#### SENIORS TO PRESENT 'THE PATSY' SATURDAY

##### Wide Fame of Comedy Promises Unusual Production

The last play of the season, the annual Senior play, will be presented to the public April 19, at the Granada Theater, when the class of '28 will give "The Patsy". Widely known and played, "The Patsy", by Barry Conners, has received much acclaim, and the rollicking comedy should be well received according to those who have witnessed the play.

"The Patsy" was first produced in 1926 at the Booth Theater in New York, where it received much praise. Last year it played for thirteen weeks in San Francisco, and twelve weeks in Oakland, and is now in the movies with Marion Davies starring as Patsy.

Resume Given

A comedy in three acts, "The Patsy" is the story of American life of today with Patsy, the younger daughter of the Harrington family railing against the unfairness and apparent neglect of her parents who are decidedly partial to Grace, the eldest daughter. Patsy never gets anything, for Grace makes certain of that, and the elder sister makes life hard for the younger. Finally, in despair, Patsy buys a book which guarantees to teach the reader how to develop personality. It is full of wise maxims and Patsy certainly makes the best use of this book.

One night Grace's fiancée, with whom Patsy is fearfully in love, comes to the house, and, finding Grace gone decides to spend the evening with the lonely Patsy. She confides her troubles to him, and also the fact that she is very much in love with someone. Whereupon the young man begins to give advice on how to capture the man. Everything that he tells her to do Patsy tries on him, and with all the clever retorts and wise cracks which she has gleaned from her precious book, the situation becomes extremely comical, and matters greatly complicated until the final curtain.

One Night Only

The play will be given one night only and tickets will be \$1.00 and \$1.50. The Blue Key Fraternity will aid in the selling of tickets.

The staff consists of Edwin Duerr, director; Joe Garcia '28, manager; Carol Smith '28, settings, and Catherine Curieux '28, music.

Following is the cast for "The Patsy":

Mr. Harrington.....Claire Lemkuhl '28  
Mrs. Harrington.....Isabel Loring '28  
Grace Harrington.....Betty Sue Shaw '28  
Patricia Harrington.....Grace Bassett '28  
Billy Caldwell.....Vernon Cantlon '28  
Tony Anderson.....Jack Tavell '28  
Sadie Buchanan.....  
.....Lucille Summerfield '28  
Francis Patrick O'Flaherty.....  
.....Archie Watson '28  
"Trip" Busty.....Erwin Morrison '28

#### Three to Attend Y. W. Convention

The Y. W. C. A. will hold its regular biennial convention at Sacramento beginning Friday, April 13, and ending the following Thursday. Delegates from Nevada are Mae Bernason '28, Ida Anderson '30, Margaret Mack, Mrs. Raymond Leach, Mrs. Walter Clark, Mrs. Pierson, Mrs. Sidney Morrison, Mrs. B. Bulmer, Mrs. William Moll Case, and Mrs. McCarthy.

This is the first and last convention to be held in the west. From now on they will be located at a more central place. However, a large number is expected to attend from all over the United States and the total will probably reach 8,000 or more. The purpose of the meeting is to form a new and more definite "purpose" for Y. W. C. A., and also to discuss the international industrial question.

Maud Royden, from London, will be the most outstanding speaker at the convention. She has attained much recognition as an international Y. W. C. A. worker.

#### BILL OF ONE-ACT PLAYS POSTPONED 'TILL FALL

The bill of original one-act plays that was to have been presented the latter part of this month have been postponed until next semester because of the shortage of time and numerous other events scheduled before the end of school. The plays to have been presented were "Love is Like That" by Dan McKnight '30, "Fraternity Pins" by Dan Senseney '30, and "Freshman's Freshman".

The prizes for the first two plays will not be awarded to the winners until the plays are produced, and it is planned to present them the first of next semester.

#### GRACE BASSETT

The Senior Play is fortunate in having Grace as "The Patsy."

#### NEW OFFICERS ARE INSTALLED BY CAMPUS Y. W.

#### DOROTHY EATON '29 WILL HEAD ORGANIZATION NEXT SEMESTER

Installation of new officers and the annual advisory board dinner were held last Wednesday by the old and new cabinet members of the campus Y. W. C. A. Services for installation were held in Manzanita Hall parlors immediately following the poetry discussion group, with the new officers taking their places in the association for the coming year.

Y Officers

Those who will lead the Y for the next semester are Dorothy Eaton '29, president; Katherine Priest '30, vice-president; Elizabeth Johnston '31, secretary; Verdie Fant '30, treasurer; Ellen Harrington '29, undergraduate representative; Idel Anderson '30, social-service chairman; Cecelia Hawkins '31, social; Margaret Hartman '29, world education; Ethel Leonard '31, music; Doris Conway '31, freshman; Gretchen Cardinal '30, girl reserve; Katherine Robinson '30, publicity; Clara Tomlin '31, candy booth; Gertrude Blattner '31, meetings; Farrell Smithson '31, cabinet study, and Mae Bernason '28, cabinet advisor.

Advisory Dinner

The dinner given by the advisory board is an annual affair, and is held each year following the installation of new members. The members of the advisory board include Mrs. L. W. Hartman, Miss Margaret Mack, Mrs. Raymond Leach, Mrs. Walter Clark, Mrs. Pierson, Mrs. Sidney Morrison, Mrs. B. Bulmer, Mrs. William Moll Case, and Mrs. McCarthy.

#### BLUE KEY TO SPONSOR EMPLOYMENT BUREAU

Plans for an employment agency to be sponsored by Blue Key fraternity were worked out at the last meeting of that organization on April 4th. This employment bureau will come into being about the 14th of April and will be for the purpose of finding congenial work for students of the university. It was also decided at this meeting that Blue Key would assist the Senior class in selling tickets for the Senior play, this in view of the fact that the Senior class has donated the treasury fund to the Student Union Building. Nevada pennant stickers will soon be placed on the market by Blue Key; these will be suitable for decorations for automobile windshields, trunks, etc.

#### SONG COM. REPORTS

The committee on songs for Senior week met Thursday and report they have several gems already completed. The committee requests that all members of the graduating class brush up on "Nevada, My Nevada," as this song will be featured during Senior week.

#### WINGED O WILL BE SCHEDULED IN FIRST MEET

#### CLOVER WILL BE UNABLE TO ENTER TODAY'S BIG CONTEST

"Doc" Martie and his pack of Nevada Wolves will face a formidable competition on the track and in the field as has appeared on Mackay field for some years when Nevada tracksters open the cinder path season against the Olympic Club team from San Francisco today.

The Winged-O team is out to show its wares to the best of its ability. Many of the all-star squad are now in training for the Olympic games in Amsterdam and every one of the red-shirted athletes will be at his best. Among the men with whom the Wolves will compete this afternoon are Sweet and Barber, two of the most outstanding sprinters on the Pacific coast. Barber is remembered for his excellent records in the century while wearing the blue and gold of the University of California.

In the weights, the club team will enter Gerkin, another former California star who has become famous in coast athletic circles. "Swede" Leistner will furnish the competition for "Tommy" Toyle in the high hurdles and Nevada's red-head captain will have to extend himself very much to keep up with the Californian.

Fuller, Olympic half miler, has been running his race in 1:54 in San Francisco. This time betters Nevada's school record by over six seconds.

In the javelin, Olsen has been heavy.

(Continued to page 3)

#### WOMEN'S GLEE PLANS CONCERT

The Women's Glee Club is presenting a concert-dance, under the direction of Mr. T. H. Post, at the Century Club, Saturday night, April 21. The concert will begin at 8:15. For the program has been arranged several new interesting numbers, consisting of vocal solos, readings and violin solos. Another number of interest is the songs which the newly arranged quartette will sing. The quartette is composed of D. Thompson '31, T. Gerber '30, K. Malloy '29, and A. LeMaire '29. Dancing will begin at 9:30. Between dances several specialties will be given. They consist of a folk song number by G. Leonard '31, clog dances by S. Clark '30, and a group of songs by K. Malloy '29.

