoarse yell; instantly the air was filled with noise. A bewildered figure could be seen groping his way slowly along the hedge at the side of the road. He was a Frosh. Yes, his dink assured one of that. Nearer and nearer he crept towards the scene of action.

Who was that in the distance? It must be the Sophomores. They were probably planning another poster rush. A pistol shot added to the nights commotion. Possibly it was their signal. Would they see him? What if he was caught?

Where would they take him? A thousand thoughts passed through his mind.

He could leave, but, no. His class loyalty was roused. He would be a hero! He must wake the sleeping Frosh.

LET HIM KNOW IT

GANG! Tomorrow before the kickoff a new yell will be given in the Mackay bleachers. This will be to a man who stands whole heartedly behind every student and every activity on the Campus. To a man who has been the guiding hand all during the present era of prosperity at Nevada, President Clark. Tomorrow when the call comes for a yell to "Prexy" let every man be on his feet. Roar out a cheer that will be echoed from the big Block "N." Show him that the Student Body has come to a full realization of the esteem which it holds for him. But enough. Every man knows full well what Dr. Clark means to this institution. Let him show that he knows it!

YES, A GREATER NEVADA

FIGURES often lie, they misrepresent, they tell but a part of the story. For witness your immediate reaction upon hearing that the final enrollment figure for the present semester stands at 830 as against 837 for this time one year ago. The University is not progressive, it is backsliding. Is that not the impression that is immediately created in you? And yet nothing could be more false, more distant from the truth.

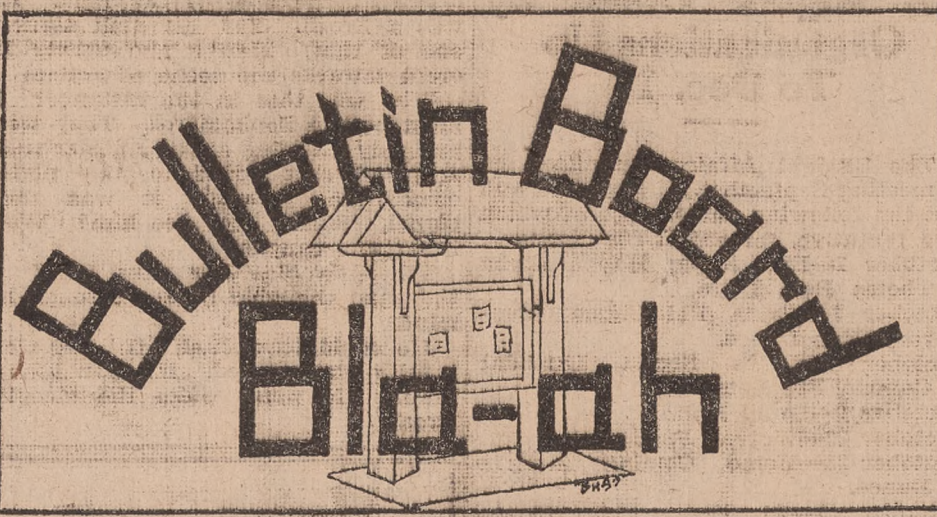

The fact that there is a slight decrease in enrollment figures does not surprise the University authorities. In fact they are astonished to find that this year's total is within seven of the figure for the fall semester of last year, which was the record for all University years. And this surprise is not expressed in lieu of an alibi but is based upon altered conditions. Conditions of higher scholastic standards, of changes in enrollment sources that make impossible the drawing of any true comparison between enrollment figures. For witness that while last year applicants entering from out of the state had to present eight units of high school work with a grade of eighty or above, this year's standard demands that the applicant have ten such units. This one raise in scholastic standards alone accounts for several times the difference in enrollment. In the week prior to the opening of school this semester the Entrance Committee rejected over a score of out of state applicants whose recommended units failed to total ten but who would have been eligible to register under last year's standards. This does not take into consideration the many who doubtless did not bother to apply for admittance when they learned of the raise in standards.

Still another element that should have dropped enrollment figures is the absence of Veteran Bureau men this semester. The number of these men, subsidized by the government, amounted to 58 three or four years ago. Last year registration from this source had dropped to 14, practically all of which was from outside Nevada and would not otherwise have been here.

