SENIOR WEEK IS PLANNED TO BE IMPORTANT TIME FOR GRADUATES

PLANS CALL FOR SPECIAL
EVENT IN TAHOE
PICNIC

DINNER WILL BE GIVEN
AT CENTURY CLUB
WEDNESDAY

Senior Week this year gives promise of being a big event if plans now practically completed are fully carried out. Although the Senior play and the Senior ball are to be given Friday and Saturday nights respectively, the actual opening of the last week for graduating students does not start until Monday.

What gives promise of being the biggest event during the seven days of celebration is the Senior picnic on Tuesday. Plans call for a special train leaving the Southern Pacific station at 8:00 A. M., special boats around Lake Tahoe during the day, a return to Lake Tahoe Tavern for dinner and an all night dance, then the return to Truckee and thence home to Reno. Arrangements for the excursion are in charge of Hal Overlin and tickets can be secured either from him or Milt Taylor.

Century Club Dinner
Wednesday evening, President Clark and the Deans will entertain the graduating men at a dinner at the Century Club starting at 6:30. As is usually the case President and Mrs. Clark entertain the graduating seniors at a banquet together. This year, however, Mrs. Clark has joined with Dean Mack in giving a supper to the Senior women which will be held at the Golf Club starting at 6:30 on Wednesday evening.

Thursday the Seniors will hold their annual pilgrimage around the campus and speakers from the class of 1929 have been selected to talk at the various places on the campus to be visited.

A. W. S. Tea
Friday and Saturday of Senior week are not as yet filled with any general senior activities. The American Association of University Women may have their picnic Saturday for the senior women while the A. W. S. Tea, given in honor of the parents of the graduates will be given later in the afternoon of the same day.

Baccalaureate Sunday
Sunday will be given over to the Baccalaureate exercises which start at 10:00 in the morning. The final and great day for seniors is Monday at which time commencement exercises will be held, the Gold Medal will be awarded, and various other scholarships will be announced. Both baccalaureate and commencement programs are under the charge of President Clark.

Corner Stone of New A. T. O. Home Is Laid Monday

Talk Is Given in Honor
Of Founder of
Fraternity

With the laying of the corner stone, Delta Iota, local chapter of Alpha Tau Omega, dedicated its new home on University Terrace, Monday afternoon, in memory of the founder of the fraternity, Judge Erskine M. Ross and the ideals for which he stood. Alpha Tau Omega is the first fraternity on the Nevada campus to build its own home and when completed the building will be a three story structure, modern in all respects.

Following the singing of a fraternity song by members of the order, Thomas Buckman, assistant director of the agricultural division of the University of Nevada, spoke, as an alumni, on the ideals of Alpha Tau Omega. He stressed loyalty, both to the University and to each other, and themselves, and pointed to these ideals as being "stepping stones to the future."

History Given
Next to Mr. Johnson, a member of Phi Delta Tau, which later became Delta Iota of Alpha Tau Omega, gave a brief history of the fraternity from its organization in 1915, when five freshmen banded together in what was known as "The Five Dirty Towels." "The policy of the fraternity has ever been," according to Mr. Johnson, "to grow slowly."

In speaking on the construction of the present new home Mr. Johnson lauded the "old stick-to-it spirit," which he said, "has been largely responsible for making the present undertaking possible."

The ceremony, which was open to the public, ended with a prayer by Dr. C. E. Thompson and the singing of "U of N O Gay."

CAPTAIN JACK KELLOGG

CAPT
KELLOGG

Leads His Team Toward Their
Fourth Conference Championship
Tomorrow

Nevada's track captain, who has aided very materially in the advancing of the Pack's chances for victory for the past three seasons. His loss will be felt in tomorrow's meet at Davis.

Graduating Services of Senior Class Will Begin With Baccalaureate, May 12

Services to Take Place
In Gym Sunday
Morning

Dr. Thomas E. Green Is
Commencement
Speaker

Baccalaureate services for the 1929 graduating class of the University of Nevada will take place Sunday morning, May 12, at 10:30 in the University gymnasium. The services will be presided over by the President of the University and will have as its guests of honor the veterans of the General O. M. Mitchell Post No. 27 of the G. A. R., the members of the Women's Relief Corps, the officers of the Veterans of Foreign Wars of Thomas H. Barry Camp No. 7, the United Spanish War Veterans and the American Legion.

Processional March
Opening the services will be the Processional March, "Pomp and Circumstance," by Elgar, accompanied by the University Community orchestra, led by Professor Post. Following this Professor Post will sing "Jehovah" from "Occasional Oratorio" and Mr. H. B. Ripson will render a cello obligato.

Dean Allen Jacobs, of the Episcopal church, will then read the Invocation, followed by the reading of the scripture by Rev. Brewster Adams.

Accompanied by Don Bell '29, the Men's and Women's Glee clubs will sing the anthem, "Pilgrim's Chorus" from "Tannhauser," by Wagner.

Rev. Lawrence A. Wilson of Mission Hills Congregational Church of San Diego, has been secured to give the sermon of the day. After which those assembled will sing the hymn, "O Worship the King," accompanied by the orchestra.

In concluding the services the Benediction will be given by Rev. P. H. Willis.

Awards to Be Made
Prof. J. A. Carpenter, Chairman of the Committee of Scholarships will make scholastic awards as well as awarding the Gold Medal for the 1928-29 school year.

The administering of the civil oath to the candidates of baccalaureate degrees will be done by Chief Justice A. E. Ducker, of the Supreme Court of Nevada.

Conferring of degrees and the presentation of diplomas will then be done by the President of the University.

Dorothy Belyea-Post will then offer a soprano solo, "Ah! non Credea" from "La Sonnambula" by Bellini.

Concluding the exercises Rev. A. J. Case, of the Methodist church, will render the benediction.

Glee Clubs Finish Music Week Plans

National Music Week will be observed on this Campus by the music organizations under the direction of Prof. T. R. Post. A program has been arranged which includes members of both the Men's and Women's Glee Clubs, and the University Band. Individuals and clubs will render selections, and at the close of the week, May 8, a short joint program will be held at the Education Auditorium at 11:25.

Nevada's Largest Student Number To Get Advanced Diplomas Named

But 68 Degrees Have
Been Granted
In Past

Successful Candidates
Will Be Announced
Later

Examining the largest group of students ever to apply for master's degrees at the University of Nevada, in any single year, the examining committees for the various individual students is scheduled to have completed examinations on all students today. Announcement of those students passing the requirements will be made at a later date. According to Dean Maxwell Adams there are a few of the applicants for the advanced degrees who have been asked to complete some technical points in their graduate work before being eligible for their diplomas.

Largest Group
This is the largest group of Nevada students to ever apply for advanced degrees within a single year and is more than the total number making application between the years 1910 and 1920. In the entire history but 68 degrees have been granted and this year's applicants will add one-fourth of this total number in a single year. Reasons given for the increase in students taking this work are said, by Dean Adams, to be the result of the offering of more courses and facilities from which the graduate student may select.

Candidates
Following is the schedule of examinations held for candidates for the Master's degree.
Apr. 29—Anita Beccas, Candidate; Major in Spanish, Minor in History; Room 102, Stewart Hall, 4 P. M.; Committee: Dean Stewart, Messrs. Messrs. Church, Haseman, Sutherland, Wilson.
Apr. 29—Verna Paterson, Candidate; (Continued on Page 3)

HOME EC ENTERTAINS
Last Wednesday, the Home Economics senior women served a luncheon for the chemistry department in the Home Economics rooms. Twenty-four guests enjoyed the affair which was given in honor of Prof. W. A. Noyes.