The Glee Club concert-dance promises an entertaining evening for all who attend with its varied program and talented members.

Tickets can be bought from any Glee Club girl—patronize them.

#### WOMEN FACULTY MEMBERS MEET

The Women's Faculty Club met Saturday afternoon in the home of Mrs. P. H. Hartman in the Agriculture building and enjoyed their annual guest day.

The hostesses for the afternoon, Mesdames C. W. Davis, W. J. Mithoug, Maxwell Adams, O. J. Mithoug and Misses Jessie Jope and Cornelia Williamson, arranged a most enjoyable program with these interesting numbers which were presented during the afternoon. Readings by Miss Ruth Foster, a group of "Morriss Dances," arranged by Miss Elsa Sameth and executed by Misses Valborg Olsen, Anita Beacas, Ruth Wolf, Mary Weeks, Evelyn Garh, Elizabeth Hammond, Renee Duque, Sara Lee Clark, Genevieve Spencer, and Clark Foster; clog dances by Sara Lee Clark; "Musicals," by Genevieve Spencer; delightful violin solo by Ethel Leonard accompanied by Dorothy Crandall.

Among those present were, Mesdames C. E. Rhodes, W. F. Palmer, Mary McLaren, R. C. Thompson, John Fuller, Brewster Adams, W. H. Hood, Peter Frandson, E. L. Williams, Fred Sawyer, C. E. Pope, E. E. Williams, L. W. Hartman, Estelle Prouty, S. T. Spann, P. A. Lahenbauer, G. M. Wilcox, N. K. Barber, Max Wilson, Lyman Vawter, Cecil Creel, F. C. Murgotten, Rollin McCarthy, Charles Fleming, Warren B. Earl, G. A. Lincoln, Robert Stewart, C. R. Carter, A. E. Hill, F. S. Peterson, J. E. Martie, L. E. Johnson, Eliza Teemster, Russell Boardman, C. L. Brown, J. B. Perraizo, G. W. Sears, Misses Elsie Sameth, Dorothy Crandall and Margaret Mack.

#### Coffin and Keys Annual Running Pervades Quiet of Classrooms

#### 'Landing of Whites' Is Portrayed Through Hectic Battles

#### Nineteen Men Chosen For Honorary Society

Confronted with a surprise attack and battling to a blood-curdling defeat culminating in an orgy of scalping, a band of pioneers and a tribe of red men started the campus yesterday morning in the annual running of Coffin and Keys. The initiates, unrecognized under their coats of grease-paint and resplendent in buckskin and feathers, were nineteen in number: Pete Giroux '28, Tom Tow '29, Elmer Lyon '29, Loyd Moon '29, Allen Crawford '29, Rudolph Blum '28, Jim Bailey '29, Wayne Webb '29, Carol Cross '30, Ralph McIlwaine '28, Frank Bristol '28, Joseph Garcia '28, Hoyt Martin '29, Archie Watson '28, Reynold Hansen '28, Clair Lemkuhl '28, Douglas Ford '29, Robert Adamson '29, Ralph Farnsworth '28.

A huge sign emblazoned with black and gold coffin and keys and announcing the staging of "John Smith's Last Necking Party" at the tram for 11:25 was borne from class to class amid the whoops of the Indians, the firing of guns, and the chagrin of professors.

Coming of Whites

A group of tensely waiting students and professors on the edge of an Indian encampment, was privileged to see the first "coming of the whites" across the blue waters of Manzanita Lake. "Bozo" Watson, as Captain John Smith, was the first to set foot amid the wickiups of Powhatan, represented by two tents warmed by the flickering flames from a receptacle of canned heat.

Immediately falling under the spell of the paleface, Pocahontas, alias Jim Bailey, rescued Captain John Smith from the clutches of the Indians, when Carol Cross, as a high powered twentieth century salesman with a stock of Fuller brushes, precipitated a conflict. Spurred by the doughty captives, however, as soon as listing was of no avail, the vengeful Indian maiden turned against him and the whites, suddenly coming back to life, disappeared in the general direction of the Training quarters, their exchanged gifts of onions and listerine gone to naught.

Coffin and Keys, mens' honorary fraternity, initiates each year at about this time, but this year the number of initiates is greater than usual because of the large percentage graduating. The object of the organization is to bring about better cooperation among the leaders of the campus.

#### NEVADA LOSES CLOSE DEBATE TO PHILIPINOS

#### WOLF TO LEAVE PRESS APRIL 27

#### VISITORS WIN DECISION BY 93 TO 40 VOTE OF AUDIENCE

The audience present at the debate between the graduate members of the University of the Philippines and the University of Nevada given in the auditorium of the Education building last Monday night under the auspices of the Nevada Bar Association voted 93 to 40 in favor of the Islanders.

The question, Resolved, that the Philippines should be granted immediate and absolute independence, was debated on the negative side by Donald Richards ex-'26, Ernest Brown ex-'26, and Emerson Wilson '28. Members of the affirmative side were Teodoro T. Evangelista, Jacinta Borja and Demogracias Puyat.

Staple Government

The Philippines based their argument on the fact that they are at present maintaining a stable form of government and consequently feel able to take over their own destinies. Their objection to control by the government of the United States was advanced by the following question: "Would we of the United States be content if our every law and franchise were revocable by the President of France, and could we be happy if the judges on our supreme bench were appointed by the King of Spain?"

In further objection to our control of their government they maintained that

#### U. N. SONGSTERS WILL SING AT LOCAL THEATRE

#### CLEVER SKIT WILL BE PRESENTED BY TWO TALENTED MEN

The University of Nevada Glee Club will begin a performance at the Majestic Theatre Sunday afternoon which will be repeated Sunday, Monday and Tuesday evenings.

The concert will open with a group of four songs. The first of which will be the "Mackay Song," the second "The Vaiga Boatman," third "Rolling Down Rio," fourth "Invictus," which will be sung by the University quartet composed of Walter Cunningham '29, Don Bernstein '29, Ed Cuyt '30 and Alden Copeland '29.

Second Group

Another group of songs composed of "Kentucky Babe," "Ole Uncle Moon," "Goodbye" and "Hall Proud Nevada" will conclude the program.

Members of the Glee Club who will take part are: Monte Brown '31, Don Bell '29, Horace Bath '31, George Vargas '31, Bob Comant '30, Lawrence Carter '31, Dwight Ewing '30, Ted Beach '28, Leland Sidwell '31, Robert Scott '28, Claire Lemkuhl '28, Ed Cuyt '30, Marvin Humphrey '31, George Petty-crew '28, Dan Senseney '30, Alden Chase '30, Neil Lamb '30, Alden Copeland '29, Walter Cunningham '28, Andrew Hexen '30, Bob Geyer '30, Frances Humphrey '30 and Phil Delongchamps '30.

#### SENIORS OUTLINE PROGRAM PLANS

Senior week plans are progressing rapidly, according to Angus Bethune '28, chairman of the committee, and in a very short time will be complete.

Events already scheduled for the last week, are the Faculty-Senior baseball game, and the Dean's dinner. The annual Senior picnic will take place on Tuesday of that week, which is May 8.

As far as can be determined, Feather River Inn, the place decided upon for the picnic, will not be opened at that time, so at present the committee is planning an excursion around, Lake Tahoe.

A special train will be obtained, and an orchestra will be taken on the boat around the lake. Dinner will be served at the Tahoe Tavern, and in the evening a dance will be held there.

Other events included in the Senior programs, are the Senior Play, "The Patsy," to be given at the Granada Theatre, on April 19; the Senior Ball to take place on April 28, and President Clark's dinner on April 21.

#### WOLF TO LEAVE PRESS APRIL 27

The Spring Fever Number of the Desert Wolf will be out April 27th, according to Elmer Lyon '29, editor of the quarterly.

