DON'T FORGET PI PHI JITNEY CRAWL TOMORROW AFTER GAME

The Wolf of Sagebrush

SEE FAR WESTERN CHAMPIONS CROWNED THIS WEEK AT GYM

Founded October 19, 1893 THE STUDENT NEWSPAPER OF THE UNIVERSITY OF NEVADA

VOL. XXXV—No. 24 UNIVERSITY OF NEVADA—RENO, NEVADA, FRIDAY, FEBRUARY 24, 1928 PRICE FIVE CENTS

WOLF VERSUS FOG FOR FAR WEST TITLE

PROFITS FROM FRENCH FARCES WILL BE GIVEN AS UNUSUAL TREASURY

BLUE KEY FRATERNITY TO ASSIST IN THE PRODUCTIONS MOST HUMOROUS PLAYS EVER PRESENTED ON CAMPUS

At a meeting of Campus Players Wednesday evening it was unanimously decided that the bill of French farces to be presented on April 4 would be given for the benefit of A. S. U. N.

DEBATE SOCIETY HOLDS INITIATION

Five were initiated into Clonia last Tuesday night, when Harvey Don '31 of Hawthorne, Eugene Hoover '30 of Reno, Paralle Smithson '31 of Ely, Fred Stoll '31 of Martinez, and Clara Tomlin '31 of Hawthorne were presented with a golden gavel.

ANNUAL TRI DELTA JINX DATE STILL INDEFINITE

The Tri-Delta sorority which sponsors the annual Delta Jinx announces that there will be a jinx, but the date has not been decided upon.

Unique Features For Jitney Crawl

Don't forget the annual Pi Phi Jitney Crawl, which will take place Saturday, February 25, at the Century Club.

'JUNIOR JUMP' WILL BE GIVEN ON MARCH 3rd

On the evening of March 3rd, immediately following the final game of the State High School basketball championship, the Junior Jump will climax the tournament week.

CAMPUS ACTORS INITIATE ELEVEN

At a meeting held Wednesday evening at the Kappa Lambda house eleven embryo actors and actresses were initiated into Campus Players.

Sanford Talks On Washington At Auditorium

"Father of His Country Was True Farmer," Says Rotarian

Washington was a true farmer and the care of his plantation was the most important thing in his life.

DEBATERS PLAN FOUR CONTESTS DURING MARCH

A complete schedule for this semester's debating has been arranged and two teams to represent the University of Nevada on the forenoon platform have been selected.

OREGON STATE COLLEGE WILL MEET NEVADA MARCH 21

The first debate of the semester is scheduled for Thursday, March 21, against the University of Arizona.

LEIGH SANFORD

Mr. Sanford spoke before the student assembly today on "The Man Washington."

SOUTER MAKES STIRRING TALK AT PEP RALLY

Strength of Wolf Pack lauded as capable of beating fog

HILL PLAYERS TO AGAIN GIVE 'THE BAD MAN'

CAMPUS ACTORS REPEAT PRODUCTION TUESDAY MARCH 28th

A repeat performance of "The Bad Man" is to be presented by Campus Players Tuesday evening, March 28, in the University Auditorium.

The cast for "The Bad Man" follows: Gilbert Jones, E. Branch '28; Henry Smith, J. Gregory '29; Morgan Pell, G. Vargas '31; Lucia Pell, M. Cheney '30; "Chuck" Giddings, E. Semenza '30; Jasper Hardy, L. Sledge '30; Angela Hardy, R. Duque '29; Pancho Lopez, L. Bernstein '29; Pedro, R. Garcia '29; Venustiano, R. Adamson '30; Alvarado, W. Sexsmith '29; Bradley, F. Anderson '28.

Student Body Convention to Be Held Here

High School Leaders To Convene For Discussions

That a student body convention of all the high schools and the university will be held for the first time in the history of the state at tournament time is probable, according to Vernon Cantlon '28, student body president.

YEAR BOOK TO SPONSOR BEST STORY CONTEST

AWARDS WILL BE GIVEN AS PART OF MACKAY DAY PROGRAM

With the first two weeks past in competition for the Artemisia-Sagebrush Best Story contest, seven reporters have points to their credit in the race for the ten dollar loving cup as first prize.

One hundred points are awarded to the reporter winning first place, seventy-five for second, fifty for third, and twenty-five for fourth place.

Artemisia Beauty Festival Planned

The Beauty Festival given under the auspices of the University of Nevada Artemisia will be held at the Wintergarden on March 2nd, following the semi-finals of the Interscholastic Basketball Tournament.

FINANCE PLANS SOLICITED FOR UNION BUILDING

ASSOCIATED COLLEGES ASKED FOR IDEAS TO GAIN FUNDS

Plans are being made through correspondence with the Association of Colleges and University Unions, for financing the Nevada Student Union Building, according to a statement by Lawrence Niswander, chairman of the Student Union Building committee.

Y.W.C.A. MUSICALS GET BIG CROWDS

The third of the series of Y. W. C. A. vespers musicals was held at Manzanita hall last Sunday, February 19, from 4 until 5 o'clock.

'GRAY FOG' AND WOLF PACK TO FIGHT FOR FAR WESTERN TITLE

NEV. VETERANS OPPOSE YOUNG TEAM FROM BAY DISTRICT

PACK MUST TAKE BOTH GAMES TO WIN HONORS FOR SECOND TIME

With thoughts of winning their second consecutive Far Western Conference championship, the Nevada Wolf Pack will meet the conference leading St. Ignatius team on the University gymnasium floor tonight and tomorrow night in which gives promise of being the two best games to be witnessed by local basketball fans this season.

M. TAYLOR GETS PERFECT SCORE

The Nevada Women's Rifle Team lost their match last week to Syracuse University, Syracuse, New York, the Syracuse score being 497, while Nevada's was 483 out of a possible 500.

Desert Wolf Now Ready For Debut

Clever poems, stories, verse, plays and new art work carrying the spirit of Leap Year feature the latest issue of "The Nevada Desert Wolf" which makes its appearance this week-end.

Sketches of Team

Pencil sketches of the individual members of the basketball team, drawn by Harold Bailey '29, are exceptionally well done and do not need the names beneath them for recognition.

FACULTY CLUB MEETS

The Faculty Science Club held a meeting Thursday, February 23, 1928, at 4 o'clock in room 110, in the Agricultural Building.

WAMPUS WHIRL WILL FEATURE HOLLYWOOD IN COSTUME SHOW

EVERYONE ATTENDING TO
BE DRESSED AS
MOVIE STARS

SIX SPLENDID PRIZES TO
BE AWARDED FOR
COSTUMES

If all plans turn out well the first annual Wampus Ball will exceed any costume dance that has ever been given in the history of the university, according to the committee in charge of the affair. The Ball will be open to the campus and each member of Campus Players will be entitled to sell one bid. A limited number of bids will be reserved to the committee in charge and these will be sold to those unfortunate enough not to obtain one from a Campus Player. All tries in plays during the college year will be entitled to a bid. The price of bids will be \$1.00.

The dance will be strictly a costume affair and everyone attending will be required to dress as a screen or stage actor or actress in one of their favorite characterizations. "Little Feline" will rub elbows (if possible) with Bull Montana, and Lon Chaney dance with Greta Garbo. Everyone of the big guns and little guns of Hollywood will be there! It is also reported that a special train will bring many of the popular movie celebrities to the ball.

Carnival Fete
Confetti and serpentine will add to the carnival atmosphere while Hollywood's "Hot-tickets" will be everyone to come on and dance! Novel bids, clever programs, and delightful favors are promised to everyone. Five hilarious farce skits and four individual acts, and a prize waltz are guaranteed to entertain the dancers.

Six splendid prizes will be awarded for the best costumes. One for the most beautiful costume, one for the funniest, one for the most original, one for the best costumed group, and two beautiful door prizes await the lucky winners.