Wolf Tracksters Leave for Far West Conference Contest at Davis

Fighting Pack Hopes
To Take Fourth
Championship

Captain Kellogg's Illness
Handicaps Nevada's
Chances

With Captain Jack Kellogg definitely out of competition for the rest of the season, due to illness, and favored by only an outside chance to repeat in taking championship honors, twenty fighting Nevada track men, under the leadership of Coach "Doc" Martie, left Reno last night for Sacramento, and the Far Western Conference meet to be held there tomorrow.

Handicapped by poor training conditions, coming from the blustery weather which has been prevalent all during the season, the Wolves have never been able to come into their true form, and with only the past three days of ideal weather behind them, do not expect to take more than second place, according to Coach Martie.

Martie Tells Chances
In speaking of Nevada's chances to win another conference championship this year, Martie said that there was a bare chance, and picked Fresno State as the winner. He said that the staters would probably take points from his men in jumps, 440, 880, the hurdles, distance runs, and the sprints. With other teams slipping in markers in the field events, Nevada's chances do not seem bright.

Notwithstanding the somewhat gloomy attitude taken on the affair by Coach Martie, Nevada backers are looking forward to the twenty Wolves to bring home the bacon in taking the Far-Western conference championship for the fourth successive year.

Students Optimistic
They point out that, in spite of the poor weather conditions, Nevada athletes have always been far out in front of the rest of the conference schools, and with any kind of an even break, cannot fail to put over a win.

Without Kellogg in the dashes, Nevada will be represented by Ken Robinson and Neil Scott, two of the fastest men on the coast. Both are consistent point getters, and have turned the century under ten flat. With no other conference teams putting out men fast enough to cut ten seconds, the sprints seem to be well taken care of.

Probably Second Place
While little can be said as to the outcome of the quarter mile Nevada seems assured of at least a second place in this event, with Cecil Martin present holder of the state record, turning in a good 53 consistently. Wilson, his team mate, always manages to give him a close race, and this should give the Wolves another marker.

As for the hurdles, Fresno appears to have won in both highs and lows clinched. The Fresno timber toppers have turned in better times this season than have Nevada's. But anything may happen, and if the Wolves do not take a first here, they can be assured of seconds and thirds.

Salisbury and Schnoor take care of the 880 for Nevada in good fashion. (Continued on Page 5)

Blue Key Names 1929-30 Officers

Formal Initiation Held
At Fior d'Italia

Formal initiation of the newly elected members to Blue Key, national service fraternity, was held Wednesday evening at the Fior d'Italia cafe, when fifteen new members were officially sworn into the group. The new members are Thurber Brockbank, Alvin Lombardi, Orville Moyes, Alan Bibbe, Joe McDonnell, John Walsh, Al Davis, Hoyt Martin, Ted Beach, Al Randolph, Dixie Richards, Dave Burns and Tom Towle. Kelley Engle of Carson and Bob Farrar of Reno were also taken in as honorary members.

Brewster Adams and Silas Ross, both of Reno, members in the fraternity were present and gave some very interesting and constructive ideas in their talks to the group.

At the Wednesday night banquet, the last meeting of the year, election of officers was held and resulted in Russell Garcia being named as president, Ralph Adams vice-president, Stanley Lehigh, secretary, and Joe McDonnell, treasurer.

Treasurer's Statement

Balance April 30.....	\$1,599.31
Outstanding	225.95
Present Balance	\$1,373.36
This balance includes \$398.15 in class and publications money and \$236.50 remaining in Block "N" fund.	
Respectfully submitted,	
CAROL W. CROSS,	Treasurer.

SIGMA SIGMA INITIATES

Sigma Sigma, national Home Economics honor society, held a meeting in the Home Economics rooms Wednesday evening. LaRue Snow '29, was initiated into the organization.

DON BERNSTEIN

Don will again prove himself one of Nevada's most talented players at the Senior play this evening, after having been on tour with the rest of the cast for the past week.

President Cross With Kelly Lyon Will Attend Coast Convention May 8

Berkeley To Be Host
During Senior
Week

Thirty Delegates Will
Be Present From
15 Colleges

The University of California will be host to the Pacific Student Presidents' Association at Berkeley during senior week, May 8 to 11, with Kelly Lyon '29, this year's A. S. U. N. president, as presiding officer. Ursel Narver, of Oregon, president of the National Student Federation, will give a talk at the opening of the meeting on the National Convention held last year at Missouri.

Kelly Lyon will leave for Berkeley on Monday evening and Carol Cross '30, student body president, will also attend, leaving here Tuesday evening.

Thirty Delegates
There will be thirty delegates present including present and incoming executives of student bodies from fifteen colleges in California, Oregon, Washington, Montana, Idaho, Utah, Arizona, and Nevada. Problems confronting students' associations at the present time will be discussed and a means discovered to further co-operation with national and international associations.

The delegates will take in as much of Senior Week at the University of California as possible although it will be necessary for Nevada's delegates to return home early in time for commencement since Lyon is of the graduating class and Cross will be marshals of the commencement day exercises. Special reception committees have been appointed by Chester Zinn, president of the University of California student body, to provide entertainment in the nature of dances and sports. A formal dance at one of the bay region country clubs has been arranged for the delegates on the first night of the Convention. A banquet has been planned tentatively for the night of May 11 as a concluding feature of the Convention.

Elected President
Last year Lyon attended the convention in Missoula, Montana when he was elected the president of the P. S. P. A. He was accompanied by Edwin Duerr, dramatics coach, as a guest delegate. They made the trip by automobile.

The purpose of the P. S. P. A. is to give student executives a general cross section of conditions in student bodies of western colleges, and by a combination of ideas, to help them better conditions in their own schools. Each student president presents the problems of his school and they are discussed in open forum, an attempt being made in all cases to offer constructive criticisms and suggestions.

The P. S. P. A. was conceded the strongest in the country at the National Students Federation at Columbia.

Owing to the small number of schools, and the small size of individual problems, they are able to enter their schools in a more personal way than they can in the east, and the small group of only thirty delegates facilitates the carrying on of discussions.

The delegates will be housed in the new men's dormitory recently completed at California, where in order to aid them in making closer contact, they may discuss their individual problems between meetings.

Senior Players To Finish State Trip with Show At Local House

Players Well Received
At Nine Stops Made
During Tour

Entire Cast And Staff
Journey Together
By Bus

After an unusually successful statewide tour the senior class is now ready to present "Take My Advice" for the benefit of Reno theatre-goers at the Granada this evening. For the past week, the actors and managers have toured the state in a large bus carrying all of the stage properties required. Nine matinee and evening performances were presented. The tenth and last performance tonight promises to be the smoothest and most nearly professional ever given by a campus group.

The play has been an unusual success wherever presented and brought out large houses in all of the towns where it played during the past week. The plot deals with the troubles of a typical American family in which every member has a different failing, whether it be love, oil stocks, or fortune telling. Every character is humorously individual with Bud Weaver, the seventeen-year old son, vying with Ma Weaver and Pa Weaver for comedy honors. Every situation is screamingly funny and the complications and laughs increase in number and size as the play draws to a side-splitting climax in the last act. The audience is hardly given breathing space between laughs, and the strain on the spectators' side is terrific. "Take My Advice" is guaranteed to turn that smile into a chuckle and then to a hearty laugh, finally winding up in a prolonged spasm of side-splitting laughter.