This issue of the Wolf promises to be the best one featured this semester. The publication has been enlarged to forty pages, and affords many new interests. More material has been submitted than ever before. Thus, a typographical change has been made, permitting more material to be used. Nearly twice as many sketches are shown than in the previous issue, and the Wolf this spring boasts of many new contributors.

Prize winning prose and poetry will be published as a special feature of the Desert Wolf, and the inside cover of the book will be a reproduction of a painting of a Nevada scene by a western artist.

Another feature of interest will be an article on the Western Association of College Comis. (W. A. C. C.) convention held at Seattle, Wash., of which Nevada is proud to say that Herb Jacobs '29 has been elected president of the association for the ensuing year.

Six Italic N's will be awarded before the publication of the Spring Fever Number. These "N's" will be presented to those who have proven themselves the most efficient workers of the staff throughout the year.

#### CLOSE RACES MARK STUDENT ELECTIONS

#### KELLY LYON

"Kelly" has been chosen to lead our Student Body through the coming year.

#### All Records Smashed With Total of 613 Votes

Elmer "Kelly" Lyon '29, was elected to the office of Student Body President of the University of Nevada as the result of yesterday's balloting for the school year 1928-29. Lyon gained the pilot office, however, only after a closely contested race with Clair '29. The winner, with a total of 253, "Dutch" Lemkuhl '29 and Loyd Moon bested his nearest competitor, Lemkuhl, by the narrow margin of 25 votes.

Elmer Lyon hails from Winnemucca, Nevada, and besides his affiliation with many hill organizations has in his three years on the campus held many responsible positions.

This year he has proven himself a popular editor of the Nevada Desert Wolf and a capable representative to the Finance Council.

The vote polled this year shattered all previous records. A total of 613 voters visited the polls during the day, a number which eclipses by nearly 50 the 564 voters who took part last year. This record, it is believed, is the result of the unusual interest shown in the political field and the increase in attendance at the University.

Renee Duque '29, Reno High graduate, won the honor of being the second woman vice-president at the University as this is the second year that the office has been limited to women candidates.

Barbara Horton '30, was elected by a narrow majority to the office of secretary. Carol Cross '30 was chosen to guide the financial policies of the Student Body.

Douglas Ford '29, was elected as Men's Representative to the Finance Control and Kathryn Robison, '29, was selected as Women's Representative. Tip Whitehead '30 and Fred Morrison '31 were chosen as Junior and Sophomore Representatives respectively.

These new officers who were chosen to guide the policies of their classes and of the university as a unit will be installed at the next regular meeting of the A. S. U. N. April 27 by the retiring president, Vernon Canton.

Homer Raycraft and Carl Feutsch, both of the class of '29, were chosen as representatives at large to Publications Board and Laddie Miller, '29, received the position of Yell Leader for the coming year.

Results of the Election

President	
Elmer Lyon	253
Clair Lemkuhl	228
Lloyd Moon	112
Vice President	
Renee Duque	320
Mary Thompson	264
Secretary	
Barbara Horton	218
Alice Halley	155
Gretchen Cardinal	155
Mabel Connor	85
Treasurer	
Carol Cross	407
Russell Garcia	182
Mens' Representative	
Douglas Ford	360
Charles Kitzmeyer	222
Women's Representative	
Kathryn Robison	248
Evelyn Turner	213
Mary O'Neil	117
Sophomore Representative	
Fred Morrison	265
Jack Walthers	218
Joe Macdonald	102
Junior Representative	
Tip Whitehead	367
Dick Hillman	216
Publications Board	
Homer Raycraft	483
Carl Feutsch	362
Both elected.	
Yell Leader	
Laddie Miller	481

#### COMMITTEES BUSY WITH PLANS FOR SENIOR BALL

Plans are already under way for the Senior Ball this year, which will be held the 28th of this month. Hoyt Martin '29, chairman of the committee, is working hard on plans that he hopes will make the dance one to be long remembered. The committee has not definitely decided on the place where it will be held, but they are trying to arrange to hold it in the Country Club. Wherever it is the Juniors are planning to give the seniors a good time to remember when they are gone, according to the committee in charge.

#### OREGON TEAM ENDS TRIP

Oregon State College, Corvallis.—(PIP)—The transccontinental debate tour of the Oregon State team ended last week with seven "no-decision" five wins and three losses. This is the largest trip taken in America by a college debate team.

#### HAGGE VISITS YOSEMITE

Harold P. Hagge, instructor of biology at the University of Nevada, spent the past week at Yosemite Park. While there Mr. Hagge did some work for the Botany department in bringing in some specimens needed.

#### PRES. CLARK MAKES TRIP

President Clark returned last evening from a trip south where he visited the Gardnerville and Yerington high schools. He made the visit in order to speak to the students about the university, that they might become more interested in college work.

### SIGMA NU BALL TEAM DEFEATS S.A.E. BY 5 RUNS

### "BIG BUTCH" LAWLOR IS OUTSTANDING MAN OF BOTH TEAMS

Meeting their toughest opponents so far this season, the championship baseball team of the Sigma Nu fraternity defeated the strong squad of the S. A. E. in an interesting game by a ten to five score. For the first half of the game, it looked as if it was anybody's contest but in the fourth inning the champions connected with a few of the fast thrown balls of Hansen, S. A. E. chucker and pounded out a couple of hits to give them two scores which enabled them to gradually draw away from the close score that was being kept by their opponents.

"Big Butch" Lawlor was at his best and had the merit of the opposing team worried all of the time. Coupled with this almost airtight pitching was his ability to hit. These two characteristics made him the outstanding player of the game. In the fifth frame of the tilt, "Bozo" Watson, classy second-baseman saved the day for his team when he did a combination of a head dive and tall spin to make a pretty catch that would have been disastrous for the winners had he fumbled it.

Hansen pitched a good game for the losers, but was without the necessary support that a pitcher must have to win ball games. Errors were many under him and it was mainly this fact that caused him to lose the game.

By virtue of losing this game the S. A. E.'s drop down to a playing percentage of 500 while the Sigma Nu champs are tied for the top column with the strong Kappa Lambda team, runners up in the intra-mural league last season and the Phi Sigma Kappa nine.

These two teams do not meet in the regularly scheduled games but if both continue at the same stride that they have been going at, they will play some pretty interesting games in the final play off for the title.

### NEVADA LOSES

(Continued from page 1)

Their future economic success depended upon their receiving immediate and absolute independence. Furthermore, they maintained the trade relations between the United States and the Philippines are not fair. Products exported from the islands to the states must be manufactured entirely of Philippine materials, whereas things exported from our country to the islands may be of materials from any source.

In answering these arguments the negative based their objection to Philippine independence on the fact that due to a rising need for markets resulting from the industrial revolution world powers today are seeking undeveloped fields of exploitation and under such circumstances the Philippine Islands could not exist as an independent nation.

Undismayed in the fact of this objection the Philippines went on to show that due to their geographic position they would act as a buffer nation in the center of other world powers. Japan with her need for territory would be the most likely nation to take over the islands, it was thought by the negative, but the affirmative demonstrated the fact that Japan was once offered the Philippine Archipelago for the sum of \$3,000,000 and refused to consider it.

The debate throughout was characterized by brilliant speaking on both sides and it is certain that the men from the University of the Philippines won the admiration of every member of the audience. Their perfection of speech and use of the English language was remarkable. Santos Murillos '28 secured the debate with them.

### Scholarships in Athletics Bared

The participation of winners of Rhodes scholarships in athletics is restricted by a ruling at Oxford University. The extreme age limit of eligibility is 23 years. This rule eliminates ten American Rhodes scholars from participation in athletics this year. It is designed to encourage English athletes to enter Oxford instead of Cambridge, and is a result of the fact that Oxford lost three-fourths of its intervarsity contests to Cambridge last year.

### FENCING CLASS GAINS INTEREST IN HILL SPORTS

### CLASS IS NOW OPEN TO MEN AND WOMEN OF UNIVERSITY

Tuesday, April 10, a meeting was held for those interested in fencing and a fencing club was organized. The club was originally a women's club but as several men stated their desire to participate in fencing also it was decided that a joint club could be organized. The qualifications for membership were a foil and mask and ability to learn. Six men tried out for the club. They are R. Boyden '31, L. Noblett '28, A. Duffy '31, M. Diricho '29, B. O'Hara '31, and W. Edwards '29.