The big feature of the entire evening, however, will be the selection of the ten Wampus Stars for 1928. The judges will select the ten most beautiful and most talented young women who have appeared in a dramatic performance this year.

Because of the magnitude of the ball, plans have been started early in order that everything can be completed by April 14th, the date set for the dance. The committee in charge consists of Edwin Semenza '30, chairman; Edwin Ruerr, Isabel Loring '28, Marian Cheney '30, Rene Duque '29, Don Bernstein '29, and Russell Garcia '29.

W. A. A. Plan Drive For Lodge Funds

W. A. A.'s first drive for the lodge fund will be launched soon after the tournament is over. Letters outlining the purpose of the drive and asking for contributions to the fund will be mailed out to alumni and to all persons thought to be interested in the development of the university. Blank checks will be enclosed to encourage prompt responses.

W. A. A. has long felt the need of a lodge which would be able to accommodate groups of women on week-end parties especially during the months when winter sports are going on. The site that has been tentatively decided upon is a lot on the Truckee river between Boca and Floriston.

Library Use Is High In Morning

More students use the library at 10 o'clock in the morning than at any other time, a table of attendance kept by Librarian J. D. Layman shows. There are on an average sixty-five persons using the main reading room at that time. This is more than at any other hour of the day, although both 9 and 11 o'clock crowd 10 o'clock closely for highest honors. Ten o'clock also saw the largest group in the building at any one time—138 students.

Afternoon is not as popular a time for studying as is morning, says Layman; though in unpleasant weather the attendance increases considerably.

Waxes Poetic Over Favorite Tobacco

"A Prescription"
Have you ever noticed
right after a meal
How tired and lazy
you always feel?
I'm telling you folks
It isn't a joke,
It will freshen you up
if you try a good smoke.
But whatever you do
these lines you must heed,
There's a certain tobacco
of course, that you need.
It's packed in a tin,
the tin's colored blue.
Not only the smoking
but the chewing kind too.
Of course if you never
are bothered this way,
just keep the prescription
for some other day.
Ask for tobacco,
the best that's on earth;
To shorten the story
just call it "Edgeworth."
Chas. J. Butler
Owensboro, Ky.
Feb. 2, 1927

Edgeworth Extra High Grade Smoking Tobacco

"Get Out" Says Irate Librarian

"All those who whistled please stand!"
Silence, and all sat.
"Will all those who did not whistle please stand?"
It was Washington's birthday, and out of respect for the little hatchet, they continued sitting.
"Will everyone please leave the library by way of the east entrance?"
And Librarian Layman was nearly smothered in the rush.
It is presumed that they wove daisy-chains the rest of the afternoon.

GRAY FOG

(Continued from page 1)

Mary's and the Cal Aggies have lost all of the games that they have played this season so they are out of the running even for simple mention in the conference.

The majority of the players on the St. Ignatius varsity have been playing together for the past three or four years in the St. Ignatius High School under the guiding hand of Frank Needles, brother of the St. Ignatius coach, "Jim" Needles, and when they reach college they go right on with the same kind of training and thus have a decided advantage over other colleges that have to start most of their new recruits in a new and different manner and style of playing the hoop game.

Veterans Last Games
These two games will be the last games for five members of the Silver and Blue squad. These men are Captain Clover, guard; "Monk" Morrison, forward; "Lee" Hainer, forward; "Bozo" Watson, center, and "Whitey" Lawson, guard.

Captain Lee Clover has been a mainstay on the Wolf Pack for the past two seasons, this making his third year on the varsity. He played on the Frosh squad during his first year in college and has been guard and center on the varsity for the past two years.

"Monk" Morrison, versatile forward, will see his last game under the Silver and Blue in these two games. "Monk" made his last year of the varsity one of the best floor men and forwards of the Wolf Pack. He has seen service on the squad for three years and was a member of the Frosh team in 1923.

"Bozo" Watson, captain of the championship team last year, will see his last workout on the varsity this week. He has played every position on the team and has proven his worth in every one of these. It will be the last of four years of playing for the Nevada colors.

In lieu of the fact that the conference ruling says that a man must complete four years of competition in five years, after he first enters college, "Lee" Hainer will play his last game Saturday night for the Nevada squad. He was a member of the Frosh team in his first year there. He dropped out for one year and as a result was ineligible for competition the next season. He has been on the varsity squad for three years and will be badly missed in competition next year.

"Whitey" Lawson, utility guard, will graduate this semester and will not be back for basketball next season. He has been one of the first string substitutes and can play equally at either forward or guard position.

Have Young Team
The Gray Fog team is composed exclusively of freshmen and sophomores with the exception of Captain Jack Patridge, who is a Junior. Patridge plays forward and has been showing up well at this position. He started the season at running guard but was shifted to the scoring position for the tough Santa Clara game and came through with flying colors and has since been stationed at this position. He is the only man on the team with any experience under the Gray Fog colors, having played two seasons previous to this one.

Maloney Stars
Ray Maloney, forward, will start the game Friday night. Maloney, a Sophomore is rated by the San Francisco papers as one of the outstanding forwards in California. He is a little

PRIZE CONTEST FOR EDITORIALS WILL BE HELD

PI DELTA EPSILON TO GIVE
AWARDS FOR BEST
ARTICLES

A series of prizes for editorials published in college journals during the academic year 1927-'28 is being offered by Pi Delta Epsilon, national honorary collegiate journalistic fraternity, according to information received by Professor A. L. Higginbotham of the Journalism department of the University of Nevada.

Identical prizes will be awarded in two competing groups. Group A is open to all college journals and staffs. Group B is open to members of Pi Delta Epsilon on staffs of college journals in institutions where Pi Delta Epsilon has a chapter.

Five Prizes
There are five prizes in each group. The prizes range from \$50 to \$100. Five prominent newspaper men are to be judges. Editorial writers, to be eligible for prizes, must submit their work not later than July 1, 1928 to the grand vice-president of Pi Delta Epsilon.

Pi Delta Epsilon fraternity was founded in 1909 at Syracuse University. It is the only honorary collegiate journalism fraternity in existence and its chapters now number forty-three with nearly 3000 living members.

man and a "sure-shot" under the basket. A leading sports writer, after seeing the Santa Clara game said, "His performance of tonight, will, in all probability, not be equalled this season."

Hale, first string center, is a fast floor man and plays center only after the tip-off. He also is a Frosh. Barelles, running guard, has been the sensation of the St. Ignatius team this season. His clever work of dribbling against Santa Clara and California were the talk of the coast basketball circles for weeks after the two games. This man is also playing his first game under the colors of the Gray Fog.

Cameron, guard, jumps center to start the plays but then drops back to running guard, leaving the further center duties to Hale. When Hale is replaced by Feerick, Cameron sticks to his guard post exclusively, leaving Feerick to do all of the ball tipping.

Feerick, regular center, has been out of many of the games because of leg trouble developed earlier in the season. He will be seen tonight in part of the game and will also get into the lower tomorrow night. Feerick was high point man for his team in the first four games of the season.

Strong Team
These men are the outstanding players for the Gray Fog and are the ones that the Nevada Wolf Pack will have to face in the two most important games of the season.

The games will be refereed by Pentatuma, coach of the Olympic Club for the last eight years and umpired by Higgins of Iowa.

"We ought to win and that is about all that I can say for our team," stated Coach "Doc" Martie at the early part of the week.

Accommodations have been made for handling the crowds and all of the university students will occupy the upstairs of the Gym leaving the lower section of the gym for the outsiders that come to the game.

Leo Corvino '28, senior pre-med student at the University of Nevada, has returned to school after an absence of more than three weeks. Corvino was forced by illness to take a withdrawal and went to San Francisco for an appendicitis operation, but is now sufficiently recovered to renew his studies.