The senior class was very fortunate this year in being first amateurs able to obtain rights to such a recent comedy and have scored a big "scoop" over larger amateur companies in the country. The expense and effort have been greatly worth while however, judging from the success that has greeted the senior players throughout the state. Every town has been lavish in praise of the excellent performance presented and are confirmed in the belief that the statewide tour will take on even larger pretensions in coming years.

Hoyt Martin, Don Bernstein, Romayne Foley and Jack Gregory will be seen in their last Campus production this evening and they promise to give the finest performance that they ever have given in their four years in college. Ted Beach and Dale Lamb are new to campus audiences, while Evelyn Anderson and Peg Smith '30 have been in several other productions.

The complete cast of the senior play is as follows:
Bud Weaver Hoyt Martin
Ann Weaver Peg Smith '30
Jim Thayer Ted Beach
Harry Van Kind Dale Lamb
Joseph Weaver Jack Gregory
Mrs. Weaver Romayne Foley
Bredley Clement Don Bernstein
Marella Scott Evelyn Anderson
The managerial staff which made the trip is composed of the following members:
Director Edwin Duerr
General Manager Robert Adamson
Setting Tom Wilson
Stage Carl Feutsch

Last Meeting for A. S. U. N. Staged

Selection of next year's Homecoming Day chairman and appointment of the next year's men's upperclass committee were the high lights of the last A. S. U. N. meeting held by president Cross. Stanley Lehigh '30 was appointed chairman of Homecoming Day on the recommendation of last year's committee.

The following men were named for the upperclass committee:
Joe De Reemer, Frank Sullivan, Lenard Sledge, Jake Lawton, Walt Seigel, Bill Herbert, Norman Farrell, Melville Hancock, Bill Ligon and Orville Moyes.

It was also voted to amend the constitution so as to have the candidates for the various A. S. U. N. offices put down alphabetically on the ballots.

A short talk and demonstration of the new dial system by Prof. Palmer and Miss Thorne of the Telephone Company ended the meeting.

ATTENTION
In order to charter the boats and the special train for the Senior Picnic one hundred people have to sign up. As a canvass of the Seniors shows the total falling a way below this figure all students are invited to attend.

Anyone may get his tickets from Hal Overlin or Milton Taylor for the small sum of \$6.25, which includes all luxuries.

New Officers Are Named by Greek Tongs on Campus

Frats And Sororities Select Next Year's Leaders

Greek organizations on the Hill have chosen their officers who will control the destinies of their respective houses next year. The chosen ones will lead their groups in hanging pins, giving teas, bridges and dances and receiving the members of the class of '33 with pledge buttons and pins.

The officers chosen by Delta Delta Delta, are: Mary O'Neill, president; Sarah Lee Clark, vice-president; Frances Hilborn, secretary; Natalie Lipman, treasurer; Bernice Blair, house manager.

Kappa Alpha Theta has elected to lead them, Evelyn Turner, president; Doris Conway, vice-president; Jo Bernard, secretary; Malzie Ryan, treasurer; Idel Anderson, house manager.

The governing body of Pi Beta Phi will consist of Katherine Priest, president; Alice LeMaire, vice-president; Grace Bordewich, treasurer; Jerry Blattner, secretary.

The officers elected by Gamma Phi Beta are Sylvia Crowell, president; Grace Mahoney, vice-president; Edna Clark, treasurer; Lucy Crescenzo, secretary.

Sigma Alpha Omega elected Helen Dunseath, president; Margaret Purdy, vice-president; Florence Shedd, treasurer; Mary Hancock, secretary.

The women chosen to lead Beta Delta are Helen Morris, president; Laura Sauber, vice-president; Esther Sauer, treasurer; Jessie Hartley, secretary.

Alpha Tau Omega has chosen the following men as officers next year: Tommy Towle, worthy master; Willard Jones, ex-chequer; Howard Sheerin, scribe; Paul Richards, house manager.

Sigma Nu Leaders The leaders of Sigma Nu are Russel Garcia, president; Donald Inskip, vice-president; Al Smith, secretary; Al Stockton, treasurer; Claude Hammond, house manager; Harold Tabor, sergeant-at-arms.

Bill Ligon has been chosen president of Sigma Alpha Epsilon with Fred Rounage, vice-president; Harry Lippard, treasurer; Marvin Humphrey, secretary; and Joe Cook, frosh herder.

Phi Sigma Kappa has elected Harold geant-at-arms, Sherburn Timm, president; Del Rey, secretary; Ernest Panelli, treasurer.

Melville Hancock will wield the gavel over Lambda Chi Alpha, assisted by Carleton King, vice-president; Horace Bath, secretary; Fred Lohse, treasurer and Elmer Perry, house manager.

Sigma Phi Sigma will be led by Orville Moyes, president; John Hutchinson, vice-president; Alden Sibley, secretary; Walter Wilson, house manager.

The officers of Delta Sigma Lambda are president, Dan Senseney; vice-president, Walter Seigel; secretary, Albert Davis; treasurer, Clark Nelson; house manager, Al Randolph; sergeant-at-arms, Sheridan Timm.

Beta Kappa has elected Ted Beach, president; Meredith Hawk, vice-president; Frank Bristol, treasurer; Donald Knapp, secretary.

Stillwater, Okla.—Students of horticulture in the Oklahoma A. and M. college have planted 10,000 onion plants of different varieties in order to study and compare them to produce the best possible vegetable.

Mysterious Work Done on Campus

It was early in the evening of May 1 that three men were seen coming from a darkened building on the campus, each staggering under the weight of a shapeless object which rested on his shoulder. Across the campus they trudged, then into another darkened building, and up, up, up, cursing the darkness and the weight of the burden.

At last a light burst forth, a subdued light high up in the air. But who were these men? What was the burden which they bore so carefully? Were bootleggers or dope runners operating on the campus?

Alas! It was nothing so romantic. Merely the Sagebrush night staff, driven from their lair in the basement of the Physics building, moving with their typewriters to the Desert Wolf office on the top deck of Stewart Hall.

A research student at Harvard claims to have proved that there are more than 2,000 separate universes.

Seniors, Faculty Will Stage Game

After the time honored tradition of the campus, the seniors and faculty will tangle on the diamond next Monday afternoon in their annual baseball contest.

Lineups of the two teams are being jealously guarded, but the news has leaked out that the faculty battery will be Peemster and Jones, the former heaving them toward the plate, and the latter on the receiving end. Duke Overlin will do the chucking for the seniors with Crawford behind the slab.

A hot contest is expected, and for once the students are given the long end over the faculty. Many of the seniors claim it is their first break in four years.

P. M. Committee: Dr. Hartman, Chairman, Messrs. Frandsen, Leifson, Palmer, S. G. Searcy.

May 2—Paul Harwood, Candidate; Major, English, Minor, Philosophy; Room 202, Stewart Hall, 4 P. M.; Committee: Professor Hill, Chairman, Miss Lewis, Miss Riegelhuth, Messrs. Church, Thompson.