Miss Verrell Weber is coaching the club. If more people wish to join there will be a last chance to try out at the regular meeting of the club next Tuesday at eight o'clock, at which time all regular meetings will be held. The only requirement is to be ready with foil and mask. There will be only one chance to try out each semester.

**Charter Members**  
The original members of the fencing club are Shella Parker '29, Verdi Fant '30, Dorothy Grover '31, and Evelyn Boudette '29.

The class is purely on the outcome of a fencing act put on at the Wolves Frolic last semester, which aroused the interest of several women on the campus. Miss Weber, having had considerable instruction in the art, volunteered to give instructions to those interested.

### Open to Anyone

The class is now open to anyone who will furnish his own outfit and wishes to attend. There is no credit of any sort given, as the group is formed merely to help those interested in fencing gain some knowledge of this thrilling sport.

### Harvard Hazing May Be Stopped

Cambridge, Mass.—(AP)—The going away with all initiation of freshmen at Harvard is being considered following the attack by the Harvard Crimson on the recent antics of the Hasty Pudding Institute of 1770 when it initiated freshmen in Harvard Square. It is being argued that such initiations are too childish and out of keeping with the dignity of the institution.

### A T O'S DEFEAT SIGMA PHI NINE BY 12-3 COUNT

### MANY ERRORS AND LOOSE PLAYING FEATURE CONTEST

Playing a loosely contested game and one that was featured by many hits and many errors by players on both teams, the Alpha Tau Omega baseball team romped all over the Sigma Phi Sigma team to the tune of 11 to 5.

Burkham, Sigma Phi Sigma, started chucking for his team but his pitching was very ineffective and he was relieved by Lawson, only after he had allowed the scoring of six runs by the Tau team. Lawson retired the side without any more scores being made.

**Three Scores Forced**  
Three of the scores were given to the A. T. O. team as a result of Lawson walking three men when he had the bases filled. After this Burkham again went into the box and finished the game, allowing only one score during the time that he was again pitching.

Whittaker was the ball twirler for the Taus for the first four innings. He was very tight with his hits and the Tau opponents gathered only four runs while he was in the box. At the end of the fourth inning he gave over the position to his battery mate, McCollum who finished the game with the "Red Head" Towle backing him up behind the plate. McCollum was rather wild in the first few balls pitched but settled down to steady playing as the game progressed.

**First Win for A. T. O.**  
This is the first game that the A. T. O.'s have won, as they dropped their first game of the tourney to the strong S. A. E. team by a score of 9 to 1. At present the Alpha Taus have a playing average of 500 while the Sigma Phi Sigmas are holding down the cellar position with the Delta Sigs and the Independent baseball players.

### WOMEN TO HOLD TENNIS TOURNEY

A meeting was held by the women's tennis club Monday afternoon and it was decided that a tennis tournament would be held between the sororities, dormitories, and independents. Frances Fuller '31 is in charge of the tournament and further plans will be made at the next meeting of the club.

It was thought at the first of this semester that there would be no spring tennis because of the long season last fall, but as there seems to be considerable enthusiasm for the forthcoming inter-sorority tournament there will be a short playing season. The games will start being played off next week. Only advanced players are to be entered in the playing.

Send the Brush Home.

### Conclusion is Made by Prof Men Have Cat's Manners

Is man a cat and woman a dog, or is woman a cat and man a dog? This is the most recent question brought up by a philosophical discussion group organized among the intellectual coeds of the campus. The purpose of the group is to investigate and solve any problem of vital importance. Just lately determined opposition has arisen among the ranks against the old theory that women have feline characteristics, while men are endowed with canine traits.

After a great deal of serious thought and discussion with one of the professors on the Hill who is also advocating new thought along this line, several arguments have been outlined and decisions reached. Taking it from the standpoint that men resemble cats, and women are more like dogs, the arguments in favor of this statement are as follows:

In the first place it's the cat that stays out all night. It's the cat that howls around alleys and serenades beneath open windows. Could anyone ask for a more masculine habit than this? The dog always remains at home, and if there is any barking it is due to the dog's interest in protecting the family hearth side.

Secondly, the cat never really settles down in a home, but is more or less of a wanderer, and if he does have a home he regards it as a temporary stopping place. Saw you ever a man who hangs up his coat and hat when he comes in? No! He is only waiting for the chance to escape to the neighbor's backyard, (or cellar). Now the dog is a home lover and will curl up in any corner and consider it a dwelling place.

As for vanity and neatness, did you ever see a cat that didn't stop to wash his hands and face and comb his hair several times a day? A neat woman may be neat, but a neat man and a fussy cat are a thousand times more particular.

Cats demand that all attention should be centered upon them. They must be petted and admired every minute, or they become very jealous. Can a man stand to have someone else the center of attraction? Does not the cat love to be petted so as to hear itself purr? Knew you ever a man who didn't like to hear himself talk? And what about the dog? If neglected, he will crawl off in a corner and patiently wait until someone remembers him. A woman knows how to hide her time.

But a cat's fur for the wrong way and what happens? He will flare up and

### GOOD SCORES IN ARCHERY SHOOT

Due to the heavy winds of the past week or so women's archery has been progressing rather slowly. The fair archers are unable to shoot effectively in a strong wind. Although the weather has been disagreeable the girls have been turning out regularly for practice and are making good scores considering their handicap.

**Held Every Day**  
Archery is held every day during the week. On Monday it is held at 10:30, 11:25, 1:15, 2:15, 3:15; Tuesday 1:15, 2:15; Wednesday the same as Monday and Thursday the same as Tuesday; Friday 10:30, 1:15, 2:15. Two different classes are held, a beginner's and advanced.

High scores for last week were made by Becky Welde '31 of the beginners, for highest points, and Gladys Wittenberg '31 of the advanced. Becky Welde made a score of 77, and Wittenberg a score of 94. Welde also lead in the beginners for highest number of bull's eyes, having made three, and Helen

Eight Princeton students are now producing a moving picture for the purpose of showing Princeton undergraduate life as it now exists. The producers expect to show the film in a number of prep schools.

Mann '29 had the highest number in the advanced, having made four.

# Blindfolded in scientific test of leading Cigarettes, James Montgomery Flagg selects Old Gold

Photograph of JAMES MONTGOMERY FLAGG, taken in his studio while test was being made

**How Test Was Made**  
Subject was blindfolded, and, in the presence of two responsible witnesses, was given one each of the four leading cigarettes to smoke. To clear the taste, coffee was served before each cigarette...Mr. Flagg was entirely unaware of the identity of these cigarettes during test. After smoking the four cigarettes, Mr. Flagg was asked to designate by number his choice. He promptly replied, "Number 2," which was OLD GOLD.

## Old Gold

After this test, Mr. Flagg wrote: "Most of us smoke names and think we are smoking cigarettes! The blindfold test proved that to me. It proved also that it is difficult to tell one cigarette from another... except in the case of OLD GOLD... I spotted that... it suited me best even blindfolded. In fact, the man who said 'not a cough in a carload' knew whereof he spoke. It's the smoothness that identifies OLD GOLD. It needs no other trade mark."

SMOOTHER AND BETTER—NOT A COUGH IN A CARLOAD

# Filipino Debater Talks On Native Country Before Nevada Classes

## Claims Illiteracy Not Prevalent Among Countrymen

## Japanese Migratory Movement Said Not Feared

Demogracias Puyat, one of the debaters of the University of the Philippine team, spoke to the History classes of Dean Leach last Tuesday morning enlightening them in a very interesting manner upon the Philippine question and the relative stability of the Islands. The social life of the people was described by Puyat and proved to be one of the most interesting aspects of the whole discussion.