UNUSUAL LIGHTS SHINE

Get out your smoked glasses, and blinders or visors! Anything will do that can shield your eyes from an unusual glitter and flash. This sudden strain that has recently been put on our eyes is simply terrible. From what, you may ask? Well, these newly acquired pins are the cause of all the trouble. The pins themselves would be fine if we were used to them, but this overwhelming number of new glitters, and all so very much in evidence is to say the least extremely hard on the eyes.

Y. W. Conference To Meet In West

A biennial convention of Y. W. C. A. will be held in April. It will be the first national convention to be held in the west, and will also be the last one to be held there for after this they will be held in more centrally located places in the U. S.

A group will be organized on the campus of those who can go in order to do reading and to prepare themselves for questions that they will have to meet. It is hoped that at least six will go. Anyone who has the possibility of going see Eva Adams '28, who is acting as chairman for organizing the group to go. The incoming president of cabinet who will be elected early in March will be the official delegate of the Nevada Student Y. W. C. A. This convention will be the special project of the cabinet this semester.

Westinghouse to Employ Nev. Men

Major A. W. Copley, manager of the industrial division of the Westinghouse Electrical Manufacturing Company, was in Reno last week interviewing University of Nevada engineers. These interviews are carried on because the company is looking for one salesman, and one man for preparation in training for employment with a power company. The men have not been selected up to the present time, according to Prof. S. G. Palmer.

TWO PROFESSORS ABSENT FROM CAMPUS THIS WEEK

Two professors have been absent from the campus this week. Dean Hall has gone east to attend the National Education Association, and expects to be gone two weeks or more. Professor Jones, head of the mining department, has been absent due to the death of his son-in-law, Mr. Brown.

The men have not been selected up to the present time, according to Prof. S. G. Palmer.

Campus Dancing at Lincoln Hall

The first general campus dance at Lincoln Hall was held last night after the rally. The two or three hour dances that are sometimes held after rallies could not be held in the gymnasium because of the damage that would be done to the floor, so the men's dormitory was used. Dean of Men Leach offered the hall to the students for the dance.

"The hall should be a place of social gathering for the men of the campus," Leach stated. It is his plan that the basement of the hall be equipped, in the near future, with pool tables, a fine piano, and other attractions for the comfort of the men of the campus.

The plumbing shop of the campus is now located in the basement but will be moved to the dairy building this spring. The room will then be renovated, equipped, and opened to the students, he plans. Nearly every college dormitory is equipped with such a room, and it is Leach's desire that Lincoln Hall have one as soon as possible.

Crowd Witnesses Cal Track Team

LOS ANGELES—Coach Dean B. Cromwell's University of Southern California track team appeared before its largest crowd of the season in its first meet, which was against no opponents. More than 40,000 members of the Canadian-American Tourist's Association were in the stands Saturday, February 11th, when Cromwell trotted his galaxy of champions onto the Coliseum track for their first public workout.

An exhibition of the work done by the Trojan gymnasium classes, under the direction of Professor William R. LaPorte, was also furnished for the tourists' association.

Major A. W. Copley, manager of the industrial division of the Westinghouse Electrical Manufacturing Company, was in Reno last week interviewing University of Nevada engineers. These interviews are carried on because the company is looking for one salesman, and one man for preparation in training for employment with a power company. Glee to Feature Olympic Sports

Plans for the Frosh Glee were brought up at the Freshman meeting Tuesday afternoon. Hal Thompson, chairman of the dance committee gave a detailed report of the plans of the proposed dance.

It is going to be a novelty dance, and never before attempted on the campus, a very pleasant surprise awaits everyone. While the whole plan is not going to be disclosed until later, it is permissible to announce that they are to feature the Olympic games, which are to be held in Amsterdam, Holland. More than the usual amount of entertainment and good time will be offered.

Major A. W. Copley, manager of the industrial division of the Westinghouse Electrical Manufacturing Company, was in Reno last week interviewing University of Nevada engineers. These interviews are carried on because the company is looking for one salesman, and one man for preparation in training for employment with a power company. The men have not been selected up to the present time, according to Prof. S. G. Palmer.

Program Must Be Presented Later

The Student Body Carnival to make up the deficit incurred by coaches' salaries, has been indefinitely postponed because the Granada Theatre can not be rented at a suitable time. The theatre is the only opera house that can be leased that entirely meets the demands of the Student Body.

The Student Body funds are not sufficient to meet the demands. Various plans have been considered. Part of the deficit may be made up by the gate receipts from the games to be played here this week. These games are the deciding factors of the champions of the Far Western Conference, and large crowds are expected.

"ALL COLLEGE DINNER" SCENE OF MERRIMENT

A.A.U.W. WOMEN SPONSOR EVENT AT CENTURY CLUB SATURDAY

Saturday evening the Century Club was the scene of an "All College Dinner" at which students from Nevada, Stanford, California, and various other colleges in the United States and foreign colleges, participated.

The dinner was sponsored by the American Association of University Women. Under the direction of Mrs. T. W. Martinez, who is chairman of the committee representing this organization, an extensive program was arranged.

Nevada presented the Mackay Statue with James Hendricks posing as Mackay, while Mrs. Sidney Fowler sang the Nevada hymn.

Wisconsin and Stanford sang and yelled, the physician presented an interesting sketch of home life and woes of a physician, attorneys and dentists took part giving their official college yells and a group from foreign universities sang in unison.

Judge Clyde E. Souter and wife presented a brief sketch depicting the home life of Judge and Mrs. George S. Brown as a part of the lawyers contribution of the evening. Mrs. S. K. Morrison gave a reading from a well worn prescription book.

Mrs. William Moll Case and Mrs. Raymond Leach presented a "fat and slim" scene of Park University and William Blackler sang for Utah. Mrs. S. T. Spann spoke for the dentists and Albert D. Ayers spoke for California.

Dr. Walter Clark and E. D. Billinghurst spoke briefly on behalf of everyone. Miss Ruth Foster, representing Mills, gave a reading and Prof. B. F. Chappelle spoke briefly.

There were more than two hundred present and over fifty were turned away because there was no room.

PROFITS FROM

(Continued from page 1)

The fifteenth century atmosphere is to be carried out through elaborate costumes and settings. Work on production is to start Monday.

The first play of the evening will be "The Pie and the Tart" and will be directed by Leonard Sledge '30. Following is the cast:

- Winfred, a rogue.....Byron O'Hara '31
- Leanface, a rogue.....Dan McKnight '30
- Gautier de la Bruine, a baker and candleman.....Neil Lamb '30
- Marian de la Bruine, his wife.....Lucille Sanford '29
- The second farce is "Two Blind Men and a Donkey" and will be directed by Eva Adams '28. The cast follows:
- Noel, a footman.....Bernard Moulton '31
- Jean, a blind beggar.....Mervin Little '29
- Jacques, a blind chickweed man.....Howard Ballinger '31
- Francois, a watercress man.....Thomas Brawley '30
- Percinet, an innkeeper.....Elbert Edwards '29
- Ben Oliver '31, William Hatton '31

The last play "The Man Who Married a Dumb Wife" is a two-act farce and is considered to be one of Anatole France's most delightful achievements. It is to be directed by Rene Duque '29 and Edwin Semenza '30. The cast is as follows:

- Giles Boisecourtier, Botal's servant.....William Dunn '29
- Jacques, a blind chickweed man.....Howard Ballinger '31
- Alison, Botal's maid.....Adeline Duque '30
- Master Adam Fume, a lawyer.....Howard Sheerin '31
- Master Leonard Botal, a lawyer.....Chris Stockton '29
- Francois, a watercress man.....Thomas Brawley '30
- Catherine, Botal's wife.....Margaret Smith '30
- Gautier, a baker and candleman.....Neil Lamb '30
- Jean, a blind beggar.....Mervin Little '29
- Windfed, a rogue attendant.....Byron O'Hara '31
- Leanface, a rogue attendant.....Dan McKnight '30
- Master Simone Colline, a doctor.....Dick Hillman '29
- Master Jean Maugier, a doctor.....William Regents '30
- Master Georges Dulaurier, a surgeon.....Claire Lemkuhl '28
- Noel, the la Bruine footman.....Bernard Moulton '31
- Madame Marian de la Bruine.....Lucille Sanford '29
- Mlle. de la Garandiere.....Bessie Davie '31
- Percinet, an innkeeper.....Elbert Edwards '29

'Frats' Discuss Ban on Favors

Democracy seems to be taking leaps and bounds on the Nevada Campus. But a year ago this strange spirit arose and declared the corsage, a pretty little thing, passe. Today this same feeling of abhorrence for financial outlay—it must be that—is gnawing at the heart of another stronghold in the camp of capitalism.