It will be noted then that on these two counts alone there is explained a deficiency of 34 in this semester's enrollment while actually there is only seven. There is no room for any conclusion then that the University has slackened its forward pace in the slightest during the present semester. The present freshman class with its higher entrance requirements fulfilled, represents a step upward in scholastic record heretofore unequalled by an entering class. With the greater aptness to stick which comes with higher scholastic standing the drop in enrollment of the class of '30 between matriculation and graduation should be reduced to a minimum. There is every reason to expect then, for the benefit of those who are basing University progress on enrollment, that the future years should see Nevada's record smashed year after year. And this increased enrollment, coming at a time when Nevada has increased her buildings, equipment, and funds, will get the best that the nation affords in educational opportunity.

Advertise Homecoming Day. Talk about it, write about it, let every Grad know that Nevada is planning two great days of welcome for him.

First in scholastic rating, first in the gridiron, first in school spirit. These are our ideals for Nevada, help her attain them.

By ED. BILDING

And so now we will all rise, doff our little bleacher hats, and chorale that little melody entitled: "YOU MAY BE A FOOTBALL HERO, BUT YOU'RE A KICK IN THE PANTS TO ME!"

—Blah—
Meet my latest candidate for the wisecrackin' varsity—quite commonly known as "SPEED."
Also glance over her first contrib and agree with me that if she keeps up this old trick throughout the season, that I'll just have to award her that Scandinavian N.

I took her to a football game. She's the apple of my eye. Although she didn't understand. She never once asked why.

Not a question did she utter. So, she's worth her weight in gold. But she ain't different from other girls.

Just had an awful cold. Sorry, but I'm duty bound not to pun on WHY she was so cold!

—Blah—
NOW IS THE TIME FOR ALL CLASSY WOMEN TO COME TO THE AID OF A PARTY!

—Blah—
Last week a whole flock of us piles over in front of the library to see a little Freshman Friar get janitor and scrub the Senior Bench. Well, that part of it was alright, but the part that didn't appeal to me was the fact that she didn't show up. And from all that I could gather, it didn't appeal to the Women's Upperclass committee either.

Somebody said, "I feel sorry for that little girl. Think how she must feel!" And sez I, "Think how she'll feel if she DOESN'T come to scrub the bench!" And somebody else says they think

—Blah—
SAGEBRUSH SAGAS

Do Blondes Prefer Gentlemen? Sure I'm a blonde, and I'm off those guys. Who can't show a dame some respect.

Now I want a bird that's a decent egg. An' won't leave my complexion all wrecked.

So I guess I don't want a senior. Whose manners are easy an' flip. Cause even the best of those yaps seem to carry a flask on their hip.

An' I couldn't handle a Junior. Who was sure of himself an' his line.

A Soph is just beyond question—He must need to have a good time. Now a Frosh should be O. K. When they first come up you'd think:

But just step out with one. And he's sure to offer a drink.

Yes, it's right to prefer gentlemen. But listen, you blondes, take a fall. If you get so gosh darn' partieuler. You'll soon have no one at all.

—Gin.
At Union College women are allowed only two week-end dates a month and no girl is allowed to walk across the campus in the presence of a man.

—Blah—
Grads! Get the 'Brush for news.

—Blah—
Papa, what's a blonde? A blonde, Sophia, is a cross between a 'brunette and the corner drug store.

—Blah—
And so I busts up to the woman piano player in the orchestra who was very vulgarly smoking a cigarette right out there in front of EVERYBODY, and very indignant like I says:

"Say, young lady, have you ever heard of the Moral Code?"
And then she says, "Say, little boy, I can play anything. Whistle the first few bars of it, and I'll see if I can follow you!"

—Blah—
And while I am on that subject, that reminds me of football.

I asked a football player the other day what he was taking this semester, and very nonchalant-like he says: "SHOWER BATHS."

As a stunt at Oklahoma University recently, a petition was circulated ostensibly asking for a holiday when it really requested the faculty to remove all credits, suspend them without a hearing and to shoot them at sunrise. More than three hundred students were taken in by the hoax.

OUR GANG in "One Wild Ride" International News

The Editor's Letter Box

To the Editor:

Has co-education become a hindrance and an evil? Some people are inclined to think so. At least one Mr. Cross, who graduated in June from the University of Chicago seems to believe such is true, for he says, "A novel social situation has come about because of the invasion of universities by women. Drinking is now a mere vice for dating, a comprehensive diversion which includes dancing, drinking, and petting. Women now participate in drinking bouts to an extent which is, to the uninitiated, astonishing."

"I know of a train-load of sleeping coaches bound to an inter-university football game last fall in which collegians of both sexes, most of whom were quite drunk, staged a pajama party in the aisles between sleeper berths." Cross said.