May 4—Erastus Hansen, Candidate; Major, History, Minor, Education; Room 105, Stewart Hall, 11 A. M.; Committee: Professor Peemster, Chairman, Miss Ruebsam, Messrs. Boardman, Hall, Hicks.

A research student at Harvard claims to have proved that there are more than 2,000 separate universes.

Kappa Tau Alpha May Install Here Says L. W. Murphy

National Journalistic Fraternity Offers Charter

Kappa Tau Alpha, honorary journalism fraternity, sent a letter to Prof. A. L. Higginbotham this week offering it's name and constitution for the use of a chapter at the University of Nevada.

Lawrence W. Murphy sent the letter for the society. He is director of journalism at the University of Illinois, which has one of the best journalism schools in the country.

Distinct Honor "I consider it a distinct honor" says Higginbotham. "I will take it up with the journalism students immediately. I don't think there will be time to do much about it this semester, but they can be thinking it over."

Kappa Tau Alpha is the "Phi Beta Kappa of Journalism," says the letter. Heretofore there has been no such fraternity on the campus. The "Press Club" of some years ago included all journalism students, and those working on campus publications, but Kappa Tau Alpha will receive members on scholarship and honorary basis only.

Higginbotham is sending for the constitution and further information concerning the organization, and will have it ready for the students' consideration in the fall, if not before.

Send the U. of N. Sagebrush to your friends.

ELECTRICITY—

the modern prospector

ASTOUT heart; a burro laden with pick, shovel, and the bare necessities of life; and the prospector was ready for the gold rush—Sutter's Mill, the Pike's Peak country, Cripple Creek, Klondyke. A scattered trail of half-worked claims marked his sacrifices.

To-day mining is a business, with electricity replacing wasteful brawn in mine and mill.

The deep mine, with electric lights, hoists, and locomotives; the surface mine with huge electric shovels scooping up tons of ore in a single bite; the concentrating mill with its batteries of electrically driven machines; the steel mill with its constant electric heat—here are but a few of electricity's contributions to the mineral industries.

So in every industry, electricity increases production and cuts costs. It is the modern prospector, leading the way into wider fields and tapping undeveloped resources—that we may enjoy a finer civilization and a richer, fuller life.

You will find this monogram on powerful motors that drive heavy mining machinery and on tiny motors that drive sewing machines. Both in industry and in the home it is the mark of an organization that is dedicated to electrical progress.

University W. A. A. Women Are to be Hosts of Nevada Prep School Girls

Play Day Will Again Displace Cage Tourney

Picnic Luncheon To Be Served Contestants On Mackay Quad

Approximately seventy girls from Nevada high schools will be guests of the Women's Athletic Association of the University of Nevada for the second annual high school play day tomorrow. The play day is in charge of Mary Donahue of Tonopah, a senior at the University and active in women's sports. Assisting Mary Donahue are Lucile Sanford of Fallon, Jane Eaton of Reno, Katherine Priest of Sparks and Clara Tomlin of Hawthorne. All the officials of the various events are university women who are specializing in physical education.

Replaces Tournament
The idea of a play day was initiated last year to take the place of the girls basketball tournament which has been discontinued. Its main purpose is to show high school girls what the Women's Athletic Association of the University does in many sports, instead of just basketball and tennis. The play day also offers an opportunity to girls of different high schools to become acquainted with each other and with the University of Nevada.

Color Teams
When the girls come they do not come as a team from their school but each girl is put on a color team regardless of the school she attends. The play day is growing in popularity as is shown by the additional number of schools who have accepted the invitation of the Women's Athletic Association to the annual high school celebration.

The program for the morning includes (1) a pentathlon, hurdles, hop, skip and jump, baseball throw for accuracy, basketball throw for distance and a 75 yard dash, (2) relay races, (3) swimming, American crawl, racing back stroke and under or overarm side stroke, all for form and speed, (4) tennis, singles and doubles matches, and (5) volley ball.

Luncheon to Be Served
At noon a picnic luncheon will be served to all the contestants on the Mackay Quad and in the afternoon there will be exhibitions of dancing, fencing and horseback riding. The inter-class archery matches and the co-ed vs. men's faculty baseball game will conclude the day. In the evening a formal banquet will be held at the Methodist church at which the ribbons and other prizes for the day's events will be awarded by Mae Bernasconi, women's athletic coach at the University of Nevada.

The high schools sending in girls to participate in the play day are: Carson, Sparks, Reno, Elko, Wells, Goldfield, and Dayton.

Iota Sigma Holds First Initiation

Iota Sigma, newly organized nationally known honor fraternity, held its first initiation of new members last Tuesday evening in the Desert Wolf offices. There was no banquet; however the men were duly put through the formal initiation of the organization. Those men taken in were Robert Battin, Leslie G. Murphy, Alvin Lombardi, Russell Garcia, Claude Hammond, Duane Mack and Joe DeReemer.

Election of officers held last week resulted in Loren Pease being named as president, Orville Moyes, vice-president, Stanley Leahigh, secretary-treasurer, and Jake Lawlor, sergeant-at-arms.

Aggie Club Holds Officer Election

A meeting of the Aggie Club was held in the Agricultural building on Wednesday, April 23, at which time nominations for next year's officers were made. Friday, Elwood Boerlin '31 was elected president; Ellen Olson '31, vice-president; Ora Lee '31, secretary; Fred Weeks '32, treasurer; and Marvin Humphrey '31, historian.

Campus Opinion on What's Wrong With Our University

Dear Sir:
I am not a pessimist in regard to the future of college spirit at Nevada. In my judgment the spirit of the student body at Nevada will average up well with that of any institution in the country. Of course, loyalty in any institution is likely to wane at times, but every indication points to a complete recovery at Nevada next fall. It seems to me that the following are some of the outstanding causes for the slump in college spirit at Nevada this past semester:

1. The disastrous football season last fall.
2. Internal troubles, and the resulting legislative investigation.
3. Lack of enthusiasm for basketball and track.
4. Too many student organizations; at least several students belonging to too many of these organizations.
5. A shortage in student leaders, and a lack of coordination among these leaders.
6. Lack of inspiration from the alumni society.
7. Too much inter-fraternity feeling; and lack of fraternities, as organizations, in cementing college spirit.
8. Lack of good college traditions; laxness in enforcing what traditions we have; and the poor example on the

part of upper classmen in observing these traditions. —Anonymous.

- Dear Editor:
Nothing is wrong with the University of Nevada; we just are going through the necessary stages of development. Briefly, the following are certain physical and mental stages of progress that I believe our University needs:
1. More students desiring mental development, not merely training.
 2. A common problem to bind faculty and students more closely together.
 3. Constructive criticism — not snap-judgment comment.
 4. Second-semester or sophomore pledges.
 5. A new men's dormitory.
 6. A required intensive but humanized course in citizenship and government.
 7. More individualists and less persons with "Robotic" tendencies.
 8. More thinkers and doers.
 9. A new gymnasium.
 10. A Union building.
 11. Concentration limitation of student activities.
 12. More reflective thinking.
 13. Non-denominational chapel service on or near the campus.
- Kelly Lyon.

Kellogg Better After Collapse

Jack Kellogg '29, captain of the Nevada Varsity Track team, who collapsed on the rub-down table after a work-out Tuesday night, was reported to be well on the road to recovery.