Favors, long standing centers of attraction at all fraternity formals, are now the cause of much discussion amongst the members of the Inter-fraternity council. Some very democratic individuals would banish them completely. Others, more rational, would set a price limit on them.

The worst blow, however, is yet to fall. "Hard boiled" shirts constitute another form of very objectionable and undemocratic things. They are not only a hindrance to the full exercise of freedom but they are exceedingly painful according to our better democrats. Let's wear soft ones, they shout.

If this feeling of democracy continues, it won't be long before the old semester's cords and shirts will be full dress for any sort of a function.

STRANGE DISEASE INFECTS CAMPUS

The rapid spread of a strange disease threatens to depopulate our campus. The symptoms are detected with great difficulty, but once attacked by the disease the victims immediately succumb. Early symptoms are as follows: a far-away expression in the eyes, a general listlessness of attitude, difficulty in concentrating, absent-mindedness, and a noticeable weakening of the powers of resistance. As yet no absolute cure has been discovered for this malady. However, some of the sufferers find that air on moonlight nights has a soothing effect. This part of the cure is quite general and can easily be found by almost anyone, but the rest depends upon the individual. (Some prefer blonds, while others like brunettes.)

Anyone in doubt as to the latter directions of this prescription may be enlightened by calling on one of the several doctors, who are very often to be found in the library.

WHELPS TO BE WALKING INFORMATION BUREAUS

The members of the Whelps have taken it upon themselves to act as "walking information bureaus" for visitors that will be on the campus during the coming basketball tournament. They will be readily recognized by their distinctive headgear and plan to do all in their power to make the visiting high school students feel at home. The Whelps are also cooperating with the Block N men in charge of the meet.

COL. LINDBERGH INVITED TO GO ON WORLD TRIP

"FLOATING" UNIVERSITY HOPE TO HAVE HIM AS STUDENT

Colonel Charles A. Lindbergh has been extended an invitation by A. J. McIntosh, the president of the Floating University for the International Students committee, to be their guest on the summer trip around the world. It is said by Mr. McIntosh that it is probable that Lindbergh will not be able to go, but a bill has been introduced into Congress authorizing the expenditure of the money necessary for him to take the trip under government auspices as an Ambassador of Good-will to foreign countries which will be included in the summer tour.

Contact Stimulated
These trips are taken every year by selected students of the United States for the express purpose of stimulating contact with students and organizations in other countries, with the aim in mind of promoting understanding and forbearance as well as being a permanent basis for peace between countries.

The Floating University will arrive in Japan at the time of the coronation of the Emperor, which will occupy twenty days, being a great occasion as the present dynasty goes back to the beginning of known history in direct line of succession.

Dr. Edward Ailsworth Ross, the eminent sociologist of the University of Wisconsin, has lately been added to the faculty. There will be students on the trip from all the Central and South American countries visited by Colonel Lindbergh with the addition of Brazil. It is strongly hoped by those in charge that he will be present to make the unwritten good-will compact between nations more definite.

M. Robinson Now On Chicago Post

Marvin "Scoop" Robinson, ex-'29, former city editor of the Nevada State Journal and night editor of the Sagebrush, is working on the staff of the Chicago Evening Post as copy-reader. Robinson completed all but one of the journalism courses offered in the English department and has had positions on many papers in the state, including the Quartz Mountain Miner, of which he was editor, the Fallon Eagle, the Gardnerville Record-Courier and the Lovelock Review-Miner.

He is the first student of journalism at Nevada to hold a position on a leading Chicago newspaper.

MORE BIRTHDAYS IN FEB. WANTED

If a few more notable people celebrated their birthdays somewhere between the 12th and 22nd of February, probably college authorities would be forced to recognize the fact and grant a week's vacation. St. Valentine certainly started something by being born in February, because the idea evidently appealed to our illustrious patriots, George Washington and Abraham Lincoln. Evidently fame is assured to those who are born in February, and it is the only thing which makes this cold, bleak and wintry month bearable at all.

It is to be hoped that a few more ambitious souls who celebrate their birthdays during this month will choose to do something notable enough to make them famous, and cause college authorities to regard this as a fitting time for a vacation, lasting anywhere from three days to perhaps a week. As it is, Washington, Lincoln and St. Valentine probably feel that due respect is certainly not being shown them.

News Discussion Given by Editor

"How To Gather News" was the subject of an interesting talk given by Joe McDonald, city editor of the Reno Evening Gazette, to the journalism classes under Professor Higginbotham, Wednesday morning.

"Reporters are the life of the newspapers and it is their duty and business to find and cover the news," he declared. He defined the different kinds of news and said that friends are the biggest asset that a reporter has. A discussion followed on a hypothetical question of whether or not a certain story should be printed.

A course to show wives how to feed husbands on 51 cents a day is being given at the University of Chicago.

The only woman freshman engineer at the University of Washington at Seattle, is leading the freshman class of the School of Engineering in scholarship.

College Debates Handled by Frat

That Blue Key should sponsor the management of all inter-collegiate debates in which the University of Nevada participates this year, was decided at a meeting of that organization Wednesday evening. A publicity committee was appointed to supervise the publicity of last night's basketball rally. Members of this committee were: R. McIlwaine '28, chairman; L. Mensinger '28 and D. Ford '29. Bob Adamson '29 was elected treasurer of the Blue Key fraternity. This officer was left vacant by the resignation of Ellis Randall '28.

Former Graduate of U. N. Killed

Roif Brown, a former student of the University of Nevada and a graduate of the school of agriculture in 1922, also son-in-law of J. Claude Jones, professor of geology, was killed early this week when a gun accidentally discharged.

After graduating from the University of Nevada, Brown became express agent at Fallon, and in June 1926 married Alberta Jones '26, also a graduate of Nevada.

Men from the Square and Compass, a campus Masonic organization, officiated at his funeral as pall bearers.

IT'S UP TO YOU!!

It would seem that the University of Nevada is blessed with a number of "Jazz Kings" from the strains arising in the Clark Memorial library last Wednesday. However, it might be well for these few to delve into higher education deep enough to discover that no fitting place for "My Blue Heaven" is to be found in a university library. We don't like to use the word petty but that is all we can think of to adequately describe the spirit that moves them to abuse the privileges of such a study hall. Such "small stuff" is exceedingly out of place.

Between intervals of whistling, giggling, stamping feet and amusing the "girl friend" that few, who are there for God knows what, make it utterly impossible for anyone else to study. Momentary or incidental exchanges of conversation are sometimes necessary and are permissible but that these should think the library a place of courtship or sociability reflects only on their own common sense. If they don't want to study themselves, they should remember that perhaps it is either enjoyable or necessary for others to accomplish a little at times.

There should be no need for policing in our library. It is an institution for our own benefit and it should be our personal responsibility to see that its privileges are not violated. The preservation of order should be up to the student body and personal pride should not only make us keep order ourselves but report any others that fail to do so. It might even be an excellent idea to install a new and useful Nevada tradition, one of seeing that our library be allowed to give its full measure of usefulness to the student body with a suitable penalty placed on the heads of offenders. It might do us good to learn a little self control rather than make it necessary for someone to be forever controlling us.