The island, which has a population of 12,000,000, has a comparatively low degree of illiteracy proving in part the capability of home rule by the people. The tribal instinct which we might connect with the Philippine people as a social status is entirely gone, being replaced by a strong feeling of nationalism and patriotism of the inhabitants. There is a closer union among the people and a common understanding than one who has not been there would be led to suppose. Though many tongues are spoken on the islands the English seems to be predominant and understood by all.

One of the reasons why the United States has failed to grant to these people of the Pacific the right to rule themselves, asserts Puyat, is because we are rather dubious about the Japanese and their expansion policy. Will they take over the Philippines once we have withdrawn our hand? Puyat assures us that the Japanese will not immigrate into his country for two reasons, first, because of the climatic and second, because of the economic needs of Japan which are for wool, linseed oil, steel, etc., are not to be found to any great extent on the islands.

The Philippine independence has been assured by every president of the U. S. since McKinley, when the islands were deemed as capable of taking care of their own affairs. Puyat states that the answer to the argument of Philippine independence lies in the interpretation of "capable." Puyat also states that while the feeling in his country is for absolute and immediate independence yet they feel quite grateful toward the United States and especially pronounced is their good will toward the late Gov. Wood.

During Tuesday afternoon Dean Leach, accompanied by Demogracias Puyat and the coach, Carlos P. Romulo, motored to Carson City and there enjoyed quite a lengthy interview with Gov. Fred Balzar and Chief Justice Saunders.

## D. A. E. Initiation Held Last Night

The D. A. E. annual initiation was held at the home of Dorothy Eaton '29 on Thursday evening.

Those initiated were Sheila Parker '29, Evelyn Anderson '29, Sally Bell '29, Mae Abbott '30, Barbara Horton '30, Aurora Belmonte '30, Mazie Ryan '30, and Margaret Smith '30.

## LEAP YEAR STUNT PULLED BY MAZIE

At last it has happened! All the promises of Leap Year are on the way to fulfillment. Of course it had to be a Manzanita Mazie who would set the ball rolling. After waiting patiently for some time, and realizing that the fond boy friend was not going to put in an appearance on a certain night last week, this bold coed took matters into her own hands. If he did not intend to call to take her to the Wolf Den, she would simply call for him. And she did! Straight to the front door of Lincoln Hall went this determined young person. Calmly she rang the door bell, and asked for her truant young man. Needless to say he answered the summons, and escorted by his lady fair, the two of them departed for the Wolf Den.

## CERTIFIED SEED PRODUCES LARGE POTATOE CROPS

### ELIMINATES UNHEALTHY AND DISEASED PLANTS

That certified seed potatoes form one of the most effective means of producing large crops of spuds in the Nevada is demonstrated by the experience of Nevada farmers during the last growing season, according to Thomas Buckman, crops specialist of the agricultural extension division of the University of Nevada.

Many of our potato growers plant seed which is diseased and not vigorous because certain of our most serious potato diseases cannot be recognized in the tubers. A potato can be smooth and shapely and show no interior discoloration, yet serious diseases may be present which cannot be detected even with the most powerful microscope. The diseases mentioned show up only in the vine, and it is the vine that tells the story of quality. Certified seed potatoes come from healthy vines. If any diseased vines show up in a potato field grown for seed during the growing season, they are pulled up and destroyed, leaving nothing but healthy vines in the fields which will produce healthy tubers. Certified seed potatoes contain a minimum of disease and a maximum of productiveness.

The Nevada potato grower will not make a mistake by purchasing certified seed, according to Buckman.

## ENGINEERS TO HAVE SERVICE IN EMPLOYMENT

### EMPLOYMENT BUREAU WILL FURNISH BUREAU CREDENTIALS

The College of Engineering has decided to establish an employment service for the benefit of its alumni and graduating classes.

Thus far it has proposed to have the announcement sent annually to all alumni to inform them that such service is available. Another set of letters will go to employers of engineers, telling what preparation is required of our engineering graduates, and urging them to send notices of openings in their organizations as they occur.

A copy of all such notices will be included in a monthly bulletin which will be sent to any alumnus who indicates by letter the desire to have his name placed on the mailing list.

Upon request, the employment service will undertake to secure from former teachers and employers of any alumnus, letters of reference to be deposited in its files. Copies of these letters will then be sent as directed by the alumnus concerned when application is being made for a new position. Furthermore, if it is desired, information will be furnished by the employment service from the academic and personal records made by the alumnus while an under-graduate at the University of Nevada. All records of the office are to be kept strictly confidential.

There will be no charge whatever for the use of this service. It is hoped that alumni who are themselves employers having openings for engineers, or those who have knowledge of openings, will cooperate by advising the College of Engineering so that they may make the information of benefit to other alumni and the graduating classes.

Prof. McCarthy will be in charge of this proposed plan.

THE PICK OF THE CAMPUS

The pick of the campus. That is what the annual running of Coffin and Keys is alleged to have put through the rites of initiation.

The primary purpose of our school life is, without a doubt, the gaining of an education, but how is the degree of that education to be measured?

In these initiates we find leaders in practically every branch of college life, athletics, literature, scholarship, drama, and service.

GRADE SCHOOL STUFF

The benefits derived from a college education are sometimes overshadowed by the elementary ideas and tendencies of some professors.

The Constitution of the United States is a lengthy document and it takes some two hours to read it intelligently and countless hours to make a perfect copy of it.

The justice of such a demand is doubtful, the benefits to be derived almost negative and the purpose of a college education thwarted by such juvenile retaliation on the part of a man of letters.

A COLLEGE DIVIDED AGAINST ITSELF

The conduct of President Atwood of Clark University in suspending me and my fellow editors presents a problem in criticism.

President Atwood read my playlet, "Bull Session," and said, "The whole thing is obscene." He told me that mine was "a penitentiary offense."

This was the literary opinion, and this the judgment of my mentality, which formed the basis for the expulsion of the editorial board of "The Clark Monthly."

I have remained passive during the progress of the burlesque, bored with its ham acting. Lately, however, three honor men of the senior class of Clark College have resigned...

"The whole thing is obscene," said President Atwood. "Bull Session" is a comedy of the conflict of ideas in the college mind.

It is that confusion of ideas, half formed and malformed, of bewildering impressions, of facts unrelated, which I attempted to imply in "Bull Session."

One character in the playlet I portrayed as the student nihilist. He may be properly defined as one who believes in nothing, and whose distinguishing characteristic is his great spiritual poverty.

The student nihilist is a child of his mechanistic age. Learning of the conditioned reflex, he blithely concludes there is nothing in free will.

From psychology he gathers vaguely that the mind is the nervous system: he learns from biology that the human nervous system is very likely derived from slimy flatworms clinging to the underside of logs and stones.

This is a daring way of thinking gratifying to the young nihilist. Moreover, he can think so easily in this fashion. The trick to it is to consider nothing in life sacred or profane.

This expulsion affair is, after all, merely the surface manifestation of disharmony between not only the student but also the faculty and the president.

The students list among their grievances the following: (1) the Atwood administration exercises a stupid censorship and it aims to steamroller the critical intelligence of the campus;

Mighty little has been happening the last week or so that nobody wants made public; but the COLUMN MUST COME OUT.

WE'LL EMPHATICALLY NOT BE SORRY WHEN THE PRESIDENTIAL CAMPAIGN HAS FINISHED AND SOMEBODY HAS WON.

We did notice something about the A. T. O. Vaudeville show. They said it was a formal; but the idea seemed to be that if only they could provide

IT'S PRETTY DOGGONE SMALL OF THE SENIORS TO INSIST ON MAKING A CONTRIBUTION TOWARD THE UNION BUILDING FOR THEIR MEMORIAL...

In case you don't know it, there's an awful lot of instruction in the art of how not to play baseball going on every afternoon out back of the Dairy building.