Kellogg has been one of the mainstays of the track squad for the last three years. He takes part in the dashes, and is an important cog in the relay team. He had been on the bench for several weeks with a hurt leg, and was just getting back into shape. After the collapse he was taken to Saint Mary's hospital, and his condition was at first reported to be serious. However, he made a strong fight, and Wednesday night was said to be recovering rapidly.

His loss will be a severe blow to the track team, as he will be unable to compete in the conference meet, which is being held at Davis this Saturday.

Debate Society Elect Officers

Clonia, debating society, held its final meeting last Tuesday night at which the following officers for next semester were elected and installed: Harvey Dondero '31, president; Harry Robinson '31, vice-president; Clara Tomlin '31, secretary; and Albert States '32, treasurer.

Out-going officers of Clonia are: Warren Monroe '29, president; Fannie Smithson '31, secretary; and Melville Hancock, treasurer.

Five Initiated By Honorary Society

Pi chapter of Sigma Gamma Epsilon, national honorary mining fraternity, held a meeting Thursday evening for the election of officers and the initiation of new members.

The following officers were elected: Claude Hammond '29, president; Frank Bristol '29, vice-president; Paul Gemmill '29, secretary-treasurer; and Wallace White '30, editor.

The new initiates were Paul Gemmill '29, Claude Hammond '29, Wallace White '30, Bill Kinnon '29, and R. Henry, postgraduate.

GOLD ORE ON DISPLAY

Through the courtesy of Mrs. F. O. Gilbert, the Mackay Museum is exhibiting a polished section of gold ore from the Gilbert mammoth croppings at Gilbert, Nevada. The specimen shows solid bands of gold extending through the rock, and is a very fine example of vein structure.

Picnics, Dinners For Senior Coeds

Picnics, teas and dinners are keeping the senior women busy during the last few weeks of the semester.

The members of the graduating class will be entertained at the Golf Club, Monday evening, May 3, by Miss Margaret E. Mack and Mrs. Walter E. Clark. This dinner is to take the place of the picnic which in former years, Miss Mack has given for the senior women.

May Give Picnic
There is a possibility that the American Association of University Women will give a picnic for the women, Saturday morning, May 11. After returning from this outing, a tea will be given at Manzanita Hall in the afternoon at 4 o'clock, for the mothers of the senior women.

Two years ago the A. A. U. W. picnic was held in Virginia City, where trips were taken into some of the old mines. Last year they went to Genoa. Definite plans have not been made for this year's excursion.

One night a week for the past few weeks the senior women have been getting together for a class dinner. The last meeting was held Wednesday night at the Corner Cupboard.

Kappa Kappa Psi Elects Officers

Alpha Alpha chapter of Kappa Kappa Psi, national band fraternity which was recently given a charter at Nevada, held election of officers for the next school year last Tuesday.

The following were elected: President, Walter B. Siegel, Vice-President, Clifford Carlson, Secretary, Gilbert Mathews.

Pre-Legal Club Names Officers

A meeting was held last Monday of Nu Phi Nu, Nevada's pre-legal society. Upon completing the business of the club, election of officers for the coming semester was held with the following results: president: George Vargas '31; vice-president: Grant Bowen '30; secretary: Tom Johnson '30; treasurer: Alan Bible '30.

Plans were discussed for the work to be undertaken next semester. It was decided that the society should keep available all data possible on legal schools for the use of anyone desiring to attend such finishing schools of law.

Evolution may or may not be a certain amount of hokey but, T. I. hidden (as usual) under the swing on the Pi Beta Phi porch, witnessed a strange phenomenon a few nights ago. Miss Geraldine Blattner was perched in her usual manner on said swing. Wampus Burns of Ely occupied a chair across said porch. It was exactly 9:01 p. m.

At 9:07, Wampus still occupied the chair but it had been moved to within three and one-quarter inches of the swing. At 9:08 he had clambered from the chair into the far end of the swing. At 9:15 it was impossible to distinguish Wampus from Geraldine or vice versa. The puzzle is, which was the swing and why?

With a lewd look on his blank mug, Sergeant Never came dashing into the central offices this morning to report the startling fact that Miss Claire Lehmkuhl is rooming on Lake Street with Reynold "Rita" Hansen. A check up on his source of information revealed that Daddy Layman, in an effort to obtain measurements for the cap and gown of a Miss Lehmkuhl listed among senior women, traced the unsuspecting Dutchman to his lair with the Big Finn and called him by phone, inquiring for MISS LEHMKUHL. (Heh-heh-heh). Upon learning from Dutch that Miss Lehmkuhl was actually rooming with Hansen, Daddy gasped and hung up the phone. He has taken the matter up with the Dean Mack corps of Cleaners.

T. I., disguised as a waiter's apron at Lawtons, brings to light the fact that two prominent Senior women failed miserably in an attempt to gain admittance to the famed resort the other night. One attempted to get by with an alias while the age of another was challenged. Their names may be had by calling at the secret agency offices between 2 and 3 a. m. any morning.

Lucas Thurber Brockbank, advance agent and publicity spreader for the Senior play, arrived in Reno, Thursday afternoon with a worn and haggard look on his expressionless map. Hoyt Martin, it seems, made the most of his stay in Ely, not to mention some of the inhabitants.

A report seeps through the underworld channels that two of the Tri-Delta's newly elected officers were entertained at an impromptu picnic by several members of the Kappa Lambda—pardon, Lambda Chi local the other afternoon.

The informant disclosed the identity of the miscreants when pressure was applied, but the names are being withheld for police reasons. However, the culprits are warned that their secret is well known to our operatives and a repetition of the crime will bring disclosure. Among other charges they are alleged to have held a track meet in the Sagebrush.

Horseshow McDonnell, you have been pitifully neglected of late. How come, may we ask, Peggy delayed the Senior Play departure for the sticks by exactly one hour and 17 minutes? (Statistics taken from Edises chronometer.)

Gus Seeds and Betty Newman had a bang-up time after the Lambda Chi formal, according to an operative disguised as a favor at their annual soup-and-fish dirt race. And not only that,

Annual Theta Tea given

The Kappa Alpha Theta sorority opened their home on Saturday afternoon to members of the faculty and students when they entertained with their annual campus tea. Between the hours of two and four, members of the faculty, house mothers and patrons and patronesses of the various sororities were entertained. From four until 4:30 o'clock the students were feted at a tea dance with music furnished by Ray Hackett's orchestra.

St. Stephen's chapel was the scene of a very impressive ceremony Saturday evening when the wedding of Dorothy Stoddard, ex-'28 and Carson Mitchell was solemnized.

Immediately following the ceremony a reception was held at the home of Mr. and Mrs. Roy Stoddard, parents of the bride. The young couple plan to make their home in Seattle, Washington, where the groom is engaged in business. When Mrs. Mitchell attended the University of Nevada she was affiliated with the Kappa Alpha Theta sorority.

S. A. E. Tea Dance

The S. A. E.'s entertained with an informal tea dance on Sunday afternoon between the hours of two and six.

Pirate Motif at Formal Dinner Dance

The Lambda Chi Alpha fraternity entertained with a formal dinner dance at the Century Club last Saturday evening. The pirate motif was carried out in decorations and during the evening, Harry Atkinson presented an appropriate dance. Mr. Raymond Carley favored with a number of vocal solos. A little boy in a pirate costume presented bracelets, with the fraternity crest on them, as favors. Dean and Mrs. Raymond Leach and Dr. and Mrs. E. F. Chappelle were patrons and patronesses of the affair.