ROTATING PLEDGES

Last night the fraternities traded pledges for an evening, with what results to be determined.

Certainly if this custom of exchange dinners accomplishes its avowed purposes, it is the best thing yet instituted by the Greek letter men. If they serve merely as material for "dirt" sessions later in the evening they fall short. It is to be hoped, however, that the fraternity men will not care to be branded similar to a "summer resort rocking chair fleet" and will forget the shortcomings to be found in all of us. Then the dinners will serve their purpose.

The intention of these dinners is to acquaint the members of the different groups with each other and bring about a better spirit of cooperation between the fraternities, to do away with that tendency so common among groups of holding aloof from others and to give each man a chance of knowing every other and forming his personal evaluation of that other. This, perhaps more than any other, is their benefit for our tendency to accept the judgments of others for people we do not know is far too keen. On meeting them we are often forced to change our opinions and we often find them exceedingly worth while. In addition to this, a realization of their social responsibilities is thrust upon the freshmen and they are de-freshmanized in direct proportion. If these purposes are carried out, the rotation of pledges cannot help but be a success.

OPPORTUNITIES

Opportunities are many—and many are lost. The best we can do is to try to watch a little bit ahead around the corners

By NOMIAL

EVERY LITTLE PI PHI HAS A METHOD ALL HER OWN—of getting publicity.

If it isn't one thing it's another—if it isn't lamps it's pictures.

REPRINTED BY SPECIAL REQUEST FROM LAST WEEK'S ISSUE OF THE EMINENT UNIVERSITY OF NEVADA SAGEBRUSH: SAVE YOUR MONEY FOR THE PI PHI JITNEY CRAWL FEBRUARY 25. AND HOW!

"See America First," that's what a lot of people we know think. In fact they believe in seeing the view of Reno from the Purdy Highway, not only first, but also second and third, and even on up sixty-seventh and sixty-eighth.

AND OH, YES, WE FORGOT ABOUT THE LITTLE DEAR OF A PLAN THE PI PHIS WORKED UP IN ORDER TO DRAG THE MEN TO THE "CRAWL" and every time we write "crawl" we think what an apt title it is!—GIVING A PRIZE TO THE FRATERNITY THAT HAS THE BIGGEST REPRESENTATION THERE.

Well, of course, as a last resort— BUT PI PHIS ALWAYS WERE MORE ENTERPRISING THAN TRI DELTS—OR ARE WE MAKING ANOTHER MISTAKE?

One of our enterprising little reporters says that Prof. Charlie said he marked an ex 50 pct. on figures, and wants to know if he graded the other 50 pct. on personality.

This was our first inkling of the fact that Prof. Charlie was entering into

Seventy-Seventh Birthday Passed

Stanford University—(PIP)—Dr. David Starr Jordan, chancellor emeritus, celebrated his 77th birthday January 19. Thirty-seven years ago Dr. Jordan became the first president of Stanford University. In 1913 he became chancellor, and in 1916 chancellor emeritus. He is world-known as a writer, educator and scientist, and is recognized authority on biology, economics, genetics and the history of internationalism.

of life and pick up those chances lying so profusely about our way—chances to make the most of what is before us, chances to help others on their way, chances to make better what might not be so good.

Opportunity was accorded an organization on the Hill to give service—to render good to a worthy cause. And Campus Players will not make a mistake when they put forth what talent, what chance they have to help, to the furthering of projects and needs more important than certain of their own, more all-inclusive, more beneficial to all. A. S. U. N. may be proud of having accepted what Campus Players may give them, in view of the hearty and sincere spirit of willingness shown. The new library offers opportunity to students to study—to gain from an atmosphere of culture and beauty. Many fail to appreciate this opportunity—and fail to sympathize with those who give of their best that others may have the best; and crab and kick when they are asked to leave the libe or be quiet.

The state tournament offers opportunities for many things and the convention of Student Body presidents is a worthy measure to take, with evidently beneficial results.

And, the tournament offers other opportunities as yet to be taken or passed by unseen. Contact with High School students may mean a great deal, both to Nevada and to that student who may be striving in his own mind to know what to do—where to go—when high school is over.

We will have a chance next week to greet these visitors with a sincere welcome and a kind regard which may make them feel just a bit more eager to come to Nevada—just a bit more happy with their experience at the tournament—just a little more appreciative of what college life and college people can be and do and know.

It is a chance—and with the other chances—of life, may be missed or may be taken with corresponding good or bad results to all. —E. A. '28.

WE ARE VERY SORRY TO BE UNABLE TO ANNOUNCE THAT THE MUCHLY-PRIZED DESERT WOLF WILL BE LATE. IT'S ONLY A COUPLE OF WEEKS OVERDUE, AND THAT'S HARDLY WORTH BOTHERING ABOUT.

As to covers, it's too bad that the Wolf has weakened. It has covered the ground from gin bottles to valentines in one leap.

Alice—a new little friend—remarks that this problem of broken windows seems to be catching, but as long as the frat houses can use the good old baseball alibi, no incredulous eyebrows ought to be raised.

We hear that Dean Adams intends to compete with the Artemisia beauty contest by placing on display his recently acquired "rogue's gallery" of freshman students, whose pictures were taken during registration. Dean Adams is quoted in this issue as saying that "the PICTURES were slightly better than usual!" Thank heaven the dear Dean didn't have the fortitude to say that the STUDENTS were slightly better than usual. If you want to see a horrible example of what college does (to or for) young America, ask the Dean for a pre-view of your "mug."

'Jever notice how the number of cute little feature stories in the columns of this newspaper increases during the try-out period?

WE HAVE BEEN ASKED TO ANNOUNCE THAT THE CLARK MEMORIAL LIBRARY IS NOT A MUSICAL ACADEMY, NOR YET AN AVIARY. PEOPLE WHO LIKE TO WHISTLE ARE REQUESTED TO MAKE USE OF THE SEMINARY ROOMS.

Latin, Sciences Are Recommended

Austin, Texas—(IP)—Students who prepare themselves to teach Latin, science, or mathematics are practically assured of securing teaching positions, according to Miriam A. Dozier, secretary of the University of Texas. Last year there were more vacancies for Latin teachers than could be filled, and there are never enough science and mathematics teachers to supply the demand for them.

Book Reviews

"Della Demonstrates" is a collection of short stories by Berton Braley, popular short-story writer. Della Dean, demonstrator for the Filigree Biscuit Co., is the main character of these stories and her travels about the country and her experiences provide very interesting material for the different tales. Hers is the role of confidante to all the people in distress with whom she comes in contact. She labels herself "little Miss Fix-it" and travels from one small town to another demonstrating the dainty biscuit that is "as delicious as candy and as sustaining as beefsteak."

These are wholesome light reading of characters that everyone likes to read about, and Della Dean with her slangy talk and winning manners is rapidly becoming one of the most popular modern characters of fiction. "Tarboe" is the latest production of the famous writer Sir Gilbert Parker. On the title page it is headed "Tarboe: the story of a life," and is a fascinating life story of a professional gambler. This gambler is in all respects a perfect gentleman: kind, generous, and honorable except in a card game. As a character, he is quite unusual. To quote the New York Times: "The book is entertaining as the record of an exceptional life."

"Silent Storms" by Ernest Poole is one of the outstanding books of the last few months' publication. It deals with a financier who is forty-eight and a widower. He marries a French girl as his second wife in his hope for happiness.

Soon it is obvious that the marriage is a failure because the differences in their respective temperaments, tastes, and ideals lead to quarrels and unhappiness. The trouble is finally settled satisfactorily, and the man receives partial happiness in this tidy change although his life has been scarred by the failure of his two marriages.