The latest news is that our distinguished competitor in the dirt-chasing

instead of to think; and (5) the undue emphasis upon the particular fact in which the president specializes—geography—causes other more vital branches of knowledge, such as biology, to go begging for financial support.

business, the Desert Wolf, is about to issue a Spring Fever Number. We have a few suggestions for that: All the editor needs to do is to hang a Desert Wolf sign on almost any student and send him wandering about the campus—

IT IS NOT GENERALLY KNOWN THAT LAST WEEK'S FRONT PAGE STORY ON THE CO-ED WHO PURCHASED, WITH APPROPRIATE BLUSHES AND GIGGLES, A PAIR OF RUNNING TRUNKS AT A LOCAL STORE...

Imagine the chagrin of two gentlemen on that impromptu S. A. E-Phi Sig picnic at Pyramid Lake during the Easter holidays when they climbed a high rock and couldn't get down.

We always realized that the woman situation on the Nevada campus was pretty serious but can you feature this? Our old ATO "Grandpop" is robbing the cradle again.

This modern age is getting too much for us. In the Sigma Nu-S.A.E. game Wednesday—the Sigma Nu'er catcher, one of the grand old men on the campus—tore his small clothes and his unmentionables appeared to the public gaze.

Speaking of the Easter holidays—we feel that they should be called not Lent—but "hent" if not "broke." Now we can return to our polo playing, watermelon, and steam yachting once more.

Dr. S. W. Reeves of Oklahoma University believes that there are too many self-supporting students.

Who will scout this electrical frontier?

WHETHER in the Bell Telephone Laboratories, in the Western Electric workshop, in the various operating companies or in the American Telephone and Telegraph Company, telephone executives are scouts on the frontier of new and better methods.

BELL SYSTEM

## TAUS COP FIRST PLACE WITH 60 POINTS, LOCALS NEXT IN ORDER

### NEW MEN SHOW UP WELL IN CONTEST HELD MONDAY

### RECORDS UNTHREATENED THROUGHOUT MEET

By ED DUCKER

Presenting a strong team and one that took points in practically every event the Alpha Tau Omega track team walked off with the Inter-fraternity track meet held last Monday by the overwhelming score of 60 points to their nearest competitors, the Kappa Lambdas, who were scored with 18 points. The Sigma Nus took third with 15 points and were decidedly handicapped by the loss of their distance star, Les Clover, who was suddenly stricken with appendicitis Monday morning. The rest of the teams finished in the following order: Lincoln Hall 11 points, Sigma Phi Sigma and Beta Kappa both with 6, Delta Sigma Lambda 5 1-2, Independents 4, Phi Sigma Kappa 3, and the S. A. E.'s trailing with 2 1-2.

There were no outstanding times or marks made but on a whole were better than in the Inter-class meet. To start the day Towle, varsity captain, won the high hurdles for the A. T. O. in 17.8 with Oliver, Kappa Lambda second and Leavitt A. T. O. third. The 100 yard dash finished in the following order: Kellogg, A. T. O., first, and Gilmartin and Hammond both Sigma Nus, second and third, time 10.1. In the shot, Kinnon A. T. O., took first with Brewster A. T. O. second and Hansen S. A. E. third, distance 34 ft. 8 in. In the mile, Lohse, Kappa Lambda, ran a pretty race to win, with Slaughter, his teammate taking second while Levensaler, Sigma Nu took third.

**Ferguson Takes 440**  
In the 440 Ferguson S. P. S. took first in the time of 54.1 with Stodiek of the Hall second, Ligon S. A. E. being shut out on all of the curves finished third. In the low hurdles Towle gained revenge on Bristol, Beta Kappa, who beat him last week, and won in 28 flat; R. Blackmun, Kappa Lambda taking third. Bristol led all of the way until the last hurdle which he hit and cost him the race. In the half mile "Jim" Bailey, A. T. O., ran a strong race to win from Schnorr, Lincoln Hall and Lohse, Kappa Lambda in the time of 2:10. In the discus Kinnon, A. T. O., took first with Towle A. T. O. second and the third place going to Oliver, Kappa Lambda; distance 117 ft. 8 in. In the high jump, Randall, Independent, pulled a surprise by tying with Gilmartin, Sigma Nu for first at 5 ft. 7 in. Rierdon, Kappa Lambda took third.

**Kellogg Wins 220**

In the 220 yard dash Kellogg A. T. O. ran a nice race to win from his teammate Voight in 24 flat, Ferguson S. P. S. took third. In the pole vault, Leavitt A. T. O., and Thompson, Lincoln Hall, tied for first at 11 ft. 6 in. and O'Hara S. A. E. and Smith D. S. L. tied for third place.

L. Bailey, D. S. L., ran to an easy victory in the two-mile with Slaughter, Kappa Lambda, second and O'Dell, Lincoln Hall third. In the broad jump Kline, Sigma Nu, pulled a surprise of the meet to win with a leap of 21 ft. 2 in. Bristol, Beta Kappa was second with Gilmartin, Sigma Nu in third place. Kinnon, A. T. O., won the javelin with a heave of 149 ft. 3 in. Stockton, Phi Sig was second and Bailey, A. T. O. third. In the relay the fast A. T. O. team composed of Kellogg, Voight, Dumble and Johnson ran to an easy victory over the Kappa Lambda team, the only other one that was entered in the race. From a standpoint of excitement this meet offered little as the A. T. O.'s walked away with an easy victory. Several close contests were had and several new men showed up very well.

### FEATURE IN POLE VAULT

Los Angeles--(PP)—The Barnes family is expected to have the pole vault strictly to itself when the University of Southern California and Illinois track teams meet in their contest Saturday. Captain Lee Barnes of the Trojans is already recognized as one of the best pole vaulters in the world, and George H. Barnes of the Illini has done better than 13 feet consistently.

## ONE OF THE BEST OF THE FAR WESTERN

# CAPT TOWLE

Tommy Towle, redhead hurdler for Nevada and this year's captain of the Wolf Pack, will be one of the stumbling blocks which the Olympians must surmount if they are to go home victorious.

## SWIMMING CLASS IS DISORGANIZED

Swimming is called off for the balance of this semester unless fifteen women sign up for it and are provided with transportation. No W. A. A. points will be given for swimming because of the lack of interest shown in it.

For the few lessons that were given at Moana, excellent progress was made in both the advanced and beginning classes. The instructors for swimming were Miss Elsie Sameth and Miss Verrel Weber and for life-saving Mr. Ramier. The classes were held at Moana every Tuesday at 7 p. m.

## U.S.C. LEADS IN BASEBALL

The three games scheduled for the Trojans on their northern trip will just about decide the University of Southern California's chances of a championship in the California Collegiate baseball. These games will be with St. Mary's, Stanford, and California.

The Trojans now lead the circuit with three victories and one defeat. They have defeated California twice, and split even in a pair of contests with Stanford. If this trip is victorious it will just about mean the championship for Coach Saw Crawford's men.

Our Advertisers are University backers; back them.

## KAPPA LAMBDA TEAM DEFEATS DELTA SIG NINE

### GAME IS FEATURED BY A BATTLE BETWEEN THE TEAM CHUCKERS

Last Tuesday afternoon the Kappa Lambdas shut out the Delta Sig 3-0 in a close and hardfought game.

The game was really more or less of a pitcher's battle between "Bud" Woods and "Les" Spinney. Both of these pitchers tossed amazingly good ball considering the early stage of the season.

Neither team could seem to get a break in the way of hits until about the fifth inning when the Kappa

Lambdas led off with a bunch of scratch hits that the Delta Sig should have gobbled up easily and therefore forced three tallies across the pan.

Woods received airtight support from his own team that told when it came time to count the final score. On the other hand Spinney pitched just about as good a grade of ball for the Delta Sig as Woods did for the Kappa Lambdas, but he did not receive the support that such a brand of hurling deserved. Each pitcher allowed only one hit apiece.

R. H. E.	
Kappa Lambda	3 1 1
Delta Sig	0 1 4
Batteries: Delta Sigma Lambda—Spinney and Reynolds, Kappa Lambda—Woods and Morrison.	
Umpires—Barnum and Brown.