Week-end Guest at Pi Phi house

Helen Hibbert, '28, was a visitor at the Pi Beta Phi house last week-end.

Patricia Harding Is Complimented

Complimenting Patricia Harding, whose marriage to Alden McCullum will take place on May 8 at the Pi Beta Phi house, Adeline Duque and Jeanette Brown, entertained at the Duque home on Wheeler street Saturday.

Beta Delta Picnics at Pyramid

The Beta Delta sorority motored to Pyramid lake on Sunday where they held their annual picnic. A most en-

joyable afternoon was spent in playing games. During the noon hour a delightful picnic lunch was served to the party. Mrs. F. Hanes accompanied the women on their outing.

Fraternity Picnic

Last Sunday the Sigma Phi Sigma fraternity entertained at a picnic at Lake Tahoe. Dean F. H. Sibley acted as patron.

Seniors Honored at Costume Party

Beta Delta was entertained by Mrs. D. E. Ericson, a patroness of the sorority, last Friday evening at her home on Moran street. Guests came in costume and after several hours of bridge, refreshments were served. Gifts were presented to each one of the graduating seniors; Annie Twaddle, Edna Ericson, Helen Dunn and Martha Huber.

ATO's Picnic at Jack's Valley

The annual picnic of the Alpha Tau Omega fraternity was held last Sunday in the Jack's Valley meadows, near Carson City. After the picnic lunch was served, the party drove to Carson Hot Springs where swimming and dancing were enjoyed. Mrs. W. G. Adamson and Dr. R. C. Thompson accompanied the picnicers.

SAE's Present Unique Formal

The Sigma Alpha Epsilon fraternity were hosts to their friends on Friday evening when they presented their annual formal dance at the Century Club. Balloons, serpentine, confetti and noise makers carried out the very attractive theme of a New Year's eve of revelry. The main feature of the evening was clever numbers by the Tahoe Tavern orchestra.

The favors for the affair were novelty blue and gold bracelets bearing the fraternity insignia. The guests were presented with corsages of the frater-

nity flower, violets. The patrons and patronesses were: Dr. and Mrs. C. H. Haseman, Mr. and Mrs. S. Ross and Misses Margaret Mack and Louise Sissa.

Pi Phi Beta T Entertains Guest

Miss Virginia Shreve of Palo Alto was a guest of Grace Bordewich at the Pi Beta Phi house during the past week.

Moonlight Picnic

The Tri-Delta's gave a moonlight picnic at Bowler's Mansion.

S. A. O. Patroness Entertains Members

The Patronesses of Sigma Alpha Omega sorority entertained the members and friends of the group at a charming dance at Maple Hall last Friday evening.

Pledge Announced

Sigma Alpha Omega sorority wishes to announce the pledging of Olive Williams '32 of Ely, Nevada.

Sigma Phi Sigma Mother's Club

The Sigma Phi Sigma mother's club held a meeting yesterday afternoon at the chapter house and considered several steps to be taken by the club in its work next year.

BOOK REVIEW

"Keeping Off the Shelf" gives to us the memoirs of the American stage told by one of its oldest actresses—Mrs. Thomas Whiffen. It takes us back to the very beginning of American drama and tells the story of the struggle of the theatre against its fierce opposition. Many stars of past years are given renewed life in her pages—Booth, Duse, Bernhardt, and Drew. The author realistically and simply recalls the ties, strong and binding, which existed in olden times, between actor and producer, and between fellow actors. It is life without exaggerations, life with its struggles, its hardships, its loves, and its successes; life, unadorned by fiction. It is full of keen humor and lacks entirely that sense of self-consciousness usually found in biographies.

W. B. Seabrook, author of "Adventures in Arabia" brings to the public a book revealing the real heart of the Haitian people. It is a tale of the merging and crossing of civilization and barbarism, the simple and the complex, the real and the artificial. The only white man to undergo the blood baptism of the voodoo cult, he has reached the heart of the darkness as no other man could and presents it in a sympathetic and wholly understanding manner. Just missing fiction, however, by a lack of plot and continuity throughout, it reads like a novel, weird, gripping and tragic, yet filled with a poignant mystery of live religion. The cross and the holy Virgin are worshipped side by side with the black counterpart of age-old pagan gods. It is filled with a rare understanding which can come only with close contact and deep sympathy of these black children. It ends in bitter renunciation of the egotistical whites who have put fear and cow-

High Schools of State Will Meet Saturday on Quad For Track Honors

Reno, Sparks Doped As Strongest Contenders

Little Known of Power Of Remaining Ten Teams

Bringing together what is likely to prove the keenest interscholastic competition seen so far this year, with some of the strongest teams in the state entered, the Western Nevada high school track meet will get underway tomorrow afternoon at Mackay Field.

With all teams entered specializing in different events, and with few dual meets held this season, a definite line cannot be drawn as to which team is likely to bring in the majority of the points. It is certain, however, that the winners will not score many more points than their competitors.

Reno, Sparks Consistent

Reno and Sparks present the most consistent lineups so far, and each team has shown its ability against strong competition. Last Saturday, while Sparks was piling up 70 points to annex the tri-school meet held at Yerrington, Reno came through with 38 tallies and a second place against the U. of N. Frosh and Susanville.

With twenty men entered, only two of whom have earned their letters in track, the railroaders seem assured of at least 30 points, with Spencer bearing the burden in the weights, Hill in the weights and hurdles, Semenza in the jumps, and Guffrey in the dashes, taking the heavy load.

Meet to Be Close

With Reno centering on the high jump, distance runs, and hurdles, the meet might resolve itself into a duel between the two schools. Ayers seems to have the high jump cinched, and Secoy will take at least a second in the high and low sticks. Bannigan and Hart, Reno dash men, also loom as possibilities for points.

Virginia City, sending for the first time in years a full representation, will enter the meet tomorrow, expecting to place enough men to garner 30 points. While the mountaineers do anything well, their main strength lies in the sprints, javelin, and high jump. With a few places in these events, and the distance runs, they may put over a win. As it is now, they are the ideal "dark horse."

Carson Strong

Carson City is sending a team of sixteen men, whose main forte is the distance runs and field events. They defeated the Stewart Indians two weeks ago in good fashion, and may take even more points than this. That they will give the winner a close race is not to be expected, however.

Wellington's only bid for honors will be the pole vault, and of Lovelock, Fallon, Stewart, Yerrington, and Dayton, nothing is known except that Yerrington ran up 34 points in the tri-school meet last week, but did not display exceptional ability. Minolletta has a chance to place in the broad jump, and there are a few other point takers, but they will not affect the standings of the other aggregations enough to do any great damage.

Scott was entered in the broad jump, and placed fifth in the qualifying

Babe Tracksters Defeat Susanville, Reno High Teams

Dan Trevitt '32 High Point Man of Frosh

Nevada's frosh track team walked away from the Reno High school and Susanville tracksters to take a lopsided victory in a three cornered meet on Mackay field last Saturday. The Frosh scored many more points than were netted by the combined efforts of their opponents.

In a practice jaunt over the cinders before the meet began, "Fritz" Lohse, star distance man of the Nevada varsity dashed off the two mile distance in 10:04, breaking the old record for the track by more than ten seconds. It was announced that the time was unofficial, but it has since been officially recognized.