"Gods of Yesterday" by James Warner Bellah, popular short-story writer is a very recently published book and is rapidly gaining great favor. "Gods of Yesterday" is merely a collection of aviation stories written by one who seems to know aviation thoroughly. These tales are crammed with action and suspense and make very interesting reading.

Another book on aviation has been published which from the standpoint of its material is useful as well as interesting. This is called "Aviation: the Story of the Conquest of the Air," by Ernest E. Walker. The book is a brief popular account of the history of aviation told in an entirely non-fiction manner.

Week by week biographies of great men are added to the biographical

K. A. O. ENTERTAIN

Saturday evening, February 18, Kappa Alpha Theta entertained with a house dance at the chapter house at 107 Stevenson street. The chaperones for the evening were Mrs. Roy Terwilliger and Miss Effie Mack.

THETA DINNER GUESTS

Thursday evening, February 15, Kappa Alpha Theta entertained with an exchange dinner. Jeannette Hamilton and Mabel Aljets from the Delta Delta Delta sorority were guests for the evening.

PHI SIG DANCE

Phi Sigma Kappa entertained Friday evening, February 17, with an informal dance at their chapter house on Lake street. Mr. and Mrs. Lawrence T. Shaw were the chaperones of the affair.

FATHERS NITE AT DELTA SIGMA LAMBDA HOUSE

Delta Sigma Lambda observed father's night at the chapter house on Lake street Thursday. The fathers of the fraternity were guests for the evening and songs and stunts were given by members.

DELTA DELTA DELTA FORMAL DANCE

Members of Delta Delta Delta entertained with a formal dinner dance at the Century Club Friday evening. The club rooms were attractively decorated with rainbow colors and candles. The

world. A complete biography of Danton has been written by Hilaire Belloc. According to critics, Belloc has portrayed the power, courage, and genius of the man who is supposed to have directed the bloodiest of all French insurrections, the French Revolution, with unusual power and actual insight. The book is fascinating and well worth reading.

A shorter biography, but one which is said to be one of the most outstanding of the year is "Disraeli" by Andre Maurois, the author of "Arlec." The life of this famous statesman is interestingly told and the book gives an extraordinary accurate picture of the Victorian Age.

patrons and patronesses were Mr. and Mrs. Harry Gosse, Mr. and Mrs. George S. Brown, Mr. and Mrs. Walter A. Shockey and Mrs. Marguerite Stouard. Favors of white gold cigarette cases were presented to the gentlemen guests. The grand march was led by Mrs. Thomas Ellsworth, Tri Delt official from Los Angeles, and Paul Harwood.

DEAN LEACH GUEST AT DINNER

Dean Leach was guest at luncheon at the Delta Sigma Lambda house on Tuesday.

GAMMA PHI INITIATES

Gamma Phi Beta held initiation Sunday, when nine new members were taken into the sorority. The initiates were: Margaret Smith '30, Alyce Couch '31, Elizabeth Johnstone '31, Louise Rawson '31, Edna Clark '31, Cecelia Hawkins '31, Gladys Whittenburg '31, Betty Burritt '31, and Delores Lozano '31.

BETA DELTA GUESTS OF PI PHI

Beta Phi entertained at an exchange dinner Thursday evening, Feb. 16. Annie Twaddle '28 and Maude Fulstone '28, members of Beta Delta, were guests of the evening.

INITIATION BANQUET AT RIVERSIDE

Gamma Phi Beta honored its new initiates at a banquet at the Riverside on Sunday. The rooms were beautifully decorated, and entertainment followed the breakfast. Kathleen Griffin '28, acted as toastmistress for the occasion and Alyce Couch '31, rendered several vocal solos. She was accompanied by Katherine Curieux '28.

GAMMA PHI HOSTESS AT DINNER

Leta Mary Robinson '27 and Lucille Whitehead '31 were guests during the week at an exchange dinner at the Gamma Phi house.

KAPPA LAMBDA INFORMAL

On Friday night, February 17, Kappa Lambda fraternity entertained with an informal dance at their chapter house on University Terrace. The chaperones of the affair were Captain and Mrs. Johnson.

A fountain of youth for industry

Ponce de Leon would not have searched for a tangible fountain of youth if he had realized that youth is an attitude of the mind—that it may express itself in the ardent enthusiasm with which the pioneer undertakes to explore and develop new fields.

To men of the Bell Telephone System the inspiration of the pioneering spirit is a lasting fountain of youth. This

impelling force has already brought about such developments as the modern multiple switchboard, long distance cables and the permalloy loading coil ring.

The telephone needs of the nation grow constantly greater. To meet them telephone men must continue to be pioneers—developing better tools of service and guiding the entire industry to higher levels of usefulness.

BELL SYSTEM

A nation-wide system of 18,000,000 inter-connecting telephones

CHAMPIONSHIP WILL BE FOUGHT OUT WITH ST. IGNATIUS

VICTORY MAKES CHANGE IN WOLVES' LUCK; CHANCES HIGH

For the second time for this college year the Nevada Wolf Pack shook off a persistent jinx and has rallied in a supreme spurt of speed and classy hoop looping to gain an undisputed second place in the Far Western Conference. They will decide who will be champs when they play St. Ignatius, the formidable streak of Gray Fog from San Francisco on the home court tonight and tomorrow night.

Tied Santa Clara
Last fall, though the pack was playing football instead of basketball, it broke away from a jinx when it tied the Santa Clara eleven on Mackay Field, and now in the hoop tilts it has broken that almost unbreakable habit of splitting a set of games with the opponents they met in each case. When they met Fresno and Pacific, they won their game the first night and lost the second night, which will remind the football fans of how they always held the lead in the first half and went to pieces in the second.

When the pack took St. Mary's to a 29 to 19 cleaning last Friday night on the Kesar floor in San Francisco, the deposters grinned their weak grin and asked the enthused fan to wait till the next night to see the Wolf pay dearly for his feast on Galloping Gael. But the second night found the hard fighting Gael on the short end of a 40 to 36 score. The skeptical deposter has quieted down somewhat and he is inclined to wait till after Saturday night to make any broad statements as to who will walk off with the championship.

Outplayed Saints
In the first game on Friday night the pack took the lead from the start and outplayed the five Saints very successfully, suffering mostly from the deadly shooting of Captain Tazer, who insisted on hitting the hole in the hoop from away out on the court somewhere. At the end of the half the score was 17 to 10 with the Pack in the lead. Fouls were very popular in the game and during the contest Nevada made 11 out of a possible 15 points on fouls. In the second half the Wolves added 12 more points to their list while the Gaels were forced to be content with only nine more digits. The shifting zone defense of the Pack tightened down to perfection in the second half and the Saints rarely got the ball under their own basket, while Nevada was able to run the ball thru the opposition for many short shots.

Saints in Lead
In the second game, the start looked bad for the Pack, for the Saints got away to an 8 to 2 lead in the first three minutes of play. It did not take long, however, for the Wolf defense to close up tight and they soon took the lead which they held in an exceedingly rough and tumble half to end up at the long end of a 25 to 18 score when the gun ended the half. In the second half the wonderful eye of Captain Tazer of the Saints kept the Pack on the go to keep the lead, which they did only by two points at times, but they kept it until the end, winning by four points.

Tazer High Pointer
Tazer made 21 of the points for his team, and Morrison came second with a total of 12 points, just equaling his mark of the night before. The same lineup played both games, and these men were: Morrison, Whitehead, Clover, Lawlor, Bailey and Watson. Bailey played his best game of the season in the second game, and the teamwork, though handicapped by the roughness of the game, was the best so far developed this season.

According to the university physician at Ohio Wesleyan, eating is the college student's worst vice so far as his health is concerned.