## BUD STEVENSON TO BE ATHLETIC MANAGER IN '29

### HAS MADE GOOD RECORD IN CHARGE OF FOOTBALL

Budd O. Stevenson '28 was selected to fill the position of Athletic Manager for the year 1928-1929, at a meeting of the Finance Control committee held Tuesday night. Stevenson will succeed Emory Branch, who held the position this last year.

The position of Athletic Manager is a highly coveted honor and the man who is chosen must have served three years in one of the athletic managerial departments. He must have been general manager of one of the major sports, and have shown himself capable in the handling of athletics.

**Has Good Record**  
Stevenson has been prominent in campus affairs and has a record of activities which show his ability in many lines. He was class president in his sophomore year, and is a member of Blue Key, campus service fraternity, Coffin and Keys men's honorary upperclass fraternity, and the Sundowners. He is a graduate of Reno High School, and a resident of Reno.

He was chosen under the new Athletic Managerial system which was put into effect last semester when it was added as an amendment to the Constitution. Stevenson was Football Manager for the 1928 season, and his successor, along with the managers of other sports will be chosen soon.

The general athletic manager who is a non-voting member of Finance Control will meet with that committee at its next meeting.

## U.S.C. SWIMMERS SEE BIG SEASON

Having won the Southern Division championship of the Pacific Coast Conference in water polo and swimming, the University of Southern California swimmers have entered the University-Club league with the hope of winning further laurels during the spring sports season. Teams in the league are: Southern California, U. C. L. A., Los Angeles Elks, Hollywood, Los Angeles and Pasadena Athletic Clubs, Pacific Coast Club, Deauville Beach Club, Venice Swimming Association and Los Angeles Y. M. C. A.

The Trojans splashed, in their first meet of the year, surprised swimming fans in the conference meet by taking first; the water poloists clinched the championship in their event by beating the U. C. team.

Our Advertisers are University backers; back them.

Alpha Tau Omega	1	1	500
Sigma Phi Sigma	0	2	000
Delta Sig. Lambda	0	2	000
Independents	0	1	000

## DORM MEN WIN BASEBALL GAME

In the last game played before the Easter vacation, the Lincoln Hall nine defeated the Beta Kappa team by the one-sided score of 14 to 5. The game featured many hits by both teams coupled with numerous errors.

The Hall men started scoring early and by the end of the fifth inning had run the count up to 14 to 1. From the fifth inning until the end of the game they were held scoreless.

**Beta Kappa's Rally**  
During the sixth and seventh innings the Beta Kappa's rallied and succeeded in bunching several hits off of Ewing, Lincoln Hall twirler, to score four runs and bring the total score to 5.

Robertson, of the fraternity nine, was outstanding player of his team. Both Brown and Waren of the Dormitory played well.

This is the Beta Kappa's first defeat so far in the tournament, they having previously won from the Independents by the score of 6 to 5.

## BALDWIN, PRIEST ATTEND MEETING

Ellen Baldwin '29, and Katherine Priest '30, delegates for W. A. A. will leave this coming Tuesday for Tucson, Arizona, where the Western section meeting of the Athletic Conference of American College Women will be held. The Western section conference meeting lasts from the 19th to 21st of April, inclusively. This conference meets annually to discuss the different sports and the problems they involve. Every year the president of the W. A. A. goes to this conference and as Ellen Baldwin holds that position now, she is going, with Katherine Priest as second representative of the Hill women's athletic association.

## SMITH HEADS LIST FOR DEMOCRATS WITH REED SECOND

### FORTY-FIVE SCHOOLS REPORT ON TRIAL BALLOTING

Although there are still three or four colleges which have not yet reported their results in the University Presidential poll the elections may be considered practically completed and the results final. The students of the University of Nevada seem to have had the same opinion concerning the candidates as the majority of other colleges. For the Democrats this campus voted as follows: Smith 72, Reed 17, Ritchie 3, Walsh 2 and Donahay 1; for the Republicans, Hoover 107, Dawes 9, Lowden 5, Willis 2, and Curtis 1. Herbert Hoover and Governor Al Smith of New York together polled more than three-quarters of the total number of votes in the country-wide university ballot, which was held by The Independent, a national weekly. Hoover, the present secretary of commerce, alone, with 22,086 votes was awarded almost half the undergraduate and faculty total in thirty-nine colleges and universities. Smith came in only a fair second with 13,534. Reed was runner up to the Democratic leader, with Dawes and Lowden trailing Hoover in that order.

#### 70 Publications

Of the seventy publications invited by The Independent to represent their colleges in conducting the poll, approximately forty-five accepted and of this number all but four or five, who have delayed their reports because of vacations or examination periods, have given their final results. The ten men, five Democrats and five Republicans, chosen to appear on the ballots received in all 49,401 votes, while the total count for all the choices, including a score or more names not generally listed, approached 60,000. Among the "also-rans" were Will Rogers, Albee Semple McPherson, "Big Bill" Thompson, Lindbergh, Norman Thomas, Senator Heflin of Alabama, President Butler of Columbia, and a college professor. It is evident that some student has the gentle art of "red-applying" down to a fine point.

Five women's colleges took part: Wellesley, Mt. Holyoke, Smith, Bryn Mawr, and Connecticut. In all these institutions Hoover was overwhelmingly the winner. A considerable number of votes were recorded for Borah, Hughes and President Coolidge.

The grand total from all the colleges participating is as follows: Hoover 23,445, Smith 14,049, Dawes 3,374, Reed 2,425, Lowden 2,227, Ritchie 1,396, Walsh 1,226, Donahay 518, Willis 429 and Curtis 292.

## Gamma Phi Beta Convention Held

Gamma Phi Beta Sorority is holding its convention for the Western province this week at Stanford University, Palo Alto, California. Mrs. Earnest Barbour, of Evanston, Illinois, national president, has come west to attend the conference.

Three women will attend as representatives of the University of Nevada chapter, Mrs. Ethel Steinhilber Herman, Miss Kathleen Griffin, and Miss Beatrice Ott. They leave Thursday night.

Three will be delegated from the University of Arizona, University of Nevada, University of California, University of California at Los Angeles, Stanford University, and Reno, San Diego, Phoenix, Los Angeles, and San Francisco Alumnae chapters.

Delegates and guests to the convention will attend the English Club's performance of Caesar and Cleopatra, by Bernard Shaw. Saturday evening a Panhellenic dinner will be given by Mrs. Barber and the delegates at the chapter house. Sunday will be spent at Berkeley where the California chapter will hold open house for Mrs. Barber and the delegates.

## FROSH WILL PAINT "N" THIS SATURDAY MORNING

The freshman class held a meeting Thursday to prepare for the painting of the "N" this morning. Committees were appointed to take care of getting the lime, water, and cats. It was decided that the only refreshments this year would be cold drinks for the boys since an account of the track meet in the afternoon, it was desirable to get through as soon as possible. All frosh will meet in front of Manzanita hall at 8 o'clock and all those having cars are requested to bring them.

# Fallon Cream Laboratory Is Highly Praised

## Susanville Asks For Establishment of Similar Post

The Fallon cream weighing and testing station of the Nevada pure food and drugs laboratory has proven so effective that dairymen and creamery operators in the Susanville area are asking that the state of California to establish a similar station there.

Those interested in the dairy industry in the northern California district have been studying the Fallon station and have come to the conclusion that such work would be an asset in their community.

**Only One of Kind**  
Established about four years ago, the Fallon laboratory is the only one of its kind in the United States. S. C. Dinsmore, state commissioner of pure foods and drugs, has received inquiries from practically every section of the country concerning the innovation.

Each month about 550 samples of cream are tested at the Fallon station for butter fat content. About the same number of tests would need to be made in the Susanville territory.