Dan Trevitt starred for the Babes, grabbing high scoring honors of the frosh team, with fifteen points to his credit. Dan broke the tape in the 50 yard sprint, and repeated in the century and furlong.

Ayer of Reno was high point man of the meet, scoring twenty points. The Reno boy took the front position in both flights of hurdles, and came first in the high jump and broad jump. In the hop for height, he broke the state interscholastic record, unofficially clearing the bar at a height of 5 ft. 10 in.

Salisbury of the Babe squad turned in the best time of the day when he covered the half mile distance in 2:03. "Fritz" Wilson had no competition in the quarter, and walked home for first place in the slow time of 5:41. Johnson took an easy first in the pole vault.

The 880 relay proved the surprise

Tennis Tournay Dies Slow Death

A. T. O. Team Comes Out on Top As Meet Is Ended

The international tennis tournament, which has been making a game fight for the last three weeks, has finally died a natural death because of complete indifference on the part of the participants and students in general. The close of the tournay found the A. T. O. team composed of Doug Bussey and Tank Smith on top of the heap with two wins and no losses.

This lack of interest in the net game is puzzling to Chet Scranton, who has been promoting the contests, for, he points out, it is one of the few sports which can be carried on by students after graduation. Also, unless the attitude of the student body toward this form of recreation changes, there is little chance of forming a Varsity team to represent Nevada on the courts in intercollegiate competition.

Planned Varsity

The tournament, which was a competition in doubles between organizations on the campus, was originally planned to pick a Varsity team, and to stimulate interest in tennis on the Hill. Poor weather at the outset, slowed down the matches, and finally, when the tournay had reached the third bracket, it had to be abandoned because of lack of interest.

of the day, when an impromptu team of frosh came out on top in 1:36. The team consisting of McBirney, Bankofier, Winters, and Wilson, raced in several yards to the good. The final score of the meet was: Frosh 83, Reno 38, Susanville 20.

Wolves Score Six Points at Fresno Relays

WOLF TEAM TAKES THIRD PLACE IN STIFF COMPETITION

Nevada's relay team which journeyed down to Fresno for the relay carnival succeeded in taking six points from a field composed of the pick of the coast track athletes. The 880 relay squad composed of Jack Kellog, Neil Scott, Red Martin, and Ken Robison grabbed off third place in their event in the class B competition, while "Goon" Gilmartin tier for second place in the high jump with a leap of 5 feet 10 inches.

According to Coach "Doc" Martie, the team did as well as was to be expected, finishing only one second behind the winning team from Glendale J. C. He points out that while the California men are able to work out throughout the entire year, Nevada weather severely limits the training season. Also, in Wykoff, Glendale has one of the fastest sprinters in the country. The Californian trots off the hundred in 9.6 and was a member of the last Olympic team.

charges in this race.

With San Jose's 13 foot man in the pole vault, Nevada can look for no more than a second here. O'Hara may get lucky and go over thirteen, but the best he has done is 12 feet 3/4 inches this year. But a second will come in handy here, to swell the points column on the Wolf side of the ledger.

Shows Improvement

As for the jumps, Gilmartin, Bailey,

Seniors Whipped By Juniors 14-30

Tuesday the co-eds of the junior and senior classes had their annual tussle on the baseball diamond with the devastating results to the seniors of a 14-30 score. The senior women had only half a team out while the juniors had a full team with one over. Laying all alibis aside it would have been pretty bad if the seniors had carried off the bacon.

and Randall have been getting up in the air in practice. "Goon" tied for second at five feet ten inches in the Fresno relays last Saturday, and is improving all the time so that he should repeat tomorrow.

Scott looks good in the broad jump, with leaps of 23 feet. He fell down slightly last week, and took fourth place, but he has exceeded the winning jump several times.

In the weights, Nevada is admittedly weak, but this is more than offset in the mile and two mile runs. Bailey, Lohse, and Rossiter, like Salisbury and Schmoor, have not been pressed to take their events so far this year, and have usually finished in the above order. While the times in either distance have not been brilliant, they have been reassuring, and have the edge on times turned in by other conference teams.

As for the relay, the question remains unsettled. With Kellog out of the race, and a probability that Robison will not feel capable of running after the hundred and the 220 races, the load rests on Martin, Wilson, Ligon, and possibly Copren. These men can have no more than a look-in to win, and the real fight looms between San Jose and Fresno in this race.

With first and seconds looming in a

goodly share of the events, and with the extra point awarded to fourth position, the Wolves seem to have a bare possibility at the least, of repeating their former victories.

To be an optimist, you have to think you have arrived before you start.

round. The high jump, in which Gilmartin placed second, was won with a leap of 6 feet 1 1/2 inches. The weather was very warm, which had some effect on the Nevada athletes. However, the severest handicap was the short time they had in which to prepare for the season. They deserve great credit for the showing they made, which under the existing conditions, was remarkable.

Wolf Tracksters

(Continued from Page 1) and should bring in a victory by yards. Neither have been pressed this year, and it will be interesting to see just what they can do under stress. Salisbury seems to be tireless, and could probably run his event two minutes if called upon to do so. In any event, it will take a plenty good man to take even second place away from Martie's

and Randall have been getting up in the air in practice. "Goon" tied for second at five feet ten inches in the Fresno relays last Saturday, and is improving all the time so that he should repeat tomorrow.

Scott looks good in the broad jump, with leaps of 23 feet. He fell down slightly last week, and took fourth place, but he has exceeded the winning jump several times.

In the weights, Nevada is admittedly weak, but this is more than offset in the mile and two mile runs. Bailey, Lohse, and Rossiter, like Salisbury and Schmoor, have not been pressed to take their events so far this year, and have usually finished in the above order. While the times in either distance have not been brilliant, they have been reassuring, and have the edge on times turned in by other conference teams.

As for the relay, the question remains unsettled. With Kellog out of the race, and a probability that Robison will not feel capable of running after the hundred and the 220 races, the load rests on Martin, Wilson, Ligon, and possibly Copren. These men can have no more than a look-in to win, and the real fight looms between San Jose and Fresno in this race.

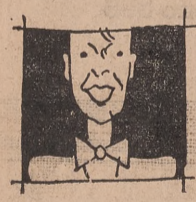

With first and seconds looming in a

Whither away, Sir Knight?

There's a knightly warrior, immortalized by Mr. Stephen Leacock, who under the stress of intense excitement "mounted his horse and rode away in all directions." Whether he ever arrived is not recorded.

To us, this giddy hero is a perfect example of how not to make cigarettes. We hold that a cigarette is a smoke, and a good smoke is a blessing, so to that end alone have Chesterfields been ripened, blended and manufactured.

Mild as they are, not a jot of the true, rich tobacco flavor has been lost. When the best tobaccos on the market are bought you can be certain they'll deliver the taste. Chesterfields are as natural as a field of sweet clover; and they satisfy the taste superlatively well, always!

Once a man has checked up on the above pleasant news, there'll be no "riding away in all directions" for him!

CHESTERFIELD

MILD enough for anybody...and yet...THEY SATISFY

Home Economics School Holding Contest for Prep School Students

Many Demonstrations Will Be Offered On Hill

Awards will be Offered In Several Branches Of Home Life

Nevada's Fifth Annual Home Economics contest is being held at the University from May 2 to 4 under the direction of Miss Ruth A. Talbot. Those assisting Miss Talbot are: Iva Blosser, Winnemucca, chairman of programs; Gladys Wychoff, Reno, banquet chairman; and Katherine Davidson, Gardnerville, exhibit chairman.