Doubtless Mr. Cross' observations are true enough; but that which was true in one incident is not to be taken as a general fact, representing the majority of girls attending colleges all over the country. While a few girls indulge in drinking bouts, stage pajama dances and the like, there are thousands of other girls refraining from such acts of inebriety and unwomanliness.

For Mr. Cross to attack young American womanhood in such a slanderous manner is not fair; and for a man just entering the ministry he has taken a decidedly unflattering attitude.

Co-education, to say the least, has been the means of helping the new generation over the rough spots, over the narrowness, and away from the stunted ideas of their fathers. Co-education is helping, everyday, young people to see each other in their own light. Through association of young men and women in colleges they have begun to see the true side of life, and are learning to grasp and master situations so difficult in the past.

Indeed, it seems strange that a man could besmirch the name of sweet girlhood of his own generation when older people are becoming broad-minded enough to trust and put their faith in it.

These young girls who have been so ruthlessly denounced will someday be mothers of sons and daughters, wondering at the new generation, but still remembering the days when they were thought reckless. Nevertheless they will prove to be just as good mothers to their children as their own mothers were. And Mr. Cross will be wondering how he got his wires crossed long enough for such fossilized ideas to take form.

The co-educational system may seem a detriment to him. But is it?
M. S. '29.

A club fraternity, sorority or society exists on the University of Washington campus for every 25 undergraduate students. There are 40 organized houses for men and 27 for women.

To acquaint the student body with some of their noted graduates, the University of Washington daily is publishing a series of articles about their graduates.

Wolves Shatter Gray Fog With Victory of 27-14

WOLVES ROMP TO SPECTACULAR VICTORY OVER ST. IGNATIANS MEN

VARSITY SCORES FOUR TOUCHDOWNS AGAINST BIG RED AND BLUE GRID TEAM FROM COAST

The Nevada Wolf Pack fought its way to a decisive victory over the St. Ignatius grid team in the first game of the season on Mackay field last Saturday. A big crowd was in attendance and enthusiastically cheered the Nevada team on as it fought its way down the field to score four touchdowns against its opponents' two. The Wolves were never headed during the game and managed to maintain at all times a comfortable lead over their opponents.

First Quarter
St. Ignatius kicked off. The ball rolled over the goal line and Nevada started the offensive on the 30-yard line. The Pack was unable to make yardage through the line and Allen punted to the Saints. Their safety man fumbled and Bream covered the ball.

Wolves Score
Nevada gained five yards through the line but lost the advantage on an offside penalty. Then, alternating forward passes and line plunges, the Wolf Pack battled its way to within striking distance of the goal. Nevada's rosters were brought to their feet when, on a fake line buck, "Whitey" Lawson, Nevada's quarterback, completed a pass to Bream who crossed the goal line for the first touchdown. Captain Allen converted and the score stood 7-0.

Punt Run Back
St. Ignatius kicked to Nevada. Lawson received the ball and ran 40 yards before he was downed. He was given splendid support by the interference, who clipped right and left, opening a pathway for his flying feet.

Nevada kept the Saints guessing the rest of the half. In one attempt by the Ignatians to gain yardage, Lawlor broke through their line and cast the pigskin carrier for an 18 yard loss. The Saints were forced to kick. Lawson received and was dropped in his tracks but two fake line plunges by Frost and Bailey and an off tackle smash by Allen gained 19 yards for the Wolves.

Shortly afterward the Pack again crossed the goal and scored 6 points. Allen's kick was blocked. Score 13-0.

The Ignatians, fighting hard, temporarily checked the Pack's advance and an attempted kick by Nevada was blocked. Borchert booted the ball across the Nevada goal line. Allen retaliated with a punt that placed the ball on the Saints' 33-yard line. The Ignatians' fullback gained five yards on an end run and the quarter ended.

Second Quarter
The Wolves had things pretty well their way with the ball in their possession most of the time. St. Ignatius fumbled a punt and Pierce recovered. After running a series of plays which placed the Wolves again near the Saints' goal, Overlin sent a pass whirling over the goal line to Bream. Allen converted and the score stood 20-0.

Saints Score
Toward the end of the half a 50-yard punt by Borchers was fumbled by Overlin and recovered by the Saints. They penetrated Nevada's weak defense twice for downs and made the only touchdown for the half. A place kick was blocked but Nevada was offside and the extra point counted. The half ended with Nevada in possession of the ball. Score 20-7.