## NEW MEMBERS NAMED W.A.A.

Sport managers for next year were named at W. A. A. Executive meeting held on Wednesday afternoon of last week. After suggestions for appointments had been made by this year's managers, the following selections were made by the committee: Hockey, Sheila Parker '28, and two assistants, Nancy Heizer '31 and Helen Mann '30; soccer, Jane Eaton '30; volley ball, Florence Mitchell '29; rifle, Edna Ericson '29; basketball, Precious Nash '30, and one assistant, Becky Welde '31; baseball, Katherine Priest '30; archery, Evelyn Gault '30; hiking, Frances Fuller '31, and Aurora Belmont '30.

The appointment of the new tennis manager was delayed until the next W. A. A. meeting.

## Easter Egg Hunt Is Held Sunday

Anyway, some people still believe in keeping their youth. This we know from the fact that an exciting Easter egg hunt took place on the Campus early Sunday morning. Everyone at Manzanita and Lincoln halls who were fortunate enough to go home for the vacation arose bright and early to look for the eggs left by the Easter "bunny." Every nook and cranny below the tram was diligently searched, and great was the rivalry between the occupants of the two halls. As was to be expected, one of the men found most of the eggs, and he triumphantly bore his booty home.

Seven students of the University of Oklahoma have been suspended for the remainder of the fall semester for the violation of university conduct rules.

# E. FARRINGTON RESIGNS FROM FEDERAL BENCH

## RETIRING JUDGE MAY BE SUCCEEDED BY FRANK H. NORCROSS

Nevada students need no greater incentive to do great things than a glance at some of this institution's old grads, and the things they have done and are doing. Recently the papers have had a great deal to say concerning two men, and the University of Nevada is proud to say that it has a claim to both.

Edward S. Farrington, who for 21 years has been in federal service, as a district judge, has announced that he will retire, due to advancing years. It was in 1883, while the University of Nevada was located at Elko, that Judge Farrington, a graduate of Amherst College, became connected with the college. At that time Mr. Farrington was made principal as a successor to T. N. Stone. The situation which faced Judge Farrington was a difficult one, due to the large number of subjects and of classes to be taught by one man, but it was handled in his usual efficient manner. To quote from the History of the University of Nevada on the subject, "Had he (Judge Farrington), continued to teach, his service to the State in education might have been as great as it is since he has been at the bar and on the bench."

#### Norcross Successor

Following the announcement of Farrington's retirement there followed a great deal of discussion concerning his successor, with the name of one man, Frank H. Norcross, standing out prominently as a possibility. In the year 1881, as one of a class of three—Nevada's first graduating class—Frank H. Norcross received his B.A. degree.

With the recommendation of Mr. Norcross by Senator Oddie, and the nomination by President Coolidge there yet remains the U. S. Senate's confirmation of the office. Due to the many and hearty endorsements which Norcross has received throughout the state there remains little doubt that he will be Judge Farrington's successor. There is no doubt, too, that Mr. Norcross is well qualified since for twelve years he served as a Justice of the Supreme Court of Nevada, and he has always been prominent in state affairs. Once more Nevada is proud of her sons!

#### MANY ARTICLES FOUND

In the lost and found department in the education building, there are a great many pairs of women's gloves, and also a beautiful pair of men's fleeced-lined kid gloves. The owners of these gloves would probably be glad to know where they are and Miss Williamson says that she will be glad to clean out the drawer containing these articles. Recently a handsome leather cigarette case was left in the auditorium and this also will be turned over to the owner upon identification.

Send the Brush Home.

**When your mind balks at "figurin'"—**

If yours is a mind easily confused by interstellar distances, infinity of space, light-years, weighty statistics—forget the ponderable fact that Camels lead today by billions. Just light 'em . . . smoke 'em . . . revel in their fragrance. Watch your barometer swing to "fair and cooler"—and let your smoke-sense tell the tale of Camel supremacy!

# LOVERS' SPLASH DISTURBS SWAIN

A moonlight night in April, a canoe on Manzanita Lake, two palpitating hearts, and what have you? A romance of course. The swains must have been quite indignant at seeing their solitary domain thus usurped. Gliding through the rippling water, the occupants of the canoe probably smiled at the thought of those on the tram. It's a good thing that the trams didn't know what they were missing, and a better thing that there weren't any more canoes within easy reach, else Manzanita Lake would have been jammed with paddling fans, and not the kind found at the rear of the Aggie building either.

Alas! This romantic evening had a damp ending, for it is rumored that the canoe tipped over, if two people on the campus have had suspiciously cold this last week—There's a reason!

# POLITICS BANNED BY NEW REFORM

Los Angeles—(PIP)—Curt-throat fraternity electioneering will be restricted and wholesome student political discussion will be encouraged in the spring Associated Student and class elections, at the University of California at Los Angeles, if present political reforms are put into effect.

Last-minute telephone campaigns, the great source of nuisance in student elections here, will be outlawed as "of no value to the candidate for office and a great menace to campus decorum."

Careful check will be made on polling booths and those in charge as the result of the A. S. U. C. election scandal of last year. No electioneering will be allowed on the campus proper.

#### HOME EC MEETING

On next Tuesday night at 6 o'clock dinner will be served in the Agriculture building for the members of the Home Economics Club. This will be the last meeting of the year. Pins will be presented to those who have won them and officers will be elected for next year.

# ANNUAL PAGEANT UPPERCLASSMEN TO SIGN PLEDGE

"The Consecration of Sir Galahad," the annual Y. W. C. A. pageant, was presented this year on Easter Sunday morning at 9 o'clock on the quad.

The theme of the search for the Holy Grail was allegorically represented. The colorful pageantry of this idealistic tale was supported by a quartet of brass instruments under the direction of Prof. Theodore Post. Miss Rena Semenza sang charmingly.

The cast consisted of: Clyde Souter, Berry McAnnally, Wilma Fitzgerald, Thelma Fray, Alice Wigg, Alice Allenbach, Beatrice Figow, Phyllis Steinhilber, Clifton Rice, Betty Seeds, Frances Barnes, Evelyn Garaventa, Mary Fulton, Carlisle Morris, Ethel Williams, Margie Rafter, Rose Zannin, Mildred Hay, Aileen Johnson, Marie Morgan, Olive Sarrett, Jean Richardson, Evelyn Keegan, Ruth Bixby, Loreta Donovan, Gertrude Nelson, Ellen Olsen, Gwendolyn Pierson, Thelma Threlkel, Elizabeth Johnson, Margaret Kornmeyer, Claire Kirchner, Gwendolyn Ramsey, Marie Burns, and Jessie Gulling.

The pageant was directed by Mrs. C. M. Southward, assisted by Miss Van Every.

#### DATE FOR HIGH SCHOOL HOME E.C. MEET CHANGED

The date for the High School Home Economics contest which was previously set for May 3, 4 and 5 has been changed to April 26, 27 and 28 by Miss Ruth Talbot, instructor under the Smith Hughes Act.

The names of the high schools which are sending teams are already in, but the list of the individual girls will not be complete until the week preceding the contest.

# No Soliciting

Bona fide proposition backed by a reputable and one of the liveliest organizations in Reno. An opportunity for students to make real money during spare time. Ask for Mr. Johnson at 829 N. Virginia St. between 6 and 7 p.m.

# UPPERCLASSMEN TO SIGN PLEDGE

The Union Building Committee is getting out pledge cards to be given to members of the present Junior and Senior class. At the next class meetings of these classes, the members will be asked to sign the cards. According to the plan, which will be put in effect next year, all students on registration will pay to the comptroller \$2.50 each semester which will go to the Union Building Fund. All Juniors and Seniors will pledge at least the amount which next year's freshmen will ultimately give in their four years on the campus. At the rate of \$2.50 a semester this will amount to \$20 for four years.

As the Juniors will be here next year, and will pay one year's amount

towards this fund, they will be expected to at least pledge an amount equal to three year payments to the comptroller, or \$15.00. By this means, all members of the student body who voted on this plan will be sharing in the expense and it will thus be evenly distributed.

Loans amounting to \$5,535 were granted to 50 students of the University of Washington during the fall quarter.

A student was awarded a cast iron loving cup when he was pronounced the homeliest man in Chicago University.