Thursday's program, May 2, was as follows: 8:30 a. m., educational trips and arranging of exhibits; 9:00 a. m., meal service, clothing construction; 1:00 p. m., address of welcome, Dr. Walter E. Clark, demonstrations house and home and related sciences; 7:30 p. m., meeting State Home Economics association.

Friday's program was as follows: 9:00 a. m., meal service; 9:30 a. m., demonstrations, Related Arts; 1:30 p. m., demonstrations, health, home nursing; 7:45 p. m., feature division, school outfit, party outfit, afternoon outfit.

The program for Saturday: 9:00 a. m., meal service; 9:30 a. m., demonstrations, child care; and 7:30 p. m., banquet, awarding of prizes.

Thursday afternoon at 4:00 p. m. the Home Economics club gave a tea for the contestants, and at 6:30 p. m. a dinner was given at the Reno High School by the club, with the Reno High School students acting as waitresses. On Friday, the Home Economics club at Sparks also gave a tea for the contestants at 4:00 p. m. in Sparks. The guests were driven around Reno before the tea to see the city.

At 7:30 p. m. on Saturday the Home Economics club will give a banquet at the Methodist Church for the high school girls, at which the prizes will be given out by Miss Ruth Talbot. Different representatives of the various high schools will each give short talks. Thirteen schools will be represented at the numerous demonstrations and they are Wells, Winnemucca, Lovelock, Sparks, Reno, Carson, Gardnerville, Yerington, Tonopah, Las Vegas, Bunkerville, and Overton.

Those entering the Meal Service Contest are: Herma Burns, Sparks; Wanda Bunker, Bunkerville; Marjorie Simpson, Carson City; Gertrude White, Carson City; Royola Jensen, Las Vegas; Bernice Thacker, Reno High; Geneva Murphy, Overton, and two contestants from Tonopah and Gardnerville.

The contestants in the Party and Afternoon Dress contest are: Christobel Hill, Carson; Ruby Elias, Sparks; Royola Jensen, Las Vegas; Dora Chadburn, Overton; Verna Leavitt, Bunkerville; Eileen Daniels, Reno; Angie Recanzone, Tonopah. Adrienne Bourveret is entering the contest for School Outfit; there are also contestants from Lovelock, Wells, and Wellington.

The participants in Related Science are Melvina Holmstrom, Lovelock; Herma Burns, Sparks; Louise Barum, Las Vegas; Angie Recanzone, Winnemucca; Sue Copenhagen, Wellington.

Those in the Home Nursing Demonstration are Louise Anderson, Overton; Leah Colton, Wells; Mary Hancock, Sparks; Verna Leavitt, Bunkerville; Dina Quilici, Lovelock; Lynette Stewart, Carson City; Annie Garteiz, Winnemucca; Emma Agarez, Wellington, and one from Tonopah.

The contestants in the Health Demonstration are Marjorie Simpson, Lovelock; Geneva Murphy, Overton; Mabel Whitney, Las Vegas; Fern Wilson, Winnemucca and Verna Leavitt, Bunkerville.

In the Child Care Demonstration are Louise Anderson, Overton; Mabel Whitney, Las Vegas; Virginia Hadley, Sparks; Margaret McFadden, Winnemucca and another from Tonopah. The participants in Related Art

Seniors Grieve As School Ends

Laugh or cry? Are these seniors, freed from the irksome requirement of attending class an entire week before the end of the semester, writing the "finis" to their college careers as undergraduates, laughing or crying. During the long cold winter months, time has dragged, work has been boring, college drab and colorless. Now, as if to recall them—these graduating seniors—the campus becomes a place of beauty and color. It seems to be putting forth its greatest effort to make the parting difficult.

Oh, yes, there is pathos enough. But in answer to our heart-throbbing sadness comes jolly old College-Joe's retort: "Four years of slaving ought to accomplish something. Why shouldn't it let us out a week in advance!"

Hill Players Hold Initiation, Banquet

NEXT YEAR'S OFFICERS TO BE ELECTED TONIGHT

This afternoon at four o'clock Campus Players held formal initiation for new members at the Gamma Phi Beta house. The following students who have taken part in productions during the past semester were admitted to the organization: Helene Turner '29, Wilma Fitzgerald '32, Clara Tomlin '31, Joe McDonnell '31, Howard Ballinger '31, and William Regentz '30.

A banquet this evening at the Century Club will honor the new members, following which stunts are to be presented by the new members. Officers for next year will also be elected at this time.

Successful Season Campus Players have had a very note-worthy season, and have succeeded in placing their presentations among the outstanding events of the college year. Plans for next term call for a busier and more diversified schedule than this season, with the players attempting the first presentation of a Shakespearian drama on the campus.

The officers during the past year who will be replaced are as follows: Edwin Semenza '30, president; Helen Mahoney '30, vice-president; Inez Loomis '30, secretary, and Wyman Sexsmith '29, treasurer.

Demonstration are Belle Franklin, Wells, Dora Chadburn, Overton, Ruby Bliss, Sparks; Ruth McBride, Winnemucca, and one from Tonopah.

The ones entering in House and Home Demonstration are Edna Pockock, Overton; Myra Sauer, Reno; Margaret Walker, Sparks; Fern Nelson, Winnemucca. Those in Clothing Construction are Laura Harris from Carson, Elvira Jouregan from Reno High and a contestant from Wellington.

Officers Elected, Plans Outlined by Kappa Kappa Psi

Band Work Will Be Promoted on Hill Next Year

The newly installed Kappa Kappa Psi, University Band society, held a meeting a short time ago, and elected as their new officers: Walter Seigle '30, president; Leonard Sledge '30, vice-president and manager; Gilbert Mathews '30, secretary; and Clifford Carlson '30, treasurer.

Kappa Kappa Psi has planned a very active year for 1929-30. Their principle concern will be in arousing the interest of high school musicians in band work at the University. To start this movement of interest they are having a circular letter written and sent to the different high schools. Through correspondence it is hoped that a live interest in University band work will be aroused.

The band members are hoping to be able to accompany the football teams on many of their trips next year. They plan to raise money for these trips by a series of entertainments given on the Campus. The club may give some dances also to aid in raising the money necessary for these trips.

The work of Kappa Kappa Psi this semester has been primarily to organize the band club, and outline a definite work for the club to accomplish. This has been carried through now, and the years following will be devoted to encouraging and promoting band work on the Hill.

Los Angeles.—A group of students and two professors of the University of Southern California will "hitch-hike" a vagabond way through Europe this summer, studying and sketching classics of ancient, Renaissance, and modern architecture.

Journalism Class Puts Out Journal For Seventh Time

Raycraft, Monroe, Lyon Act As Editors Thursday

The Nevada State Journal this morning was edited by Journalism students of the University, for the seventh time in seven years. The work of getting the paper to press was entirely in the hands of the students, with the exception of the advertising and mechanical departments. News, heads, stories, copyreading, proofreading, writing of editorials, and all other work connected with editing the paper, was done by the students.

Raycraft Editor Homer Raycraft, '29, acted as editor; Elmer ("Kelly") Lyon, '29, was telegraph editor; Warren Monroe, '29, city editor.