Third Quarter
The third quarter consisted chiefly of an exchange of kicks between the two teams. The ball was in play in the central portion of the field most of the time.

Late in the quarter Nevada grasped

an opportunity to score when "Red" Pierce broke up an attempted pass by the Ignatians. Fairbrother, the Wolves' husky center, recovered the ball on the 20-yard line. At this stage of the game Carruthers, stellar Ignatian center, was carried from the field. His absence materially weakened the team, and a series of line plunges by Frost, Lawlor and Allen netted another touchdown for Nevada. Allen converted. Score 27-7.

Nevada kicked and St. Ignatius ran the ball back 10 yards. The quarter ended with St. Ignatius in possession of the ball.

Fourth Quarter
St. Ignatius kicked, and the ball rolled over the goal line. Lawlor made 7 yards on two plays through the line. Allen punted to the Ignatians. Their quarterback fumbled but recovered.

Falvey and Borchert made 8 yards on an end run and a line buck. On the third down a bad pass from center caused Myers to fumble and Hanson threw him for a loss.

More Fumbles
St. Ignatius punted to Lawson, who fumbled. He recovered and ran the ball back 15 yards. Lawlor carried the ball 16 yards but lost it. St. Ignatius recovered and after a couple of end runs outwitted the Wolves with an aerial attack of three forward passes. Myers received the third pass and crossed the goal for the Saints' second and last touchdown. Borchert converted. Score 27-14.

Wolves Almost Score
St. Ignatius kicked and Nevada downed the ball on the 50 yard line. During the last few minutes of play Lawlor made a pretty pass to Sullivan, who sprinted down the field almost to the goal. With but 3 minutes to play the Wolves strove desperately to score. Lawson attempted a pass over the line but it failed.

Raycraft, Gadda, Walker and Towle were sent into the game. St. Ignatius' attempt at a long pass failed and they punted. Lawson ran the ball back to the 46-yard line and was downed as the final pistol shot ended the game. Score 27-14.

Substitutions
Nevada—Pierce for Gadda; Kline for Anderson; Overlin for Lawson; Lawlor for Bailey; Murphy for Frost; Sullivan for Murphy; Lawson for Overlin; Towle for Allen; Castle for Fairbrother; Raycraft for Pierce; Cantlon for Lawson; Walker for Hanson.

St. Ignatius—Fairbrother for Shelley; Neland for Meyers; Polatti for Carruthers.

Individual Scoring
Nevada—Touchdowns, Bream, 2; Bailey, 1; Allen, 1.
St. Ignatius—Falvey, 1; Gallagher, 1.

Goal after score—Allen, 3; Borchert, 2.
Referee—Templeton, Stanford.
Umpire—Klawans, Chicago.

FOOTBALL

By "THE WATER BOY"

At last the perfect interference has been achieved. Ever since All-Americans became Americanized, coaches have been searching and straining for "the perfect interference." And we have it here on the campus. Of course, it only came this year but it should have been noticed before. Right among our own Frosh, too!

Spectators at last Saturday's game are still commenting on the entirely novel idea developed by a Frosh grid warrior in blocking a punt by sitting on it—especially as it happened that the Frosh were attempting to convert at that moment.

The bleachers were entertained by a rare exhibition of football as demonstrated by the referee Saturday. That competent official made a remarkable tackle when his whistle went unheard and completed the task by making a three-cushion billiard off the sky-tops of the Wolf Pack with the ball.

Speaking of the Wolf Pack reminds one of the current rumor that an additional system may be added to the managerial method now in use. Try-ees would, after a method of elimination, work for a position similar to that of a sort of exalted dog catcher.

During the last game on Mackay Field the Wolf Pack very nearly had to take time out on several occasions

Members of the two teams who started the game were:

Position			
Bream	REL	Glynn	
Lawlor	RGL	O'Brien	
Anderson	RGL	Murphy (C)	
Fairbrother	C	Carruthers	
Larsen	LGR	Mitchell	
Hansen	LTR	O'Malley	
Gadda	LTR	Gallagher	
Lawson	G	Meyers	
Frost	RHL	Falvey	
Bailey	LHR	Connors	
Allen	F	Borchert	

HIGHLIGHTS FROM FOG - WOLF TILT

Jack Shelley, tackle for St. Ignatius, entered the game last Saturday with a broken wrist and hand. Although greatly hampered by his injuries he gave a very good account of himself during the game.