PART OF THE GREY FOG BANK

Three St. Ignatius stars known to the sporting world as (reading from left to right): Jay Hale, center; Ray Maloney, forward, and Rene Barcelles, guard. These men have been playing consistent ball this year and with Hale and Barcelles with three more years of competition and Maloney two, the Grey Fog doesn't have to worry over future material.

PREP SPORTS

With most of the teams in the state now playing their best brand of ball several very fast and interesting games were turned in over the past week end. Reno High school gained partial revenge on Sparks for an early season victory when they defeated them last Friday by a single point in a very fast and hard fought game. Reno's superior basket shooting turned the tide in favor of the red team after the game was nearly over. Reno making their close-in shots while Sparks missed many opportunities to draw ahead when they missed close shots.

Defeat Wilson Cubs
Wednesday night of this week Reno pulled one of the surprises of the year when they defeated the strong Wilson Cubs by a score of 35 to 37. The Cubs defense was materially weakened by the loss of their star standing guard Poloni but that does not detract from Reno's well earned victory. At half time Reno led 28 to 12 and still had enough energy to stave off a last quarter rally by the Cubs. Curran and W. Leonard played a good offensive

game and Brown and Salisbury looked good at the guard positions. Foster has developed another good team at Reno this year and are one of the favorites of the coming tournament.

Carson High school put a crimp into the sensational Virginia City team by defeating them in a tough game by six points. Virginia has been running rough shod over their opponents lately and were considered one of the dark horses of the state. Three long sensational shots by Rose, the Carson standing guard, turned the tide in favor of the Carson team. Rose besides this played a great game at standing guard and looks to be one of the best men in the state at this position.

Tonopah Win Over Ely
Ray Fredricks' Tonopah "Muckers" turned the tables on the strong Ely team when they defeated them in Tonopah last week end by the margin of a single point in a game that was always in doubt. This revenge was sweet to Tonopah as they earlier in the season went down to defeat before this same team.

Carson High school ran into a snags when they sent their second team to play the rather weak Wellington team. Wellington showed a great amount of fight and fair basketball ability when they won this game by a 16 to 12 score.

NEVADA FROSH WIN COUPLE OF PREP CONTESTS

YEARLINGS OPPOSE RENO AND SPARKS FRIDAY, SATURDAY

The Nevada Frosh defeated Yerington and Gardnerville in one sided contests last Friday and Saturday nights. Friday night in the Yerington game the Yearlings showed their best form of the season. They worked in unison and their basket catching ability was made by accuracy. There were no individual stars on the Frosh but they displayed fine teamwork.

The final tally was 38 to 8. Saturday night the Babes took a backslide in form and were hard pressed to beat Gardnerville 32 to 18. The fray was very even from the start till in the last few minutes the Freshmen took a decided spurt and pulled out on top. This game was a big shock to the many followers of the Frosh after their admirable display of basketball the preceding night.

Wilson Cubs Win
Tuesday night the Babes played the Wilson Cubs in a hardfought contest which ended with the Cubs on the top side by a score of 42 to 29. The Cubs are considered the class of Nevada club teams having taken a practice game from the varsity earlier in the season. The game Tuesday night was a nip-and-tuck contest for three quarters but in the last quarter the Cubs put on a burst of speed and rang the hoop several times.

This Friday and Saturday nights the Frosh wind up their schedule by playing Sparks and Reno as preliminaries to the St. Ignatius-Nevada games. The Wolf Yearlings have had a more or less successful season losing only to Tonopah, Reno, The Goofs, and The Wilson Cubs. However, they won one game from Tonopah and two from the Goofs. This Saturday they will have a chance to wreck their vengeance on Reno.

SEASON FINISHED BY WILSON CUBS

Finishing up the season with a clear slate by defeating the Sparks Lions 46 to 29 the Wilson Cubs recently made good their claim to the championship of the Reno Industrial Basketball League. They have a record of five games played, with no defeats. As champions of the league, they intend to attend the P. A. A. tournament in San Francisco, which begins Feb. 29. The Reno Y. M. C. A. took second place with one defeat against them. A tie is yet to be played off between the Knights of Columbus and the Sparks, which will, however, not affect the standing of any of the teams.

NEVADA HOOP SCHEDULE

- Nevada vs. Olympic Club—Jan. 13, 1928—Olympic Club 36, Nevada 34.

- Nevada vs. St. Ignatius, Feb. 24 and 25, 1928 at Reno.

PADDOCK NOT TO FISTIC BOUTS TO RUN TILL LATER BE HELD BY U.C.

LOS ANGELES, February 24.—Sir Charles W. Paddock, knight of Montenegro and in some quarters known as the "World's Fastest Human," will not compete with his successor to that title at the University of Southern California, Charles E. Borah, at the annual Amateur Athletic Union relay carnival at the Los Angeles Coliseum Saturday. Paddock is nursing an injured leg back into shape and there is a possibility that he will not run during the next month.

Paddock, veteran of two Olympic campaigns, has his mind on a third trip across the pond on his Uncle samuel's money, and he does not want to jeopardize his chances by taking part in any meet before he is in top form. The two Trojan flashes, both during their college career known as the greatest dashmen of their decade, have met once before. After the smoke of battle lifted, the judges decided that Borah had been defeated and that a new world's record had been set for the 100 yard dash. Not over four inches separated the rival speedsters, and it is probable that Borah ran the 100 yards in just as fast time as did Paddock.

Berkeley.—The University of California and the University of Washington will engage in their first meeting in boxing on Feb. 29, according to recent reports. Washington invited the Bears to send a team to Seattle on that date and the invitation was accepted. California will probably be represented by seven men. At the northern school boxing is on the same plane with major sports such as basketball and track and draws far more interest than in California. It was also announced that the Bears will meet Stanford on a date yet to be selected. Other meets for the local team include competition against Davis Farm, there and on the Berkeley campus, the Olympic club and a series of inter-class bouts.

CONCESSIONS WILL BE SOLD BY W. A. A. AGAIN
As usual W. A. A. will sell concessions during the interscholastic basketball tournament. Verdie Fant '30 is in charge of the committee on concessions and she wishes the co-operation of all W. A. A. members. Slips will be posted so that the girls may sign up for periods to help.

Stanford Women Announce Rules

- Stanford University—(P.L.P.)—Revised regulations for Stanford women were recently passed and will go into effect immediately. The principal changes which have been made in the rules are:
1. Sophomore, junior and senior women may have 1:30 leave on Friday and Saturday nights by signing name and destination.
 2. Men may stay in the women's halls and houses until 1:30 o'clock on Friday and Saturday nights.
 3. A woman may enter any men's living group providing another woman is present.
 4. Freshmen women may motor after dark in parties of four or more.
 5. Freshmen women may be out on Friday and Saturday nights until 11:30 for second show in Palo Alto, and until 12:30 and 1:30 for campus dances lasting until 12:00 and 1:00 respectively.

RENO GIRLS WIN SPARKS CONTEST

The girls games of last week-end further complicated the odds of which girl's team will win the cup at tournament time. The outstanding stars was between the Reno and Sparks teams. Reno carried off the honors with a 35 to 23 score. Carson City defeated the Virginia City team and the two other big games between girls teams were cancelled. These were to have been played between Tonopah and Las Vegas and Fallon and Lovelock. It is not safe to bet on just who will win the cup. Sparks beat Tonopah in their last game, Tonopah played Fallon a very close, hard, fast game; Reno has beaten Sparks and was in turn beaten badly by the Fallon team. The women's side of the tournament promises to be a very interesting one.

GIRLS TEAMS WILL BE HOUSED IN ARTEMISIA

During tournament week the six girl teams will be housed in either Artemisia or Manzanita. It is hoped that there will be sufficient room in Artemisia for all of them. The teams will bring their own bedding, the Farm Bureau will furnish the beds, and the sorority houses will provide the mattresses. Both the girls and boys of the different teams will eat in the dining hall at this time.