Borchert and Falvey, full and half-backs, respectively, for the Saints, were outstanding in their playing. They repeatedly gained yardage and were consistent in their playing.

Carruthers, center, played center on the Olympic club championship team last year and was mentioned for the position of all-coast center.

"Jimmie" Needles, St. Ignatius coach, formerly played halfback for St. Ignatius and also for the Olympic club. Jimmie is remembered by many of the old grads as a stellar basketball player. He played forward on several St. Ignatius teams that encountered the Wolves in past years.

to chase numerous and various species of dogs off the field of battle. This is a state of affairs which cannot be tolerated.

Suppose the interference on every end rush were compelled to carry clubs to beat off bands of stray dogs. Worse than ever, what if another epidemic of fumbling punts should strike the next game as it did Saturday? And suppose a dog grabbed the rolling ball and perambulated in the general direction of San Francisco with two teams in frantic pursuit. Further explanation is unneeded. Here is a chance for an ambitious collegiate.

The University of Idaho has authorized the building of a new \$100,000 woman's dormitory.

Nevada Reserves—Ends, Raycraft and Pierce; tackles, Newton, Etchebarren, Walker, and Cooley; guards, Kline and Hoffman; centers, Castle and Nichols; halfbacks, M. Lawlor, Sullivan and Murphy; quarter, Overlin, Full, Towle.

Pacific Reserves—Ends, Leadbetter and O. Dale; tackles, Stark, Altmecker and Ellis; guards, Northup, Gibson and Hazard; Center, Comhart; fullbacks, Burchfiel and Dwyer; halfbacks, Royce and Jones; quarter, Word.

COEDS ARRANGE RACKET CLASSES

Definite sections for tennis coaching have been arranged for by Miss Verrel Weber and F. Nelson, '28, manager of tennis.

The sections as now scheduled are: beginners sections, Wednesday at 10:30, 3:45, and 2:15; advanced sections, Monday at 2:15 and Tuesday at 2:30.

Twenty-four coeds are now signed up for this sport, twelve being beginners, and twelve experienced players. The best representation comes from the freshman class, with five experienced players, and eight beginners.

The most welcome call to smoke ever sounded

NEVER was there a smoke invitation that could compare with "Have a Camel!"

On swirling city streets. In the roadster as it bounds over the hills. In the study or by the fireside, no other smoking phrase is so provocative of enjoyment and friendship. In its realization comes a boundless sense of gratitude and contentment.

That is because Camels are the favored smoke of millions of experienced and successful men. To

ever-increasing millions who have tried them all, who could well afford to pay more, Camels are the first and only choice. Since the dawn of smoking, there has never been a success like Camel's.

Camel preference is the inevitable expression of Camel quality. No other cigarette made is like Camels. No other smoke was ever so smooth and mellow mild. For your own high pleasure, we invite you to rise to the world's most celebrated smoke call. *Have a Camel!*

MANY FRESHMEN SIGN FOR GRID MANAGER WORK

Good Opportunity To Become Manager Third Year

With the opening of football season has come the call for tryees for Freshmen managers. According to general athletic manager, Ray Henriksen, '27, much interest has already been displayed, indicating that there will be vigorous competition for the privilege of taking care of the field and football equipment of the Wolf Pack this year. The interest is justified because this activity offers a wide opportunity for development and advancement. It may lead eventually to the position of athletic manager which carries with it a salary as well as the opportunity of being in direct contact with other colleges.

The system of choosing football managers has been very efficiently worked out. Any freshman is eligible to try out for Freshman manager. His duties consist chiefly in running errands, taking care of the blankets, and the athletic field during practice. Four men from the freshmen tryees are selected as sophomore managers. These have charge of the supply room during their sophomore year. From the sophomore managers the junior football manager is selected. He receives a Block N and makes all the trips with the team. The committee which chooses the managers is composed of the incoming and outgoing football captains, the football coach, the chairman of the faculty athletic committee, the head athletic coach, and the athletic manager.

STATE TEACHERS TO MEET OCT. 5

The State Teachers' Institute begins on Tuesday, October 5. There will be a vacation in the public schools all over the state for the remainder of the week, and practice teachers will not teach. The meetings of the institute will be held in the Junior High school building.

Dean Hall, Dean of Education, states that "all prospective teachers might gain profit by attending these meetings."

CAMPUS VISITED BY SECRETARY

Miss Helen Price, Student secretary of Asilomar division, arrived the latter part of this week to visit the city and University Y. W. C. A. She spoke to the cabinet Wednesday evening.

Many entertainments were planned in her honor, among them a tea given by the Girl Reserves, and a slumber party Thursday evening at the home of Florence Billingshurst, '27.

'BLEACHER HAT' SALES FLOURISH

Although Paris has not decreed that bleacher hats be the style, it may as well have, judging from the number of hats sold. The "Whelp committee" which had charge of the sales was forced to make a second order to provide the required number. The seemingly sufficient amount at first obtained sold out so fast that an additional 50 hats were sent for. When this lot is gone, about 200 hats will have been sold.

This sale was probably increased by the none too gentle threats of the Sophs; a laking being promised to all Freshmen not purchasing hats. In fact about a dozen names were posted for appearance at the lakeside.

NEW PROFESSOR IS L. A. ENGINEER

Jay Carpenter, professor of mining, came directly to the University of Nevada from the Pacific Portland Cement company, the largest cement and gypsum corporation on the Pacific coast, where he held the position of industrial engineer. This work coupled with his office work in Los Angeles as consulting engineer fits him well or his courses dealing with non-metals.

THETAS TO HOLD HUNT AND DANCE

Those who would take part in the Kappa Alpha Theta treasure hunt this evening must be on hand at 7:30 to get the second clue to start on the trail of the treasure.

The prizes are \$10 for the first car, \$7.50 for the second, \$5 for the third, and \$2.50 for the fourth. Those who haven't tickets as yet still may purchase them from any Theta for \$1 apiece.

Treasure hunts in town not being favored by the Chief of Police on account of the possible dangers, permission has been granted for the Theta hunt, only with the following provisions:

1. All clues will be on the outskirts of town—none in the business district, so cars must not rush through town.
2. Any one having trouble with the police department will be ineligible for a prize.
3. The hunt will be over at ten o'clock.

A dance for Thetas and their escorts will be held at the Theta house after the hunt.

TENNIS TOURNNEY BEGINS ON HILL BETWEEN FRATS

Tournament to be Run By Double System Of Elimination

The first game of the intra-mural tennis tournament was scheduled to be played last Wednesday afternoon. The Independent team did not appear on the courts and forfeited to Alpha Tau Omega. Kappa Lambda defaulted to Beta Kappa. Thus the first day contests were decided without the swing of a racket.

Other games played during the week were: Sigma Phi Sigma vs. Sigma Nu, Lincoln Hall vs. Alpha Tau Omega, Beta Kappa vs. Delta Sigma Lambda, and Phi Sigma Kappa vs. Sigma Alpha Epsilon.

The tournament is to be decided by the double elimination system. A team must lose two games before it is outlawed from the tournament.

When a team loses its first game it is transferred to a losers' bracket. That team will play another team that has lost one game. In this way a team that loses one game may still work itself up to the finals, and may even win the championship.

Drawings were made last week by representatives of the various organizations, and this week-end will see the tournament well under way. A loving cup will be presented to the championship team.

NEW DEBATORS BUREAU SOON TO BE ORGANIZED

A Deputation bureau will be organized soon among the debators of the University under the leadership of Edwin Duerr, debating coach.

Members of this bureau will speak in the different high school throughout the state.

It is believed that this bureau will become an important publicity factor for the University of Nevada.

HOT DOGS AGAIN SOLD BY WOMEN

The Y. W. C. A. and A. W. S. together, have made arrangements to sell refreshments consisting of hot-dogs, ice cream cones and candy at all of the football games. It is one of the traditions of the campus that the "Frosh" women look after the selling end, under the guidance of directors.

Lucile Sanford, '29, will represent the Y. W. C. A. and Elizabeth Johnson, '29, will attend to the interests of the A. W. S. This is one of the chief sources of revenue of the two organizations, a neat profit being realized each year from the sales.

ROOTERS' SECTIONS OLD AND YOUNG AID WOLVES TO SMASHING VICTORY

"N-E-V-A-D-A, Nevada—Rah!" The yell leaders led the crowded bleachers of loyal Nevada backers in support of the Wolf Pack. Enthusiasm ran high! Most excited were members of previous Wolf Packs, back again to root and cheer the "old gang." "N-E-V-A-D-A, Nevada! Rah!" Not as loud as the first perhaps, but with the same loyalty of spirit, a rooting section from the other side of the field lent support to the Pack. "Pep" predominated here, too. Small, excited faces strained forward to gain every movement of the Wolf Pack they idolized, evidenced the spirit of Packs to come.