NINETEEN BOYS AND TEN GIRLS TEAMS ARE TO ENTER TOURNEY

MANY UPSETS EXPECTED IN PREP SCHOOL COMPETITION

DRAWING FOR SCHEDULE WILL TAKE PLACE MONDAY

With visions of cups, basketballs and various other trophies, ten girls and nineteen boys basketball teams from various high schools in the state have signified their intentions of entering the Nevada High School tournament to be held in the University gymnasium from February 29 to March 3. The boys team entering this season fall one short of the number that competed last year and the same number of girls sextettes will play for honors.

The tournament gives promise of being the best yet for there are many upsets of dope in the basketball line expected. There are many dark horses expected and there have been many disappointments in some of the leading teams in the state. Ely has been showing up well in the games that she has played this season losing only a small majority of the games that she has had scheduled and winning over some of the strongest teams of the state.

Virginia City Strong

Virginia City is another team that has been causing the eyes of the keen dopster to open wider. Last year basketball enthusiasm had to be built up in the mining camp and this year the team has been running wild. They are expected to show some of the leading teams some first class dope when they take the floor against their opponents. Coach Herb Foster has his Red and Blue squad from Reno High pepped up with thoughts of taking the Nevada tournament for the third consecutive time. The winning of the Reno squad over the Wilson Cubs, one of the leading amateur teams in the state, gave the team much confidence for the entering of the tourney, but this team must watch the actions of the five from the railroad city for they too have been showing some of the classiest basketball in this section of the state.

Fallon Girls Confident

The dope in the line of the girls basket ball stays just in the same path that it has for the past seven seasons and that is toward the melon pickers from Fallon. As it has once been said, maybe these girls get their experience handling a basketball on the floor from their summer's work in the melon fields. This however must be taken with several grains of salt. To date the Fallon girls have won every tilt that they have engaged in and it looks as if they will have an easy road to the cup for the eighth consecutive year.

Sparks High, runners up in the tournament last year, will be one of the mainstays in the line of competition for the Fallon squad. They have a well balanced and a well trained team this year and have lost only a few of the games that they have engaged in.

Reno Also Favorable

The Reno High girls are looked upon with favorable eyes from the sport dopsters, for they have been playing a pretty fair brand of ball the past season. They are slated to show up well in the coming cage competitions.

There is a possibility that there will be some dark horses among the girls teams entering which include Reno, Sparks, Fallon, Gardnerville, Winnemucca, Lovelock, Virginia City, Eureka, Tonopah, and Carson City.

It is easy for one to see that there will be plenty of competition worthy of note in the teams competing for they represent the cream of the prep school stars in the state of Nevada. The drawings for positions in the bracket will take place Monday and also drawing for the housing of the teams will take place at the same time. The men will be housed in the various fraternity houses on the hill and will take their meals at the University dining hall.

The women contestants will be housed at the two women's dormitories and will eat at the same place as the boys teams.

NOTICE

Last night at the rally, Campus Players were severely criticized for not cooperating with the Rally committee in presenting a stunt which was supposed to have been asked for.

On behalf of Campus Players I wish to state that we are ready to cooperate with any organization on the Campus in promoting any worthy cause.

Had Campus Players been notified through the proper channels that such a stunt was desired, we would have done our utmost to fulfill that request.

JACK GREGORY, Pres.

FRATS PLAN TO HOLD EXCHANGE DINNER WEEKLY

UNDERCLASSMEN TO BE DINNER GUESTS AT OTHER HOUSES

The annual custom of interfraternity dinner exchanges will again be resumed this year. At a meeting of the Interfraternity Council it was decided that a schedule be made immediately and the dinners began last Thursday.

Underclassmen shall be the ones sent to other fraternities. The schedule of exchanges will be published every week in the Brush telling which fraternities shall be represented at each house. The number of visitors will be determined between the house managers exchanging each week.

Purpose of Plan

The purpose of this plan is to bring about a lasting friendship and a spirit of cooperation between men of different organizations. This custom has been in operation for several years and has proved much more satisfactory than other methods of getting acquainted such as interfraternity smokers. The idea of having each fraternity send underclassmen is expected to be especially successful since it gives new men on the campus an opportunity to make friends in other fraternities.

The exchange schedule for next Thursday night will be:

Sigma Nu and Kappa Lambda
Alpha Tau Omega and Beta Kappa
Sigma Alpha Epsilon and Sigma Phi
Phi Sigma Kappa and Delta Sigma Lambda.

FRANER'S MOTHER DIES

Mrs. Sophia Franer, mother of Professor F. W. Franer, of the Education department, died last Saturday at her home in Rockford, Illinois. Funeral services were held Wednesday for Mrs. Franer, who was eighty-three years of age.

Prof. Franer visited her last summer on a trip east.

RESERVE CORP PLANS TO GIVE TWO TROPHIES

INDIVIDUAL AS WELL AS COMPANY PRIZES TO BE AWARDED

Two trophies will be awarded in the basic course of the Reserve Officers' training corps, this semester, according to members of the Sature and Chain, the university honorary military society, who formulated definite plans for purchasing the trophies at a meeting Wednesday night.

One trophy will be presented to the individual in the basic course who displays the best training, most soldierly qualities, and greatest interest in the work. The choice probably will be made by having a competition in the manual at arms and command and leadership.

The second trophy, to be perpetual, will be awarded to the best drilled of the three companies on the field. The method of selection for the winner of this cup may take the form of a parade and examination of the men of the various companies.

In addition, tentative plans are under consideration for the presentation of uniform medals to men who, through ability in marksmanship, have been appointed to the university rifle team.

Plans also are being made to hold a huge military jamboree some weekend this spring, during which all upper-division men and lower-division men interested will get together for a big feed and good time.

Plans are being made by the local organization to affiliate with the national military honor society, Scabbard and Blade, of which General John J. Pershing, and many other men notable in military circles, are members.

GOTHIC N MEETING HELD

Last Friday the Gothic N Society held a meeting to devise a new method of selecting the winner of the Sportsmanship Trophy, and of selecting the all state team.

ATTENTION

Owing to the financial condition of student funds it has been deemed advisable by those in charge of the finances that the lower floor of the gymnasium be reserved for downtown people during this week's basketball series and request the students to sit in the balcony.

Students are also asked to use the west entrance to the gym, that is, the one used by the men's P. E. classes; student body tickets will be collected at this door.

Novel Costumes at D. A. E. Meeting

Dressed in costumes representing various characters from novels members of D. A. E., English honor society, met last Thursday evening at the Theta house.

Before the next meeting which is to be held in the early part of March the grades of tryees will be looked up so that elections to membership may be voted upon.

The Scandal Show will be held next month it was decided, and new committees were appointed for this year's work.

W. A. A. MEMBERS HIKE BEYOND GOLF COURTS

Sunday morning nine W. A. A. members met on the steps of Manzanita Hall and from there hiked to the foothills beyond the golf course where they prepared their lunch. The women hiked ten miles and received ten W. A. A. points.

Plans for another hike in the near future are well under way, according to Edna Ericson '29, hike manager.

ORCHESTRA WILL STAGE CONCERT

The University Community Orchestra will give a Sunday vesper concert in the auditorium of the Education building, March 4th. The soloist for the occasion will be Dorothy Betyea-Post, who will sing a Mozart aria, and the popular "Going Home" song from the slow movement of the Dvorak "New World Symphony." Mrs. Walter Clark will accompany the Mozart number on the piano while the orchestra will accompany Mrs. Post during the latter number.

The instrumentation and personnel of the orchestra is as follows:

Violins—Nathalie Jacobs, Solie Eulasky, Ethel Leonard, Alden Copeland, Grace Hulse, S. A. Lough, Nellie Doyle, Edith West, Ruth Bixby, Phyllis
